

**The End Times (part 2)**  
***The End Times Through the Lens of the Feast of Israel***  
By Pastor Shane Vaughn, First Harvest Ministries

Beloved, last Friday night on Sabbath evening, we started teaching you that you cannot understand the end times without understanding the feasts of Israel, and I've heard every end-time preacher, I've heard every end-time teacher, and they all will come up lacking to me because they don't understand the Holy Days of the Scripture. You cannot understand the end times if you don't see them through what glasses? Remember, we talked about glasses last Friday night. We talked about Pentecostal glasses, Baptist glasses, Catholic glasses. The *only* way you can understand your Bible is with Hebrew glasses. That's a fact.

Someone told me; they said, *Brother Vaughn, I don't need to understand Hebrew. I've got the Holy Ghost.* Well, let me tell you something, sweetheart, that Holy Ghost leads you and guides you into All Truth. He doesn't bring you to all truth when you receive Him. He *leads* you there. Now stay with me tonight. If you pick up this Bible without understanding that it is a book written by Hebrews for Hebrews, if you don't get that, the problem is that you will read this Bible with American glasses, with English glasses, and that's where you'll mess this Bible up—like my grandpa used to say—from kibber to kibber. That means from cover to cover over in Mississippi, way back in the woods. He also said, “From Genesis to Revolutions.” Praise God.

You'll get this Bible wrong without understanding it with the Hebrew mindset. Now what is a Hebrew mindset? We talked last Friday night that Jesus, Yahshua began explaining the Scripture starting with what? With Moses. When He was on the road to Emmaus, the Bible said two disciples talked with Him about the resurrection, and He began to explain the Scriptures, not beginning with Pentecost—HalleluYah—not beginning with the Cross of Calvary. That's where our churches begin: at the Cross. We

begin in the Upper Room. But Yahshua explained the Scriptures to them, beginning with Moses.

The reason we don't understand the coming of the Lord is we begin our search at the book of Matthew. Do you know why? Because we've been taught that we are a New Testament church. There is ONE church. There's only ever been one church, and it's called the House of Israel. It's the only church that ever existed and it's the only church that exists today. If you're not a member of the House of Israel, you will not be in the first resurrection. Does somebody want to tell me what names are on the gates of the New Jerusalem? The twelve tribes of Israel. If you're not an Israelite, you're not an Overcomer.

Do you know what an Israelite is? An overcomer! It has nothing to do with your words, it has to do with your works. If you're an overcomer, you're an Israelite. Let's take a quick quiz. Who was the first Israelite in the Bible? Jacob. What did Yahweh change his name to? *Israel*. Why did Yahweh change his name to Israel? Because He said, "You have wrestled with Yahweh and have overcome." When you wrestle with Yahweh and overcome, you *are* an Israelite. Israel was a person before it was a nation.

*Well, the Church started in the New Testament.* Then you've got a problem with Paul, because when he's talking about the House of Israel, he calls them *the church in the wilderness*. In the church is sitting a bunch of called out people, who were called out of Egypt. The reason that Israel was the Church is they were called out of Egypt. The reason you're the Church is you were called out of Sin! But if you don't understand this, you'll get your Bible wrong every single time. I'm going to lay a foundation tonight.

So we started teaching Friday night how all of the feast days correlate to a certain event in the plan of Yahweh for the ages. We know that Yahshua Messiah came on time for the Passover. What day of the month did He have to be crucified on? *The fourteenth day of the month*. Yahshua had to be crucified on that day, or He did not fulfill that feast. Guess what? He did.

He was crucified on a Wednesday, which was the fourteenth day of the month of Abib. He fulfilled it perfectly!

*Brother Vaughn, you just missed it. He died on Friday.* I'll give you \$500 right now to your Cash App; I'll send it to you right now if you prove to this church that Yahshua died on a Friday. That is a lie from the Catholic Church. They needed that to line up with their pagan Tamuz. If you don't know what I'm talking about, I'm sorry. One day you'll learn the truth. You will come out of Babylon, all the way out. You won't just come out a little way, you'll come running out like we have; out of those religious lies.

*Brother Vaughn, He died on a Friday and He rose on a Sunday.* Matthew, come up here son; walk up here fast. I've got a homework assignment for you. Are you ready? Alright. Do me a favor. I want you to count from Friday to Saturday and put up how many fingers that will be. How many days would that be? One. That's one day. Now let's go from Saturday until Sunday morning; not quite all the way through Sunday. How many fingers do you have to put up now? One and a half. Son, you know more than every Bible teaching college I've ever sat under because you understand that Friday to Sunday is one and a half days, not three days and three nights. Okay, you can be seated.

