

Song of Solomon

And They Sang a New Song (Part 6)

Apple Wine

By Pastor Shane Vaughn, First Harvest Ministries

Song of Songs 2:1-2 1 I am the rose of Sharon, and the lily of the valleys. 2 Like a lily among thorns, so is my love among the daughters.

That's where we stopped last time. Now we'll pick up in verse three.

Song of Songs 2:3 Like an apple tree among the trees of the woods, so is my beloved among the sons. I delighted and sat down under his shadow, and his fruit was sweet to my taste.

This is her talking back to Him now. In verse two, it was Him singing to her. Now she turns around and sings to Him.

Father, anoint Your Word tonight. Father, we are nothing without You. I'm just a piece of clay, but Your Word has life in it and I submit myself to Your authority as the head of this church. You *are* our chief Shepherd and we come now and ask You to feed these little sheep who have gathered together saying, "Where feedeth Thou?" Here they are, saying, "Where feedeth Thou? That's where I want to be." Thank you Father. Amen.

What does verse three mean? It's very simple. In the Bible, trees are a symbol of people. When Yahshua opened the blind man's eyes, he said, "I see men as trees walking." All through the scripture the tree is the symbol of mankind. Now this lady, which is you, is singing a song to her beloved, and here's what she says to Him: *You Sir, are not just a tree. You're not just a man. You're a special man; You're an Apple tree. Of all the trees in the forest; there's a lot of great people but You're not just any tree; You're an apple tree*, she said. When you begin to sing the new song of the Lord, you will begin to recognize Yahshua for His uniqueness among men. Although He's born of a woman and although He's a man, He was an apple man or a super man, if you will. The Bible calls Him the eldest brother. What that means is: Don't get it twisted; even though He is your brother, He is in a league all to Himself! He is a *special* man. He is an APPLE tree. When you begin to go forward in singing this song, you will begin to

recognize that He is an apple tree. As a matter of fact, she said in that verse that His fruit was sweet to her taste. That means what? That He is a fruitful tree.

What makes Him an apple tree? What makes Him different from Andrew or Bruce or me, besides the fact that He was resurrected and He is now sitting at the right hand of the Father, and He is eternal now? Besides all that, what made Him unique during His days on the earth? He had something that *you* are still trying to get. He had fruit. He had the fruit of the Spirit. He was unique in the fact that He loved His enemies. If you're not there yet, you're not an apple tree; you're just an old tree. He loved those who despitely used Him. If you're not there yet, you're just an old tree. That's right; you're just an old hardwood tree. But Yahshua was a FRUITFUL tree.

Now everyone listening to my preaching in church, you tell me that you're trying to follow the pattern of the Elder Son. But where's your fruit? Where's your gentleness? Where's your kindness? Where's your long suffering? Where is your love and your meekness? Where is it? Until we can see it, you're an old tree. But *this* woman said to Him, "Your fruit is sweet to my mouth." That means if you're learning this new song, you're eating the *same* fruit as Him! You're becoming the fruit that you found on the apple tree! You're not hearing me now. This woman is saying to Him, "You're not just an apple tree, but I'm *eating* the *apples*." She is singing a new song. When she sang the old song, she was out eating any unclean animal she wanted to eat. She was out eating anything she desired. Now that she's found the Fruit of the Spirit, she's becoming the bride by becoming the fruit that she found on the fruit tree!

Listen to me now. You can have all the glory in the world. You can have all the miracles in the world. The greatest miracle you'll ever have in your life is to have fruit on your tree. Yahweh is calling you in this ministry to *never* get to the point where you're more worried about the Tree of Knowledge than you are the fruit of the tree. Knowledge brings you death as quickly as ignorance will. That's right. You can know all things, but if you don't have that fruit, it profits you nothing. You get on Facebook and you debate the name Yahweh, Yahooee or Yahwad—whatever you want to do—and that's fine because knowledge is good, but if you can't get along with your brother and your sister, The Name doesn't mean anything! Somebody needs to get under that tree and start eating the fruit of the apple tree!

Notice these two trees. One is the Tree of Life. That is Yahshua. But notice the Tree of Death. Listen; this is important. The Tree of Death is the opposite of the Tree of Life, but notice how the Tree of Death is described: *knowledge*. Knowledge of good and evil. You know what that means don't you? That means this world is eating of the Tree of Knowledge—either Bible knowledge or worldly knowledge—and they're still dying because the Life is not in what you *know*. The Life is in what knows *you*. The Life is not in what you're learning. The Life is what you're BECOMING: that we understand all mysteries. And we're not eating the fruit?! We are a sounding brass and a clanging cymbal! We *must* become lovers of FRUIT!

We must look for fruit in one another. We must become fruit inspectors. What does that mean? When you hear rotten fruit coming out of another church member's mouth, they need a fruit inspector. If anybody in this ministry is trying to get you on *their* side, tell Daniels' side—the truth. There's only one side and that's Truth! We don't do sides around here; we do Truth. We do the Word because we're learning that the Tree of Life is *not* the Tree of Knowledge. It is the Tree of CHANGE. It is the tree that gives us the Fruit of the Spirit. If you'll read the book of Revelation, Yahshua says, "I stand at the door and knock. If any man opens the door, I will come in and eat with him." He's only going to eat if there's fruit for Him to eat.

