

The End Times (part 6)

The Great Falling Away & Revealing the Antichrist (2 of 2)

By Pastor Shane Vaughn, First Harvest Ministries

It's a mystery of how the Antichrist has hidden himself for as long as he has in plain sight in the House of Yahweh. In other words, the question is: How did good people, godly people, not recognize the Antichrist. That is something that occurred in every generation. In every generation there has been a group of people that did not know about the Sabbath, and the things that you know about today, but what they did know was what light Yahwah shone in their day. You are not the only restorers of paths to dwell in. You are the children of many restorers that came before you. You are their proteges. You've carried the torch, if you will.

I'll give you an example. In the early 1930s, my grandmother was

Methodist, and she was living in Ponchatoula, Louisiana. One day a lady preacher came through that part of the country and set up a brush arbor. Do you know what a brush arbor is? It's when they would build a little tabernacle out of sticks and straw, and have a service under it. That's what they could afford back then. My grandmother heard this lady preaching right

there by their house, and when she heard her, the lady was preaching at that time, that you must be baptized in the Name of Jesus Christ. My grandmother was Methodist, but she said immediately that she didn't need evidence; she said she didn't need it explained to her, but immediately she knew that was the truth. So the reason I'm sitting here before you today, and everyone watching, is because of a little lady preacher that went to Ponchatoula, Louisiana, some 70-80 years ago, and brought more truth to her generation.

That lady is dead and gone today, but her work is living on. I'm a product of that work. We don't even know her name, but Yahweh does, and she'll get a star in that crown. It was at that revival, my grandmother told me, all those preachers I know of got the Holy Ghost at that revival, under that brush arbor. The point I'm making is that there was a generation in my grandmother's day that left Babylon, as Babylon was then. But now, the further we go, the more He is calling us further out. That's what's happening today. The Antichrist began to take over the Church and I'm going to show you today how that happened. I'm also going to show you how to recognize the voice of the Antichrist in the Church. Amen.

Nothing have we done; it's all by Him. If you go back a generation to the days of Martin Luther, Yahweh called him out. As far as Yahweh was concerned, he had come out of Babylon. He still didn't have all truth, but he had come out and followed the light of his day. It's up to Yahweh to decide how much light He's going to shine. Why doesn't Yahweh shine all the light at one time on the Church? Because then nobody would seek after truth. You see, it's a test to see who will keep seeking after Yahweh to know more about Him. Isn't that wonderful? Praise the Lord! Let's go to the book of Daniel, chapter seven. This is going to be interesting.

Daniyl 7:24-25 And the ten horns out of this kingdom are ten kings that will arise; and another will rise after them; and he will be different from the ones, and he will subdue three kings.

Isn't it interesting that there were three tribes that stayed in Judah, and ten kings that are still scattered today? The Synagogue of Satan. **25 And he will speak great words against Yahweh,**

What will the Antichrist do? He does not speak great words about Yahshua, but against Yahweh. In other words, he will turn Yahweh into the bad God, and Jesus Yahshua will be the good God. The Antichrist will literally take the name Yahweh out of the Church. He will speak great words against Yahweh. He will tell you that Yahweh was under the age of Law, and He was cruel, and He killed everybody, but *Jesus loves you, this I know*. Let me tell

you something: There would never have been a Jesus without Yahweh. It was He, who loved you from the beginning.

But the Antichrist will literally separate Jesus Christ from Yahweh, and recreate Him. As a matter of fact, go on Facebook and make a post saying we should live holy before God. Here's what you will get: *My Jesus says not to judge. My Jesus loves everybody.* See? It's *my Jesus*, because the Antichrist has spoken words against Yahweh. He will make Yahweh the God of the Old Testament, and he will make Jesus the God of the New Testament, and then pit them against one another.

If you don't believe I'm telling you the truth, the way we grew up, I didn't hear the name Yahweh until I was thirty-five years old. I never heard that name. I heard Jehovah once in a while, but I never heard Yahweh. Now if you go back to the early Apostolic Church, you would have heard the name of the Father. Yahshua referred to it all the time, but the spirit of Antichrist has come into the Church, and when we say Yahweh, it's unfamiliar. Up until two years ago, I heard no Pentecostal Church anywhere use the name Yahweh, and now it's popping up everywhere. But we were the forerunners. We were those who took the ridicule, and took the heat, and were made fun of, because today's heretics are tomorrow's prophets. Always.

Martin Luther was a heretic in his day. Today he's a prophet. Anytime you're a forerunner of a movement, you're going to bear the brunt of people not understanding. They didn't understand what a tallit was. Before I even came to this message, I was traveling all over Pentecost wearing a tallit; before Brother Stone came, before anybody. Matter of fact, Brother Chad Sullivan in Tennessee, that's part of the CACI, he tells everybody about it who came to hear me preach when I was a boy, and he was the only man I had ever seen wearing a tallit. I hadn't come to this message yet. The message was coming to me way back then, slowly but surely. I didn't even know what I was wearing. I just felt like wearing it. He was already ordering my steps. Brother Sullivan was telling everybody I was the only one he had seen wearing it, because the Lord was using me as a forerunner and a forebearer.

What is the ministry of John the Baptist? A forerunner. What is the ministry of Elijah? A forerunner. They will be talked about forever. That is why Yahweh has to pick a man or a woman who has a backbone of steel; because they have to be ready to be misunderstood. Amen? When you start preaching on the Law of Yahweh, be ready for people to think you're in legalism. Just be ready for that. It's not because they're bad people, but you are out of your time. Have you ever heard the saying: *He was before his time*? Amen? Everyone in this room, if you will hang around and not die on me, in about 20 years, you will see everybody doing what you're doing, and it will have been worth it all. Yahweh has to start with somebody. Amen.

I've never seen as many people on Facebook that were keeping the Feast of Tabernacles, as I did last year. I saw churches all over my Facebook that were keeping the Feast of Tabernacles. But I remember when nobody was. So Yahweh used me and men like Herbert Armstrong, and other men before him, to begin this journey back to the Restoration of all Things. In the 1930s He used Sister Agnes Osmond to bring back the gift of speaking in a heavenly language. He used Charles Parham and William Seymour to bring back baptism. So these were all collectively, taking back from the Antichrist, what he stole from the Church. And you're part of that group. I'm glad I am. Let's finish the verse.

and will wear out; mentally attack to cause to fall away, the saints of Yahweh, and think to change times; Yahweh's Feast Days, and Laws; and they will be given into his hand until a time, and times, and the dividing of time.

What is the Antichrist going to do? Change the Law and the Feasts of Yahweh. Folks, there he is. You grew up in his church. *Brother Vaughn, how is he going to change time?* Saturday is a space of time. Sunday is a space of time. He is going to change *this* space of time (Saturday) into *this* space of time (Sunday), and call *this* time (Sunday) the Sabbath Day, when Yahweh calls *this* space of time (Saturday) the Sabbath Day. Did you know

that the Antichrist was not coming in to oppose Christ? He's coming in to imitate Christ, and change the Law and the Times.