What did Yahshua say would be the proof that He was the legitimate Messiah? He would be in the grave for how long? *Three days and three nights.* Three days *and* three nights! He goes to the grave Friday evening, supposedly about six o'clock in the evening. Let's go to six o'clock Saturday evening. That gives us one night and one day, and He's resurrected about six hours later. Can anybody tell me how we ever believed this junk? I'll tell you how: the Pope of Rome. These lies came down to us so that we would not know the truth.

*Brother Vaughn, God doesn't care about all that.* If He doesn't care about it, just throw this Bible away and live however, for what you want to live for. He gave you a Book! He told you to study it to show yourself approved, or you're going to be ashamed. I don't want to be ashamed, walking in Lies! I

want to be walking in all Truth so I'm protected from the lies of the enemy! Now you just found out a lot that you believed your whole life. Now I have a question for you. If they lied to you about that, what else did they lie to you about? Come to this ministry and find out, because we reveal it every Friday night and every Sunday night. We bring you into Truth.

If you don't want the truth you're getting here, you don't love the Spirit of Yahweh. Because if the Holy Ghost you've got, made you excited to speak in tongues, let me tell you something. That is the lowest gift on the totem pole. *I remember when I spoke in tongues.* Big whoopie deal. I know witches who speak in tongues. Some of them are sitting right here in this church. Speaking in tongues is the last gift on the totem pole. Do you want to know what the first one is? Yahshua said, "When I come unto you and the Holy Spirit comes, We're going to lead you, and guide you into more and more truth."

If you didn't learn something today that you didn't know about Yahweh yesterday, you don't have the Holy Ghost. You've got the Holy Almost. Truth ought to make you excited. You just learned truth tonight, and why? Because as you learn it, you'll hunger for it more and more and more. Yahweh wants you to know truth. Why? Because if you don't know what time it is, you'll live like you've been living; any kind of way you wanted to live. When you know how close we are to the coming of the Lord, through these lessons that I'm giving you, it will make you want to go home and clean your house up, clean your mouth up, clean your living up; clean everything up and get ready for the coming of the Lord.

Satan has put his ministers in the pulpit. They're called ministers of light. They've convinced you that our Lord has already returned; that He came when the Holy Ghost came; He came in AD 70. Let me tell you: the God Who told me He's coming back, said that *every* eye would see Him. Just as the light flashes from the east to the west, everybody will see the Son of Man appearing. It won't be a secret rapture. I hope you heard what I just said. There won't be anything secret about the coming of the Lord. It's going to shake the foundations of the earth! Our Lord is coming back!

We *must* get ready! Everything in your life has got to change if you're not walking in the Way. It's sad that we've been in the Church all our lives and we'd rather hear a lie than the truth. The lie brings you in here and gets you shouting and screaming over a preacher and what he said, and when he gets through, you couldn't tell anybody what he said. You just want to have church. You just want to go out of here with your emotional weekly fix. But I'm going to send you out of here tonight with the weapons of your warfare: the truth, so that you can know what time it is.

So we've come to understand these festivals, and then Friday night I started teaching you about the Feast of Trumpets. That comes up in September of this year. Why do we celebrate it? What does the Feast of Trumpets represent? *The Coming of the Lord*. And what else? What happens at the coming of the Lord? *The Kingdom*. Before that. The Resurrection of the Dead. How many trumpets did Yahweh tell Moses to blow? *Two*. Made out of what? *Silver*. Why did He say to make two trumpets? For two resurrections. The first trumpet would resurrect who? *The bride*. The leaders of the Church, which is Yahshua's bride, which is the 144,000, which is the Overcomers.

What does the second trumpet wake up? *Everyone else*. The rest of the Church. All of our lives we were taught there were two resurrections. We were taught the first resurrection was for the Church. We were taught the second resurrection was for the sinners. We were lied to. What we discovered Friday night is that the Church does not come up in the first resurrection. Only the choice part of the Church comes up in the first resurrection. Paul calls it the *better* resurrection. He calls it the *high calling*, not just the regular calling. The first resurrection is for the Leaders—the Overcomers—of Yahweh's Holy Church.

