

The Third Temple (Part 2)

By Pastor Shane Vaughn, First Harvest Ministries

Let's go to the Book of Corinthians, Chapter 13. I want to teach you tonight, physical to spiritual. Somebody say, "parallel." What is a parallel? Parallel parking—what does it mean? Two things side by side. They're aligned but they're not the same, but they sure line up the same, but they don't come out the same. Tonight I want to teach you how to know how to study the difference between these parallels—spiritual and physical. Here's what the Apostle Paul struggled with. The Apostle Paul was a Jew so he was stuck on the physical. Do you know what had to happen to the Apostle Paul? Yahweh literally had to blind his physical eyes to show him a spiritual truth. Now through this teaching I'm going to try to blind your physical eyes looking for physical temples and physical antichrists, to knock you off of your physical horse and open your spiritual eyes so you can see what's going on behind the veil.

All these people that know Bible prophecy have not once ounce of spiritual anointing and a spiritual mind, how are they interpreting a book that can only be interpreted by the Spirit of Yahweh? You need to learn who you're listening to! There's physical parallels. After Paul's physical eyes were opened he wrote this verse in Corinthians.

I Corinthians 13:12 Now we're looking in a mirror that gives only a blurred reflection, but then, face to face *with perfection*. Now I know in part, but then I will know fully; even as I am *now fully known*.

Gives only a blurred reflection. Somebody say, "Physically is **now**." Paul said, *Right now we are looking physically at a reflection that we can't quite make out.* He said it's like we're looking in a foggy mirror. How many of you have stepped out of the shower and the mirror's real foggy and you think you lost weight, then you wipe the mirror and you've lost nothing but you're seeing through the glass darkly? What does that mean? When you look at a menorah I'm holding up, that's physical but this is hiding something behind it. Now if you're a Messianic Jew, you'll turn this into a god. You're wearing your tallit like it's saving you because you are still physical. Spiritually take this up and realize what I'm saying—see what it's saying. They see this but they don't see *this!* They see seven, but they don't see seven. They see the physical shadow but when they look beyond it they

see the seven churches; they see the light of the world; they see the city set on a hill in whose light they see Yahshua; they see what this picture is telling them in the spirit. If you're not careful, you'll turn the physical things into idols. We don't do any of these things without seeing them in the spirit, and you've got to learn the difference in the physical and the spiritual.

When is *then* in this verse? The resurrection. In the resurrection, what is going to happen? Someone say, "Physical, then spiritual." My job is to get you out of the *now* and get you into the *then*. The only way that's going to happen is if you get knocked off of your horse. *What horse, Brother Vaughn?* You know, that horse that makes you think you know Bible prophecy because of all the people you've listened to. That's your horse. You've seen all the charts and you know it all. You're going to fall off that horse tonight because Yahweh's going to show you what you've been seeing but you haven't been *seeing!*

Continue reading the verse. *Now I know*. Somebody say, "Now I know the physical, *but then I will know fully.*" In the resurrection I will know what? *I will fully know everything.* Some of you are being resurrected right now. Into what? Heavenly places. You know why you're being resurrected into heavenly places? So you can see heavenly things! So you can see something beyond the Sabbath day. So you can see something beyond the color blue on a Tillit. You can see something beyond the assembly of the saints. You can see what they cannot see. Blessed are you of all men, blessed are you. In this booklet I'm going to teach you a key to understanding Bible prophecy.

There are three keys. First comes the prophecy. Second is the physical fulfillment, the part that everybody misses. Third is the spiritual fulfillment. Those are the three keys to understanding Bible prophecy. That's why when it gets to the Antichrist, everybody gets stuck right there. You have eyes but you cannot see beyond the Antichrist. The Abomination of Desolation will be ultimately fulfilled in the spiritual. Let's read Isaiah 46: 9-11 and you will see something.

Isayah 46:9-11 **9 Remember the former things of old, for I am Yahweh, and there is none else; I am Yahweh and there is none like Me,**
10 Declaring the end from the beginning, and from ancient times those things which are not yet done, saying; My counsel will stand, and I will fulfill all my plan;

Now listen carefully to verse 11 and read the first part slowly.

11 Calling an eagle from the east, the one who executes My plan from a far country. Yes, I have spoken,

I have spoken. What is that? A prophecy. Who does Yahweh speak through? His prophets. He says He does nothing without telling His prophets. So watch this, it's the first key—it's first a prophecy. Continue reading.

