

The Third Temple (Part One)

By Pastor Shane Vaughn, First Harvest Ministries

I am going to teach you some things here that are going to shock you because it's unlike anything you've heard or anything I've heard. It's a revelation that the Lord gave me about the end of time and I believe it's going to be an eye-opener for many of you.

Daniel 10:14 Now I have come to make you understand what will befall your people in the latter days; for the vision is for *many days yet to come*.

What did Yahweh just tell Daniel? *Everything I'm showing you Daniel, is not for this time*. So when I hear people trying to correct me about my interpretation of the four beasts of Daniel—Russia, Great Britain, America, Germany and the revived Roman Empire—when I hear people correcting me, and they say, “No, that's Neo Persia, that's Babylon,” they don't understand that Daniel's vision was not about Daniel's day. Daniel's vision was for the Last Day. And that's the day that *you* were born to live in—the Last Day. He said, *I want to show you what's going to happen to My people*—not the nations— Israel! The Book of Daniel is only for Israel. He said, *I'm going to show you what's going to happen to Israel in the Last Day*.

I Corinthians 10:11 Now all these things took place with them as example; and they were written for our admonition, on whom the ends of the ages have come.

Someone say, “That's me!” Everything that was written in *the old* was written for one group of people—those upon whom the end would come. The Book of Daniel is not written for anyone except you. It wasn't written for your grandmother. It wasn't written for your grandfather. That's why it's been misinterpreted all these years—because it's been sealed up. Daniel is sealed until the people in I Corinthians upon whom the end of the age comes. When you start hearing the revelation of the book of Daniel, you're hearing the people upon whom the end has come. When is that end going to come? That's the thing that so many people

want to know. But I want you to hear that you are the most special people that have *ever* lived on planet Earth. You are! You are the most special people, the one's upon whom the end of the world has come! Yahweh preserved you for this day because He knew you could make it through this day. He saw you before you saw yourself. He preserved you for this hour. The older black folks sing a song about '*How I got over*'—*how I'm going to make it over. If God saw that I was going to make it, I'm going to make it!* It may get dark in this hour, it may get bad, but Yahweh saw you had what it took to make it upon this hour.

Somebody said, *Brother Vaughn, you're fear mongering*. No, I'm faith mongering. I *know* how this thing ends—I win. They call you a fear monger because your faith makes them afraid and they project on you what they're experiencing. I'm not a fear monger. I'm so excited about this hour. I was born for it. I'm excited about the voice of Elijah that comes just before the coming of the Lord. This is *my* day! I was born in Laodicea—the darkest hour the Church will ever know. You're living in it. You know why it's going to be so hard? If you've not heard my sermon called "What Happened to the Rain," that explains it. Yahweh stopped the rain for seven years so that the people wouldn't be deceived into thinking that Yahweh was pleased with them, and He said, *Elijah, if you can serve Me with no rain; with no signs and no wonders, no miracles—if you make it through the dry, I'll bring you out*. I hear the sound of an abundance of rain, but we've been called in the drought!

Where's the miracles? It's the drought! Nobody wants to serve Yahweh in the drought but you were born for it; you were born for that moment. Whenever He doesn't heal your body and the rain doesn't fall, you know Yahweh said, *She's got what it takes to still be faithful in the drought*; when you're without, knowing that Yahweh is still able. You were born for this moment. Your neighbor wasn't born for this moment. They're afraid right now. The world is about to blow up. That means I'm about to *go up*—not in the rapture, but in the catching away to meet the Lord right there in the air. You've got to learn to love your day.

Where's all the miracles? I don't know. I'll be the first to admit that they aren't there anymore like they were. You know why? Yahweh has stopped the rain so the voice of Elijah could come forth, and whoever can hear that voice in the drought, will be there when the deluge comes; when the miracles come; when the rain returns. Can you hear Yahweh in the drought?

Brother Vaughn, it doesn't feel like it used to in church. That's because Yahweh is trying to get rid of all the chaff. Do you know when the chaff leaves? When they don't feel anything anymore. They're not trying to hear a message, they're trying to get a *fix*. They want to walk in and feel something. I don't need to feel anything. Preach to me! Tell me what I was born for! Tell me what Yahweh has in mind for my life and for your life! I don't have to feel anything. That feeling is going to run out but that faith had better not.