If His fruit isn't on your table, then there isn't any way for you and Him to dine together. He only eats what He produces. It's called *the Fruit of the Spirit*. He's only going to eat His own fruit. That's like my wife when we go out to a restaurant. She will not eat the sweeteners that they have. She brings her own. She brings what she trusts. He'll only eat what He trusts, and that's what comes from the Tree of Life. We have to learn that from this apple tree, we are becoming what we are eating.

We've had many people who have left the ministry that have said, "We love the message." I don't think they even heard the message. Did you think our message was the Sabbath Day? Did you think our message was about clean and unclean animals? Did you think that was our message? No, that was just the little byproducts of our message. Our message is: If you don't look like Him and if you don't live like Him and if you don't act like Him, and if you don't smell like Him, you have missed the message. We're not telling you to keep the Sabbath Day so you can be more like Him. We're telling you that the more you become like Him,

the more you'll *want* to keep the Sabbath Day holy. Did you hear what I just told you? None of these things are making you holy. He ALONE makes you holy. Christ alone! But holiness within, becomes holiness throughout. You can't get this holiness except at the Tree of Life. That's where you have to get it.

Proverbs 25:11 A word fitly spoken is like apples of gold in settings of silver.

I want to show you this Tree of Life of apples. I'm so glad that we're learning to sing a song that men cannot sing. *A Word fitly spoken is like apples of gold in pitchers (settings) of silver.* A *word* is an apple, and I just read about a bride that's sitting under a word tree, because the Tree of Life is a *Word* tree. I want you to hear me and hear me well. When you bring people to your denomination and get them saved in a Baptist church, you'll turn them into a Baptist. When you get people saved in a Catholic church, you'll turn them into a Catholic. When you get people saved in a Pentecostal church, you'll turn them into a Pentecostal. But if you get them saved at a Word Tree, you'll turn them into a WORD BRIDE. Don't ever forget what I just told you. The Tree of Life is the Word Tree! The fresh revelation of the Truth is a *Word*, like an *Apple*.

Now remember, this girl that's sitting there under the tree. Remember who this girl is. If we go back a few weeks ago to my teaching, something happened to her ear. She got it opened. Now if an apple is the Word, somebody has to have an ear to eat the apple, or in other words, hear the Word, because a Word is an Apple. A word fitly spoken is an apple of GOLD! We are the pitchers (settings) of silver that receive the apples of gold. The Word that's being revealed in this hour is apples of gold, but apples can only be placed in pitchers of silver in those days. Do you know why? Because silver is like nickel. Silver will keep those apples from going bad. If you take a nickel and drop it in a gallon of milk, you don't have to refrigerate the milk, because the silver keeps the bacteria out of the milk.

The kings and queens, so the apples wouldn't turn brown, would put them in a pitcher of silver. That silver will preserve the apples of gold. The apples being released from this ministry are not for pitchers of clay, which are men. It's not for pitchers of flesh, which are men! It's for pitchers of silver that are being purified in the FIRE of this end time message. You've got to have more than apples. There has to be pitchers of silver that are worthy of the apples of gold. The only thing you can put in a pitcher of clay is old, bad apples. When the Father gives you a

revelation of Truth, there must be a pitcher of silver! Silver is purification and cleansing. It's a germ killer; it kills bacteria. We are holders of Divine Apples. We get those apples when we're learning the new song. As we sit under the apple tree, we receive what drops from the tree: apples. There we sit, like we did tonight in the Glory rain when the golden apples were falling. The revelation of Truth is falling only on a people who are worthy to receive it.

People all over the world ask me all the time, *Why don't we hear this in our church? We can't hear this message anywhere.* That's because it's apples of gold. It can't fall in a Baptist vessel. It can't fall in a Charismatic vessel. It can only fall in a crucified, purified silver pitcher! Notice what she said in verse three: *I sat down under his shadow with great delight.* I want to say something to you. Until you learn the great delight of sitting under the message, it will not become a refuge for you. Notice that she said: *I sat under the shadow of the tree.* What was the shadow of the tree? Where the apples fall. *I'm sitting right there; I'm right under the shadow where these apples are falling.* She's saying, *I'm there every Friday night. I'm there all during the week where the apples are falling. Not those dead apples from fifty years ago, but I'm eating some golden apples that are falling. I'm eating them. I'm under the shadow, and this is where my great delight is; nowhere else but right under the apple tree.* Hear me: That apple tree where the apples are falling is called *the place where the Message is going forth!* Do you know why she took great delight there in the shadow? Because it was her REFUGE!

Now I want to say something. I want to talk to those of you who have eaten these golden apples, but you've lost your delight under this tree. I want to talk to people who are looking at other trees, other teachers, other ministries. Let me tell you what's out there: dead apples! But under the Tree of Truth, FIND your refuge! Find great delight under the shadow of this Tree of Truth! That *must* be where your delight is. If not, you'll be like another man in 2nd Samuel 3. I want to talk to you about a man that Bishop Kendrick mentioned a few weeks ago. He had found safety under the apple tree. He was safe. He had found the City of Refuge. For those of you who have moved here and those of you that have come here and uprooted your lives; you have found the City of Refuge. There's a refuge here. And there's a man in the Bible who was running from something, and he found safety in a city of refuge. He found an apple tree. He found his golden apples. He found his king, David. He found his pastor. He found his shepherd. He wasn't running

from tree to tree. He found King David. He found the City of Refuge. He found Truth, but one day this man got restless under that tree. Let's read about him.