I will also bring it to pass;

Hold on—number two. I will bring it to pass in the physical, but I'm not finished! Then what?

I have purposed, I will also do it.

Then, I will *finally do* what I've already done. If you missed that, you've missed the whole message. I've already done it in the physical but I've still got one more thing to do. I've got to bring it to the upward journey, all the way to spirit! This is why everybody gets messed up at the Antichrist. They go to number two. I'm going to teach this to you and I'm going to slow down now.

Isaiah 42:9 Behold, the former things have come to pass, and new things I do declare; before they spring forth, I tell you of them.

The first thing is a prophecy—*before they spring forth*. Now, I want to teach you something you probably haven't known before. I will show you how prophecies are fulfilled *twice* every time. When you read a prophecy in the Word of Yahweh, it's going to happen twice. Why? It's first going to happen in the physical and then it's going to happen in the spiritual—the fulfillment of a different level than most people live on. *Now Brother Vaughn, I don't believe that.* That's all right. The reason I'm preparing you for this scripture is because it's going to go against everything you ever believed. Let's read.

Isayah 7:14 Therefore, Yahweh Himself will give you a sign: Behold, a virgin will conceive and bear a Son, and will bring forth the sign that Yahweh of Hosts Is With Us; Immanuyah!

What is that prophecy about? That prophecy was not about Jesus Christ—Yahshua Messiah—initially. First, the prophecy, then the first fulfillment, and then the final fulfillment. Go read all of Chapter 7. It's not about the boy, Yahshua. It was about the son that Jeremiah would have. And of course you read the word "virgin" and you're thinking sexually. No! The Hebrew word there is a "young girl." The whole nation is in trouble and they need a sign from Yahweh. There's war going on. They need a sign from Yahweh. Yahweh told Isaiah, *You tell them that I'm going to send a sign—a young girl is going to have a boy, and Yahweh is going to be with that boy.* That's what Immanuel means—Yahweh is with him. It didn't say he was Yahweh, it said Yahweh was with him. And He said, *I'm going to use that boy to fulfill My purpose—right now in the land of Israel, that boy was born.*

Brother Vaughn, I don't know if I believe that. Read the next verse. It says that he could choose between good and evil. Did Yahshua have to choose between good and evil? No.

Verse 15 Butter and honey will He eat, so He may know to refuse evil and choose righteousness;

Oh, it says Immanuel. Moses was Immanuel! Yahweh is saying to Moses, *I'll be with you.* You've got to learn what Immanuel means. I hope when teaching this message, I'm Immanuel! I hope Yahweh is working with me as I write this message! Immediately we think that's Yahshua, but no, Yahshua was the *next* fulfillment of that prophecy. The first fulfillment was in the physical—a regular boy. That boy was born Hezekiah's son. He grew up to save Israel. Go read about it! But then on the upward journey—someone say, "Round and round we go." The Bible says there's nothing new under the sun. A virgin would have another son and Yahweh would be with that one, as well. He would deliver Israel and that was in the spiritual fulfillment of that prophecy. When you get with people who don't know their Bible, they'll say, *That's blasphemy.* I can't help it if you're ignorant. Don't challenge people when you don't know what you're talking about. Quit challenging people, and listen! Learn something. Get off your horse and let Yahweh blind you. Yahweh had to blind Paul's physical eyes and even though that was a physical fulfillment, it was coming back around.

Now I'm going to tell you about another prophecy that was fulfilled but has to come back around and if you don't understand what I just taught you, you'll get

messed up. You've got to know these vital keys to understand your Bible. Now I'm going to prove a couple of things. I'm going to prove to you that you've got to overcome these false images in your mind. *What false images?* Physical temples. Physical Antichrist. I'm going to show you that the Antichrist already came about 2,000 years ago. But Satan says, *Go ahead; keep on watching; look at Germany and watch for him.* Distraction. I'm going to prove to you tonight that the physical event of *every* Bible prophecy has already occurred. The *physical* event has already occurred. I'm going to show you when the Antichrist already came. I'm going to show you how you're stuck on the physical when Yahweh's moving you now, into the spiritual. I'm going to show you who the Antichrist is. Bible scripture teaches that there will never be another physical temple in Jerusalem.