Psalms 111:10 The reverence of Yahweh is the beginning of wisdom. A great understanding have all they who do *Your Laws*. Your praise endures for ever!

Brother Vaughn, I don't understand the End Times. Everybody I hear teaching it confuses me. I want you to hear me and hear me well: If you're not a Sabbath keeper, you'll never understand the End Time. I've had great End Time teachers and I've loved them—Brother Irvin Baxter and several others that I've loved—but even they did not have it all quite yet, because you have to be a commandment keeper to understand the mysteries of the Word of Yahweh.

Bother Vaughn, I don't understand the End Times. I guarantee it's because you don't understand the Feast of Tabernacles. It doesn't line up for you. That's why the preterists are so messed up. Do you know what a preterist is? They believe everything ended in 70 AD. They don't believe Yahshua is coming back. They believe He came back in 70 AD when Titus destroyed Jerusalem. You know the saddest thing about that? There are millions of them in the Church that believe that. It's called preterism and they fight me every day on Facebook. Do you know why they are preterists? When it comes to Bible prophecy they believed if it was fulfilled *one* time, that is the *only* time. They don't know about that upward journey; they don't understand the six days of creation. They don't understand Passover, Pentecost, Tabernacles—they don't know how to lay their chart out. They don't understand that Yahshua couldn't end it on the fourth day; that it *must* be on the sixth day. Now, according to David, it is impossible to understand unless you are a commandment keeper. I want to tell you all that if you're not a commandment-keeping Sabbath keeper, your end-time doctrine is messed up. We're living in a moment now where it's all being unsealed. Ever since we found the Dead Sea Scrolls in 1948, Yahweh's begun unveiling the book of Daniel. This

is the day I was born for. It's the day you were born for—the unveiling of the mysteries of Yahweh.

According to the Bible—not your mama, not your preacher—according to that verse you just read, is it possible to have a good understanding without being a commandment keeper? No. If you can't count to seven, stop trying to interpret the beast of the book of Revelation. You've got to know what day is the Sabbath Day. I want to laugh when people are trying to tell me what the beast represents and I say, "Can you count to seven for me; do you keep the Sabbath on the seventh day?" No? Then please don't try to tell me about the End Times. I'm going to show you why in a minute, but I have to first lay that foundation.

Ephesians 1:17-18 *17 Asking that the Father of our King, Yahshua Messiah, the Father of glory, may give you the Spirit of wisdom and revelation; unveiling and uncovering truths, for the full knowledge of Him. 18 Asking, that since the eyes of your understanding have been enlightened, that you may know what is the hope of His calling, and what are His riches of glory among the saints;*

According to that scripture in Ephesians, an understanding and that *call* is a gift from Yahweh. What did Paul say? *I pray that your eyes will be enlightened; that you will receive the understanding of the things of Yahweh, but more importantly, of what Yahweh's plans are for the saints.* That's a revelation! Before this ministry, you thought that Yahweh's plan was to go to heaven. You needed a revelation to know that Yahweh's got an inheritance in the saints; He's got a job in the saints. You need to know it.

Daniel 12:8-10 *8 So I heard, but I did not understand. Then I said, O my ruler, what will be the end of these things? 9 But he said: Go your way, Daniyl, for the words are closed up and sealed until the time of the end. 10 Many will be purified, and made white, and tried; tested; but the wicked will do wickedly; and none of the wicked will understand, but the wise will understand.*

Daniel is giving these great revelations, and the sad thing about it is that Daniel was not even allowed to know what they meant. Have you ever had a dream or a vision and it drove you crazy not knowing what it meant and you wanted somebody to interpret it? Welcome to Daniel's life. It wasn't for him. It was for him to write down, or in your case, maybe write a song, paint a picture; or for me, write a book. Just write it down. There will come a day whenever who it was meant for will pick it up. Just write it down.

What's going to happen when this revelation is unsealed? What's going to happen to us? Many will be purified. It's going to start purifying us—perfecting us. I have told you this is a perfecting message, a finishing message. He said that when this was going to be opened, the Church is going to change their understanding—it's going to perfect you. That's why it was never opened for your grandmother, it wasn't open for your great-grandmother. When it begins to open and you realize you've got a role to play in the inheritance of the saints, it will change you.