He would never come in and tell you not to believe in Jesus. He will just simply tell you what Jesus is, and what Jesus is not. What are the two things the Antichrist is prophesied to do? Change TIMES, Change LAW. *Brother Vaughn, how did he change the Law?* Real simple. When you go to tell everyone about the ten commandments, they will respond, *But the greatest commandment is love!* You just changed the Law. Do you hear me? Their commandments are not those. Their commandment is this ethereal unexplainable thing called love. An itty bitty thing called love. My question is: What's love got to do with it? You don't even need love to obey God. Just obey.

Brother Vaughn, but Jesus said... Yes, but that is the recreated Jesus. You've taken His words out of context, because he was telling you when He said *Love the Lord your God with all your heart, and love your neighbor as yourself*—He was taking those ten commandments and breaking them down into two categories. *Love the Lord your God with all your heart. See, that's ALL I've got to do!* Then here's the test: how do you love Him? *Well, I just love Him.* Yes, about as much as you love your husband or wife; you treat them like dirt. How do you love God, Yahweh? Just go read those first four commandments. That's how you do it. When you keep the Sabbath, you are loving Yahweh. Whenever you give Him your tithe, you are loving Him. Love is not an emotion. Love is an obligation and a duty. It's more than *I love You Lord*. It's proving that love.

Daniel is prophesying in this verse about the same thing Paul warned you about in part one. What did Paul say? *After I leave, the Spirit of lawlessness, the secret, is going to sneak into the Church.* Daniel prophesied the same thing. He said, "I saw a little horn go into..." How are you going to wear down the saints of God unless you're in the Church of God, talking to the saints? What does it mean that he'll wear us down? Here's what it means: You're going to get so tired of fighting the lies, that you finally just join the Church and accept the lies. You need a good

program for your kids, so you're willing to take the lies. They wear you down. You get so tired everytime you hear a lie preached, bucking against it; you get tired of it and worn out.

Satan comes into the Church to wear down the saints. What does that prove to you? That Satan's not in the world. He's sitting in the Church of God, exalting himself as God, by recreating that God. Now sometimes I feel like I'm preaching to the wind, but I want you to understand me today: It is in your Bible in the book of Daniel, what this spirit is going to do to God's Church. He's going to change the Law, and the times and the seasons of the Church of God. It has happened. You and I have lived through it. Amen.

Let me show you when the falling away began. After the apostles died, there swept over the Church, a desire to grow larger. I've always wondered how the words of Yahshua compare to the words of the Church. Yahshua said

these words: that He had a little flock, and few there be that will be in this flock. But if you listen to the Church, they don't want a little flock. They want a churchful. It was that desire to grow that allowed room for the Antichrist. It is that desire to be financially prosperous that

has made room for the Antichrist. Look at that picture here. That is the result of growing the Church too big. You start letting anything in.

Do you know why I pastor differently than any pastor you've ever sat under? Because I'm not trying to build a crowd. I'm not. The minute you come into this church and I see you're not 100%, I want you gone. Why? That sounds so cruel. No, no, no. I'm a shepherd. I've got to keep you away from the sheep, you old goat! And it's because you allow everybody to sit their butt on your church pew, that you wind up losing your good people, who are truly the sheep of the Lord. It takes a shepherd to speak the way I speak; a shepherd to say, "If you are here to cause trouble, don't let the doorknob hit you where the good Lord split you." Why is that, brothers and sisters? Because that's what happens when you want to grow.

There's been people in this church that I've let get by with things I shouldn't have, but there is a carnal desire in every one of us not to want to lose anybody. We've got to build this thing with genuine believers who want to build this thing! Amen! And that's who Yahweh is calling in this hour! I want to say something to this local church, and even the national church. Listen to me. I want everyone in this ministry to get used to one fact, and you're not used to it; I can see. You've got to love them when they come, and love them when they go, and don't let any one of them affect you in one shape, form, or fashion. Amen.

You don't have to inbox everybody, *Where's sister so and so been?* You just need to know that she's not been where she's supposed to be. That's all you need to know. *What happened to brother....?* You know what? He knows where the lifeboat is. He knows where the ones at the table are being fed. If he's not there, that's on him. You are not in a regular church. You are not in a place where we're trying to keep people. Why? Because the minute you try to get your eyes on the numbers, you're in trouble. Do you know Yahweh punished David for numbering Israel? Why did David number Israel? He took a little pride in how big it had grown. If this ministry goes back to five people, I'll still be on the camera. I'll still be teaching this Truth. I'll not be held hostage by anybody! HalleluYah!

If Lily Lou can't stop me, neither can you! Why? Because there's grievous wolves that come in among you. We're watchers, and they should have been watching over that early Church; watching instead of trying to grow. If Yahshua had wanted them to grow, He would have sent them to all the Gentiles, instead of just the Lost Sheep in the Gentile nations. What happens is the church gets full; you get a hundred people in here who aren't supposed to be here, and you start letting things slide so you don't lose them. I'm going to tell you something.

Yahweh is calling First Harvest Ministries to get so focused on who's walking on the water, that you don't even see who's drowning. If not, you'll go right down with them. Keep your eyes on the Word. Keep your eyes on the message. I'm speaking to somebody! Keep your eyes on the message

that brought you here. Keep your eyes on the Coming Kingdom of Yahweh. The Bible said, *They will fall on your left, and they'll fall on your right, but in this will I be confident that the Lord is the light that I'm looking to.* That is where I'm walking. Amen!

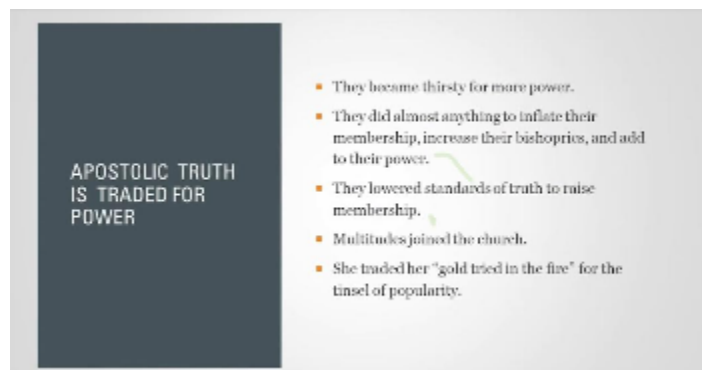

When Paul died, when the apostles died, what began to happen is a sharp rivalry began between Marcion and Polycarp, and the Church began to do what it always does: faction. The Church has been splitting since it's been born. It split with Cain and Abel, with Ishmael and Isaac, with Judas and Jesus. C'mon. This whole thing is a split. Paul and Barnabus. Because Yahweh has to separate to consecrate, and sometimes that comes because we want to be like *these guys* and have a beautiful church building. Honey, I'll go to the barn on the land and set up chairs. Do you hear me? I'll set up chairs. I'll do it. Why? Because I will not prostitute this message for anybody! This is a pure message, and we've got to keep it pure and holy. Truth marches on.