Tonight, I'm going to dive a little deeper now and show you what's going to happen at this judgment. The Bible said, *There is a day appointed to every man to be judged by Yahweh*. But there is one group of people that will not go to the Judgment: those in the first resurrection. Do you know why they

won't go before the Judgment? Because judgment has begun for them in the House of Yahweh already, by the Word of Yahweh. Do you know what we're going to be judged by at the Judgment if we don't make the first resurrection?

The Bible said, *And the Books will be opened*. Do you know what that word *books* is, in the book of Revelation? It's the Greek word *biblia*, where we get the word *bible*. The BIBLE will be opened at the Judgment, and what you're being judged by right now, the whole world will be judged by at that great resurrection of the whole world! But tonight you're being judged under the preaching of this humble servant of the Lord. That Word is judging you tonight. How do I know that? Because you will be sitting here tonight and you will say many times, *Help me Lord*. That's the judgment of all!

The judgment is pruning you, and changing you for the resurrection of the first calling! Tonight you're being judged! If you're sitting under this ministry when you hear this teaching tonight, you were judged awhile ago when I told you Yahshua didn't die on a Friday. Do you know what was judged in you? Your *own* way of thinking was transformed by the Word of Yahweh. Your old way of thinking was transformed. You are being changed by the TRUTH! You are being changed by the truth.

*Brother Vaughn, if it's not all the Church coming up in the first resurrection, then what is the purpose of the second resurrection?*

Everybody in this room will not be in the first resurrection. Maybe me. What did Paul say? We read it in the last scripture. He said, "I don't count myself as having already apprehended that first resurrection." He knew he would be in the general resurrection, the second one, but he didn't know if he would make the first one. You better live like that; not knowing if you'll be counted worthy of that first resurrection.

If most Christian preachers would hear me preaching right now, and I use the phrase *counted worthy*, they would cut me down. What would they say about that? They would say that I'm preaching works. They lied to you and said you don't have to do anything to be counted worthy. You better go read

your Bible. Let me tell you that the only thing you don't have to be worthy of is salvation, but rewards and positions in the coming kingdom of Yahweh; you must be counted worthy of that honor. Let's go to our text now, in I Corinthians. I hope you cherish the things you are learning in these meetings, because very few ministries are teaching these things because it doesn't bring in the crowd. It always brings in the remnant. HalleluYah! Let's read.

**I Corinthians 3:10-15 According to the mercy Yahweh has given me,**

Notice what he said: Grace is given *to me*. *I didn't earn it*. Paul said grace was given to him; he didn't have to earn it. But listen to what he says about grace:

**as a wise chief architect, I have laid the foundation, and another builds upon it. But let every man be careful how he builds on it.**

These scriptures are about to open up right before your eyes. He said, "Grace was given to me, but now I must be *very* careful of what I do with grace." You know that's what it says. Do you think I've changed the words? Let's read it again. He said, "I must take heed to how I build." What did we start this lesson off with? The subject. What's the subject of this verse? GRACE! *It was given to me*. Yahweh called him and he didn't ignore that calling, did he? But he said, *Now that I've received grace, I have to be very careful of how I build on that grace*. Let's read.

**11 For no other foundation can anyone lay than that which is already laid: Yahshua Messiah. 12 If any man builds on this Foundation using gold, silver, precious stones, wood, hay or straw, 13 His work will be shown for what it is;**

His *faith* will be? *No, works!* Oh, the preacher told me we should say *faith*. The Church told me it was about faith! On TBN and TNN and all the other

NNs it says that it's only about faith; no works. EVERY MAN'S WORKS shall be made plain.

**because the day will bring it to light. It will be revealed with fire, and the fire will test the quality of each man's work. 14 If what he has built survives, he will receive his reward.**

If any man's work survives *that he has built on grace*, he shall receive *not* salvation, but a reward. You won't hear this preached anywhere! You thought there was no reward. You thought you were trying to get to heaven! Yahweh is trying to get you out of heaven and get you on the throne! That went over like a lead balloon. When I first heard these truths, you couldn't shut me up. I was so excited to see these revelations of truth! Listen to what He said in verse fifteen.