But Lord, I want to know what it means. Shut up, Daniel! It isn't for you, son. You go with what I've given you so far. This isn't for you. And it isn't for Babylon or Neo Persia. It's for that fifth kingdom. You need to watch my teaching on the fifth kingdom on fhtv.tv. It's not for Babylon, Neo Persia, or Greece. But Brother Vaughn, that's what he saw in a vision. That vision was not even about all that. It was about that rock that came rolling out of the mountain. The whole vision was about you. Brother Vaughn, that rock was Jesus. No it wasn't. That rock was a kingdom and you are that kingdom that came rolling out of Yahshua—He's the Rock. You're the one that came out of the Rock.

Listen carefully. There's a rock that came rolling out of the Rock. Yahshua was the mountain, but the rock that came rolling out of the mountain was the brothers of Yahshua the Messiah. We *are* that fifth kingdom. We are that *final* kingdom. While you're trying to fly away and go to heaven, we're supposed to be rolling down a mountain, crashing—you're supposed to be crashing every other government on planet Earth.

What is going to happen to the wicked according to this scripture? You're going to be tried and tested. Everybody is going to need to be perfected. I'd often struggled with those great saints of Yahweh that I knew were going to be in the Kingdom of Yahweh but they didn't keep the Sabbath Day, and I've always wondered about that. Yahweh spoke to me and He said, *When you go to court,*

who gets charged with the crime: the mastermind or the flunky that did the crime? Who is it that's going to have the greater sin? It's the mastermind, the con who came up with the scheme. The judge isn't worried about little old Earl who went down there and stole it. Matter of fact, if Earl will give you up, he'll let Earl go. Who was it who stole the correct Sabbath? It wasn't those preachers, it wasn't those saints of Yahweh—it was the Roman Catholic Church. It's not the saints' fault. They kept the Sabbath every week—the only one they knew about.

My grandmother woke up every Sunday and dressed ten children. She wouldn't have missed it for anything in the world. You know what she was doing? She was keeping the Sabbath Day holy; the only one she knew about. Yahweh had not revealed the correct Sabbath Day to her. There was a mastermind behind that deception. It wasn't on her because she kept what she knew. She *will* be rewarded as a Sabbath keeper because she kept what she knew. It's the mastermind going to jail, not the flunkies. When the flunkies stand before the judgment seat, they're going to turn on the devil and say, *It was the Pope who told us Sunday was the Sabbath.* Yahweh will reward them as Sabbath keepers because this wasn't for their day. It *was* for your day so for those of you who listen to my preaching and teaching, *you* get no such luck. He's removed the scales from your eyes.

Acts 2:38 Then Kepha said to them; Repent, and be baptized, everyone of you, in the Name of Yahshua Messiah for the remission of sins, and you will receive the gift of the Holy Spirit.

When Daniel's message begins to unseal and when Elijah comes forth, what was the purpose of Elijah? To repair; to restore what the enemy perverted. Whenever we went from a Trinitarian baptism to One baptism in Yahshua's name, Yahweh was restoring through the ministry of Elijah, then, what was stolen by the Catholic church. I'll tell you something I used to struggle with, as well. What about all those saints before us that were baptized in the Trinity? Same thing. They did not know there was a mastermind behind their baptism. But the minute they saw Acts 2:38, they left that and walked into the fullness of water baptism in His name. Can they now go back to a Trinity baptism? No! I want you to know, though, that there were saints that had a Trinity baptism and they will be in the Kingdom of Yahweh. There were saints that never spoke in tongues in the 1700s

and the 1800s. They will be in the Kingdom of Yahweh. Why? It was restored to us.

*But Brother Vaughn, **this** is the plan of salvation.* For your day! The Bible says in Revelation 12:9, the God of this world blinded everybody. My grandma was baptized a Trinitarian when she first got the Holy Ghost in the early 1900s. One day somebody put up a brush arbor in Holden, Louisiana and a little old lady preacher came by, Sister Agnes, and she started preaching about Acts 2:38. My grandmother said, “When I heard that message, I just knew I was hearing the truth and I jumped in the water and said, ‘Baptize me again.’” When I heard about the Sabbath Day, I said, “I want to go back to church but I want to do it on the Lord’s Day.” We serve a loving God. We serve a faithful God. If you wouldn’t destroy your children for not knowing, why would He? The Bible said, *He that knoweth to do good.* Only to him who knows, only to him is it a sin. Some of you are sitting in the most dangerous seat in the world because “now you know.”

