

## The Third Temple (Part 3)

By Pastor Shane Vaughn, First Harvest Ministries

Chapter eleven in the Book of Daniel, the longest prophecy in the Bible, is about the End Times. In part two of the Third Temple series, I taught you a pivotal lesson. To refresh your memory, I taught you that first there is a prophecy and then it comes to pass in the physical; and then it comes to pass in the spiritual. It's important that you follow this, because in this teaching I'm going to introduce you to the Antichrist and it's going to be a powerful lesson.

I'm going to show you why everybody gets Bible prophecy wrong. Have you heard of Preterism? Preterism believes that all Bible prophecy has already been fulfilled. They believe it happened in AD 70 because the Temple was destroyed and Jerusalem was desecrated—not one stone was left. If you do not understand those three steps of Bible prophecy, you will become a preterist. I am going to prove to you that most Bible prophecies *have* been fulfilled, even Matthew 24. So when people begin to talk about Bible prophecy, if you don't understand those three steps, they're going to show you that the physical has been fulfilled in AD 70.

I'm going to show you in the Book of Daniel, where most of Bible prophecy has been fulfilled in the flesh—in the physical. But because they don't understand that third step from physical to spiritual, they don't understand correctly. These are parallel and you've got to learn that spiritual and physical are running parallel. Everything comes to pass *first* as the physical—*As the physical, so is the spiritual and as the spiritual, so is the physical*. How did Moses create the Tabernacle? Moses first saw the Tabernacle in heaven, in the spiritual. He came and built in the physical what he saw in the spiritual. It's just like marriage between a man and a woman. That is physical, but it comes from the spiritual concept of Christ—Yahshua Messiah—and His Church—His Bride. So the physical is always running parallel with the spiritual, and most people who study Bible prophecy do not realize that when they're talking about the Antichrist. Let's read Daniel.

**Daniyl 10:14** Now I have come to make you understand what will befall your people in the latter days; for the vision is for *many* days yet to come.

So when someone tells you Daniel's prophecy is fulfilled, they are right *and* they are wrong. They were fulfilled in AD 70, but this vision is not for AD 70; it is for the latter times, which is the day you're living in. So how could it be fulfilled in AD 70 and yet it's still unfulfilled? Because first it starts with the prophecy, then it's fulfilled in the physical, and then it's fulfilled spiritually.

You saw in part two of the Third Temple series how there will never be a third temple in Jerusalem, and we're going to pick up there, and what's supposed to happen in the Third Temple before Yahshua returns. *How is that Brother Vaughn? You said there wasn't going to be a Third Temple.* Because I'm sitting in the Third Temple right now. How? Because each of us in this Church of Yahweh—First Harvest Ministries—is a brick of the Third Temple. Together we are fitly joined, creating the Third Temple of Yahweh. If you're trying to tell me the Antichrist is coming to sit in a Third Temple in Jerusalem, it cannot happen. I am going to show you what the Word of Yahweh is truly saying.

**Daniyl 11:31 And the army will stand on his part, and they will pollute the sanctuary of strength, and will take away the daily sacrifice, and they will place The Lord of Heaven.**

Now this Scripture is important. Your Bible may say "the abomination of desolation." Something's got to happen to the Third Temple before Yahshua can return. So when people say His return is coming at any minute—well no, something has to be revealed before He comes and according to this verse we just read, there will be armies when He comes and there's going to be a pollution of the Third Temple. There is something set inside the Third Temple that has to be exposed.

Daniel said that they are going to end the daily sacrifice. What is the true daily sacrifice? Obedience! Something is going to come in the Third Temple that will put an end to obedience and will set up the abomination of desolation in Yahweh's Church. Now you might know why he's called the Man of Lawlessness. Because the true daily sacrifice in the true Temple is obedience to Yahweh, but in the last days, something is going to come in this Temple that's going to end obedience and it's going to set up something else in the Church of the Living God—the Third Temple. You have to understand that we're talking now, spiritually. It was manifested in the physical in AD 70 but now we are talking spirit. Keep reading.