**15 And if anyone's work is burned up, he will sustain a loss though he will be saved; as it were—*saved in order to be burned!***

Just meditate on that for a minute. I want you to digest that verse. You will still be saved, but your work will be worthless. I can shut this sermon down right now. You've just learned more truth in that one verse than you heard your whole life. When you went to church you were told to come to the altar, and confess Christ as your Savior, and go to heaven. In this ministry, we're telling you to come to the Cross, accept Christ as your Savior, and go to WORK. Doing what? Building up those treasures in heaven: the rewards of the believer in the coming kingdom of Yahweh!

The purpose of the Judgment is not to see if you're saved. No, it's to try your works, to see whether you did them from a pure heart for Yahweh, or whether you had a motive of recognition. I love it when people bring their tithe and they want me to know how much they put in the offering. That turns me off so badly when you do that to me. Don't ever tell me, "I put in this much." Just put it in there and give it to the Lord. Just put it IN THERE. There's a motive, and if your motive is to control this preacher, you've just lost the only reward you were going to get.

I don't care how much you give; I don't need a dime. I don't care how much you give, but I do care about the motive of your heart. Sister Tasha came to me tonight and said, "Brother Vaughn, I want to help Sister Kendrick clean this church." Nobody knew that she told me that. She said, "What do I do?" That was from a motive of servitude. At that moment, heaven paid attention to that little conversation, sister. Heaven heard your desire to SERVE in the body of Christ.

Paul makes it clear that these are Christians who will stand before the Judgment. Do you know why there's thirty minutes of silence in heaven? Verse fifteen just told you. He said, "They will suffer loss." If you don't make the first resurrection, and stand before the Judgment, every work you've done since the Cross will be declared openly on that Day. Read your Bible. And Yahweh will judge the motives of your heart, and He will either reward you, or take those rewards away from you.

The Bible says they will suffer loss. The problem with the Church is we have never designated the difference between rewards, salvation, and damnation. So therefore, when we read in that verse: *they will suffer loss*, we think that means they're going to hell. No, they're going to heaven... penniless, with no position of TRUST in Yahweh's kingdom.

Do you know that when my wife and I first married, we loved each other, but we did not trust each other. But over the years, doing right by one another, making sure I was there when I didn't feel like being there, and she did too, and we built something called trust. If you came to us and told us something bad about the other, we wouldn't believe it even if you had evidence to show it. Why? We trust one another.

When you came to Yahweh, a journey started; not just of you learning to trust Him, but Him learning to trust you. *Brother Vaughn, that's not biblical.* Oh, you don't think it is? There was a man by the name of Abraham, and Yahweh said, "Abraham, I want you to take your boy up to that mountain, and I want you to basically pay your tithe by giving your

first son.” That’s what He wanted Abraham to do. Abraham went up there to pay his tithe, oh yes, he did; and right when he went to pay it, do you know what Yahweh said to Abraham? NOW I KNOW that you will serve Me.

*Brother Vaughn, God knows my heart.* Hogwash! Your ACTIONS tell Him your heart! That’s how He knows it: by your action. Listen to me tonight. You can’t get by with: *God knows my intention.* Your actions will *prove* your intentions. I can’t cheat on my wife and say, “Honey, I didn’t intend to do it.” Is anybody even hearing this message? Because if you were, you would begin to see something unraveling before you. It’s called *the Mystery of the Church.*

Tonight, Yahweh wants you to do more than hear Him say, *Enter In.* He wants you to hear Him say, *Well Done.* Well done; your works have told on you. Well done! Your works have told on you. HalleluYah. Those verses we just read, you need to read them over and over and over every day. Now let's go to the book of Acts. Let’s read it.

**Acts 7:38 This is he, who was among the called out ones in the wilderness with the malak who spoke to him on Mount Sinai; and with our fathers, who received the doctrine of life to give to us,**

Now listen to verse thirty-nine.

**Verse 39 Whom our fathers would not obey, but *they* rejected him. So in their hearts they turned back to Egypt.**

*Whom our fathers would not obey.* They were the original Church, and they had the same problem that this Church has. They wanted Yahweh, but they didn’t want His Law. They wanted His salvation. They wanted Him to fight their battles. They wanted Him to go before them. But they did not want to OBEY. They thrust Him from them, and in their hearts, they turned back again to SIN. Do you want to know why the churches of this nation are

powerless to heal a headache anymore? They have thrust Him far from them.