Matthew 24:6-7 **6 And you will hear of wars and rumors of wars. See that you are not troubled; for all *these* things must come to pass. But the end is not yet. 7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics, and earthquakes in place after place.***

I want to show you exactly when the Lord is coming back. People say nobody can know when the Lord’s coming back, but that’s not exactly true. *Brother Vaughn, He’s coming like a thief in the night.* You better hope He’s not. It doesn’t say He’s coming like a thief in the night. It says if you’re not watching for Him it will be like a thief in the night. But if you had known when the thief was coming, you’d have been right there waiting on Him. I don’t know where you plan to be, but I plan to be at the Feast of Trumpets standing there waiting on Him. I don’t know what year and I don’t know what decade, but I know when He’s coming. He came on time the first time and He’ll come on time the next time. Don’t you think that Yahshua could have poured out the Holy Ghost any day He wanted to? He told the disciples, *Go to Jerusalem, we’ve got to wait on the appointed time—on the day of Pentecost when it’s fully come.* He’s coming back when the Feast of Trumpets is fully come.

So why did Yahshua say, *No man knows the day or the hour*? It's simple. If you were in Jerusalem they'd be talking about the Feasts. They would talk about Passover and Pentecost and they'd name them, and then they would say, *And then the Feast in Which No Man Knows the Day or Hour*. That's how Jews refer to the Feast of Trumpets. Why? Because it's the only feast that they don't know when that moon is going to shine. And so when they refer to that day, it is called The Day in Which No Man Knows the Day or the Hour.

Remember earlier when I told you that you can't understand Bible prophecy without keeping the Feasts? I just proved it to you. The Feast of Trumpets is the day in which no man knows when it's going to come. Yahshua said, *That's when I'm coming back*.

I have a question for you. According to Matthew 24:6, can Yahshua return any time if there are no wars going on? No. That's all they're going to be talking about is *the war*. Rumors of wars are happening now. Yahshua said, *I will return when everybody is talking about war and rumors of war*. You've read the Bible your whole life. Why have you never seen that? You've repeated it, you've quoted it, but do you know that Yahshua said, *I won't return unless there's a war*?

What else has to be going on when He's coming back? In verse 7, is that a one nation war? No, the nations will be rising against the nations, and we're not talking about little nations like the Canary Islands. We're talking about nations—major beast powers. That's called world war. And I'll say to the whole world, that Yahshua the Messiah will not return any other time other than the Feast of Trumpets during a world war. Do you understand now why I'm so excited about war? I believe this message. I'm looking for His return. How about you?

What else will be going on? There's going to be food prices starting to get real high. It's not the end yet, it's called the Beginning of Sorrow. We aren't even in the Tribulation yet. The words in verse 6 say, *be not troubled. But Brother Vaughn, I'm so troubled*. Then you're not obeying the scripture. *Brother Vaughn, food prices are going through the roof*. That's called famine when food becomes scarce. It's going to blow your mind what food prices are going to become. I've been in America for 48 years and I've never been concerned about food for even one day, until today. How many of you have gone grocery shopping in the last few months and said, "whoa!?" Somebody told me you can take all the gold you have

in your house, and they said there's going to come a day when a seed for a garden will be worth more than that gold. That's why I want to start filling up the ministry's land with food for Yahweh's people. What else is going to be going on? Pestilences, viruses, pandemics. Did you say, 'plandemics'? Did you say, Covid, maybe? *It's going to be an unusual time of disease when I return.*

Matthew 24:8-9 **8 All these are the first half of the sorrows; tribulation! 9 Then they will hand you over to be afflicted, and will kill you; and you will be hated above all peoples for My Name's sake.**

Brother Vaughn, I don't want to be here for all that! Then you're not worthy. When your miracles aren't happening anymore, your spiritual witchcraft, spiritual voodoo commanding everything but not listening. Why? Because the rain has stopped. The famine will be in the land. Why do you think our church building is mostly empty? We didn't advertise a prophet giving everyone a 'word.' People are so fickle. They want a "move of God" but they don't see there's the biggest move of Yahweh right now under their noses. People don't pack up and move across the country to our church in Mississippi if there's not a move of Yahweh happening. There's a move of Yahweh happening right under your nose, and you're trying to have "church." You better learn this message.