**Daniyl 11:32 And such as do wickedly against the covenant will be corrupt; make apostatize, by flatteries. But the people who do know their Father will be strong, and do firmly resist.**

Did you say *the covenant*? Those that are in this end-time Church that are not honoring the covenant, they will worship the beast. Those who just want to go to church, like those ones that left our ministry because they couldn't handle this. People don't care about truth; they love church. That's why He'll say, *Depart from Me, I never knew you; you were too busy having church.* That's exactly what He's going to say.

*And such as do wickedly against the covenant*—those are the only ones who can be corrupted. The Antichrist is coming and he's only able to corrupt those that are not covenant keepers. What covenant? The New Covenant. And what is the New Covenant? Yahweh's Law. When you run into a church that's preaching against the Law, you just met the Antichrist. Everybody is saying, "When is he coming? You already worshiped him! You've already taken his mark all over you. Let somebody like me preach on The Law of Yahweh and they'll say there is no more Law. That's the Lawless one, and he's coming to the Temple of Yahweh to end true worship, which is *obedience*."

While you're looking for an Antichrist, he's already in your church. And those who are corrupt, he makes them apostatize by flattery their best life now. He's going to flatter Yahweh's people. *Brother Vaughn, I would never take the mark.* Don't you know you already did? By believing flattery preaching that says you can live any way that you want to live because Jesus loves you. The Antichrist knows you can't keep this covenant so he flatters you and tells you Jesus loves you the way you *are*. Yahweh's not going to keep you the way you are although He loves you the way you are. My wife loved me but she trained me for eight years; she didn't keep me the way I was.

*But the people that know better.* There's going to be a remnant in that Temple. There's going to be a remnant; there's going to be a bride and she will know better! The people that know their Father, Yahweh, not just the New Testament Jesus, but their Father, Yahweh; those that know that He never changes and what He loved yesterday, He loves today and what He hated yesterday, He hates today; *those people* will be safe. You're safe by a mark from *another* mark.

*They will firmly resist. They'll be known as arrogant. Be sweeter Brother Vaughn.* I'm firmly resisting. You keep pushing with your flattery but I'm firmly resisting and pushing with truth and resisting this lie in the spirit in Yahweh's Holy Church. In the Third Temple there's going to be the flattering abomination of desolation. It's going to set itself up in the Church of the Living God and everybody that doesn't know Yahweh; everybody that doesn't know the Law of Yahweh, they will be deceived. But there is a people that know their Father, and they will firmly resist. *Brother Vaughn, why are you always mad?* Because you're always lying. You're always on Facebook running down the Law of Yahweh. I'm coming after you when you do. The Bible says it's my duty to go after you when you do. The Bible says that the men of Yahweh are to teach His people the difference between the clean and the unclean, the holy and the unholy. If you call it holy and Yahweh calls it unholy, I'm firmly resisting. *Brother Vaughn, preach nice.* That's how Satan preaches—flattery. The last thing you need is sweet. Your tea has been sweetened to death. What you need is a drop of lemon to make it sour. Why? Because Yahweh is looking for those that will firmly resist.

Somebody put something on Facebook against the Law of Yahweh. All I did was make a three minute little video and you would have thought I set off a bomb in the Church. My phone started ringing and preachers were calling me. My wife will tell you I was on the phone with a Pentecostal preacher and we were on the phone for a whole hour. You know what he said when we got done? "Makes sense, Brother Vaughn." He said, "I can see it." I said, "Are you going to do anything about it?" And he said, "Well, I can see it." I know why you won't do anything about it. Your church won't let you; your denomination won't let you; your organization won't let you—you're so bound because you won't firmly resist. I was born to do what I'm called to do. You were born to do what you're called to do. You were born for this moment where people say *sweeten*, God is saying, *Get stronger. Fight harder.* You can't because the flatteries are good. Keep reading.