II Samuyl 3:33 The king sang this lament over Abner; Should Abner have died as a criminal dies?

Abner, Abner, Abner! You had found safety, son. You had found Truth. You found a safe place to park your family. You found a safe place to rest your soul. But Abner, you started getting restless and you went outside the city. When you did that, you died like a fool. It's one thing to die by accident, but to die like a fool means you *didn't* have to die! When you quit delighting in this Truth, you will die like a fool dies! Don't let it happen to you! If anything matters to you *more* than this message, you've not found great delight in it. If you're coming to this church for a place to hang out, you're in the wrong building. If you came here to find a friend, you're in the wrong building. You may find one, but if that's *why* you're here, you're in the wrong place. You're here because you found golden apples and you found GREAT DELIGHT; and you're resting under the shadow of these golden apples—of Truth! Abner didn't have to die. He could have submitted to the City of Refuge and found Life.

This church has gone through a great battle, but I want to say to every one of you who have stayed in the great City of Refuge: You are ALIVE tonight! You're still safe tonight. Why? Because you found your golden apples and you found safety. Stay there! FOOLS run away from the GOLDEN APPLES! They always chase after greener pastures. You found the apples! Now, be a pitcher of silver. It happens today, to many believers who are resting under this message. It will happen to some of you who are listening to me right now, because you are preparing to go and tell somebody else what I said. You sat under this message and yet you lost your great delight in it. And what happens is that you are enticed away by inboxes; lured away by lies. You get quarried away by questions, and before you know it you've lost the tree! You look back and it's too far to run back, because you can't repent. And now, you're out there among the stuff. You get lured away by promises of teachers who will *teach you even deeper than Pastor Vaughn does*. Teachers who don't even have their wives under control. Wives out there sipping and dipping, fussing and cussing and everything else.

Listen. Everything that sounds deep *isn't* deep. Yahweh gives you a balance here. We're not going to go any deeper than developing the fruits of the Spirit. Do you

understand that? I don't want you any deeper than that. Until you've learned to love one another, any truth that takes you away from the body of Yahshua and loving your brothers and sisters, and being able to fellowship with one another; any truth that makes you too holy for that, that truth's just too deep. It brought you out to deep water; you have that right. But the Bible said, *How pleasant it is for brethren to dwell together in unity.* Quit chasing everything. Find those golden apples and just sit there.

Yahweh wants to keep you safe. Quit debating on Facebook if it's Yahua or Yahweh or Yah whatever. Just get under these apples and be in UNITY with your church and just know that Yahweh will teach you *everything* He wants you to know. Nobody believes in the Name more than I do, but don't think I'm going to get into a debate with you over the Name. If you believe it's Yahwanda, I'm fine with that. I don't care. I understand it to be Yahweh and that's what I understand. I promise you one thing. We're not going to turn this church into a debating-the-name church. Yahweh doesn't want that. He wants you to walk in the revelation that you have. Amen.

Song of Songs 2:4 He brought me to the house of wine, and his banner over me was love.

Song of Solomon 2:4 KJV He brought me to the banqueting house, and his banner over me was love.

I want you to notice in verse four what she says. She says, *He brought me to the banqueting house and his banner over me was love.* Oh, wow. This is somebody who is learning to sing a new song. Where was she in verse three? She was under an apple tree because she understands that the entrance to the banqueting table is through the apple tree. She came under the Word, and while she is sitting under the apple tree: *Welcome to Narnia!* She comes to the apple tree, and then all of a sudden it's a banqueting hall. It just looked like an old chest of drawers. It looked like an old chifforobe. It just looked like an old tree. *It didn't look like much, but when I started eating one message, it turned into a banqueting hall. Everything I ever wanted, I found it under the message!*

Do you know how she got into that banqueting hall? With these words: *Under Your Shadow I Found Great Delight.* I want to explain something to you. The Father will give you one golden apple to see how much you delight over that

apple. The moment He reveals Truth to you and He sees that you have great delight, that's one apple. But a banqueting hall is FULL of apples. The only way to get to the banqueting hall is to look at that boring-looking tree that seems like a little church over on the corner of Old Spanish Trail. It just looks like a little old tree. But some folks know what's in this tree. Some folks have found out that there's golden apples falling here, and when you get under, if you'll take one apple at a time, you'll get great delight; that look that you have in your eyes when truth opens up to you. That's great delight.