*Brother Vaughn, I feel God when I am in those churches.* No way! You feel the rain. It falls on the just and the unjust. Let me tell you something. If you go out in the field where there's a bunch of wild chuckleberry, and you've got good vegetables growing, when it rains, the chuckleberry gets the same rain that the vegetables get. The wheat gets the same rain as the tares get, and the tares think they are laying with God because they can feel the rain.

But when you walk in this building and we begin to praise the Lord, the rain comes down with you living in your sin, and you're going to feel it. You're going to leave here saying, *I'm alright with God. I've got the Holy Ghost.* You felt the wind, darling. You can't help but feel the wind, but it's about what happens when you leave this building. Are you walking in obedience or are you walking in rebellion? That's when the wind pulls the sin from your life!

Don't be like this church in the wilderness that said to Yahweh, "We love you but we won't obey you." There's not a Christian church in the world that will not worship God. They have perfected worship, but while they worship Him, they refuse to obey His commandments. Yahweh said to that church, some very powerful words. Let me read to you what He said to this church. This is all to do with the end times, because I'm getting ready to show you why you've got to know this message. Let's go over to the book of Luke, chapter thirteen. I want to show you the scariest verse in the Bible. Let's start at verse 26.

**Luke 13:26-27 Then you will begin to say; We ate and drank in Your presence, and you were taught in our streets.**

How many of you have ever drank in the Holy Spirit in His presence? If you've eaten the Holy Spirit, you've drank it. He said, *This church will say we are drunk in Your presence, and we have preached the Gospel.*

**27 But He will say; I tell you, I do not know who you are! Get away from Me, all you workers of iniquity; who practice breaking the Law of Yahweh.**

*Depart from me you bunch of Holy Ghost lawless people. Did you know your Bible said that? Brother Vaughn, it doesn't say that. Don't challenge me. That's exactly what it says in the Greek. Someone, look up the word iniquity. It means lawless. I just said that, and they thought I made it up. The word iniquity means in the original, without law; lawless. So what does that mean? These people came to the Lord and said to Him, But we've been in Your presence; we've drank from Your spiritual Rock, we were there and the Holy Ghost was all around us.*

He said, "But you've got one problem, the same problem the first Church had. You would not obey Me. The Ten Commandments couldn't be found in your heart or your church. Your preacher told you that Jesus did away with them, that He replaced them." You better run out of that church faster than you can blink your eye. It's the demon powers of hell that would tell you that one of those commandments has ever been done away with. Those churches are all up and down this street, and you can tell them I said that. When it comes to the Word, I don't back down to anybody.

This truth is marching on. Oh, don't get offended because I threw those commandments on the floor. You've been doing it for years. That's where the Church has put the Law of Yahweh. Lawlessness is despising Yahweh's Law. Let's turn to the book of Matthew. I want you to read this scripture to the next Christian church you go in, that tells you the Law was done away with. I want you to read these words to the heads of the church. Don't tell them Brother Vaughn said it. Tell them that Jesus said it.

**Mattithyah 5:17-19 Do not even think that I have come to destroy the Law or the Prophets; I have not come to destroy them but to establish them.**

**Matthew 5:17 KJV Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill.**

I came to what? Fulfill them. Now, be very careful with that word *fulfill*, because the Christian church loves to say, “He came and replaced them, and fulfilled the law.” That’s not what He did. Have you ever heard of the law of gravity? Do you know what that law is? Whatever goes up, must come down. Is that right, have I got a witness? Quick question. Have you ever known of an airplane to fulfill that law? Yes. They went up and they came down. Did it end the law of gravity? No, it fulfilled it.

Yahshua came to take every one of these laws and display them before you: how to live them. He says, “I do nothing unless My Father tells Me to do it.” That’s commandment number one! He LIVED these commandments, and now the Christian church will tell you, because He lived them, you don’t have to. That’s like telling you because the plane fulfilled the law of gravity, that gravity doesn’t exist anymore. Try telling anyone that gravity doesn’t exist. These Laws have left the Church, and when I preach them, they call me every name in the book. I know what He’s going to call them. Read the next verse and you’ll find out.

**18 For truly I say to you; Unless heaven and earth passes away, one yodh—the smallest of the letters—will in no way pass from the Law, until all things are perfected.**

Do you know why America is cursed today with Joe Biden? Do you want to know why the Church was cursed today? She did away with the Law. How many of you went to a school that had the Ten Commandments on a wall somewhere? I did. How many went to a courthouse where these were sitting in the courtroom? Not anymore! Why? We love God; we hate law. We throw the Ten Commandments away; that’s what we do. *But we want to feel His rain; we want to drink in His presence.* You whore! You’re not a bride of Christ; you’re a whore. I don’t care if you like it or not. I’m called to preach, not to talk to you. I’m not a talker. I’m an old fashioned preacher.