**Daniyl 11:33** **And they who understand among the people will instruct many; though for many days some will be tested, and will fall by the sword and by flame, by captivity and plundering.**

*And they who understand.* Do you understand? What are they supposed to understand? That the true daily sacrifice has been stopped in the Temple and a replacement has come into the Temple. There are a few who will understand

what's going on. You can't fool them; they know better. And those who understand will do what? Instruct everybody on Facebook. I'm called to instruct because I understand. Professor Toto is a spirit and a name that Yahweh raised up. It applies to the Constitution, but it applies even more to the Word of Yahweh. What's hidden behind the flattery? When you called Joe Biden a president, Yahweh called him a resident. You have to know how to know what's really going on. The resident should be in a nursing home drinking Similac. Trying to lead the Free World and hasn't got a backbone of macaroni, much less a noodle. Yahweh has to help you to understand what's going on.

Have you ever bought the flattery? Have you ever found out you were being deceived and it made you mad? When you get in Yahweh's Church and you see you've been deceived, come on back in here when you get done running. I want everyone to hear what I have to say: Yahweh's trying to wake you up and turn you into an instructor of truth. You were called to teach because you understand. You understand that something's happening in the Temple that's not right.

**Daniyl 11:34 Now when they fall; are tested, they will receive a little help; but many will cleave to them with flatteries.**

*Many will cleave to them.* Many will cleave to this church because of the flattery. Did you hear the word *many*? If you want to build a church, lie to them.

**Daniyl 11:35 Yes, some of those with understanding will fall, to test them, to purge; cleanse and purify, and to make them white—up to the time of the end; for it is yet for a time appointed.**

Those who understand are going to have to go through the testing and the purging to be cleansed and purified. Do you know who's going to try to kill them? The false church, because we understand what they're doing. If you want somebody to hate you, have something on them. We know what they're doing. When is the time for? At the end. AD 70 was not the end. However, the prophecy about the Temple falling and people being killed, did come to pass with Antiochus IV when he went into Jerusalem and this whole prophecy was fulfilled. All of it—it was fulfilled to a T—completely. When Yahshua said that not one stone would be left unturned, that was all fulfilled. However, it was only fulfilled in the physical.

In a mirror, one side reflects the other side. Day number six is reflecting day number four. They're the same day; one physical and one spiritual. Same day—what do I mean by that? Four thousand years, Yahshua came. The Antichrist, called Antiochus, came into Yahweh's Temple and stopped the daily sacrifice and then he took a pig—an old Easter pig—and he brought Easter into Yahweh's Church. Yahweh's always hated ham. To desecrate the Second Temple, they brought a pig in it and you're sitting there eating pork chops in your temple. He didn't want it in the Second Temple and now you're supposed to be the Third Temple but you think it's okay. C'mon, some of us know better. We understand the flattery. We know what you're trying to make us do. Rebel! So Antiochus fulfilled it. Not one stone was left on the other. Antiochus was the *first* Antichrist.

How was he the Antichrist? Before he destroyed the Temple, he wanted to get *into* the Temple. Before Satan can destroy Yahweh's church, he's got to preach in it first. Satan has transformed himself into a preacher. What is an angel? A messenger, and he's preaching the gospel. Satan's job description is a gospel preacher. He preaches in every church in this nation and in the world. Do you know what he preaches? The abomination of desolation. He replaces the holy with the unholy while you clap your hands and shout "Amen!" He'll move into the church first, and stop obedience. He'll replace the obedience message with the grace message. He'll say we don't have to obey anymore because God knows we can't obey Him. If you hear a preacher say that, you know you are listening to the Antichrist in Yahweh's Church. Antichrist does not mean *against* Christ. The Antichrist loves Christ. He loves Him so much he tries to duplicate Him. *Anti* is the opposite of Christ, not against Christ, but he carries the name of Christ with him everywhere he goes. He's preaching out of the same Bible. Let's read John 3:16. It's the only one they know.