The Father says, "I'm watching how you eat those apples." And if you'll eat those apples with great delight, sort of like I do when I open a cream pie and *everybody* knows I'm having great delight—the Father says, "If you eat My truth like that pie, what happens is you'll be in Narnia." You will be in the banqueting hall. Don't ever mistake this ministry as just a tree. It's not a place where one apple falls. It's the DOORWAY to the banqueting hall! But those that don't stay long enough to eat *every* apple, never get in the banqueting hall. They keep moving. My grandmother used to sing country songs before she was a preacher, and she said the song that she always sang at a little cafe in Holden, Louisiana as a young girl was, *I overlooked an orchid while looking for a rose*. If we're not careful, we'll overlook an orchid while looking for a rose. In other words, you'll overlook the balanced ministry and the balanced Word to go chasing rabbits. You'll chase this *over here*, and the first thing you know, you've left the banqueting hall. There's more in the banqueting hall than just meat. It's got gluten; dancing. A banqueting hall is full of dancing. It's got the Word; it's got a balance of Spirit and Truth!

I've been to many Zoom meetings where they have Truth. They do; they have Truth. But there is not one ounce of Life in the Spirit. *I don't want it*. That's an unbalanced diet; it will choke you eventually. You need a place where the Spirit of Yahweh can move over you like waves of the ocean, and give you that beautiful outpouring of His Spirit. You need it all! Yahweh wants to give you the WHOLE banqueting house. Notice what else she said in verse four: *He brought me to the banqueting house and His banner over me was love*. What is this banner of love? I'm going to show you. *I got in the banqueting house and all of a sudden there's this banner over me*. Somebody thinks that's a banner, but no, that's a chuppah. This is the banner of love (see below).

That's how we do our weddings. The banner over her was her chuppah. It was the same reason we marry people in this church under the banner of love. That banner is very important to understand, because the song this lady is learning to sing is signified by the BANNER OF LOVE. This banner of love over her is not the love that the Father has given her. It's important that you understand this. You would think He put his banner over her. Oh no, no, no. This is a banner that says that you have learned how to love Him BACK. This is a love song that we're learning! This new song is a LOVE SONG, and until you learn to sing it, you won't be in the banqueting house of the Millennial Reign. It's a banner of love because a banner means victory. Conquerors wave banners at their victory. The moment Yahshua has declared victory over you, you get the banner of love. Are you hearing me? I preached a message one time called *The Horses Are Coming*. In that message I taught you that Yahshua has one plan to send four horses of the Apocalypse into your life to conquer you. A banner is waved when you've been conquered. What's the first thing they wave when they conquer a nation? Their flag.

There's going to come a day, little lady, after you've eaten at that apple tree and had your ear pierced and had your eyes washed with milk. Once you've learned this song, there's going to come a moment when Yahshua conquers you! He's going to conquer you one way or the other. How do you know that He has conquered you? Because you'll start loving Him *back*. Once you've been conquered, then you get the banner of love. It's not His love; it's the banner of YOUR love. Once you've been conquered and you say, "I no longer love myself; I no longer love my holidays; I no longer love my shrimp; I no longer love the things that I love, but if You will conquer me, I'll love what You love. You can conquer me to where I won't even love my church more than You! I'll leave EVERYTHING, because I want the banner of love."

She said that the banner over her is the banner of love. When He rules over your pride, He's going to wave a banner. When He rules over your rebellion, He's going to wave a banner over you. It's the banner of love. How many of you want that banner? I want the banner of love tonight. I want Him to wave the banner over me and say, "You've qualified for the banner of love because you've given Me victory over you. You've submitted to Me in every area of your life." That's when you get the banner of love; once you stop by the apple tree and take great delight in the apple tree—those Words of Yahweh!

Song of Songs 2:5 Strengthen me with cakes of raisins, refresh me with apples, for I am faint from love.

Song of Solomon 2:5 KJV Stay me with flagons, comfort me with apples; for I am sick of love.

Now once she gets in the banqueting hall, notice what she says: *Stay me with wine or flagons; comfort me with apples, for I am so in love! I'm lovesick. I can't even stand up; stay me ,because all that held me up was my pride, and it's gone. I have no more strength in myself. Somebody, Stay Me! Because I am no longer my own. I've been bought with a price.* Once you come into the banqueting house, you don't have any more strength left. You can't even walk. The song says, *I can't even walk without You holding my hand. STAY ME! I need help walking.* Now notice what she wanted Him to stay her with: the WINE. The flagons. The fresh juice. She wants that apple wine-seventeen! It's apple wine now, and she wants it. She wants that apple wine because she knows now where her help comes from: the Word—the Apples! I hope your spirit is picking this up. She wanted a

drink of His humility; of His crushing. *His Will, not mine! Stay me because I don't even have the will to walk in my own way anymore. I need somebody to help me stand. The things I wanted to do, I don't even want to do them anymore.*

Stay me! *With that apple wine, and seventeen; hot July sun. I just want some apple wine!* I just want someone to say, "Keep singing gospel, Pastor. Don't try to go Country." Apple Wine! Why do I need it? Because in that wine is the Word; the revelation of the Word. *In the banqueting house, I got so drunk on it that I lost my mind. I lost my MIND. I'm so drunk, I don't even know what I wanted to do with my own life anymore. I'm just drunk on apple wine. I'm so drunk, I need somebody to help me home. Before I came to this banquet, I stood up straight and proud. My jaw was set! But I started drinking the Word of Yahweh and I don't even know how to talk ugly to people anymore. I don't know how to talk back to people. I don't know how to cut them down. I don't know how to defend myself. I'm so drunk on apple wine!*

Help me; hold me up, Sir. Why? Because I can't hold myself up anymore. Before I got under that apple tree, I had directions. I had my career. My house was fine. How did I end up Waveland? I was in Florida. How did I get over here? You drank that apple wine! You surrendered to the Banner of Love. You said, "Wave that banner over me, Father. If Your plan for my life is to prepare for Your kingdom, give me another glass of that wine and I'll drink it. I'm going to lose all my control. I'm so lovesick with the Word. I can't even see straight, I'm so lovesick. I don't know what else to do with myself. I've been drinking the wine of the Word."