What is a whore? She'll take what you can give her, and give you nothing in return, except what's needed at the moment. Tomorrow you can't find her. It's that way when you walk in these doors and say, *I've come to get my blessing*. Oh no. No, no, no. Yahweh wanted you to come to get your CORRECTION. That's called: relationship. If you don't leave your church mad at the preacher, you didn't get preached to. You aren't supposed to like the preacher. You're supposed to not like the preacher. Why? Because he makes you so mad that you want him to shut up.

Now, when he's done preaching, you can like him again, but not while he's preaching. Why? Because the correction of Yahweh is flowing through his vocal chords making you squirm, making you uncomfortable, making you tell him, *I don't know about that*, making you wonder what he's saying. But when you get the real Holy Ghost, I don't want to hear you speaking in tongues; I want you speaking in TRUTH. That's all I care about. The Pentecostal church became so focused on tongues that we forgot the Law. They told people they had the Holy Ghost because their tongue was slit. But if they're not obeying the Word of Yahweh, they never had the Holy Ghost. Tonight if you're here and you're still hanging on, you might have the Holy Ghost. HalleluYah! Listen to verse nineteen.

**19 Whosoever, therefore, will break one of the least of these Laws, and will teach men so, he will be called the least in the least in the Kingdom of Yahweh; but whosoever will do and teach them, the same will be called great in the Kingdom of Yahweh.**

Any man who breaks one of the commandments, and shall teach men from behind their pulpits that it's okay to break those commandments, he will be called least in the kingdom of Yahweh. But whosoever will keep them and what? PREACH them. I'm safe; I know what I'm preaching. He said that if I would preach the commandments of Yahweh, while you may call me a legalist, a Pharisee, let me tell you what He's going to call me. Are you ready? It's in the next line.

*The same will be called greatest in the Kingdom of Yahweh. Call me whatever you want to; He calls me GREAT. He wants to call you great. Why? Because you must obey Him to serve Him! When that great Judgment Day comes, the Book will be open. Do you know why Yahweh wrote these Ten Commandments? Paul can tell you why He did it. Do you know these Ten Commandments didn't start on Mount Sinai? *How silly of us to think that Brother Vaughn is preaching Moses. These laws existed before Moses was ever thought of.**

*Brother Vaughn is bringing us back to the Law. Somebody needs to bring your rebellious butt back to something. Brother Vaughn, you're preaching a lie saying it started with Moses. Okay, we've got a real problem then. Let's go back five hundred years before Moses was ever a thought in his daddy's mind. You'll find a man named Abraham, and Yahweh said to Abraham, "Because you kept My commandments." These commandments are the HEART of Yahweh. They have existed as long as Yahweh has existed, and they will exist as long as He exists. This makes people uncomfortable. I get that. But what did David say? David said, "On Your Law I will meditate day and night."*

The Church says, "Don't remember those Laws." David was a man after Yahweh's Own heart. Do you know why? Because the Law of Yahweh is the heart of Yahweh. This is His HEART. Why? It connects you to Him if you obey them. It proves to Him that you are not of this rebellious world, but you're a bride set apart. These Commandments are His heart. When you're hugging these, you're hugging His heart. David said, "I want to hide this Law in my heart, so that I might not sin against You, O God." Until you get to that point, you are not worthy of the Kingdom of Yahweh.

Let's move quickly and go to Luke, chapter twelve. Oh HalleluYah to Yahweh! Oh, that we might know Him in the power of His resurrection!

**Luke 12:41-48 Then Kepha said to Him; Teacher, do You speak this parable *only* to us, or to everyone? 42 Then Yahshua said: Who, then, is that faithful and wise steward; manager of the house,**

**whom his ruler will set over those in his household, to supply them their allowance of food at the appointed time?**

I'm getting ready to show you folks, one of the greatest mysteries of the Word of Yahweh. Listen to what He said. "Where is the servant that I can make ruler over my Church? *Brother Vaughn, it doesn't say that.* Yes, it does! Read it again. *Who then is that faithful and wise steward...* What are the two qualifications to be a ruler? Faithful and wise. He said, "Who is that person who is faithful and wise, whom I can make ruler over My people?" That's the first resurrection saints; the leaders.

