

The End Times (part 7) Before the Beginning

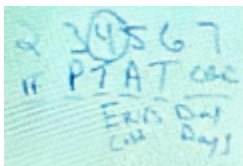

By Pastor Shane Vaughn, First Harvest Ministries

Most people get the end times wrong, not because they're bad people, not because they mean to, but they're missing the right set of glasses. What set of glasses is required to perfectly understand the end times? Hebrew glasses. But there is something even more detailed than Hebrew that you've got to have. It is one, two, three, four, five, six, seven. You've got to know how to count to seven to understand the end times. It's that simple. Why?

This is Passover. This is Unleavened Bread. This is First Fruit. This is Pentecost. This is Trumpets. This is Atonement. This is Tabernacles. This is LGD: The Last Great Day. Until you get these glasses on, you will never get the end times correct. And sadly, the majority of the Christian Church

teaches us that these Feasts have been done away with. If these are done away with, no wonder you believe in a pre-tribulation rapture. No wonder you believe the things you believe, because ladies and gentlemen, *this* is the picture of the end times.

Where do the end times begin on this chart? Right here at the Feast of Trumpets. Whenever you hear the end days, or the last days, remember when Yahshua came to Earth.

There are seven days allotted to man. Yahshua came to Earth on which one of those seven days? Yahshua came to Earth on the Fourth Day, which is the four thousandth year. Why did Yahshua come on the Fourth Day? What day of creation was the sun created? The Fourth Day. Who is Yahshua? The Son. Everything lines up with these seven days.

I am going to tell you something, all those of you who are watching around the world. The Church at large is clueless of these seven days. They do not understand that everything in their Bible points to these seven days. If you do not understand the Sabbath Day, which is the Seventh Day; if you don't understand and keep the Sabbath Day, you're clueless as to what Yahweh's plan for the ages is. Satan wants you dumb and happy. He wants you to have church while you're dumb. He wants you to come and have camp meetings while you're dumb. But just like there is a political awakening in this world, there is an awakening in the spirit realm. Yahweh is teaching us truth today that our forefathers didn't have. Now, why is Yahweh doing it? To wake us up.

So, if Yahshua came on the fourth day, and we're going to rule the earth on the seventh day, what would that make day number five, and day number six? Those would be called the Last Days. How many days? Two. So when you read in your Bible that we are in the last days (before Yahshua's return), it's not talking about the Seventh Day, because that's a separate day. That Day belongs to Yahweh. The last days are those two days right there (Trumpets and Atonement). Let me prove it to you. Who's got a Bible Concordance? Look up in Hosea: *two days*. See if you find *two days* in Hosea.

I want to show you where your Bible tells you exactly when Yahshua is going to return. You've got to understand these holy days to understand the end times. Tonight, you are going to learn something that you may never have known before. Do you see it, brother? I'll get my phone if you don't see it. It's in Hosea. Is that the Blue Letter Bible? Look up the words: *third day*. Have you got it? If you all don't have the Blue Letter Bible on your phone, you need to install it.

The Bible only speaks about how many comings of the Lord? Two. How many comings of the Lord does the Church teach about? Who said: three? You get a gold star from Professor Toto. The Church teaches three Comings of the Lord. They teach His First Coming right here on the Fourth Day, which was in a manger, and then they teach that right before His Second

Coming, that He is going to come seven years before the Second Coming. That's called the Rapture. How many comings of the Lord is that? Three. Your Bible talks about two. They invented one to match their doctrine. It's not in the Bible. Did you find it, brother? Let's read Hosea, chapter six and verse one and two. This is one of the greatest secrets in your Bible, right here. This is the Jewish people—the House of Israel. Read for me.

Hosheya 6:1-2 Come, and let us return to Yahweh! Although He has torn, yet He will heal us; He has wounded, but He will bind us up.

Hold on. Who is this talking? This is the Jewish people. What did Yahshua come to do to the Jewish people? To tear them to pieces. Didn't the Bible say that Yahweh blinded their eyes willingly, on purpose to tear them to pieces? Yes. Okay, I don't have time to explain why tonight. So this is the Jews talking. Notice what they said: God has destroyed us, but He's going to restore us. Okay, when? Listen.

2 After two days He will revive us; in the third day He will raise us up, and we will live in His sight.

Watch this: That verse was written right before the Fourth Day. This is a prophecy that says after two thousand years, on the Third Day, which is the Seventh Day, He will return. That's what they said. "For two days, He's going to tear us up." And He's been doing it. Have you ever heard of Hitler? Have you ever heard of the Holocaust? Have you heard of these Pogroms and all of this? *For Two Days God is going to destroy us, but after two thousand years, He will return and restore us!* When does that happen? Right here. The Seventh Day is the Third Day. See that?