Let me ask you a question: Why does verse 9 apply to every other Christian in history but it doesn't apply to us? I want you to think about it. *Well, we're not going to be here for any of that.* The poor Christians in Ukraine would love to hear they're not going to be here for all that either, bunch of jokes in Yahweh's house! *We're not going to be here for all that trouble.* Who do you think you are? Who lied to you and made you princess? *You're going to be hated for My Name's sake.* They've already done it. They've arrested Pastor Artur Pawlowski in Canada for standing up for his religious right. They've arrested Tony Spell, right up the road in Louisiana. They put him in prison in Baton Rouge. Do you know why he went to prison? Because he said, "I'm going to church no matter what." In America, he went to prison. I watched him and I donated to his bond money. A preacher, and they wouldn't even give him a property bond. It had to be cash. And you think you don't have to go through anything? Keep drinking that Kool Aid with Jim Jones.

Do you know why all prophecy teachers tell you that Yahshua can't return on the timeline that we're teaching? It's because of a misunderstanding that I'm about to straighten out with the Lord's help. It's called the Abomination of Desolation.

Matthew 24:15 **Therefore, when you see the The Lord of Heaven; *the Abomination of Desolation, spoken of by Daniyl the prophet, standing in the Holy Place—*whoever reads, let him understand—**

We're going to talk about the Abomination of Desolation and I'm going to show you what everyone is waiting on and why they don't think that World War III is here. All your prophecy teachers believe this is nothing because *this* hasn't happened. Let's act like the scripture above means what we think it means—that Yahshua won't return until we see the Abomination of Desolation in the Temple of Yahweh. If it's that simple, why does Yahshua end it with these words: *Let him who has an ear truly understand what I'm saying?* Now if it's as simple as the antichrist standing in the third temple, then no, this isn't the end of time and this isn't World War III because we've not even built the temple yet.

I'm going to say something *no* prophecy teacher agrees with: there will **never** be a third temple, ever, in the city of Jerusalem. Never. *Brother Vaughn, I don't believe that.* I don't care what you believe; I am going to prove it to you. That's carnal mindedness. There will never be a physical third temple in the city of Jerusalem, ever. *I don't believe that, Brother Vaughn.* Well then, let's talk about the Kingdom of Yahweh that's coming to Earth, and see exactly what the Bible says.

Revelation 21:22 **And I saw no pagan (godworshiping, elohim worshiping) sanctuary in it; for THE HOUSE OF YAHWEH, the body of Messiah, was in it.**

Now, let's read it out of the King James Bible to try and clarify it a little.

Revelation 21:22 KJV And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it.

How are we going to build a third temple in the Millennial Reign when this is the Millennial Reign and it says there will be no temple there? It's all false doctrine and when I see people getting on Youtube saying they are putting it together right now, that's carnality. That's why Yahshua says, *he that reads these words, let him really understand*. We've read earlier that you can't understand until you've kept the Holy Days. Now I'm going to show you why there will never be a third temple in the coming Kingdom of Yahweh or in the Great Tribulation. First of all, if they tried to build it, the whole world would blow it up in a minute. How foolish we are to think there will be a third temple. The Christian church has thrown out the Torah. This is why they believe in a third temple. You won't go into a Christian church and hear the word 'Torah,' you just won't, and yet your entire Bible cannot be understood without the Torah, the first five books of the Bible. Now, without the Torah, it is impossible to understand the New Testament. There is no understanding of the new without understanding the old.

Hebrews 5:12 For indeed, though by this time you ought to be teachers, you have need that someone teach you again the elementary principles of Yahweh's word; and have become those who have need of milk, and not of strong meat.