Revelation 21:22 And I saw no pagan (godworshipping, elohim worshipping) sanctuary in it; for THE HOUSE OF YAHWEH, the body of Messiah, was in it.

I need you to listen carefully as you read, and focus. Here's where the bread is. *I saw no pagan (godworshipping, elohim worshipping) sanctuary in it. I saw no temple in the city!* The Bible says that there will never be another temple in the Holy City. Now if your Bible says that, why do you believe there will be? The reason there is no physical Third Temple ever built in Jerusalem is because Yahweh has *already* built the Third Temple. But you're over here looking at number two and Yahweh's already finishing up number three! While you're looking for the Temple, that's why you aren't living right. Satan's got you looking for the Temple instead of *you* turning *into* the Temple. I want to show you what Yahweh is doing right now. I want to show you an interesting scripture.

Revelation 3:14 And to the malak of the congregation of The House of Yahweh of Laodicea, write: These things says the Faithful and True One, the One testifying of the faith and the truth; the first perfected of Yahweh's creation:

Now he's talking about who? For more clarity read the King James version below.

And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God;

Now here's a very interesting scripture talking about Yahshua. Do you know what it's calling Yahshua right there? The beginning of the creation of God. How is Yahshua the beginning of the creation of God? Because when Yahshua came, Yahweh started the *New Creation* with Yahshua. What creation? The Third Temple—the one you're looking for in Jerusalem! *Distract!* We're talking about the Temple of His body. Who is His body? You are! You better be getting ready in *this* House or you're going to miss out on the spiritual fulfillment of the Temple of Yahweh! How is Yahshua the beginning of the creation? Because it was with Yahshua that Yahweh began a new creation—the Third Temple of Yahweh. Now let's go break it all down as we read Ephesians 2:19-22.

Ephesians 2:19-22 **19 Therefore, now you are no longer strangers and foreigners, but fellow citizens with the saints and members of The House of Yahweh; 20 And are built on the foundation of the Apostles and Prophets, Yahshua Messiah Himself being the Chief corner stone.**

Hold on; we've got a cornerstone here! Do I have any builders here? Do you want to tell me what a cornerstone is? It's the beginning of the *creation* of the building. Revelation just said that Yahshua was the beginning of the creation of this new building. Now why does it say that He's the beginning of the creation of Yahweh? Because I'm going to prove to you that Yahweh's going to dwell in that Third Temple. So Yahshua is the beginning of the creation of this House of Yahweh. It's just going to get better and better. Keep reading because we've got a long way to go.

21 Whom the whole House, being fitly joined together by Yahweh's unity, grows into The Holy House of Yahweh.

Somebody say, "The *whole* House." Somebody say, "The *whole* Temple!" It couldn't have been possible without the beginning of the Temple of Yahweh. Yahshua—the beginning of the creation of Yahweh's House.

Being fitly joined together. I've got to stop and teach right there. I hear every day of my life: *I don't need the congregation. Me and Jesus got our own thing going. I don't need to be in church. I don't need a pastor. I don't need to be under nobody.* You know what else they say? *I **am** the church.* No, you are one little brick *in* the church, and according to that scripture, unless you are fitly joined together with the rest of Israel, you are **not** that church. Maury Povich says you

are not the daddy. Quit lying. *I'm The Temple of God.* That's the biggest lie that has ever been told. Quit lying—you are not The Temple of Yahweh. You are one stone of that Temple and you must be fitly *joined together*. Unless you are fitting in... *Well I can't go over there because I can't get along with anybody.* Then you're not the Temple. You better find a way to like the people you don't like. If you don't like the preacher, get over it and go anyhow. If I get on your nerves, get over it and go anyway. This isn't about me, it isn't about you. This is about the House that Yahweh is building.