Count one, two, three. So from the time that prophecy went forth, the Third Day is the Seventh Day. There's a reason that you must get this tonight, because tonight I was going to bring you into the next Feast of Israel of the end times, which is Atonement, but you're not ready yet. I can't bring you there until I back up tonight, and teach you one of the most vital lessons

you've ever learned. For those who will be here on Sunday night, I will start on the next Feast of Israel, The Day of Atonement. The Day of Atonement is all about Satan, Lucifer. His name in Hebrew is Hasatan. But the problem is this: I can't teach you about Satan's end until I teach you about His beginning. HalleluYah.

Tonight, everything you thought you knew about Satan is going to be turned all the way upside down. We're going to do it again. So tonight, let's go to the lesson on the board. We're ready when you are, brother Kent. The title of tonight's lesson is *Before the Beginning*. I want to say this to you: I'm going to shock you from the start. That way you can settle back down and say, "I can't wait to get out of this church tonight," or, "I can't wait to learn." Amen.

We've all been taught that the Bible teaches that the earth is only six thousand years old. The Bible never taught that. The earth is billions of years old. Stay with me. Don't run out on me yet. Stay with me. You know if I teach it, I'm going to prove it from front to back. Remember this: science is never in contradiction with the Word of Yahweh. Science will always prove the Word of Yahweh. For example, Christopher Columbus didn't discover that the earth was round, the Bible did. The Bible said, "They sit on the circle of the earth." But it took science a long time to catch up with the Bible.

When you understand that the earth is billions of years old, then we run into a problem. That problem is found in Genesis 1:1 and Genesis 1:2. It seems to say, *six days ago*. What day are we living in right now? We're in the Sixth Day; the very end of it. Okay? The twilight of the sixth and the seventh. So, according to our Bibles and the way we've been taught our whole lives, everything started back here on the First Day, which would be how many years ago? Six thousand, because one day with the Lord is a thousand years. However, there's a major problem, and we're going to teach that to you tonight.

Everything in creation starts with a thought. When this church was built, if you walked in the door and said, “Brother Vaughn, tell me about this church,” I could say, “After Katrina, Mama and Daddy came, and they built it from the ground up, and they established this work.” The problem is, that would not be true. I did take you back to the beginning, but not the right beginning. There was a beginning before the beginning. The truth is that there was another church here. So if you say, “Tell me about this church,” I can’t just tell you about this building, because the church is not the building; it’s the people.

So, ladies and gentlemen, when Genesis 1:1 says, *In the beginning*, it’s not the beginning. Alright? It is *a* beginning, but it’s not *the* beginning. You’ve got to get this straight, so when I go over to where we’re going next, you’ve got this in your mind. So Yahweh, at one time in eternity past, existed alone. Do you know what the name Yahweh means? Self Existing One. He existed alone. But He had some companions. It wasn’t the angels; they came later. He had some companions out there in eternity past somewhere, way past my ability to comprehend. Do you know who His companions were? His Thoughts.

How many of you have been out in the woods at night by yourself? You weren’t by yourself. Who was with you? Your thoughts. You sit there and you think. Do you know where this building came from? Brother Kendrick was laying in his bed, maybe late at night, or maybe Mama Kendrick. I don’t know who drew up this building. But somebody got the thought that you’re looking at right now. This started with a thought. It was just as real as a thought, as it was when it came to pass. Because if Yahweh thinks it, Yahweh can create it. And if you think it, you can create it, because you were created in the image of Yahweh. This is why I’m telling you tonight that everything started with a thought.

That’s why when the Bible said that Yahshua existed with Yahweh in the beginning, it was in Yahweh’s THOUGHTS. *Brother Vaughn, I don’t believe that?* Really? Let’s try this one for you: When was Yahshua crucified, according to the Bible? According to the book of Revelation, when was

Yahshua crucified? Before the foundations of the world were created. Your Bible says that in the book of Revelation. I don't have time tonight to show you all this, so you can find it yourself.

So how can Yahshua be crucified before the world was created? *I thought He was crucified on Mount Calvary.* You don't understand yet. When it happened in Yahweh's mind, it had already happened. It was as good as done. Bless Yahweh! Whenever Yahweh thought it, Yahweh did it. When Yahshua was slain before the stars were ever existing, it was because Yahweh thought it. Out of thought, nothing exists. So, tonight, Yahweh is by Himself, and what is He thinking? Yahweh had within Himself the propensities and the possibilities that must find expression. All Yahweh thought about was a FAMILY.