Here, the apostle Paul says that if you are not a Feast keeper, you cannot understand the End Times. *For by now you ought to be teachers*. Question: There was no New Testament when Paul said that, so what should New Testament Christians be teachers of? Torah. He said, *By now you should be able to be teachers of it*. He's talking about teachers of the Torah, that Christians say Jesus has 'done away with.' He said, *You now need someone to teach you again the first principles of the oracles of Yahweh*. What were the first principles of the oracles of Yahweh? The Torah. Here is Paul telling Holy Ghost filled believers that they need to go back and learn the Torah. It says, *By now you should be able to teach it, but now you need to go back and re-learn the first principles of the Torah*. If you're going to learn the Torah, you are going to learn the Sabbath Day and the Law of Yahweh and the Holy Days.

Paul goes on to say that you come needing the milk—the signs and wonders. You need to feel that Jesus loves you—you need the milk. What he said after that is *You can't handle the Torah*. I'm going to show you where he calls the Torah 'solid food.' Everyone that partakes only of the milk, is unlearned in the Torah of righteousness.

Hebrews 5:13 For every one who continues to feed on milk is unskilled in the doctrine of righteousness; for he is a babe.

Righteousness is the right way to do things. It was in Torah that Yahweh told a woman not to dress like a man. If you don't believe in Torah, you can't find another scripture telling a woman not to dress like a man, except in the Torah. *We aren't going back to the Law*. Then you need to quit preaching about dresses on a woman. They kill me with their ignorance. *Brother Vaughn is bringing everybody back to the Law*. Without the Torah we can have homosexuals. Without the Torah you can go sleep with your sheep. You don't even know how to live right without the Torah. Where do you think the Bible said for a man not to dress like a woman? We get transvestites if we don't have Torah. Paul said, *You've all got the Holy Ghost, but you're ignorant*. You're ignorant of the Torah because you let somebody tell you Jesus replaced it. He said you need to go back and learn the very principles of it, *not* the religious part of it.

Hebrews 5:14 But strong meat belongs to those who are full-grown; for those whose senses are trained by practice to discern both righteousness and evil.

In verse fourteen you're still a baby. You need solid food. What is solid food? Spiritual truth. And it only belongs to those that are commandment keepers. And who are the only ones going up in the first resurrection? Remember my Sonship message? There it is. He didn't say he was going to hell. He said that you won't be counted worthy, steady, to show yourself approved. Solid food belongs to those that are mature. What is a mature saint? Mature saints always have their minds set on the Law of Yahweh. *Did I do that person wrong? Did I...?* A mature saint is not worried about the details of the Law, they're worried about what that detail

was teaching them. No, we don't stone our children, but what you don't understand is that the Torah never said that anybody could just stone their children. They had to go to court which was the gates of the city, and they had to be judged by elders and if they were judged rebellious, Yahweh said, *Kill them*. That was the death penalty. So when you forget about stoning kids, now you think you can be a child of Yahweh and be rebellious without a death penalty. It's as plain as the nose on your face. Yahweh said, *Stone them so my children will know why I'm going to stone **them***.

If you're a baby, all you see is *We need to stone our children*. That is a dummy, carnal interpretation. You're looking for an excuse, a cop-out. Yahweh didn't say, *Stone them*. Yahweh said, *Judge them and give them a sentence if they've got rebellion in their hearts*. If we do away with that, we come to church rebellious to the pastor, rebellious to one another. We don't worry about it because we aren't going to get stoned. Yes you are! It may not be in the flesh but everything in your life will get stoned. Everything. You'll lose everything you thought you had if rebellion is in your heart. If we get rid of the Torah, we don't know that.

Paul said you need to understand the basic principles of Torah. Verse 14 tells you who solid food belongs to—those that by reason of use have had their senses exercised to discern good and evil. Paul just said that the mature sons are so busy doing the Torah—the Holy Days, the Sabbath—that by the continual doing of those things in the Torah, they now can discern between good and evil, clean and unclean. How are your senses trained by patience of doing? The Bible said, *Not he that heareth the Torah but he that patiently does the Torah*. As you keep the Sabbath, you're able to discern. *Well maybe if I'm keeping Sabbath, I need to pay tithes too*. You're able now to start discerning.