**Yahchanan 3:16 For Yahweh so loved the world that the begotten Son of the only Father was offered, that whosoever believes in Him should not perish, but have everlasting life.**

They'll read that verse and then say, "God bless you; we'll see you next Sunday." Satan's favorite book is the Bible. He gets hired by the carnal church board who doesn't want to hire a preacher like me, that will make you so mad you want to knock him in the head. They want somebody that will flatter them, but they don't know that Yahshua is soon going to return. If you don't shape up you're not going to ship out. You've got to get in line with the Word of Yahweh. He said, *I'm going*

*to set up the abomination of desolation in the whole Temple of Yahweh.* Do you know what the whole Church is waiting on right now? They're waiting on Jerusalem to build a Third Temple and the physical sign happened 2,000 years ago. Yahweh has been building the Third Temple through Yahshua the Son for 2,000 years. That's why the Apostle Paul said that the spirit of antichrist doth already work. Because the Third Temple was already being built. *Brother Vaughn, I don't know if the Antichrist has already come.* I'll tell you when he came. He walked into the Third Temple and they were all Sabbath keepers. Every one of them in that original Third Temple kept the Sabbath. Yahshua kept it until He died. And then, He supposedly replaces the Sabbath.

Here's the problem with that: He forgot to tell His disciples. He was laying in the grave and they weren't even going to go check on Him because the Sabbath was upon them. Did You forget to tell them, "Come and anoint My body?" No, they wouldn't do it because they knew He wasn't the replacement of the Sabbath Day. All of the Third Temple kept the Sabbath holy from Friday sundown until Saturday evening at sunset, until one day a new preacher came to town by the name of Pope Gregory. He brought that Easter pig right into the Third Temple, set it right down and what did he do? He took away the true sacrifice. What was the true sacrifice? The Sabbath Day. What did the Antichrist step in the Church and say? We'll no longer keep the Sabbath of the Jewish people. What he didn't know is that the Sabbath isn't a Jewish Sabbath. That was Yahweh's Sabbath! And he said, "Now we will create the Lord's Day on the first day of the week." It was at that moment that the Antichrist stepped into the Third Temple and sacrificed his pig. And he's been here ever since.

The spirit of antichrist is already at work. If you want to see the Antichrist, look in his church; and they will kill you because you understand. They think you are judging them because you understand. I'm not judging anybody but I do understand. If my understanding judges you, that's on you, not on me. But I'm not going to not understand. Yahweh opened my eyes to see, and this Third Temple, He is restoring it in this hour.

Antiochus IV was a real man and a real antichrist. Daniel prophesied him. But the apostles called this antichrist something else. They called him a false messiah. Now watch your mirror: fourth day and sixth day. The true Messiah and the false messiah are in the same mirror. The true Messiah is back in the fourth day. By the time the sixth day rolls around, you'll have the false messiah that's looking

just like the false messiah. The false messiah is not a real person, it's an *image*. What's an image? You see an image where? In a mirror. I'm not an image, I'm a person. When I reflect in a mirror, that's my image. I'm going to show you how this messiah is reflecting now in another image that is not the true Messiah. It's not the real Yahshua Ha-Mashiach. It is another man. It's going to get deep now. Let's read.

**II Corinthians 11:4 For if he who comes preaches another Messiah—which we have not preached—or if you accept a different spirit, which you have not received, or another message which you have not accepted—you might well put up with him; you might rather follow him.**

*Now Brother Vaughn, why do you call him the false messiah?* I'll start with my list. Number one, if you want to see the Church get mad, call the true Messiah by His true original name. If you want to make a Christian mad, just say, "Yahshua." That's all you've got to say. Or say, "Yahweh" and watch the hair stand up on their head. You can be a trinitarian which is a lie from the pit of hell, you can baptize in a false way, you can do any of that and they're all right with it, but if you say the Father's name, that antichrist spirit is in all of His children. When you take the real Messiah and you fundamentally change Him so much, that's the antichrist spirit.

The LGBTQ community just took a poll and they chose Jesus Christ as their favorite historical person—the false one; the one who loves them just the way they are. When a homosexual's favorite historical person is Jesus Christ, you have an antichrist in the Temple. I don't care if I embarrass you; you better learn this message or Yahweh will take it away from you. When a homosexual loves the Torah in flesh, something's wrong because Yahweh despises that behavior. I don't care if you leave if some of you are squirming. Yahweh says that if any man lies with another man, you will see the abomination of desolation and he will be dealt with in the fire of Yahweh's judgment. If you're preaching another Jesus besides that Jesus, you're preaching the Antichrist. Ellen DeGeneres is a member of the Presbyterian church. You're a member of the Antichrist if you can sit in this Temple and never feel conviction. If you can sit in this Temple and never feel ashamed of sin, you have met the Antichrist!