That's all He thought about. He wanted a family. He was tired of being ALONE. All He thought about was a universe filled with His family. What is a family? Do you have a son, brother? Do you know that as long as that son lives, you will never die? How does a man make himself eternal? Through sons. You never die. Your DNA lives forever if you have a son. What is a son? A reproduction of yourself. That's why when they say, "He's the spitting image of you," you have been reproduced. Somebody tried to tell me one of these young ones was my grandchild, and I looked at them, and I told him, "No, that's not my grandchild. I don't see myself anywhere in him." Why? Because reproductions of yourself are children.

Yahweh wanted to reproduce Himself in a myriad of sons. That's all He thought about. He also thought about this: *I have the ability to be a healer.* But how can you heal if there's nothing sick? You might have the ability to be a mechanic somewhere inside of you. Somewhere inside of you, you might have the ability to be a good mechanic, but if a car doesn't break down, we'll never find that coming out of you. Yahweh said, "I could be a Redeemer." But there must be something to redeem. Yahweh said, "I could be a Father." But He must first have a child. Sons—reproductions of Himself—were His ultimate thoughts. His fullness would be in His sons, His family, the elohim, which means *God manifested in many.*

Remember, I taught you about the mystery of God last week? What was it? God in Christ, and Christ in you; so therefore, God is now in many people. Is everybody still awake tonight? Okay. Let's go to the next screen before I lose some of you. So what was Yahweh's first creation? Sons. The first thing Yahweh ever created before He created the earth, was SONS. Who were those sons? The angels of Yahweh. The first thing Yahweh ever created was a family of sons—millions, billions of them—beautiful sons made in His image. They looked just like Him. Men look just like their father.

The problem with many of us tonight is that we think that our Father is some blob in outer space somewhere. When we think of Yahweh, we think of that voice on Star Trek that is sort of pulsating throughout the universe. We don't think He has a face, or a shape, or an image. We see Him as this sort of ghost-like thing. You know I'm telling you the truth. That's what Satan loves for you to think of your Father as: an unapproachable person. But I remember when Yahshua said, "The angels do behold the Face of My Father in Heaven." He's got a face just like you do! Is this okay, or am I blowing your minds tonight? I'm sorry if I am.

He's got a FACE! He's got a right hand and a left hand, or you're not made in His IMAGE. He's approachable. He wanted sons to approach Him, so He created them. But there was a problem. When He created the first set of sons, He created these sons with something called eternal life already in them. He gave them eternal life when He created them. What did I teach you is the only thing Yahweh cannot create? Good character. Yahweh can't create good character. He can't create good character in you. He can create you. He can build a body, but He can't create character.

These angels were given eternal life with no test of their character. Whooo. Now you might know why He created Hell for the devil and His angels—they can't die. But for you and me, the wages of sin is DEATH. You've been taught so many lies. Listen to me. Yahweh prepared Hell for the devil and His angels. Why? Because all He can do with them is torment them for eternity. They can't die. They were His first sons.

Why did He create those sons? To rule the galaxies with their Father. To be what? Co-rulers, co-creators with Yahweh. These angels are spirit, but they're not ghosts. Do you know that angels eat just like you do? Go ask Abraham. They came to his tent door and what did Abraham do? Fed them. When we think of angels we think of these ghostly things that go whooooo. The Bible said to be careful, because you're going to entertain one of them and not even realize they're an angel. Many of you think that in the resurrection you're going to become these spirits. No!

You're going to *be* spirit, because the new body is not made out of blood. What keeps it alive is spirit. But it's still going to be a body. The angels look just like it. These angels copulated with women in Genesis chapter six, because they look just like men. Go read your Bible. I don't have time to teach you that tonight. They are the first phase of Yahweh's divine family. Now we're getting somewhere. They had hierarchy and government in the angelic family. They have government. The angels have hierarchy. Oh yes, or you wouldn't have Archangels. What does *arch* mean? First. They're the first angels, meaning they're in charge of the other angels.

Who was Michael? An Archangel. Who was Gabriel? An Archangel. They're not regular angels, they're in hierarchy, in government, ruling the other angels. Why is that important? I'll show you. What did Yahweh create right after He created the angels? A home. Planet Earth was not created for you. Did you know that? I'm teaching you things tonight that you never knew. Planet Earth was never created for you. That's not why it was created. I'm going to prove tonight that it was created for the angels of Yahweh to live on. Then I'm going to show you where your Ice Age comes from. I'm going to show you everything; where your dinosaurs went. Just hang tight. Let's read the book of Job.