When people get lovesick, they lose their minds. They do. I once spent \$900 on an airline ticket just to go see that woman sitting over there. I had lost my mind. I've never paid that much for an airplane ticket, but I lost my mind. I saw one picture of her on Facebook and I lost my lowdown mind. Oh yeah! I was so sick in love, I married her two months later. She still doesn't know what happened to her. She had a good life. She was an R.N.; had the whole house to herself, and then, here came this apple wine. She submitted to Yahweh's will for her life, staggering all the way. I'm not kidding. When we got married, she had two men helping her come down the aisle, she was staggering so bad. She had her daddy and Kent helping her. She was wearing a butterfly ring. We couldn't even afford a ring. But I was drunk in love and she was drunk on apple wine.

This woman says, “I’m so sick in love that I’ve lost my way and I’ve found Your way, and I’m submitting to Your way. You told me to keep the Sabbath Day holy and I’m so drunk that I’ll quit arguing with you.” If you’re not drunk, then you have your mind and you make your own decisions. *Well God doesn’t care what day I do the Sabbath.* All your arguments come out. But when you’ve been drinking apple wine, you just obey and don’t even know why. You’re so drunk in love that if He says, *Do it that way*, you do it that way. If He says, *Do it this way*, you do it this way because you’re so drunk on apple wine. Whooo! HalleluYah! Pitchers of SILVER Drinking Apples of GOLD! *I’ve lost my whole structure!*

I had a lady Zoom me today. She’s a nurse practitioner. I was on the phone with her on a Zoom call. Yahweh is moving people here where it’s going to blow your mind. I’m telling you, Vicky Baker is as close to a doctor as she can get. She’s giving it all up just to come here. Apple wine! HalleluYah! Take another drink! Lose your strength. Shane Sewell is a strong man. Yahweh brought you here to lose your strength. You’re going to lose this wrestling match, because He’s wrestling with you, and He’s going to win. Oh yeah! You’re going to tap out, son.

Song of Songs 2:6 His left hand is under my head, and his right hand embraces me.

I love this verse and I’m about to preach this one. What’s happening to her in the banqueting table? *His left hand is reshaping my head. And His right hand is embracing me while His left hand does the work.* Yahweh, help me to preach this now. When you come into the banqueting house on apple wine, your husband—your bridegroom or shepherd—knows that you fell for the trick. It was a set up. You fell in love with the Word. And here you are at the banqueting house of Ommagaga and you’re so excited about the apples that you’re eating. You’re learning things you never learned before. And then He says, “Come on over here darling; I’m going to put My left hand under your head.” For those of you who don’t know where I’m going, it’s because you’ve not read my book, *The Ministry of Satan*. Yahweh is just like you; He has two hands. You were made in His image. You look like Him. He has two hands. He’s got a left hand and a right hand. At His right hand is pleasure for evermore. But there is a left hand, and *left* in Hebrew means *dark*. There’s a dark side of Yahweh that you’ve never met. It’s His left hand; and His left hand’s name is Satan.

Those of you whom I just blew your mind, go watch my video on fhtv.tv called *The Ministry of Satan*; or download the free e-book from our website: firstharvestchurch.org. Your mind when you come under the apple wine, now has to be transformed. Why do you think she said, “He put my head in His left hand.”? Why does the scripture say that so explicitly? His right hand is embracing me, but His left hand is worried about my stinking thinking. His left hand has work to do on the way I think. This strawberry wine—this apple wine—will mess up your mind so badly that His left hand must reform your thinking! *If this same Spirit that was in Christ also dwells in you, It will quicken your mortal body.* The left hand is the hand of CORRECTION. Yahweh created an entity by the name of Lucifer to be His left hand in your life because Lucifer can do things that Yahweh doesn’t do. Yahweh is good, but for there to be good there must be bad. There’s a balance.