**43 Blessed is that servant, whom his ruler when he comes, will find so doing.**

*Blessed is that servant.* Not every servant, that servant. *Will find so doing.* So doing what? Faithful and wise.

**44 Assuredly I say to you: He will make him ruler over all that he has.**

He will make him ruler over everything Yahweh has. And he wanted to go to heaven. This is much better than heaven. Yahweh said, "I want to make you ruler over heaven, ruler over earth." He said, " But I've got to find that particular servant, not just any old saved Christian. I'm looking for a *certain* servant that I can put in a position over My people; over everything I've got."

What did the Bible say? I started off Friday night talking about everything being under Yahshua's feet, yet nothing is under His feet right now. But the Bible says that one day, Satan will be tread under *our* feet. That's what the Bible says. Why? Because Yahweh is looking for *choice* Christians today who are faithful. You here tonight are being FAITHFUL and WISE. Why faithful? Because He wants you for His service. Not for heaven, but for His service. Let's continue.

**45 However, if that servant says in his heart; My ruler delays his coming; then begins to beat the menservants and maidens, and to eat and drink, and to be drunken; 46 The ruler of that servant will come on a day when he does not expect *him*, and at an hour that he does not suspect, and will cut him apart and will appoint him his portion with the unbelievers. 47 For that servant, who knew his ruler's will, but did not prepare nor act according to his will, will be beaten with many *stripes*. 48 And he who did not**

*And he who did not...*This is where I'm going to prove to you what I've been teaching.

**And he who did not know, yet committed things worthy of stripes, will be beaten, yet less. But everyone to whom much is given, much will be required of him; and to whom much has been committed, from him will be more demanded.**

Have you ever wondered why some Christians can get by without living for Yahweh as far as you do? I just answered your question by reading that verse. Yahweh's plans for you are different from His plans for the Church. He's looking for a SERVANT tonight, and that servant is doing what? Being faithful to the House of Yahweh: the people of Yahweh, loving them, serving them. Why? Because He said in this parable that He's looking for a people that He can put OVER the Church. What did the parable say? Not right now, but when his Lord returns. When Yahshua comes back, the whole earth is going to be saved. The Bible says that.

They said on that day, that everyone will be filled with the Spirit of Yahweh during the Millennial Reign. Go read your Bible. That day is coming. But that day He's going to need a LEADER, somebody to be trusted to rule over the Lord's inheritance. I don't know about you tonight, but I want more than salvation. I want sanctification. What did He say there? Some of us, He requires more from us than others. How is that fair?

Well, let me ask you this. How is it fair that Prince William has to live the life that he has to live? How fair is that when He can't go anywhere in the world or do anything wrong, or what's going to happen to his royalty? He'll embarrass the family, won't he? Prince Harry did that. Prince Harry gave up his inheritance for the lust of a woman. Prince William has stayed at his duty. Her Majesty, Queen Elizabeth has stayed at her duty. Why? She didn't leave her house or do anything without being seen. Why? Her calling demands her lifestyle.

Yahweh has called you into this position I'm preaching on tonight. He won't let you by with what He lets the Church get by with. Oh no He won't. Why? He expects better things from the CHOSEN. Many are called, but few are chosen. If He has plans to choose you, He's going to beat you with many stripes. You're not going to get by with nothing. You're going to be like, *Please Lord, they get to...* He says, "They're not you. My plans for you are for the government of our Messiah! You've got ROYAL seed; a holy nation! You've come out of this world!"

You can't dress like they dress. You can't talk like they talk; even those in the Church. Why? Because if you're in this ministry tonight, you're stuck like Chuck. He called you to this, and you weren't ready for it. But He called you from your mama's belly to be trained for the Coming Kingdom of Yahweh that is coming to this earth. HalleluYah! You heard what He said: He who does the master's will. He who did not do it, he will get many stripes.

I'm going to end there tonight and I have so much more I could read to you. What does this have to do with the second coming of the Lord? What I've taught you tonight is what so few know about the second coming of the Lord. Can I prove that to you? Brother E.J., when you came to this ministry, you'd been a Christian most of your life, I suppose. What did you believe about when the Lord would come back? What did you personally believe would happen? *The rapture*. What was next? *I don't really know*. There you go; neither does the whole Christian church.