Iyyob 38:1-7 Then Yahweh answered Iyyob out of the whirlwind, and said: 2 Who is this that darkens and obscures counsel with words void of knowledge? 3 Now stand up and prepare yourself like a man, for I will question you, and you will answer Me! 4

Where were you when I prepared the foundation of the earth? Tell Me, if you have understanding! 5 Who determined the dimensions of the earth, if you know? Who stretched the measuring line across it? 6 Upon what are the foundations of the earth fastened? Who laid its cornerstone, 7 When the moving stars sang together and all the sons of Yahweh shouted for joy?

He told Job, “When I created the earth, there was nobody there except one group of people: my sons.” The angels were there; no other God, no second or third person of a trinity. No other god was there. He said, “I alone, stretched forth the heavens, without help from anybody.” Yahweh is ONE, and one means One! I don’t care how you try to finagle it, one means one! If it doesn’t, you’re in the wrong doctrine. One God! One Creator! Yahweh just said, “Who was there beside Me? The angels.” Now something funny happened there. For some reason, these angels started shouting for joy. They started having camp meeting in the sky.

But here’s my question, and this is a profound question. Why were they so happy if their home was heaven, which is supposedly ten times better than earth? What are they shouting about? I’m going to make you think in this ministry. I’m going to do it again. *Heaven. We’re all going there. Can’t wait to get there. It’s so much better than earth. So much better than Planet Earth if I can go to heaven.* You all know I’m going somewhere; you feel it coming. Well, the angels supposedly live there, and Yahweh creates Earth, and they start shouting over how beautiful it is. That doesn’t make sense if heaven was so beautiful.

The reason they were shouting is because this was their new house. Why do you think Satan was already in the Garden of Eden when Adam got there? What else would they be shouting about if heaven is so beautiful? I would be crying: no big deal...next. No! They were shouting because of the beauty of Yahweh’s creation. It was something they had never seen before. Yahweh built it for the angels. I’ll prove it. I want you to think about Yahweh’s creation. Has Yahweh ever created anything that was wasted and

destroyed? No. Anything that Yahweh creates is GOOD. Keep that thought in your mind. I'm going to let you go home sometime tomorrow.

If you look at Yahweh's creation, there's not a heaven anywhere that's more beautiful than Yahweh's creation. The angels were rejoicing over this planet in its beauty. They were rejoicing. Yahweh had built them their first habitation. He created the sons, and anytime you have a family, what do you have to provide for your family? You have to first provide a home. Now that we've created the home, what does every home need? Good government. When we came to America, what did we have to have? A government. Yahweh is all about GOVERNMENT.

So here we have created the sons, and one of them is Lucifer, the most beautiful creation Yahweh has ever created! Did you know that? The Bible said he was Yahweh's crowning jewel. Don't ever think he looks scary. No, no, no. He's so beautiful that he gets up and preaches in your pulpit and you don't realize it's Satan. He's a minister of light. He tells you what you want to hear so you don't make it in that first resurrection.

The responsibility fell to Lucifer to be the governor of this new home. Let's go read it. Let's go to the book of Isaiah, and then Ezekiel. It's going to get real good in here. Some of you will be shouting like old time Pentecostals. Up until now, you thought I'd lost my mind. Let's see what the Bible says.

Isayah 14: 12-16 How you have fallen from heaven, O Hillel; Lucifer, Aphrodite, Venus, child of the light! How you are cut down to the ground, you who weakened the nations! 13 For you have said in your heart; I will ascend above the heavens; I will raise my throne above the stars of Yahweh.

Now hold tight. Hold on. Wait a minute. What did Lucifer mean when he said, "I will go to heaven," if he already lived in heaven? Yahweh said, "Lucifer, you've been cut down to the earth because you said in your heart that you weren't satisfied with ruling earth. You wanted to take Yahweh's throne in heaven. For you have said in your heart; I will ascend." Why?

Because he wasn't in heaven! He was governing earth, and he still does today. Let's keep reading.