Listen, Yahweh is building a building and He wants you to be part of it because Yahshua cannot come to His Temple until His Temple is built—the restoration of *all* the pieces. He's coming to dwell in a temple not made with hands; a temple where the Son of Yahweh is the Light. You've got to get that Temple ready. It's got to be finished; it's got to be completed; it's got to be *exact*. It can't be a temple of false doctrine. It can't be a temple of idol worship. it can't be an unholy temple. It's got to be holy! *Are they through with the Temple in Jerusalem yet?* The devil loves that Temple because as long as you're worried about that Temple, you aren't trying to get *this* Temple right. It's a trick; that's right, it's a trick, a magician's trick. You're looking over there while you're robbing your tithe! *Have they about got it finished? Somebody sent me a video.* I get videos from the time I wake up until the time I go to bed. *Trump's bad. Putin's bad. Biden's bad. Everybody's bad.* There isn't anyone good except for Yahshua, the Bible says. We live in an evil world. Focus on what matters! Focus on this Temple. Somebody told me today they found the red heifer. Do you know how many years they've been talking about this red heifer (supposedly heralding the construction of the Third Temple and the return of Yahshua)? *They found ashes.* Well, good, because before they found the ashes of the red heifer, Yahweh looked down in this church and saw a sacrifice on the altar of a bunch of red heifers and we qualified for that sacrifice. It's a trick! It's a distraction to keep you from doing action. Let's keep reading.

22 And in Him, you are also being built together to become The House of Yahweh through the Spirit.

So can you do it on your own? No, you're being fitted *together!* *Well, I want to rule and reign with Christ.* You don't even like anybody in the church! *I'm going to have a throne.* I hope you don't. *I'm going to be part of the 144,000.* If you are, don't let me because some of you don't listen. Your *love* better be greater than your *like*. You better love every member of this ministry like they are your brother

or your sister. I don't care if you don't like them. You better love them. *They get on my nerves.* You get on mine, but I'd lay down my life for you, pay your rent for you, buy you a car; I'd make sure you're taken care of. Why? Because *love* is greater than *like*. *I can't go to that church.* Then don't. Now we're moving on to scripture from Luke, I Peter and John.

Luke 20:17 But he looked at them, and said: Then what is this that is written? The stone which the builders rejected, has become the Head of the corner.

The corner of what? The Third Temple. The one you all think is going to be built in Jerusalem. It was being built under your nose the whole time. He said, *I'm the cornerstone that the builders rejected.*

I Kepha 2:6 Therefore, it is also contained in the Scriptures: Behold, I lay in Zion a Chief cornerstone, elect, precious; and he who believes on Him will by no means be put to shame.

I lay in Zion! Hold on; where is Zion? Look around. He said, *I lay or I'm in the midst of Zion.* This is Zion. The midst of Israel is Mount Zion. He said, *I lay in Zion!* I've outgrown the age that I grew up in. I am so desperate for a songless song, for a wordless song; so desperate to move into a realm of glory. I used to go to Virginia to Sister Heflin's campground. I promise you that for hours it sounded like angels singing in the Spirit. Nobody was singing in English; everyone was singing in the heavenly tongue in the spirit realm. Why? Because that's where Zion is. It's not in churchanity, it's in the glory of Yahweh. That's Zion! This boy has a love for the Word of Yahweh. That's the way I was when I was a boy. I was a preacher's best friend. I loved the Word of Yahweh. That's the only way I kept my sanity. I should have turned out every way they said I would turn out, but I turned out *His* way because I met this stone laying in Mount Zion.

Now read the next verse very carefully because I'm going to show you that the physical second temple was destroyed in 1870. It was prophesied in the Old Testament and built in the New Testament and destroyed in 1870. It's over! It's gone. Quit trying to rebuild it, because Yahweh's moved on to the spiritual.

Yahchanan 2:19-21 19 Yahshua answered, and said to them: Destroy this House, and in three days it will be raised up. 20 The Yahdaim

then said; It took forty-six years to build this House, and You will raise it up in three days? 21 But He spoke of the House of His body.

Yahweh said, *I'm going to tell you what I'm talking about, son.* He said, *Go ahead and kill Me because I'm going to build another Temple.* He said, *It's the Temple of My body—not my physical body, but **you!** I'm going to build The Third Temple! I'm the beginning of it. Kill Me so I can lay in Zion and build up Mount Zion, the Temple of Yahweh. We can't get this Temple built until the cornerstone is ready ,so lay me down! I'm talking about the Temple of My body.* Hang tight because in the end time, something's going to come inside that temple that wasn't supposed to come—a false image of a false Jesus. If Satan's got you looking in Jerusalem, you won't be listening to what the preacher is preaching about the Temple. While you're waiting for the Antichrist over there, he's been in your church every Sunday, preaching. Read II Peter 2:5 and then I Corinthians 6:19 .