What happened to real preaching? What happened to the truth? The daily sacrifice was ended! The true sacrifice—you have to obey the Word of Yahweh—that sacrifice was in the Third Temple. Daniel said he saw it coming when the daily sacrifice was stopped. What do they do in the sacrifice? They burn it up. In the true Church, we all let Yahweh burn us up until He burns our inclinations out of us. Adultery is still an abomination before Yahweh. If you're sitting in a church where you feel comfortable living in adultery, you're sinning in the false church. Yahweh hates it! This is why I can't build a mega church. Yahweh's calling every one of you to holiness, to participate in the daily sacrifice of obedience. *Brother Vaughn, how did he end the sacrifice? How is he the false messiah?* Well after he changed the Sabbath to Sunday, then he changed Passover to Easter. *Brother Vaughn, I don't believe what you're teaching.* All right; hold tight. I'm going to show you in your Bible where the Antichrist came into Yahweh's Church and started sacrificing a pig.

**Acts 12:4 KJV And when he had apprehended him, he put him in prison, and delivered him to four quaternions of soldiers to keep him; intending after Easter to bring him forth to the people.**

You see the word *Easter* ? You see that ham or pig? Do you know why that's an abomination? Because if you look up that verse in the Greek, you won't find that word *Easter*. You'll find the word *Passover*. They literally took out the word *Passover* and put the Pope's word *Easter* in your Bible. And you don't believe there's an antichrist in your church? The Bible says if any man takes away or adds to this Word, let him be accursed, and that word *Easter* is an accursed word in the Third Temple. Somebody put it in there: those that wanted to please his holiness, the Pope. There's an antichrist in this Temple and only a few understand that he's sitting now in the Temple. There's no physical mark going on your forehead; it already went in your head. How many of you would be stupid enough to let anybody put 666 on your hand or your forehead? Anybody? You really think that's how he's coming? NO. First the physical, then the spiritual. Six is the number of rebellion and when he ended the daily sacrifice he put 666 in this Temple and everybody that loved his flattery went with it, except a few that understood, and they became last day instructors of truth.

Who put the word *Easter* in your Bible? Who did it? Was it Yahweh? It's not the inspired Word of Yahweh. What did Yahweh inspire the apostle to write in that verse? Pesach—Passover. Passover has nothing to do with Easter. Easter is the

resurrection. Passover is the death. They aren't even kin to one another. Who changed your Bible? The Antichrist. And you know what? Yahweh has called you to this ministry to be able to smell the Antichrist; to be able to see behind the curtain of the Wizard of Oz that's calling himself a preacher. You better look behind that curtain and see the Antichrist. How do I know that the Antichrist shall always abolish the Law of Yahweh? The daily sacrifice. *Brother Vaughn, you're a mean preacher.* Call it what you want to but I'm firmly resisting. There's something in Yahweh's Church that I don't like. It was sending my soul to hell; it was causing me to miss out on my reward in the Kingdom of Yahweh and I'm mad about it. I was told I could live the way I wanted to because the God that gave me the Law knew I couldn't keep it. Somebody tell me *why* He would give it to me? What kind of daddy gives a child a chore he knows he can't do? How many of you, if you had a quadriplegic child, would say, "Today you're going to clean the house and wash the dishes." Who of you would lay down the law for that child that you know can't keep it? You'd be a psychotic infidel, and you accuse my God—Yahweh—of giving us His Law that He knew we couldn't keep! If you ever hear a preacher saying it, you're listening to the Antichrist.

The God I serve said that He will give you power over sin! When the Holy Ghost comes in, It will give you power over sin! It will give you the power to love your enemies. It will give you power to clean your mouth out. If you ever hear a message that's powerless, you're hearing the Antichrist. To those in First Harvest Ministries who are obeying Yahweh, He gave you power! I've watched Yahweh change you and break your rebellion, break your own spirit. That's the power of the Word of Yahweh. He's changing you by the preaching of the Word.