Yahweh created Satan so He could control Satan, and use Satan, for the work that must be done in your life! That’s why I’m not that keen on casting too many devils out. Sometimes those devils have been sent by Yahweh Himself. *Pastor, I don’t believe that.* I don’t care what you believe. What does the Bible say? Don’t make me prove it! On second thought, I’ll prove it from the book of I Kings. Yahweh is speaking to His heavenly counsel and He says about King Ahab, “Who will go and be a lying spirit in his mouth? Whom shall I send?” And what demon spoke up and said, “Master, I’ll make him a liar.” Yahweh said, “Go and do it.” *WHY? Because My left hand can’t make him lie, but I created you for My purposes to be done in the earth.*

Brother Vaughn, I don’t believe that. I don’t care what you believe. Let me take you to another man by the name of Job. In the first chapter of the book of Job, Yahweh said, “Lucifer, you look bored; where have you been?” He replied, “I’ve just been doing what You created me to do. I’ve been going to and fro. I’m seeking who I may destroy, because if I can destroy them, that proves they aren’t Yours.” You in my ministry, *you* created him, because the Bible said Yahweh created the smith to blow upon the fire. Satan is your smith that’s blowing on your life with fire! While you’re busy rebuking him because you need a cop out, Yahweh is trying to tell you, “Submit to what I’m doing. Give Me thanks in ALL things and you’ll be alright.” I’ve never seen so many devil worshiping preachers in my life. If you want to fill a church up, just tell them you’re going to have a Deliverance service and they’ll come from everywhere to glorify Satan. I give him no attention in this church.

If you want to come out tonight and do what those elders did in the back room, I don't have time to fool with you. We glorify Yahweh in this House. Do you know what you're going to find ninety percent of the time when you bring them in the back room? It isn't all that exciting for them anymore. Ninety percent of it's a show. People love that. But Yahweh said to Satan, "I want you to go and destroy that man's life." *Brother Vaughn, the church I go to says God only does good things.* Then you're in a lying church. How many of you grew up hearing, "If it comes from God, it's good and if it comes from the devil it's bad."? The devil comes from Yahweh, so who are you going to blame for *bad* now? *Only the Devil can give you bad.* Who did the devil come from? Yahweh! Get your theology right and you'll quit chasing devils and you'll learn to glorify Yahweh in *all* things. You'll become a Yahweh worshiper. You'll give Him thanks for whatever the devil is doing in your life! I'm going to tell you something else. The devil never made you do ANYTHING! The Bible said, *Every man is drawn away of his own lust* (James 1:14). The devil never made you do anything! You liked what he offered and you chose it!

This truth I'm preaching isn't easy! But if you ever learn it, nothing else will *ever* satisfy you. I'm glad I know who Yahshua is. I'm glad I know who the devil is. I'm glad I know who Yahweh is. I'm glad I know who I am. I'm glad I know that ALL power rests with my Heavenly Father, and that anything His left hand is doing is only because His right hand is giving me the strength to go through whatever His left hand is doing. Why is that left hand behind the head? What did I tell you in the beginning of this series? He's working on EARS, EYES, MOUTH. *Brother Vaughn, I'm so tired of the devil and what's going on.* Did you ever wonder that maybe the left hand is behind your head because your mouth hasn't got right yet? *Brother Vaughn, I'm so tired of people attacking me. When will it stop?* We'll find that out when it no longer bothers you. Now you see why we don't have a big church. People can't handle this. I've come to tell you that if people can still hurt your feelings, that left hand hasn't done the job yet.

Brother Vaughn, I got offended. Then you have to stay in the left hand. *Brother Vaughn, they offended me!* Who are YOU? I'm looking for a fruit tree and all I found was you. You've got to love people. You can't love Yahweh without loving people. Every day of my life I try to help somebody. Why? Because as I do it to people, I'm doing it to the Lord. People get mad when I give money to the homeless because they're doing alcohol or drugs. I've never given a homeless

person a dollar. I give it to the LORD *through* that homeless person. I don't care what he goes and buys with it. I didn't give it to him. I gave it to the Lord. The only way you can give money to Yahweh is to give it to people. If I hadn't given all my money away, I could go buy that thirty acres and pay cash for it. So all that means now is that somebody has to buy it for me. That's the way it works. It's just a big ole circle of giving. We all give to one another, and then we're giving to Yahweh when we give to one another. I want to move to our final two verses. The verse below is something I really want to focus on for a moment.

Song of Songs 2:7 I charge you, O daughters of Yerusalem, by the gazelles or by the does of the field: Do not stir up nor awaken love, until it pleases.

Song of Solomon 2:7 KJV I charge you, O ye daughters of Jerusalem, By the roes, and by the hinds of the field, That ye stir not up, nor awake my love, Till he please.

Now remember, I told you I was going to teach you about the four natures of Yahshua: the Bridegroom Shepherd, the King of Humility, the Roe, and the Husband Man. We've already done the King of Humility and the Bridegroom Shepherd. Now I'm going to introduce you to the Roe; the Deer. This is a part of the new song that you're going to have to learn. You have to learn Yahshua as the Deer and the Roe. You've already learned Him as the Shepherd. You've already learned Him as your King of Humility. But until you learn Him as your Roe, then you don't know Him yet.

There is so much revelation about Him in that one verse! When I read that verse, I heard that Remez level; that hint level. This is a NEW level of relationship with Yahshua. This is not the King of Humility. This is not the Bridegroom Shepherd. Now this woman who has come to the banqueting house, is about to learn Him as a Roe; a totally different experience in Yahweh. Some of you are at the Roe level. You just don't know it. I want you to notice what this little bride of Yahshua said in verse seven: *You daughters of Jerusalem*. Who is she talking to? The Church. All the daughters of Jerusalem are *saved* and they're all in the Church. This is somebody in that church who has been called out to discover the new song. And this woman—which is you—is now turning around to Babylon and saying to them, “Do not, I charge you! What's about to happen in my life can't be stirred up by religion.” *The level He's about to take me to requires me to leave the*

daughters of Jerusalem and climb that mountain like a hind's feet. I'm going to a new place! Don't you dare misunderstand! You can't make this happen with church!