I will sit in the highest place on the holy mountain of the congregation. 14 I will ascend above the heights of the clouds; I will be like the Most High. 15 Yet you will be brought down to Sheol; *the grave*, to the sides of the pit. 16 Those who see you will stare at you, and they will talk about you, *saying; Is this the one; the adversary, who shook the earth, and made kingdoms tremble? 17 Is this the one who who made the world like a wilderness, who overthrew the cities in it, and who would not let her captives go free?*

Did you just hear that, or do I need to break it down? Here you go: Satan, you said you wanted to go to heaven and rule. You wanted to take your throne... *What do you mean 'your throne'?* Yahweh gave Satan a throne over the earth. He made him high governor. That high governor said, "That is not enough. I want Yahweh's throne, so I'm leaving the earth and I'm taking my angels—He gave him millions to live on earth—and we're going to overthrow the Throne of Heaven." The Bible said Yahweh cast him and all of his angels back down to the earth.

Ladies and gentlemen, when that happened, this is where your dinosaurs went. These angels went to heaven. They are like supermen, they are so powerful and mighty. One angel killed over 200,000 men. They are powerful! They were cast back down to the earth by the millions with a force that literally shook this planet off of its axis when they hit the waters of the earth. Do you remember the tsunami they had in Japan a few years ago? They said that the water movement literally moved the earth off of its axis for a second. It literally tilted it because water is so powerful.

When these angels fell to the earth... stay with me and I'm going to teach you something... the Bible said that when they fell, that they did weaken the nations, which means the earth. It weakened the earth. The earth shifted away from the sun, and immediately the Ice Age began. Everything froze on

this planet. Every dinosaur that existed before, was killed. *Brother Vaughn, they found dinosaur fossils.* Absolutely. They were preserved in the Ice Age. They all existed. You can't argue with science. Quit looking stupid, and learn truth. Don't be dumb. Satan wants you dumb and happy.

When those angels fell, it shook the gravitational force of this earth, and the Ice Age began. At that moment, everything that was on the earth was frozen and—listen to this—what does ice do? It preserves. Did you ever wonder how Yahweh created all the trees and everything that was there? When you get to Genesis one and two, it was already there. Stay with me. Let's read Genesis 1:1 and Genesis 1:2, real fast, and then we'll go to our next verse.

Genesis 1:1 In the beginning Yahweh (YHWH) created the heavens and the earth.

We automatically think that that means when He created Day One. No. It never said that. He created home: heaven, and earth for the angels, but it doesn't say *when*. It says *in the beginning*, whenever that was. Now read Genesis 1:2.

Genesis 1:2 Now the earth became without form and empty; and darkness *was* upon the face of the deep. And the Spirit of Yahweh was hovering over the face of the waters.

KJV And the earth was without form and void;

Oh oh. Because your King James Bible has been mistranslated, your Bible doesn't say what The Book of Yahweh says. What does the King James Version say? It says the earth ***was*** *without form*, not ***became*** *without form*. Take that word ***was*** out of your Bible. It's wrong. It says, *the earth was without form and void*. That one word changes the whole Bible. People get very upset at me when I say these things, because they don't like the fact that their precious King James Version might have a mess up in it. Anything that is not the original, is going to have a mess up in it. Your NIV has plenty of mess ups in it. We have the original manuscripts; they're all

over the world. There's no mysteries. I will tell you what the original doesn't say: *the earth was without form and void*. Do you know what the original says? *It BECAME without form and void*.

Genesis starts with: *In the beginning Yahweh created the heavens and the earth*, and then verse two, the next verse, says the earth was ruined. Wait a minute! Yahweh created a ruined earth? Between Genesis 1:1 and Genesis 1:2, is possibly billions of years. Watch this. I'm going to prove it to all of you who are falling asleep. I'm going to prove it to you. Now let's go to Ezekiel. All of you hold tight. You're not going to understand what happened to Satan until you know how it happened.

Yeuchetzqyah 28:13-17 You were in Eden, the garden of Yahweh;

Hold on. Listen closely. He's talking to Satan right here. Listen to what He tells him.

every precious stone *was* your covering; the ruby, the topaz, the emerald, the chrysolite, the onyx, the jasper, the sapphire, the turquoise, and the beryl. The workmanship of your settings and mountings were made of gold. In the day you were created, they were prepared for you.

In other words, he had the most beautiful singing voice you've ever heard. That's why most church trouble comes from singers.

14 You *were* the guardian, cherub,

Whoa! It's going to get real good. He said, "Satan, you are the anointed," which means *covering*. "You have been anointed by Me to be a COVERING!"

and I married you on the holy mountain of Yahweh;

I SET you... What did I tell you the mountain always represents in the Bible? Government. I set you over the government of the Garden of Eden!

you have walked up and down in the midst of the stones of fire.
15 You were perfect in your ways from the day you were created, until iniquity; sin was found in you.