I Kepha 2:5 You also, as living stones, are being built up into a spiritual House, The House of Yahweh, to be a holy priesthood, offering spiritual sacrifices acceptable to Yahweh through Yahshua Messiah.

You also as living stones, are being built up into a spiritual House. But you're trying to build one in Jerusalem with priests and sacrifices. You are committing abomination by even thinking such a thing. He said, *I'm building a Temple and you are the stones of that Temple.* You're the living stones. And He said, *I'm going to put some priests in that Temple.* You shall be called kings and priests. Yahweh's building a Church while you're looking for one over in Jerusalem, Yahweh's already building it. The Third Temple is coming. It's rising; it's almost complete. You know what's happening to it now? It's being perfected. I told you this is a finishing message. They've been building that Temple for 2,000 years, but now it's time for the trim work. Now get it right. Now it's time to say if that chandelier's hanging wrong. That doesn't mean you'll be going to Hell because it's hanging wrong, but we want to get the Temple just right. We're on the finishing touch of the Temple.

II Corinthians 6:16 And what agreement does The House of Yahweh have with gods (elohim)? For we are the House of the living Father. As Yahweh has said: I will dwell in them and walk among them. I will be their Father, and they will be My people.

What agreement does this Third Temple have with Christmas trees? This is a Temple not built by the Roman Catholic pope. This is a Temple by the Messiah of Israel and it doesn't fellowship with anything that came out of Babylon! It doesn't baptize that way, it doesn't celebrate that way—no fellowship whatsoever.

Brother Vaughn, the Antichrist is going to build a Temple and come and commit Abomination of Desolation in the Temple. No, he's been doing it since the pope. He's been doing it since he changed the Sabbath to Sunday and Christmas was brought into the House of Yahweh, since Easter was brought into the altar of this holy Temple. Celebrating pagan holidays in a holy Church! *Brother Vaughn, I don't see any harm in it.* It's not your church! It's not up to you. *Brother Vaughn, I'd come to your church but I'm not going to dance like you do.* It's not your church; you don't do it your way. He told you to "Dance before Me." You do it His way or get out of His Church.

How many of you have heard, *Go to the church of your choice?* It's a lie from Hell! You better go to the church of Yahweh's choice. You better go to the one that's doing it by the Book or you're not going to make it in this Third Temple. There will be no place for you. Why do you think I preach as hard as I do? Yahweh is building a Holy Temple. Satan said to watch over there and when you see the Antichrist, come inside that Third Temple and put a pig on the altar, that's when Jesus is returning. He put a pig on this altar. Pope Gregory put a pig on this altar when he brought the abominable practices of witchcraft and paganism into Yahweh's Church and said, *Put it on the altar.* You were the Abomination of Desolation and nobody saw it because you're waiting on it.

There's a video clip that looks like the Abomination of Desolation that they found in Iraq or somewhere. No, they found it in your church! Saturday is the Sabbath Day and if you call any other day the Sabbath than what Yahweh calls it, then you've committed the Abomination of Desolation in the Temple of Yahweh. *Brother Vaughn, I don't see any harm.* It's not your church! So I have an idea. Why don't you get out of this Temple and do what everybody else did—start a new denomination and name it whatever you want to name it. But as for me and my house, we will serve Yahweh. We will walk in His precepts. We will build this Temple and do whatever we have to do. You can laugh at us, mock us, run us down, but I plan to be in *that* Temple! They've got a new name for the Third Temple. It's called a cult. You know why? Because we believe in obedience; we believe in holiness. You call it what you want to name it. He called it Mount Zion.

He called it the Household of Faith. I'm glad to be in this House. Look over there for the Antichrist. You don't believe the Antichrist has already come so therefore Yahshua can't come because the Antichrist hasn't come.

I Corinthians 6:19 Or do you not know that your body is the sanctuary of the Holy Spirit in you, which you have from Yahweh, and you are not your own?