These bishops began to have an argument about who would be the greatest, so Marcion started his church. That church became known as the Catholic Church. Now what did Marcion believe? That the Old Testament was evil and the New Testament was good. And who put together the first New Testament? Marcion. He got the Old Testament out of the Church. Don't believe me, Google *Marcion*. He took the Tanakh, the Law and the Prophets and the Writings, and what did he do with them? He got rid of them and took Matthew, Mark, Luke and John, compiled them together with a few of Paul's writings. He wouldn't put James' writings in there. Even Martin Luther didn't like the book of James, because it talked about works.

So he took those books, put them together and said, "Here is the Church's Bible." Why? That spirit in that Church is what I call a *New Testament Spirit*. They have taken something so beautiful like the New Covenant, and cheapened it into another gospel. This is when the Antichrist began to dress up like the picture a couple pages back, and leave the Church of God. Paul warned you that when he left, that the secret would sneak into the Church.

The secret of lawlessness is going to change Law. I hope you understand it. He's going to change Yahweh's Law. He's going to give you Catholic law.

The Apostolic truth would be traded for prestige and power. Do you know

that the same thing has happened today in the Pentecostal Church? Listen to me. I'm not talking about the original Pentecostal Church; I'm talking about the ones that came back in the 1900s. When they came back, there was a

great move of God among the Pentecostal people. Those churches were filled with the power of God. People were joining those churches in mass because God was moving. I can go into a Pentecostal church today, and it doesn't look Pentecostal or sound Pentecostal, or feel Pentecostal anymore. Do you know why? They've got the biggest church in town now.

You can get mad at me. I don't care who doesn't like what I'm saying. You go to the churches and they are dead. Even their music is dead. They have so much music on the platform, trying to drown out the fact that there's no Glory. I grew up in Columbia, Mississippi. There was one church there that became so large that you couldn't even shout in there anymore. Oh yeah, no more shouting, no more dancing. *We're going to get the mayor to come to our church. Oh Hallelujah. We want the city council in our church.* When you begin to want the tares in your church, you'll have to change your church!

The Bible said, *Not many noble, not many strong, not many of this world belong in the Church.* You don't need the governor in your church. The governor doesn't desire a move of God or the Holy Ghost, and he'll cause you to give up your desire, to keep him in your church. You know I'm telling you all the truth. And the church I grew up in has compromised so much, that if anybody goes to shouting anymore, they'll get *the look*. *We're not like*

that anymore. We've progressed. No. What you've done, is you've become like the whore you left. You've become more worried about pleasing people, than Yahweh. You know you don't have to ever worry about that with me. Until the day I die, I'll be preaching to make people mad. Why? Because that's who I am. That's who Yahweh has called me to be.

That's why this church is so blessed and so powerful. I don't know of any other preacher that walks to their mailbox and sees the blessings of Yahweh like this little church. I don't know of anywhere, and I'm going to tell you why. Because, if it's Yahweh's bill, it's Yahweh's bill, and Yahweh will take care of it if you're obeying His Word. Amen! These other churches become thirsty for more power, more influence. They like telling you that the city clerk goes to their church. I'll tell you who comes to my church: the rejected! Amen! The stone that the builders rejected! The deplorables come to my church; a whole basketful. Amen. HalleluYah. Glory. I'm just as rejected as you are, son.

These churches did almost anything to inflate their membership, to increase their bishopry, to add to their control. They lowered standards of truth to raise membership, and then multitudes joined the Church. They traded gold tried in the fire for the tinsels of popularity. And when they did that in the early 300s after Christ died, that's when paganism began to come into the Church, without a changed heart or a changed life. Can I tell you the voice of the Antichrist? Hold your bloomers, because when I say it, you'll be like, *Ah, that's what I believe.* Let me show you how Satan speaks great words.

He looks at you and says these words: *The Church is a hospital for the hurting. We should be so tender and sweet so that we never upset hurting people.* Now I'm going to backtrack that and say what he was really saying: *Because I don't have the backbone to throw a bomb in this church, we're going to call it The Hospital for the Hurting.* The Church is a college for world rulers that are being trained in the school of discipline. It's because of that great rhetoric—The Hospital for the Hurting—that is a euphemism for

Let's let everybody do what they want to do. Don't get in anybody's business because they're hurting.

I'm not a liberal. I don't buy that snowflake stuff. Everybody isn't hurting. Do you really think Yahshua is going to give out participation trophies? I'm telling you, the Church has gone liberal in their thinking. My Bible said, "It's not to him that starts the race, but only the one that finishes this race is going to get the prize." You're not getting any participation trophies here! You've got to win. You've got to work for it. Brothers and sisters, listen to me. I'm trying to teach you the voice of the Antichrist; how he speaks. If you go to a hospital for the hurting with a broken leg, they're going to break it even worse. If you go to the hospital for heart failure, they're going to cut your chest open.

You really want us to be a hospital for the hurting? We're not a hospital and a massage parlor. It's a hospital, where surgery is done, where they rip your guts out to heal you. They rip your Antichrist out to heal you and fill you with the REAL Christ: the Messiah of Israel!! HalleluYah! They don't care if you're hurting; they're getting ready to hurt you worse. When I went to get my ear fixed, they had to cut that ear off to heal me. A century after Paul died, his prophecy came to pass. There was a falling away. Why am I teaching you this? Because we have to understand the falling away is NOT a future event, or a present event. It happened before you were born. Paul said, "It will happen right after I die," and indeed it has. Let's go now to the book of Acts, chapter twenty. Paul said these words:

Acts 20:28-30 Therefore, be on guard for yourselves and the whole flock over which the Holy Spirit has made you overseers,

Paul's talking to pastors. He's telling pastors, "Be on guard for the whole flock. Watch that flock like a hawk." Elder Connally operates that land over there on Remnant Ranch. His job is to watch over that flock out there; those horses' feet to make sure they don't get infection. Why? What would you think of Elder Connally if you walked out there and there were wolves standing all down the fence line, and he was sitting there feeding them? You

would tell him to get rid of them. But if I do that in the church, you say, *Why did he do that?* Guard the flock!! Guard them against negative words.

Somebody told me something the other day about Elder Morgan. He said, “Brother Morgan goes and tattles to you about everything.” I said, “He sure does. That’s what I pay him for.” He watches the flock! One sideways word and we’ll cut it off around here. That’s why they started a new group against me yesterday, trying to destroy me. I’m not going to tell you where to find it, but it’s out there. There’s sixteen of them, former members, and I’m going to tell you something right now: They tried to friend request all the new people yesterday.