What else did the Antichrist do? He came to the Third Temple and brought holidays that the Temple had never kept before. You went to the Temple for the Holy Days so if we're the Third Temple, we need to be keeping the Holy Days. *Brother Vaughn, I'm the Third Temple!* Then what do they keep at the Temple? The Holy Days. There was never a Christmas tree in Yahweh's Temple. That's a pig. They weren't coloring eggs in Yahweh's Temple. They weren't telling children that rabbits lay eggs. Liars. Why am I teaching so hard? Because most of you reading have been waiting for a mark of the beast that you've already accepted. When Yahweh gave me this Sabbath Day message, it cost everything. I'm made fun of from the left coast to the West Coast. I'm made fun of by every Christian friend I've got. But Yahweh put something in my backbone to know that something wasn't right, but Yahweh's getting it right. He's raising up the voice of

Elijah to restore! Yahweh's restoring it! It's the Days of Restoration. Yahweh's restoring the Temple. Why? Because this is the Temple He has to live in when He comes. Behold, the Temple of Yahweh is with men. He's coming back to dwell in the Third Temple, among the Third Temple.

**II Corinthians 11:4 For if he who comes preaches another Messiah—which we have not preached—or if you accept a different spirit, which you have not received, or another message which you have not accepted—you might well put up with him; you might rather follow him!**

Oh Oh, another Messiah. Somebody's coming to preach another Jesus. Not coming to preach against Jesus; coming to preach *another* Jesus. It's going to look like Him, sound like Him—Paul said there's another Jesus coming.

*Or if you accept a different spirit.* What kind of spirit? Obedience versus rebellion. If you accept a rebellious spirit, you accept a different spirit and you'd rather follow *that* Jesus. The Apostle Paul said that when we leave the earth, there is another Jesus coming. Any you've been waiting on the Antichrist—no, no no. He said that as soon as you leave, some of you are already hearing the antichrist message through Marcion of Sinope who taught that God had sent Jesus Christ who was an entirely new, alien god, distinct from the “vengeful” God Who had created the world. Marcion was Polycarp's enemy. Who was Polycarp? A member of the Third Temple. He was John's student and Marcion didn't like the God of the Old Testament—Yahweh—but he loved Jesus. Go study Marcion. He was right there when Paul was saying that there's a spirit already working. Marcionism is what we call it. Marcion hated Yahweh but loved Jesus because Jesus was sweeter than Yahweh. Marcion preached that they could forget the Old Testament commandments and just love Jesus. He had a student by the name of Simon the Sorcerer who didn't want to obey Yahweh. He just wanted the power to heal the sick. He wanted power to impress the congregation. Go read the story; use Google or Duck Duck Go. Marcion didn't care about really being baptized. He did it just to get past the apostles but the apostles said he had the spirit of Satan in him even after he was baptized. Why? Because you are accepting *another* Jesus.

Do you know what Marcion did to Polycarp? Marcion went to Rome and convinced the Church in Rome to get rid of the Passover. He convinced the Pope

that Passover was for the Jews, and here came little Polycarp, eighty-seven years old. He walked down to the ship, got on the ship and went over to see the Pope. People think I'm making this up; that's the funny part. I challenge you to check out anything I teach. *Polycarp, where're you going?* "I have to go see the Pope." *Polycarp, why?* "Because God loves His Holy Days." This was about 150 years after Yahshua Messiah died, and the spirit of the antichrist was already working. Here came Polycarp and he knocked on the Pope's door. The Pope didn't want to see him. The lying church never wants to see the true Church. Even though this was an apostle's student, the Pope didn't want to hear truth. He finally let him in and Polycarp pleaded with him not to replace Passover with Easter. And do you know what the Pope did? He sent Polycarp back to Jerusalem and they denied his teachings. And they still do it today. They've accepted another Christ; another everything.

**Galatians 1:6-8** **6 I am astonished that you have so quickly turned away from the One Who called you into the love of Messiah, to another message; 7 Not that there is any other glad tidings, just that there are some who trouble you, and are trying to pervert the message of the Messiah. 8 But even if we, or a malak from heaven should preach a message other than what we preached to you: May he be accursed!**

We're almost done; let's read.