What was that iniquity? *I will ascend above the stars of Yahweh.*

16 By the multitude of your merchandise, they have filled the midst of you with violence, and you have sinned. Therefore, I will cast you as profane out of the mountain of Yahweh; and I will destroy you from the midst of the stones of fire, O guardian cherub.

Now let's break that down. Do you know what Yahweh just told Satan? *I anointed you son.* You ought to hear my sermon: *Anointed All the Way to Hell.* The most anointed men I know are all headed straight to Hell, because something was found in their heart, like Satan. What did he tell Satan? *You were anointed My son.* Have you ever heard someone say, "My they're anointed!"? So was Satan. He said, "I anointed you." That means, I appointed you. *I appointed you to the highest position in the Kingdom of Yahweh.* He was appointed to the highest position in the mountain of Yahweh, which is the government of Yahweh.

17 Your heart was lifted up because of your beauty, and you have corrupted your wisdom because of your splendor. I will cast you to the ground. I will lay you before kings, so that they may behold you.

You know what Lucifer was, don't you? When Yahweh was talking about the stones Lucifer was wearing, do you know what stones those were? The same ones that the high priests of Israel wear. Satan was the high priest. He said, "Every stone was your covering." It names the same stones that the high priests wore. That's why Satan hated the high priest; he was wearing

Satan's badge. My Lord, you all better get this. Satan was Yahweh's High Priest over the earth! Lucifer was a high priest. Why do you think he hates you? Because you've replaced him as the priests of Yahweh.

Why do you think he hates you? You are in his position as priest unto Yahweh! He was anointed for his position, and just like the priests of the Old Testament, he wore the breastplate of AUTHORITY; the same stones the high priests wore. We are going to read Luke 4:6 real quick. I was in church my whole life, and I never saw this in the Bible until I saw it. It is Yahshua and Satan on the Mount of Temptation. What is Satan offering Yashua? The earth. *Brother Vaughn, how could Satan give Jesus the earth, when the earth belongs to the Lord?* Let me show you something. Ready? You've all got to hear this.

Luke 4:6 And the devil said to Him; All this authority I will give to You, and the glory of them—because it has been given over to me; and to anyone I please, I can give it—

What did Satan tell Yahshua? *I'll give you the earth, because the authority over it was given to me.* Who could give it to him except the One Who created it? The words *given to me* is the Greek word *paradidomi*, which means *to manage for another*. Satan said, "I was given the authority to govern this earth for Yahweh." Why do you think Yahweh hasn't kicked Satan out yet? I won't get to that tonight. That's the next Feast of Israel. Now turn to the book of Jude. I'm going to prove to you what I'm teaching. If you don't know where Jude is, it's in the Bible.

Yahdah 1:6 And the malakim who did not keep their first estate, but left their own habitation, He has reserved in everlasting chains under darkness until the judgment of the great day.

Why did He put the angels in chains of darkness? Because they didn't like their first home. What does the word *estate* mean? Home. These angels didn't like their first home. They said, "We're going up there to take the throne." They're all kicked back down, the earth turns into a nonexistent

place with no life on it—no human life, no animal life; nothing left on this planet. They destroyed it. What I just read to you is where Genesis 1:2 begins. That whole story I just told you about the rebellion, and them being cast to earth, that's where Genesis 1:2 begins. Everything else I was teaching you was from Genesis 1:1. Watch this; it's going to get better and better. Let's read II Peter, three.

II Kepha 3: 5-7 But they deliberately forget this: that long ago the heavens came into existence by the plan of Yahweh, and an earth also out of water and through water, *having been set together by the plan of Yahweh.* 6 By Yahweh's plan also, the world then existing was flooded with water and destroyed.

Whoa, whoa, whoa! The world was destroyed. It was flooded by water.

7 By the same plan, the heavens and the earth *which now exist* are reserved for fire, being kept in store until the day judgment, for destruction of unrighteous men.

NIV By the same word the present heavens and the earth are reserved for fire...

Did you hear those words, *the present heavens? The present earth?* There was another world. There was another existence before Genesis 1:2.

Do you see those fallen angels in the image below? Do you see them falling, hitting this earth? That really happened! This isn't a fairytale. That's the truth. If you want to talk about science, I'll show you the science of this in just a moment. When they fell, is when Genesis 1:2 begins. When they fell, it became a GODFORSAKEN earth. Would Yahweh have created anything like that? No! Yet, in Genesis 1:2, earth is described just like that. But let's see what the Bible really says. Turn to the book of Isaiah.