But listen to me and listen carefully. When you guard the flock and you recognize those people, they will be so angry at you until they die, that you exposed and recognized what they were doing, and they didn’t get to finish the job. Guard the flock, because the Holy Ghost has made you an overseer to feed *not* everybody, but...

to feed the called out ones of Yahweh, which Yahshua has purchased with His own blood.

Who is he to feed? Not all; just the CALLED OUT ones which Yahshua purchased. Why did he say, “Guard the flock”? It tells you in the next verse.

29 For I know this, that after my departing grievous wolves will enter in among you, not sparing the flock.

He said, “They’re not coming while I’m here.” Do you know why? Because here’s what Paul said. He said, “You know what Church? I’m going to let you decide how I’m going to come to you. I can come to you as a father or a terror.” Paul wrote them a letter. He said, “You either get the Church straight or I’m coming, and you can decide *how* I’m coming.” If he had been a preacher today, he would have been a cult leader.

Thank God that that first Church didn't think like you all do. That first Church didn't think like the world does. That first Church recognized they're overseers in the Lord. They recognized that they loved them enough to tell the Truth! Paul said, "I know the wolves will enter among you, and they will not spare the flock. They'll start groups. They'll do anything they can to keep pulling at the flock.

30 Also, among your own selves will men arise, speaking perverse things, to draw away disciples after themselves.

What men will arise? The men of sin; the Antichrist. What will they speak? Perverse things. Let's think about that phrase, *perverse things*. He's not talking about perverted. Do you think they're going to get up and speak perverted talk to you? Oh no. You wouldn't go to their church, so what they're going to do is to say things and pervert the Law of Yahweh to where everything is upside down. Why are they going to do it? To increase their numbers and draw disciples after themselves. Why are they going to do it? To build their following. *They're going to speak perfect perverse things after I'm dead and gone.* Let's turn to I John.

I Yahchanan 2:18-19 Little children, this is the last hour; and as you have heard that the Anti-Messiah will come, even now there are many Anti-Messiahs; by this we know that this is the last hour.

What did he mean when he said that this was the last hour; the sixth day? They were living in the last day at the beginning of this 6,000 years. We're at the end of this 6,000 years, but it's still the same day. "I've come to set you straight about the Antichrist," he said. The Antichrist is here right now, and that's how we know we are in the last hour.

19 They went out from us, but they were not of us; for if they had been of us, they would have remained with us; but *they went out*, in order that they might be made manifest, that they were not all of us.

He is going to tell you why Yahweh sent them out of here. He sent them out so they could be revealed as the Antichrist; so they could be revealed that they were not of us. How are you going to know who is really part of you if they sit there among you? Yahweh sends them away so you will know who the flock is. I want to show you now how this falling away started, and how it ended. It started with replacing the Shema with the Trinity. The first thing the Antichrist did before he stole the Law, he changed the God of the Church. Let me show you what he did. Turn to Romans. Here's the first thing he did:

Romans 1:23 And exchanged the glory of the uncorruptible Father for images, made to resemble corruptible man, and birds, and four-footed beasts, and creeping things.

You can't change too much, too quickly. The first thing you do is change the God of the Church. This is after Paul died. They changed the glory of an undying, eternal God, and turned Him into a corruptible man that can die. They changed the glory of a God that cannot die, into a man. I want you to hear me now. What did they do with this man they created? They made this man the second part of the Trinity. You see, in order to have the Trinity, you've got to separate the Son from the Father, and you have to make them co-equal, co-eternal, and co-existing. When you do that, in order to go by the pagan tradition, you can't have a father and a son in paganism without having a mother.

So where do you get Mary, the mother of Yahshua? You take her and make her part of this new church's Godhead. And she represents the Holy Spirit, because what they did was take this singular God of Israel, and recreated Him. They changed His glory, and when Yahshua died, they said God died, when God said He is not a man that can die. They perverted that and made a trinity so they could keep God in heaven, put this man on the cross, and have his mother all part of this Babylonian mystery. Always in paganism, the pagan god is always made up of the father, the son and the mother.

Have you ever wondered why the Catholic Church talks more about Mary than they do the Holy Spirit? Because Mary is part of their Godhead. She is the mother of God. Watch this: You have taken the glory of an eternal God and gave Him an earthly mama, and made *her* the mother of God. It doesn't make a lick of sense. How do you have an eternal God that's got a mother? If you've got a mother, you've got a beginning. They changed the eternal God into a God with a mama. He has no beginning and no end. He can't die and He can't be born. Listen to me brothers and sisters. They took your God of Israel and turned Him into a corruptible God.

And then, they made His mama a Jezebel. Not that she was, they made her that by putting her as the mother of God. And now she is prayed to and worshiped. Brothers and sisters, who do you think that was, that recreated God? Who was going to set himself up in the Temple and make himself God? If you go to any church that believes in the Trinity, you are sitting under the authority of the Antichrist. If you are going to a church that believes in the Trinity, and are supporting it with your finances, you have submitted you and your family to the Antichrist. And the whole time you've done it, you're telling everybody, "I'm not going to take the mark of the beast." Too late. You already took it.

The Trinity is hatched out of Hell. If you are watching me and you were baptized in a Trinity formula, Come out of her my people and be baptized in the Name of Yahshua Messiah for the remission of your sin! Acts 2:38. HalleluYah! You've got to come out! *Brother Vaughn, don't judge people's baptism.* I'm commanded to judge it!! I'm commanded to judge the False Prophet and to judge the false Antichrist. The Trinity is Antichrist! Here comes the voice of the Antichrist in the Church, speaking great words. Are you ready for the next example of the great words? Judge Not.

Let them get by with it; don't worry about it; judge not. You're not the judge. Baby, I am, as long as I do it by the Book. As long as I'm reading this Book, I can judge all day long! I can judge if your baptism is biblical or not. I can judge if your salvation is biblical or not. That is my job and your job, to judge a lie from the truth. How do you know the truth from a lie unless

you've got a judge on the bench? How many people start off by saying, "Now I'm not judging anyone..." Honey, you're a fool if you're not judging anybody. If somebody comes gossipping in your ear, you better judge them as a gossiper. If somebody starts running your pastor down in your ear, you need to judge them as a talebearer and a troublemaker. Mark them, and have nothing to do with them. *Well, I don't want to judge.* Of course you don't. You're under the Antichrist. He's convinced you not to judge anybody.

But it was Yahshua who told us that. Oh no, don't you turn Him into the Antichrist. He never said, "Judge not." Oh, no, no, no. Here's what He said, and it would be like me talking to my son. Let's say my son robbed a drug store, and the very same day, somebody else robs a drug store and he says, "Can you believe that? He's nothing but a low down thief?" I say, "Son, don't judge, UNLESS you are ready to be judged by that same judgment." C'mon now. In other words, yes that is a lowdown thief. I can say it because I don't steal. Yahshua said, "Make sure you're walking in righteousness if you judge." He didn't say that you're perfect, but you're continuously walking in righteousness, and when you are, you can judge unrighteousness.