I just proved a point. Go ask any Christian what's next, and none of them know. Even Billy Graham didn't know, and I love Brother Graham. He did his limited work, but even he couldn't answer that question. How do I know? Someone asked him and he said, "We just have to leave that up to faith." No we don't. We have the Word of Yahweh trying to prepare us for what's next, but the Church doesn't preach it. Brother E.J., you gave the answer I was looking for. So how does tonight's lesson tie into the coming of the Lord? Because, before tonight's lesson, you didn't know what the coming of the Lord was for. You thought it was to put you all on brooms and fly to heaven. Right? Maybe not brooms, but you get the point.

If you think that's the purpose of salvation, go live like it, but when you understand that He's looking for that choice servant to place as a ruler over His inheritance, when you get that, all of a sudden you know why you were saved. Because Brother LeBeouf, when He called you, He started transforming you by the indwelling of the Holy Spirit. Brother Ricky, He wanted to change you from Ricky. He wanted to change your name. He wanted to change your identity. He wanted you to quit living for Ricky and start living for a higher calling. He wanted you to obey His commandments, because this is His trust test for you.

I don't know how you feel about tithing tonight. I'm not here to preach on it one way or the other, but I've been paying my tithes since I was knee-high to a grasshopper. My grandmother taught me to give God His part before I did anything else. Every week when I get paid, I pay my tithe. I don't care if I don't have food in the refrigerator, I'm going to pay my tithe. This sermon is not about tithing, so you can all relax, but I'm telling you what the tithe is: It's a TRUST TEST.

What did Yahweh say? "You have robbed Me." *How did we rob You?* He said, "By not giving me your first fruit." It's a trust test. The Ten Commandments are a trust test. You are developing trust with Yahweh. I've developed trust with Him, because even though I've given up grocery money before, I've never given up groceries. Right? It was a trust test. It was a trust test, Brother Barnett, and I know you're a giver. You donated

that piano to this church years ago, and paid for it as a giver. When you learn to give to Yahweh, it's a TRUST TEST.

*Brother Vaughn, I'm not giving my money to any preacher.* Then give it to God. You've still got to give it to the preacher. Why? Because they represent the work of Yahweh, you're giving a percentage for the work of Yahweh on the earth. Do you see this money in our collection plate? I've been here seven years and I've never taken one single dime for my work I do here. Never. I have never taken a dime. There's only twenty or forty dollars a service so nobody is getting rich around here, but the point I'm making is if this was what I was here for, I have a job that pays fifty times this a week. This isn't why I'm here. I don't need you to give, but *you* need to give for the trust test, because Yahweh needs to see that you will give Him the first part of this (credit card), because this is where your heart is.

It's true. You check your bank account more than you check your prayer log. Right? Because that's where our hearts are. We fear this. This controls every one of you in this room. When you reach in and give the first part, just bring it down. The Bible says Yahweh loves a cheerful giver. There were some times I wasn't real cheerful, I'll be honest with you. But I started a relationship of trust with my God, and I promise you one thing: Today I'm blessed beyond measure. I'm forty-eight years old, and my home is paid for. Our church is paid for. All my vehicles are paid for. I'm totally debt free. I have no debt in this life. Do you know why? Because I never missed giving Yahweh His part.

I don't want to talk about this; it has nothing to do with the coming of the Lord. Well, actually it does: It's a trust test. It gets us ready for His coming. Do you know that I have always tried to put Yahweh first? Because why? I wanted to be counted worthy at the Judgment of placing Him above anything else. When we do, which commandment did we fulfill? The first one: You shall have no other gods before Me. Your money is a god. If you think I'm trying to get your money tonight, I feel sorry for you, because you don't have hardly any money. It's not about money; get beyond that. Trust me tonight. Trust that I'm trying to teach you how to be blessed.

You don't bring Yahweh the tithe. That's where church today has it backwards. We're not giving to Yahweh to get. We're giving to Yahweh because we trust Him with our offering. We trust that He will feed us, not our jobs, but *He* will feed us. Tonight I'm encouraging you to put Yahweh **FIRST** in everything. Sister Justina, you came in late tonight, but I *know* that you were probably so busy trying to move into your new house, and I know you walked through that door and had to make yourself come tonight. You wanted to, but you had other things that needed to be done. But you're sitting on that pew tonight because you put Yahweh first, and you will be counted worthy in the Coming Kingdom of Yahweh.