Isayah 45:18 For this is what Yahweh, Who created the heavens, Who is *the* Father, Who formed the earth and made it. Who has established it, Who did not create it in vain, Who formed it to be inhabited says: I *am* Yahweh and *there is no other source of power!*

Why did Yahweh create the earth? I missed that part; to be what? To be inhabited, established. That's interesting, because Genesis 1:2 says it was created unable to establish life; it was without form, and void. And yet, Yahweh says here, "I created it to be inhabited." Let me show you the problem. Are you ready? If anybody has a concordance, when you get to Genesis 1:2, underline two parts: Underline *without form*, and underline *void*. Read Genesis 1:2 again from the KJV.

And the earth was without form and void;

Okay; stop right there: *without form and void*. That's how Yahweh supposedly created the earth. Here's your problem. The Hebrew word *without form* is the Hebrew word *tohu*. If you look it up, it's not *without form*, it's the Hebrew word *tohu*. Do you know what *tohu* means? *Formless; CONFUSION*. Now hold on now. According to Genesis 1:2 in the King James Bible, this is how Yahweh created the world: with confusion: unrealistic, empty, nothingness, empty space, unreal wasteland, wilderness, chaos, and vanity. That's how it says Yahweh created the heavens and the earth.

What the earth was like in Genesis 1:2 was *tohu*. Now let's go to the word *void*. That's the Hebrew word *bohu*. Do you know what *bohu* means in Hebrew? Wasted and destroyed. Let's read your King James Bible in Hebrew. Are you ready?

In the beginning Yahweh created the heavens and the earth, and it was utter confusion, and it was destroyed.

LIES! It's lies. Yahweh has never created anything that was in confusion. He's never created anything that was destroyed. Everything Yahweh has ever created was GOOD. Genesis 1:1 is the beginning of the physical world, but not the spiritual world.

Genesis 1:28 Then Yahweh blessed him, and Yahweh said to him: Be fruitful and multiply; fill the earth and subdue it: have rulership over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.

KJV And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth...

If there was no prior life on our planet, then why did this verse say to replenish the earth? Why not plentish? It was already plentished before those angels did what they did. There was already life on this planet. I told you that you wouldn't be able to handle this tonight, but when you get it, you'll never listen to lies again in Yahweh's Church. You've learned more tonight than you've learned in a long time. One word makes all the difference. Stay awake. You're all learning more tonight than you have for a long time.

Psalms 104:30 When you send forth Your Spirit, they are created, and You renew the face of the earth.

He did what? RENEW! Did the Bible say when He set forth His Spirit, it *renewed* the face of the earth? Welcome to Genesis 1:2, and what it's supposed to say. What did the Bible say in Genesis 1:1? The Spirit of the Lord *created* the heavens and the earth. We just read in Psalms where the Spirit of the Lord *moved* upon the earth and *renewed* the earth! The Hebrew meaning *renew* is *repair*. What did He do in Genesis 1:2? He *repaired* the world. HalleluYah.

Don't you love Truth? Yes! Why? Because it makes your Bible perfect. It makes everything make sense, and now the devil can't mess with your mind

through science. Here's what happened. In Genesis 1:2, the earth was frozen. What's the first thing that Yahweh did? *Let there be Light*. What does light do to ice? Melts it. And then the waters receded, and went back to where they were before! Whooo. HalleluYah! And everything that was on the earth when it froze, was still there! The Bible said the seed was already in the ground. How do you think we got trees so fast? They were already there.

Have you ever seen fossils preserved in ice? Thousands of years later when they are uncovered, they are in perfect condition. The Spirit of the Lord breathed, and the Bible said He said, "Let there be light." That light melted that ice, and Yahweh's beautiful world that had been wasted and destroyed, was RENEWED! The same thing is going to happen in just a few days from now when Yahweh Himself will descend from heaven and will remove everything like He did in the beginning. Oh! Blessed be Yahweh! HalleluYah! HalleluYah for Truth! Do it again LORD!

Let me close now so you all can go home. The word *was* in Genesis 1:2 should have been what? *Became*. I'm going to prove it to you. You like it when I do that. Let's go to the next one. Go to Genesis 19:26. I am going to show you the exact same Hebrew word that was translated as *was* in Genesis 1:2. Everywhere else in your Bible, it's never translated as *was*. It's translated as *became*.

Genesis 19:26 But his wife went after the gods (elohim) they left behind, and she BECAME a servant of sin.