Saying that Jesus said not to judge anybody is the voice of the Antichrist. Did you ever read in the Bible, *you sons of the serpent*? I love it when people say I should preach like Jesus. You couldn't handle it if I preached like Yahshua did. He said to His congregation, "You are the children of the devil; your father," is what He told them. *Brother Vaughn, you need to be more like Jesus.* Do you want me to get a whip? I'll be happy to. You're not ready for Yahshua. I hear everyday: *You ought to be more like Christ.* The problem is that you worship a false Christ, one who is okay with everything you do. We don't worship him. When I hear people say *The God I serve...* I know the problem. We serve two different Gods. The One I serve is from Genesis to Revelation.

Watch out for the spirit of the Antichrist. Watch out, the Antichrist is good at what it does: the Trinity. Let's read Mark, chapter twelve. For those of

you who are part of this ministry and still going to other churches, you make sure it's not a Trinity church. Get out of there, now that you know the truth. I heard an Apostolic preacher say yesterday on Youtube when he was preaching about Yahshua's baptism and he said, "I'm not saying your baptism is wrong." I said, "Well I am." If that's okay, what's the point of preaching against it?

Yahchanan Mark 12:29 And Yahshua answered Him: The first of all the commandments is: Hear O Israyl, Yahweh is our Father. Yahweh is One.

Yahshua said the Shema is the greatest commandment of all. If your church is not preaching that God is One, they're the Antichrist church. What I'm reading is from Yahshua's own mouth. I'm going to show you something. Go to Deuteronomy, chapter six. I want you to listen carefully.

Deuteronomy 6:4-8 Hear O Israyl, Yahweh is our Father. Yahweh is One. 5 And you must love Yahweh your Father with all your heart, and with all your soul, and with all your might. 6 And these Laws which I command you this day must be in your heart; 7 And you must teach them diligently to your children, and talk about them when you sit in your house, and when you walk on the road, and when you lie down, and when you rise up.

Now I'm going to prove to you about the Antichrist. Where is the mark of the beast going? On your forehead and your hand.

8 You shall tie them as symbols upon your hand, and they shall be a distinguishing mark in the eyes of everyone.

He said right here that Israel will have a mark, not of the beast, but of the Messiah. What will that mark be? HEAR O ISRAEL! The Lord our God is One! He is incorruptible!! He is eternal! He is non-negotiable! It's His Law! Put it on your forehead, and on your right hand. It is the mark of Israel, instead of the mark of the beast. The mark of the beast believes in the

Trinity. The mark of the beast believes in every lie of the Antichrist that changes Yahweh.

Did you know that the mark was in Deuteronomy? It didn't start in Revelation; a mark on your right hand (actions), and a mark on your forehead (your mind). It started in Deuteronomy. We—Israel—were the first ones who were supposed to wear a mark. Those of the Antichrist wear a false mark. What did He tell you? He told you the two things that will mark you. Do you know right before the tribulation what Yahweh told the angels to do? *Don't hurt the ones that have the mark*. The seal is the mark. He said, "When you pour out your wrath, don't hurt the oil, and the wine. Don't hurt those that have the mark."

I lived my life with a grandmother that wore the mark. She preached the Word of Yahweh every day of her life. Why? Some people are willing to be hated of all men to wear the mark! The Torah is where the mark is. Now I want to ask you a question. In the mark of an Israelite, there's two things Yahweh said. He said, "Put that on your forehead, put that in your hand, and then, all the laws I'm about to give you, put them on your forehead and put them on your hand." If you were the Antichrist and you wanted to take that mark off of me and give me your mark, you would have to go back to Deuteronomy and whatever Moses said, you would have to say the opposite.

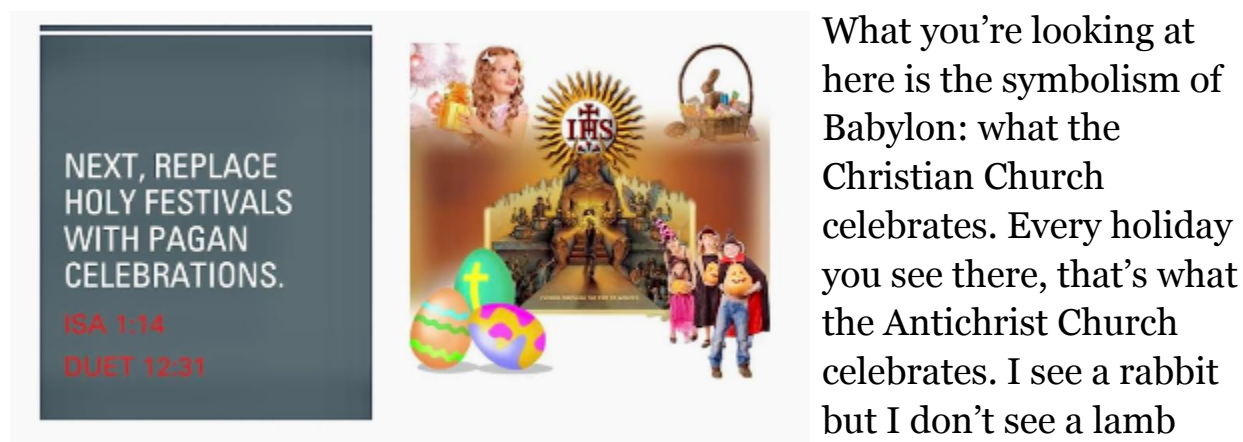

You'd have to say, "Hear O Church, our God is a Trinity, and that Law was nailed to the Cross, dear ones." Does anyone feel that? That's the fluttering, that's the fluttering of their wings because the Truth is being proclaimed on This Sabbath Day all over the world! It matters what you believe. That's your mark. I want everyone in this ministry—hundreds watching—to know that you've got to have the mark of Yahweh. You're not going to be raptured. You're going to be right here, but if you've got the mark, the Father said that wrath won't touch you.

They can starve, but you're going to eat because *I once was young, but now I'm old, and I have never seen the righteous forsaken or His seed taken*

from Him. Praise Yahweh! Oh, that people would understand this and realize how important it is. John 17:3. I'm speaking to somebody. What church you go to matters. I'm talking to someone now. What mark you submit yourself to, matters.

Yahchanan 17:3 And this is life eternal: that they know You, the One True Father, and Yahshua Messiah, Whom You have sent.

That is eternal life. Everybody that's claiming they're saved, if you don't know the One True God, that's not eternal life. Eternal life is to know the One True God, and His Messiah. HalleluYah. I'm glad today I bear the mark. That's how the Antichrist started slipping into the Church: with the Trinity. I'll show you next, the next thing He had to do to get Yahweh's mark off of you, and his mark on you. The next thing he had to do was take all identity of the Torah out of your life; all identity of Israel out of your life.