And you're going to go walking around town with your butt hanging out, your bosoms hanging out. Don't you look a sight on a beach in your negligee that only your husband should see you in. Yahweh's temple is a Holy Temple and I don't care if you don't come back; I've got to face Yahweh. *I don't need any man telling me what to do.* That's exactly what you need! The Bible said your heart is wicked and you have to watch it. You need a husband who will say, *Honey, that's not godly.* Get it right; straighten it up! *I'm not going to go to a church that tells me how to...* Then you're not going to Yahweh's Church because He said in His Word to His preachers, *Teach my people the difference between the clean and the unclean, the holy and the unholy.* No need to stop eating pig if you're going to look like a pig. *We don't eat pork in our church.* But you dress like pork. It's pigs that wear these rings hanging out of their noses. I feel an anointing to straighten this church out. We've got to walk in holiness before Yahweh. It's a Holy Church! Walk holy before Yahweh. This is Yahweh's House. I'm calling my congregation to get it right. It's time for every one of us to straighten up and fly right. We are the Temple of Yahweh. We are a holy people.

Brother Vaughn, what happened to the world where boys don't even know if they're boys anymore? I'll tell you what happened. You started blurring the lines years ago. Why are you shocked? You're the ones that let them start dressing girls like boys. Now boys start dressing like little girls and now you want to know what happened to the world. This isn't the world's fault. This is the churches' fault. As goeth the church, so goeth the world. When we quit preaching holiness, the world will go to hell in a handbasket and that's exactly what it has done. I've never been a clothesline preacher. I don't tell people what to wear or how to look, but I will tell you this much—you need to learn what the word *modesty* means. You need to learn what the word *godliness* means. You need to carry yourself like a lady and if you're a man, quit prissing; carry yourself like a man. We need holiness back in Yahweh's Church. Why? It's His Temple.

Here's something else we have to deal with other than the end time prophecy message. *Brother Vaughn, I don't want to be part of organized religion.* Maybe your life needs a little organization. *I don't need anybody! I don't need a man.* That's a lesbian's speech and it's all in the church. Men have got it, women have got it. *I don't need a man telling me what to do.* Then who's going to tell you what to do? Do you not need anybody telling you what to do? You know what the old timers used to say when I was growing up? Preacher, preach to me! Oh I wish we had a church that said, "Preach to me whether it makes me mad or angry, preach to me! Preach to me the truth of the Word of Yahweh."

Yahweh's building a Temple and now Yahshua's going up to Heaven and He says, *Wait a minute; I've forgotten something. I want to give you all some gifts.* To whom? *My Church!* Not to the world, because the world doesn't want anyone telling them what to do. *My Church is sheep; they'll listen.*

Ephesians 4: 11-16 11 And He gave some to be apostles, some prophets, some preachers of the message of the Kingdom of Yahweh, and some pastors and teachers:

I have a question for you. If I give you a dollar bill or a hundred dollar bill or gold—if I have a gift for you and I give it to you, what if you tell me you don't need that? That's what the whole church does to Yahshua when they say they don't need a preacher because He gave them a preacher as a gift to His church. *He's a man just like me.* No he's not; he's a gift from Yahweh. The Bible says he's the angel of the Church. If you ever learn that, Yahweh will bless you. Growing up, I served my pastor. I served him because I was hoping that thirty years down the road that today would happen and I'd carry some of what he had and I got some of that because I served the man of Yahweh. I got it. He's dead now but he's still alive because I've got it and I preach just like him. I picked up a mantle because I was willing to pick up his shoes. *I don't need a preacher.* Some people don't understand that Yahweh has put a prophet in your life. *Okay Pastor, I do need one but I just need him for encouragement.* Read what Yahshua made him for—the perfecting of the saints.

12 For the perfecting of the saints, for the work of the ministry, for the building of the House of Yahweh, which is the body of Messiah. 13 Until we all come to the same unity of the faith, and of the same knowledge the Son of Yahweh has, unto a perfect man, unto the

measure of the stature of the fullness; *perfection*, of Messiah. 14 No longer are we to be children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men *and* cunning craftiness, by which they lie in wait to deceive. 15 Instead, speaking the truth in love, *we* may grow up in all things unto Him Who is our Head—Messiah— 16 From Whom the whole body, being fitly joined and brought together by that which every joint supplies; according to the effective working in the measure of every part, causes growth of the body itself for the building of The House of Yahweh, in love.