This is a CALLING: Come OUT of her! But I want you to know *who* is calling her. This level of relationship cannot be stirred up by the Church or by the trappings of her theater. There are some people always asking me, *When are we going to get more programs; when are we going to do more for the community; when are we going to...?* Probably never. You missed the whole point, didn't you? On this mountain, it's not about the daughters of Jerusalem. I've always told you that we're not a church, and I can't get that through your head. We don't have auxiliaries; we don't have any of that. All we've got is a bunch of apple eaters that are gathering under the tree because we heard a call that religion didn't stir up in us. NOTHING in those churches can feed us! Nothing in those religions could satisfy us! Nothing answered our questions! We would go and sit and wonder, *Why do I do this?* Back then you were griping about driving three minutes to church, and now we have people driving an hour every time, and moving here from three hours away. Why? There's something that religion didn't do for you. There's something your churches didn't do for you.

These Golden Apples! When you find them, you've found EVERYTHING. Listen! What Yahweh is doing in your life couldn't be stirred up by your denomination, the auxiliaries, the sisterhood clubs. I want to explain something to you. Those who have come here; your delight will *always* be when I open that Book. The last thing you're going to wonder is, *When are we going to have this? When are we going to have that?* We've got everything! Why are you talking about that when we've got everything! We've got the Golden Apples. What Yahweh is stirring up in you didn't come from theatrics. If I lost every musician tomorrow, we'll still have this Word. If I lost all my help, all I have to do is open the Book; that's all we need. That's all we need! Everything in this ministry is about this BOOK! Everything. *Brother Vaughn, how does this level get stirred up?* Not by the daughters of Jerusalem. Only by the Roe, Himself.

Song of Songs 2:8 The voice of my beloved! Behold, he comes leaping upon the mountains, and skipping upon the hills.

The VOICE of my beloved! That's the only thing that can stir you up. Not the voice of the Church. Only *the voice of my beloved*. She says, *You church folk,*

you'll never understand me! I heard a call! It's the voice of my beloved. And He said, "Come out of her. Come to Me." Notice what is being said in verse eight: *Behold, He cometh to me! Leaping like a roe upon the mountains and He's skipping upon the hills. My beloved is like a roe, or a young deer.* Now notice verse nine: He's so skittish.

Song of Songs 2:9 My beloved is like a gazelle or a young stag. Behold, he stands behind our wall; he is looking through the windows, gazing through the lattice.

Song of Solomon 2:9 KJV My beloved is like a roe or a young hart; behold, he standeth behind our wall, he looketh froth at the windows, shewing himself through the lattice.

Have you ever seen a deer? He's so skittish that He's hiding behind a veil! He stands behind the wall called *religion*, that has separated you from Him. He's behind that wall! He's looking at the windows, and then He shows Himself; here a little, there a little. Have you ever seen a deer; how quickly they move; so skittish that they're almost seducing you. *Follow me; follow me*, as they move from one spot to another, and all you can say is, *There he goes*. Right when you got what you *thought* was *all* the revelation, you can see Him through a lattice. He's back there looking at you saying, *Come out of her, my beloved*.

I heard a voice. She turned to the Church and said, "Don't try to figure Me out. You daughters of Jerusalem, I charge you. You're not going to understand why I'm packing my family up. I heard a voice. I heard a VOICE! It was clear. It opened up Truth to me!" Only He can awaken this level of love inside of you. If you have felt this calling to The House of Israel, it was not of your own doing. What happened was that one day you were behind the wall of your church and you noticed a shadow behind the wall. You heard a voice saying, *There's more*. And you said, "Who's that? Who is it? There's more." And you looked behind your church wall because they told you one thing, but *this* voice is telling you, *There's More*. So you look behind the wall, and when the Roe sees you, what does He do? He runs off, and you hear Him say, *There's more, but you have to come from behind the wall*. You've got to be willing to leave it all!

You have to be ready to leave it ALL! *Because I climb mountains*. Deer climb mountains and *if you're going to follow Me, you have to pull up your boot*

straps; we have to get to the top of this mountain! He's calling you tonight to sell it all and give it to Him! I feel such a weight of the Glory of Yahweh right now. Now you might understand why you don't have the ability to stir this same level of love up in anybody else. They haven't seen the Deer. *Why can't they see, Pastor?* Because the Deer hasn't called them yet. What did that bride learning the new song say to the Church? In verse seven she said, "O ye daughters of Jerusalem, By the roes, and by the hinds of the field, That ye stir not up, nor awake my love, Till he please." What He's going to stir up in you, only comes when He's ready to show you His Face from behind the wall. You can't find this love before its time! Then, it will come looking for you. It will FIND YOU! I know that looks crazy to you, but you don't understand. Something got a hold of me. When I started chasing *this* Deer; when I went deer hunting, I found what my soul loveth! Listen to what she said: *I charge you; all you other daughters.* Don't try to get other people to understand this kind of love until He wakes up for them.