What you're looking at here is the symbolism of Babylon: what the Christian Church celebrates. Every holiday you see there, that's what the Antichrist Church celebrates. I see a rabbit but I don't see a lamb there. Where's the lamb?

The Church will go out of their way to celebrate that rabbit, with no celebration of the lamb. The lamb is clean, the rabbit is unclean. *Oh Brother Vaughn, you're not going to change the world.* Thank God. But I am going to change that little flock, yes I am. I hope the devil heard that. We're going to change that little flock.

Isaiah 1:14 Your new moons and your appointed feasts My soul hates! They are a trouble in Me! I am weary of bearing them!

He says, "I hate your celebrations!" He is talking to His Church: Israel because they have started celebrating with pagans. "I hate your celebrations!" Do you know what the Antichrist will tell you? "God doesn't care what you celebrate." But Yahweh said, "I hate your celebrations!" And yet your family tells you, *What does it have to do with my salvation?* Yahweh said, "I hate; I hate them." Why? Because anybody that's keeping those, are not keeping Mine. You changed the glory of the God of Israel, for another religion; another god. There is nothing in that image that celebrates Yahweh of Israel. Nothing! It celebrates Catholicism because everything in that image, the Catholic Church created. That is the Antichrist Church.

You should not put down other religions. I don't. I put down false religions. That isn't a religion, just like the Church of Satan is no religion. Just because you put the word church on it, doesn't make it a religion. There's only one God—Israel's God. That's it. I HATE YOUR CELEBRATIONS! I want to tell you something. Until you start hating them, you don't have the mark. The Bible said, "Love what I love and hate what I hate." Do you know why you should hate them? They separate you from Yahweh. They get you off the narrow path. I'll give you an example. Tuesday, all of the saved people are going to go out to King Rex, a pagan god. They're going to go to Zulu. They're going to go to Endymion. They're going to go to Bacchus.

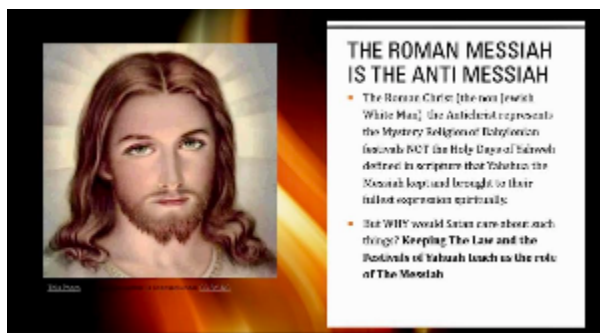

Every parade is a pagan god, and here comes the Holy Church of Israel, raising our hands to King Bacchus saying, *Please bless me with something. Please throw me something. Just throw anything; I'm desperate. Give me something.* Then two or three weeks after that, when it's time for Passover, it's, *I'm not bound by the Law.* You're bound; trust me. You're bound. *Brother Vaughn isn't going to bring me back to legalism,* while your behind is half naked at a Mardi Gras.

Yahweh's people don't go to Mardi Gras. And I found out we have a family in this church that likes to sleep with them. Stay out there with them, darling, because there's no room in here for them. Amen. We're running this thing the way Yahweh said to run it. HalleluYah. He said, "I hate them."

They are what after He said, “I hate them.”? He said in verse fourteen, “They’re a trouble to Me.” The word is trouble. Why are these celebrations a trouble to Yahweh? Because they hinder Him from getting to His people through His festivals. They are a trouble to Him. He said, “I am weary of dealing with them.”

Deuteronomy 12:31-32 You must not worship Yahweh your Father in their way, for every abomination to Yahweh, which He hates, they have done to their gods (elohim). They even burn their sons and daughters in the fire as sacrifices to their gods (elohim). 32 Whatsoever I command you, be careful to observe and do it, you shall not add to it, nor take away from it.

He is talking to Israel. Verse 32: I MEAN WHAT I SAY! Let’s follow the trail of the serpent. I was taught to watch the slithering circle of the serpent in

the Church. I’m going to show you the next thing he did. He went and recreated that Jewish man by the name of Yahshua, and converted Him into a Roman Messiah. The Roman Church turned Him into a blue eyed white man that looked so pretty. The Bible said He was nothing to look at,

but we can’t sell somebody like that, so we take that man who was a carpenter. I promise you He didn’t have a pretty face like that. He was a carpenter in the heat of the day. That man was tough as nails.

Now, welcome to the new Jesus. That’s Him. He just loves everybody, this I know. The problem is, He does love everybody. You just don’t know what love is. Who is the Roman Jesus? He is the non-Jewish one. The Catholic Church hated the Jews. Antisemitism started in the Catholic Church. Do you know that it was from good intentions? It was because the Jews killed Jesus, so therefore, hate the Jews. They don’t know that it was Yahweh Who killed Jesus. The Bible said that if He didn’t blind their eyes, they wouldn’t have killed Him. He had to blind their eyes to do it. It started in

the Catholic Church. Now watch this: Not *that* man, but the true Messiah was a Sabbath keeper. The Bible said He went to the synagogue on the Sabbath as was His custom. The seventh day of the week was when He went to worship His Father.

Let me straighten something out. I hear people say all the time, *You can go to church any day of the week; there's no wrong time*. Listen to me. You can play games with this all you want to. The Sabbath is not just going to church. It's stopping everything else. This day is holy, and it belongs from the sundown to sundown, to nothing but holy things, and it belongs to your God! It's not just a day of rest. It is a day of the holy convocation. One without the other is not keeping the Sabbath Day. If you don't convene with Yahweh's Israel on the Sabbath, you've not kept it holy. If you are convening, but you're still doing your work or whatever else, you have not kept it either. Yahweh meant what He said, and said what He meant. However, *this* Jesus whose birthday is on the day of the sun; December 25th, decided He'd go ahead and make His worship day the day of the sun, as well.

I'm going to say this, and I want you to follow me and not misunderstand me. You will misunderstand, but I'm still going to say it. That man (in the image) is the Antichrist. That man is a liar. That man is not the Jesus that I adore. He's not the Messiah that I serve. He's not, because He is against the Law of Yahweh and the Sabbath Day! If you ever want to know what the Antichrist looks like, take the horns off of him and THAT is what he looks like. And the whole Church has bought that Roman Catholic image of Yahshua, and changed the glory to that man; a man who tells you, "You can do what you want, just believe in Me." Who created that false image? The Roman Catholic Church. That is the God they created.