**Revelation 14:9-12** **9 And the third malak followed them, saying with a loud voice: If any man worships the beast and his likeness, and receives his mark on his forehead or upon his hand, 10 The same will drink of the wine of the wrath of Yahweh, which is poured out without dilution into the cup of His indignation. And he will be tormented with fire and brimstone in the presence of the holy malakim, and in the presence of the Lamb; 11 And the smoke of their torment ascends up forever and ever. And they have no Sabbath night and day, wo worship the beast and his likeness, and whoever receives the mark of his name. 12 In this manner are the saints purified—by keeping the Laws of Yahweh, in conformity with the faith, as Yahshua Messiah.**

*If any man worships the beast.* Not just the beast, but *his image*. What did I tell you the false messiah was? Something gives that false image it's power—the

beast! The beast is the religion of the world. The religions of this world give power to a false image—a false Jesus.; a reflection, not the true.

*And receives his mark.* Now hold on, if you've watched an old western movie where they say, "Put your mark right there," that's your signature. What's your signature? It's your *authority*. When you sign a check, your authority went on that check. If any man worships this false Christ or comes under his authority—if that authority comes in your head—any rebellion that comes in that mind is the mark of the beast.

Let's go to Revelation 19:20. I love this. Notice that you're not worshipping the beast; you're worshipping the *image* that the beast is projecting.

**Revelation 19:20 And the beast was captured, and with him the false prophet who worked signs before him, with which he deceived those who had received the mark of the beast, and those who worshiped his likeness. These both were cast alive into a lake of fire burning with brimstone.**

How is this false image going to deceive people into receiving the beast's mark? Signs and wonders. *We're having a healing service.* Are you teaching truth? *We've got prophet so.* That can read your mail. When they're done are they teaching you the difference between the holy and the unholy? How else can this false beast get you to accept this false Christ? You just send him out with miracles and gifts of the spirit; words of knowledge, words of wisdom. It's an image. The beast is the religion of the world; a false religion. It projects a false messiah. It needs you to accept him. How does he get you to do it? *I want to go to a church where the gifts are working.*

Yahweh hates disorder because the Antichrist loves disorder. I love everybody but this message isn't about love; I have to tell you the truth. I love everybody but Yahweh called me to do what I'm doing: to wake up this Third Temple. You're accepting all of these signs and wonders but if your love for truth is not greater than your love for miracles, the Antichrist has found you. It's another gospel! It sounds good because everybody wants to do what they want to do. Do you think I want to teach the way I do? I'd rather be in my recliner, but I was born for this moment! You, too, were born for this moment. Yahweh is perfecting His Church. I feel the weight of the glory of Yahweh. He always shows up when truth is

preached. Always. I have nothing against these preachers that I've mentioned; don't get me wrong. But I can see past them and see truth; that's all. I love every preacher and thank Yahweh for every one but I know my job. My job is to bring Yahweh's people to truth and put in you a love for truth. Yahweh's building a Church *now*. In this verse Paul warns us not to elevate this false image in our hearts, above the true image.

I will close with these words: Many people don't understand why we "waste our time" trying to teach people about Yahshua or wear these tillits or have a menorah in our church, and the Ten Commandments. *Brother Vaughn, what's the point?* Because I'm trying to show you the original Messiah rather than this false image of a man named Jesus. Yahweh is wonderful and He's building a Third Temple. Right now, all over this nation, He is pulling this Temple together; all over the world He's pulling this Temple together. I want you to be in that Temple. He wants you to be in that Temple but He's saying if you want to be in that Temple, "Do it My way and then I'll bless you in ways you can't imagine." Don't you wish you had served Yahweh all your life the way He wanted you to? Your life would be so much better. But the good news is that starting now you *can* turn your life all the way around by loving Yahweh. Just like the song:

*What God's doing in me is for eternity;  
What's God is making of me  
It's for eternity;  
It's not just for today, or even tomorrow;  
For this shall pass away;  
What God's doing in me, it's for eternity.*