The word *became* there is the exact same Hebrew word as in Genesis 1:2, but the translators put *was*, instead of *became*. The exact same word. The interpreters of the Bible didn't know this truth I'm teaching you, so they thought they needed to put the word *was* instead of *became* there. But over in the other verse, they put *became*. **Study to show yourself approved unto Yahweh.** A workman that needeth not to be ashamed, rightly dividing the Word of Truth.

Does everybody grab what I mean there? Take the Hebrew word for *was*. What is that Hebrew word for *became*? It's the word *haya*. What is the meaning of *haya*? *To become*. The word in Hebrew is *haya*, which doesn't mean *was*. It means *to become*, but if you're translating the Bible, you don't know what I'm teaching to you. The only thing that makes sense is: *the earth was*. You ought to thank Yahweh for this ministry, not for me, for this ministry. This ministry is TRUTH. It will set you free from religion, and it draw you closer to our Father. You'll see how perfect our Father is, how perfect this Bible is, how perfect Yahweh is!

I challenge anyone watching me around the world, of the thousands, to show me one mistake in the Word of Yahweh. It is perfect from the first line to the last line. There are no mistakes in the Word of Yahweh! I build my life on that Word, and I've never been ashamed. But you will be ashamed if you're not sitting under a ministry that is teaching you truth. Scientists will eat you up. How do they do it? Let me show you on the next screen. How many of you have ever heard of the Cambrian Explosion? If you ever research the Cambrian Explosion, it will prove everything I just taught you.

There are three layers of our planet that are unexplainable. This is where they find the first fossils of life, in this Cambrian Explosion. This is before Genesis, and you can sit there and fuss with them, and look like a fool all you want to, but you're going to look like a fool. When you know this truth, you'll understand that bottom layer of the Cambrian Explosion is when those angels fell from heaven. That's what started that first layer. When you understand that science agrees with the Word of Yahweh, you will never be ashamed to be a Christian. You'll never be ashamed to be a Believer.
HalleluYah!

Lucifer was High Priest of the EARTH. Then came MAN. I'm not going to preach that tonight. I'm not even going to go over it, although I want to. Yahweh created men to become spiritual sons to replace the angels, because He's getting ready to recreate His earth again. And just like there were sons at the first recreation, there's going to be sons at the next recreation: me

and you. Good God from Zion! Let's read Hebrews. One little scripture and I'm done. HalleluYah!

Hebrews 2:7-8 You made him a little lower than the malakim; You crowned him with glory and honor, and did set him over the works of Your hands.

Listen. It's talking about you. I want you to hear that verse. Man is a little bit lower than the angels, but yet, we have a greater promise than the angels do.

8 You have put all things in subjection under his feet. In putting everything in subjection under Him, Yahweh left nothing that is not subject to Him—but at this time we do not yet see all things put under Him.

The first set of sons, Yahweh gave them this earth and put it all under Satan's control, and Yahweh will not take this earth away from one rebellious man and give it to another rebellious man. So, therefore, the second Adam had to come and prove He wasn't a rebellious man. The Father said, "That's My beloved Son; I am well pleased with that One." Not the first one; not the first Adam. But that One went to the same garden with the same snake and the same two trees, and a choice between good and evil. Yahweh said, "That One obeyed Me, so what I'm doing now: I'm going to take what I gave to Satan, and give it to Him—but not yet."

The verse at the end says, "Although I have put all things under His feet, nothing is under His feet yet." The Seventh Day is when it all gets put under His feet, and the Church doesn't even celebrate the Seventh Day anymore. You are sitting in a church today where the whole Church world is mocking you for not going to church on their day, Sunday. You're here on a strange day, and it's the ONLY day in the Word of Yahweh, commissioned for the worship of the saints. And yet, we're weird; we're strange.

I'll give you a thousand dollars to your Cash App right now if you ever prove to me that Yahweh replaced the Sabbath Day. I'll Cash App it to you right now. I'll send it to anybody watching on Youtube or Facebook. I'll send it to you. Don't send me anything stupid, because I will embarrass you. Send me something in context. You'll never prove Yahweh ever replaced the Sabbath Day. Never. Who did? Your church.

That's why Yahshua told those Church leaders that they were of their father, the devil. *Brother Vaughn, are you against Sunday worship?* Oh no. I worship Yahweh seven days a week, but I'll never replace the Sabbath with any day. I'll go to church with you ten days a week. We'll go night and day if you want to. But if you think I am going to skip the Sabbath and go every other day, you're wrong. Why? Yahweh is cleaning His Church up!! Yahweh is not going to let you half-way serve Him anymore, if you're going to be in that first resurrection. HalleluYah! HalleluYah for Truth!!