But the Yahshua I serve, that man is a Law keeper. He's a Sabbath Day keeper, and He says, "If you love Me, keep My commandments." That's the Yahshua that I serve. He has nothing to do with the unfruitful works of darkness. Come out of them! He said, "I stand at the door and knock to come out of her!" Glory! Now I'm going to say something and you can't

misunderstand me this time either. I never have and never will preach against the level of understanding that someone is on, but I want to tell you the reason I don't call Him Jesus. Because that was a trick of the enemy to turn Him into a white man, and a Roman man. That was a trick of the enemy to get that word Yahshua out of your mouth. As long as you keep calling Him by an original Jewish name, you're messing up their image of their European God.

Yes, I got saved under the Name of Jesus. Yes, I got baptized in that Name. Yes, I've seen the sick healed in that Name. There's one reason for it. Because Yahweh honors faith more than pronunciation. If that's all you understood, that's fine. But the Bible said, "Once that light has shined on your path, you are required to move into all truth and all understanding of what His Name is." There is no other Name whereby you must be saved! HalleluYah! Satan hates that Jewish name. He wants it European, because if you make it too Jewish, you'll have to go back and keep His Sabbath Day. They've got to separate Him from the Law of Moses. They've got to separate Him from Torah, and they've got to make a new Church with a New God, and that's Him.

Some people say then, "Why do you say Jesus then sometimes?" I've got nothing against the Name of Jesus. I have nothing against it, but I have a duty to teach you, and I must pull you out of the mindset. I'm going to show you how it works. Thank you Lord for that revelation I just got. Thank you. What is Nikki Haley's real name? Nimarata Randhawa. Tricky Nikki. I don't know if I'm pronouncing it right, but she is from India. Sounds like Nimrod. Try to run for president with that name! What's everybody going to say? *We don't want a foreigner in the White House.* So we rename you to an American name, so we can identify with you as an American.

They had to rename Yahshua so that the people from Britain and the Celtic Islands—the European nations—would accept Him. None of them would have worshiped a Jew. Yahshua is a Jewish name. There's an antisemitic spirit in everybody, and they don't realize it. That name Yahweh even gets on people's nerves because it's too Jewish. It's too Israeli. But I tell you, that

Antichrist came in and repackaged Yahshua. And I want you to know today, if you plan on returning to the fathers of the faith—Abraham, Isaac, and Jacob—you are going to understand the importance of the Name.

When I see Nimarata Randhawa, my mind goes to India. I'm already smelling Indian spices. The minute I said the name, I'm smelling the spices. Why? That just put up a wall. I was having a hard enough time with Vivek Ramaswamy. I must tell you, it did put up a wall around me. Give me a good American like Bill or Donald. Do you know why that is? Names matter. I was so tempted when I got out of prison to change my name. I wanted to change my name to something else because that name was tainted. But I serve a God that can take a bad name and clean it up for you. HalleluYah. I wanted to run from that name.

I want you to hear me: If the only name you know the Son of God by is Jesus Christ, you're all right. You're fine. It's not about that. But there must come a time when you see that we're trying to reconnect you past Rome. We're trying to bring you back to the original Church, the original order. I still say the name Jesus Christ many times. Here's why: For most of the people who watch my videos, it would be like me saying Nimarata Randhawa when I am talking about Nikki Haley. They're like, *Who? Who are you talking about?*

It's like speaking in tongues. You need an interpreter. In the world I speak to, they know Jesus, so you will hear me say Jesus Yahshua. In other words, I'm teaching, that's what I'm doing. I say God Yahweh or Yahweh God. They don't know Yahweh. By the time they get done listening to me, I've planted the word in their mind, and they knew I was talking about God. So let's not be fools, alright? The Bible said not to be fools. We don't demand that anybody uses the Name, and we don't go around refusing to help them understand what we're saying. Alright?

We use a little wisdom and a little balance. So if you're talking to a Baptist person, I would highly recommend that if they say, "Let's pray together," that you don't grab their hands and go to Israel with them, and start calling

on every Israeli name you can think of. Okay? Pray in their language, but at the end, *I pray this prayer in the Mighty Name of Yahshua Messiah. Amen.*

Now they know Who you are talking about, and now you're planting a seed instead of, *Oh no! Don't pray for me in the name of what?!*" They've been taught that there is no other way to pray, and they're right. You don't need to be the person that turns them off from this beautiful name. Educate, and one day everybody will know the name Yahshua. It's getting there now. I'm telling you, it's getting there now, where everybody knows the Name.

I'm going to close out here now. Why would Satan care about the Holy Days? This Antichrist does not keep the Holy Days of Yahweh, so I'm going to answer the question to those watching who said, "Pastor, is it really that big of a deal?" Let me explain why the Antichrist would want to get rid of them, the same way he wanted to get rid of the name Yahweh, and Yahshua. He must detach you from Abraham, Isaac, and Jacob, and get you to Augustine, Leo, and all the other fathers of the faith. There's only three fathers of the faith: Abraham, Isaac, and Jacob. The voice of Elijah is going to turn the hearts of the children back to the fathers. That is what this ministry is doing.

We're bringing you back, and on the way back, you need to lay some things down, learn some new language on the way back. What are you going to have to lay down? The things you should never have picked up. HalleluYah! So here's why it matters: Keeping the Law and the Feasts of Yahweh, teaches you about the TRUE Messiah. Do you want to be protected from the Antichrist? Keep these. They will guard you from the Anti-Messiah, the Antichrist. Why? Because they are the only festivals in the world, where each one of them point to the true Messiah, the true Christ. When you understand that a rabbit has nothing to do with Yahshua Messiah, then you will want to celebrate the Lamb that does.

Satan created these holidays. Here's the reason for the change: the festivals are Yahweh's witness of the true Messiah. They stand as a sun blazing

condemnation. Did you hear what I just said? These festivals rebuke the Antichrist, and his whole Church, and if you tell his Church you keep those, they will tell you that you are in the wrong faith. He's good at what he does. He's convinced them all that you and I have returned to bondage. I didn't spend \$2,000 at Christmastime on my credit card. You're in bondage, I'm not. HalleluYah. C'mon now. We got off cheap. Praise Yah! HalleluYah.

Yahweh's festivals—Feasts— are rehearsals for future events, and through these rehearsals, the plan of salvation is revealed. Starting with the Lamb and the Blood, we wind up at the Feast of the Last Great Day, when every one of us is pointing to the MAJESTY of Yahshua Messiah: His Role, His Kingship, His Coming Kingdom, Satan being bound. All of these are pointing you to the Plan of Salvation. The other holidays are pointing you to the false Christ, the one who is going to bring you to heaven when you die. The One we celebrate isn't bringing you anywhere except to go to WORK to RESTORE ALL THINGS back to the Father. That's why you keep the holy festivals.