Whenever He wakes up, they'll be walking behind the same wall you were walking behind, and they'll see a shadow move. They'll see that same shadow that seduced you. You were chasing a Deer and you looked back and your whole family was gone. You didn't even know where you were because you were chasing a Deer. You went deer hunting. Have you ever got lost going deer hunting? But don't try to stir it up before He wakes up. That's why the Bible tells us to pray for all men. What are you praying for? His timing. Nobody is going to listen to what you have to say about the Sabbath Day until the Lord of the Sabbath peeks His head into their life. Do you understand me? Just do it! Just chase deer. When you're trying to get them all saved and get them to understand, you can debate all day long but what brought you to this message was not a debate. It was a Shadow that said, "Come this way."

I'm going to prove it to you. There's some of you that started to follow my ministry and didn't understand a word I was saying, but it didn't matter—you HEARD a voice! You heard a voice and in that voice you heard, *There's More!* You followed The Voice! The Bible said this voice will give a certain sound. *Don't awaken my love before the time* because when He wakes up, He'll find you. There's a song that says, *He came looking for me; He came looking for me.* He'll come looking for you one day. He'll call you out from behind that wall of the Church and say, *I want to teach you more. I want to make you more dedicated than you've ever been in your life.*

Before I close, I want you to notice the Roe that she's talking about. He's the most discerning animal. Watch a deer! They're watching you like a hawk. There's a gaze; there's a standoff happening with you and a deer. He's discerning you! He's watching you; discerning you. And he's sensitive. He'll take his flight if he discerns that something isn't right. The deer jumps at the slightest discernment that somebody has a hidden agenda. I've come to preach tonight! If you're hiding a bow and arrow behind your back, you may be looking like you're talking to that deer, but he's not listening to a word you're saying. He's discerning the danger.

There's going to come a day when you will meet your Savior as a deer. He will discern the very INTENT of your heart! He will KNOW you. I said, "He'll know you!" That's why we can't build a big church. You can't play *church* around here. You do it and Mama will grab a microphone like she did Sunday night. You can't play *church* around here. Why? We're trying to build something REAL. Something that will be here for the generation after us. The deer discerns your motives. Your slightest movement in the wrong direction and what does he do? He takes off. The minute you begin to move in the wrong direction, that revelation is GONE. The moment He smells rebellion in your heart, He leaves.

You're meeting Yahshua now as the Roe. This is a new song we're learning. We're now learning Him as that Discerning Roe. He knows when you appear planned. He knows when you are what we call *prayer playing*. He DISCERNs. At Lake Guntersville, if the deer discern you, they'll walk right up to you and let you feed them. They'll sup with you. You're about to meet the Roe; He's discerning you and if it's right within you, He'll sit down and sup with you. But the minute He hears you talking cruelly to one of His children, He says, *You're not serious about dining with Me? You're not serious about eating apples with Me?* You know, a deer's favorite food is apples. He said, "You don't want to eat apples with Me? You're more worried about *that* than THIS?" That's what I think about members of this church when they get caught up in such stupidity: little petty grievances, little petty things, and you have a deer over there wanting to eat apples with you! You have a deer wanting to eat apples with you and drink apple wine!

He's a watcher. A deer is a watcher. Now listen, none of this applies to most people watching me online right now. This is only for the new song. If you don't want to sing the new song, remember it's a song men can't sing. There's only one group of people learning this song. It's the Song of Surrender, the Song of Humility, and we're learning it from the Roe, Himself! The Great Roe watches us

for that exact moment when He knows you're ready to follow Him. He's watching. He gazes upon you to discern the moment of your visitation. Somebody prayed for Him to show up at your house. That's why the Bible said, *Pray for all men that they might have their day of visitation*. What is the day of visitation? It's when the Roe comes to visit you. He stops by your wall because somebody prayed, *Will You stop by their wall?* That's why we pray for all men. We know *we* can't stir up this love within them, but we can pray for them to see the Deer.

He's watching you, and if He doesn't see any weapons in your hands, and if He knows you're not in it for yourself, then He'll back up slowly—not running from you, but seducing you—and say, *Follow Me; and I'll give you Apple Wine*. Slowly He backs up as long as your gaze is upon Him—not your wife, not your husband, not your children—as long as you're watching Him. But the moment you turn your head, you startle Him. The moment other things become more important than Truth, Truth will take its flight.

This Roe is watching for your distractions. What is distracting you? One distraction causes this message to flee. But as soon as you get your gaze back on Him, He'll come back out. Some of you have been too distracted. He's looking at your carnality. He knows He cannot introduce this level of love to you if you're distracted, or if you're too carnal. He's watching for the right moment to seduce you. He's waiting for that moment of brokenness when all other human loves become secondary to the love He wants to introduce you to. When He finds this moment in your life, He's about to give you an experience of love for Him that you've never known. All other loves must cease as you begin to chase the Roe wherever He may go. Remember the 144,000. They followed the Lamb. If you're not a Roe chaser, you can't experience this love.