I love it when people tell me, *I'm living for God, for the Laws of God*. I say, "Which one? Point to it. What law are you living by?" *Well it's in my heart*. Tell me what it is. *You shall love the Lord Thy God...* No, you're not stealing from the Ten Commandments. Give me this new law. Where's it written? *I'm living by the New Covenant*. Show it to me. What is the Sabbath? A rehearsal. What is a rehearsal? Practicing for what is to come. Brother Kendrick can tell you about members of his congregation who came every Sunday and paid their tithes. It might not have been but fifteen dollars, but Yahweh doesn't care about the amount. He cares about the patient practicing of putting Him *first* in all things. This church is paid for. We don't need a dime from anybody. I don't take a salary.

Brother and Sister Kendrick don't take a salary, but we're going to preach until you give. Why? Because we want you to patiently practice obeying Yahweh. You'll get so used to obeying Yahweh, you'll turn into a mature believer. You'll walk in the fullness of the authority of Yahshua.

Paul said that by continuously keeping Passover, you're keeping righteousness. Practice to do right. If you're keeping Tabernacles, you're practicing the Millennial Reign. By the continual patient practicing, we're getting ready to do Passover. We've done it eight years in a row. Every year I learn something more about it. Yahweh speaks to me more about it every year. We're patiently practicing the Torah. Paul said that if you're not doing that, you're a baby. You're just wanting to run around the church. But when you take that Law of Yahweh and patiently practice it—practicing obeying Yahweh and putting Him first in all things—then you'll walk in the fullness of authority of Yahshua.

Can you be trusted? You want authority to cast out devils? You want authority to heal the sick? Until you walk into patient practice of walking of the Torah, you have no authority. The authority comes when you earn it, when you have developed it, when you are counted worthy of that authority. My grandfather Brother Terrell, my Mother in Law, Sister Ruth Heflin went to church their whole life. Brother Terrell lived his whole life for Yahweh. He had authority from Yahweh. I've seen him remove many demons because he had authority. He didn't care what you thought about him. He knew who he was in Yahweh. If you know who you are in Yahweh and a demon doesn't listen to you real fast, go on to the next one. You know why? Because either *they're* not ready or *you're* not ready—one of the two. You've got to speak with authority! If somebody doesn't want to be free, you can pray for them for 37 hours but if they love that devil, that devil loves them. You have to learn to discern.

Brother Vaughn, we're supposed to pray for everybody. Oh no you're not. The apostle Paul said, *Don't pray for that person.* Don't lay hands suddenly on any man. *Discern* if they're trying to get attention. *Discern* if they do this at every church they go to. Some people get mad at me because I'll see somebody in the church, a visitor maybe, and they'll wonder why I didn't give an altar call. I discern that when they go to every altar in every church, that they're just trying to get somebody's attention. If you want to come to the altar, you'll come when I'm preaching on tithing. I'm not going to beg anybody to live for Yahweh; I used to but I grew out of it. If you're anointed you can preach on "Wives Obey Your

Husbands” and the altars will fill up of wives, and husbands. The Word does the work.

I’ve not finished yet with the Abomination of Desolation, but we’ll pick up and continue learning about that and the Antichrist in *The Third Temple Part Two* booklet. I’ll prove to you that there is no physical Third Temple or physical Antichrist. I’m going to prove to you we are on the verge of the coming of Yahshua the Messiah, and all these things that you say have to happen first, it’s already happened. When the Man of Sin is revealed, who is the Man of Sin? You are. When he exalts himself in the Temple of Yahweh, he is the false messiah. It’s going to get really good. Do you know why everybody is looking for an antichrist? It’s because they don’t want to see it in themselves. The “one that is in sin” is the one that stands in rebellion to the Law of Yahweh. That’s you. He’s going to come into the Temple of Yahweh and ***we are*** the Temple. He’s going to exalt himself and call himself “the lawless one.” *God doesn’t have a law anymore so that’s the antichrist preaching.* The whole time you’ve been looking for the mark of the beast, and you had it the whole time. The Spirit of Antichrist has been here since Paul’s been here. He said, *this Man of Sin is going to be revealed.* In Daniel’s message, the voice of Elijah said there’s going to come a day when he’s going to be exposed and driven out of the Temple. I believe we’re mighty close to that day.