Notice the two holidays that Satan loves the most: when Jesus was born and whenever He rose again. Here's the problem with that. When He was born and when He rose is no big deal if He isn't coming again. It's in our festivals that we celebrate, He IS returning to set up His kingdom on earth! The festivals protect you from the Antichrist. Glory! Let's see what the Bible says about *your* feasts versus *My* feasts. This is more important than you realize. It's TRUTH. You know what kills me? Every church will preach against Mardi Gras because it's pagan, but not against any of the other pagan holidays.

Leviticus 23:2-4 Speak to the children of Israyl, and say to them; Concerning the Feasts of Yahweh, which you shall proclaim to be Holy Convocations; these are My Feasts:

What did He say in Isaiah? I hate your feasts, but these are Mine. Then He goes through and lists them.

3 Six days shall work be done, but the Seventh Day is a Sabbath of solemn rest, a Holy Convocation. You shall do no work on it. It is the Sabbath of Yahweh in all your dwellings. 4 These are the Feasts of Yahweh, His Holy Convocations, which you shall proclaim in their season. 5 On the Fourteenth of the First Moon, between the two evenings, Yahweh's Passover Sacrifice is to be killed. 6 And on the Fifteen Day of the same Moon is the Feast of Unleavened Bread to Yahweh; seven days you just eat unleavened bread. 7 On the first day you shall have a Holy Convocation; you shall do no regular work on it,

Let's go down to verse eleven.

11 And he shall wave the sheaf in front of Yahweh, to be accepted for you. On the day after the *First Holy Day Sabbath* the priest shall wave it.

And it goes on to list every festival that is His, not the Jew's. They belong to Yahweh. Brothers and sisters, what is the Antichrist going to do with the festivals? Change TIMES and LAWS. I want you to compare that verse of scripture we just read, to the modern Church, and you'll see the Antichrist. Constantine created an IMAGE based on the life of Yahshua. In that image, he changed the Sabbath to Sunday, changed the name of the Messiah from coming in the Name of Yahweh, to another name, and he changed the Feasts of Yahweh.

Let me go back to the Name for a minute. *Brother Vaughn, that's a transliteration, so it's okay.* Here's the problem: if I go right now to Puerto Rico, what would my name be? Shane. It doesn't change. You don't have to transliterate it. You can't. You don't transliterate proper names. Queen Elizabeth went to two hundred and some nations of the world. Her name was Elizabeth. They may have changed the pronunciation to their dialect, but it was still Elizabeth. You don't change names. So when you say it's a transliteration, my question to you is why do we need that? *Well, it's in our*

language. No. Names don't change in your language unless you want to repackage your name to fit in that language.

If we were truly going to transliterate *Yahshua*, it wouldn't be Jesus. It would be Joshua. In Hebrews chapter four, it refers to Joshua being *Yahshua*. The transliteration of *Jesus* comes from *Yeshua*. I want to show you the problem. The Jewish people took the name *Yah* completely out because they don't want to say the name *Yah*. So they changed the name *Yahshua* to *Yeshua*, which means *He is Salvation*, not *Yah is Salvation*, but *He is*. They violate the commandments by changing it to *Adonai*, which means master or ruler, and to all these other names. If you transliterate *He is Salvation*, you get in Latin or Greek: *Ieousas*. Take that over to English and you get *Jezus*.

So here's the deal. *Yahshua* said, "I come in My Father's Name." **YAH!** *Jesus* is a long way from **YAHSHUA**. He said, "I come in My Father's Name," which means **YAH** is my salvation. So when you are baptized in the Name of *Yahshua*; when you're going under the water and we say *Yahshua*, you are saying, "**YAHWEH, YOU ARE MY SALVATION!**" Glory! HalleluYah!

So that's why we are trying to encourage people to go back to the Name. We aren't telling you that you'll go to hell. It has nothing to do with that. We are trying to protect you from the Antichrist by reidentifying you, by introducing you to the original Christ. Some people say, "What does it matter?" I don't know, unless truth matters. I think that truth matters. I'm serious. I don't understand when people say we focus on trivial things. I don't think truth is trivial. I didn't realize that. Turn to the book of John.

Yahchanan 5:43 **I have come in My Father's Name, but you do not follow Me. Let another come in his own name; him you will follow in order to obey!**

Let somebody claim to be Me by another name, and you will all follow him. You won't follow Yahshua, because the Name Yahweh is attached to

My Name. But it tells you I'm His Son. Praise Yahweh. I thank Yahweh for Truth.

I want to show you the new Jesus. This is the ANTI-CHRIST. Every symbol

there comes from his Pagan Church. The priest is up there with Mary, the mother of God, and all of that. *Brother Vaughn, I'm not part of that. Don't you celebrate the rabbit? Of course you're part of it. Oh, wait! I'm*

not part of that. Do you see the round thing in front of Mary? Do you know that's the Sun—Sunday? The whole religion is about the sun.

It was Satan's divine mission to put his mark on you by changing the Sabbath to Sunday. Why? We're about to read it. He doesn't want you keeping the Sabbath. He'll tell every theologian that the Sabbath has been done away with. That's the voice of the Antichrist. Yahweh has blessed us in this ministry because we have stood up for the Sabbath. He has blessed this ministry. My grandmother used to talk about how much He would bless her because she stood up for the true baptism. She was a small church, but she had people bring her money from all over. She stood for truth, all that she knew. Let's turn to Exodus.

Exodus 31:12-13 **And Yahweh spoke to Mosheh, saying: 13 Speak also to the children of Israyl, saying; Surely My Sabbaths you shall keep, for *they* are a sign between Me and you throughout your generations, that you may know that I *am* Yahweh Who sanctifies you, and makes you holy.**

If you keep the Christian holidays, you'll only know the Jesus of the Catholic Church. You can only know Yahweh if you keep the Feasts. What did He just say? If you don't keep the Feasts, you're not going to know Him: Yahweh!

17 It is a sign between Me and the children of Israyl forever, for in six days Yahweh made the heavens and the earth, and on the Seventh Day He rested and was refreshed.

It is a SIGN. I'm sorry that it says that; I didn't write that. I can't erase it! It's a sign that you are not part of the Antichrist Church. You're not part of that. Your sign will be SEVEN. HalleluYah. Praise the Name of the Lord. You know, you really don't need to add anything to that. It didn't say you'd go to hell if you don't keep it. It didn't say you would be lost. It just said that you wouldn't be part of ISRAEL. If you ever walk through the door, I want to give you a warning: Don't ever walk through the door of the Sabbath if you're not prepared for a Whole New World.

Do you know what that just reminded me of? How many of you have seen that movie *Narnia*? Do you remember that door they would go through to get into Narnia—the whole new world? The only way you'll keep Sabbath is if you love truth, and that love of truth is a trap. When you go through the door of the Sabbath, here is what will happen: As soon as you find out what day the Sabbath is, that's when you find out about Christmas, and that's when you find out about all the rest, and you're saying, "Ohh, can I get back through that door somehow?"

I feel His presence. Thank you Lord. May He be pleased with our service today. Thank you Father.