Why did He give you preachers? It wasn't even to win the lost. That's your job. Why would I preach to sinners when they aren't in the church? Sinners don't go to church; they go to bars. What you have in the church are saints. Preach to them and *perfect* them, or mature them. Does anyone know what maturing looks like in my house when I was growing up? You were being matured whenever you opened your sassy mouth to Mama. You got a little something right across the face—you got some perfecting, some maturity. Do you know that is why Yahweh gave you a preacher? For the same reason: to get you ready for that Temple of Yahweh, to be holy and acceptable unto Yahweh. Preach to me! What is he perfecting? *You*, so you can go do what he's teaching you to do. Why is he perfecting the saints? For the work of the ministry.

Our pastor doesn't visit the sick. He's not supposed to. You need a hospice worker. My job isn't to coddle you or even be friends with you. My job is to do what I'm doing right now—to prepare you for the coming of Yahshua. Come join me for hot coffee; I'm serving hot coffee right now. Can you handle it? No, we've gotten lazy. We think we're going to hire the preacher to do the work of the ministry. No, no, no. *You* do the work of the ministry. The pastor trains you for it. The scripture says, *for the building of the House of Yahweh*. What is the preacher to do? To build the Third Temple. Can you hear the smith right now? He's building that Third Temple. He's smithing coals of fire. Do you know what Yahweh is telling you right now? Don't look out there; look in here so you can be ready when Yahshua comes.

We'll close with three scriptures, starting with Revelation.

Revelation 21:3 And I heard a great voice out of heaven, saying: **Behold, the tabernacle of Yahweh is with men, and He will dwell with them, and they will be His people, and Yahweh Himself will be with them, and be their Father.**

Hold on; that word “is” is not supposed to be in there so read it without that word. With the Sons is where He’s going to dwell. He’s not going to *go up* to some temple. The Temple of Yahweh *is* the men. Your Bible says, *Behold the Temple of Yahweh with men and I will dwell with them.* Somebody said, *I just want to go to Heaven to be with God.* No, what that just told you is He’s coming to dwell *with men.* Read John 14:23.

Yahchanan 14:23 Yahshua answered, and said to him; **If a man loves Me, he will keep My word; my teachings pertaining to the Law and the Prophets; and My Father will love him, and We will come to him and make Our home with him.**

The next scripture from John is a verse that I pray will change your life like it did mine.

Yahchanan 14:1-3 **1 Let not your heart be troubled; you believe in Yahweh, believe also in Me. 2 In my Father’s House are many mansions; if *this were not so,* I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you to Myself; that where I am, *there you may be also.***

You hear this at every funeral. *You see, Brother Vaughn, Yahshua’s going to His Father’s House to prepare a place for me to come.* No, you misread it your entire life and I’m going to explain it to you. What is the word “house”? Have you ever heard of the House of Windsor? What is that another word for? The *family* of Windsor. It’s saying, *In my Father’s family, there are many places He wants to dwell.* Yahshua is saying, *Up until this point, He’s only dwelled in Me, but I’m going to get out of the way and make a place for you. That word “mansion” is “dwelling place” in the Father’s family and because I was the beginning, I was the only dwelling place.* His disciples are asking Him not to leave, but He’s saying He has got to go because His Father wants to make a Temple of Him:

many places to move into—a Temple of the whole body. I will prove it to you in verse 12.

Yahchanan 14:12 Truly, truly, I say to you: He who believes on Me, the works that I do, he will do as well; and greater works than these will he do, because I go to My Father.

...and greater works than these will he do, because I go to My Father. Yahshua is saying, I've got to move out of the way. I've got to go to My Father. There's many dwelling places and He's not happy with Me being the only one. How are we going to do these greater works? Because I'm going to My Father. It was never about Me; it was always about you and if I stay, you miss out!

13 And whatever you will ask in My Name, that I will do, so that the Father may be glorified in the Son. 14 If you will ask anything in My Name, I will do it. 15 If you love Me, keep My commandments;

Because if you don't keep His commandments you're not going to be the Temple that He dwells in.

16 Then I will ask the Father, and He will give you another Comforter, that Yahweh's Spirit may remain with you forever— 17 The Spirit of Truth, which the world cannot receive, because it does not see Him, nor know Him. But you know Yahweh, for He dwells with you, and will be in you.

*The Holy Spirit was in Me, only in Me, but now that I'm leaving, Yahweh's Spirit will be with you forever. Right now He's dwelling with you. He is doing that through Yahshua Messiah. Yahshua said, Up until now I have only dwelled with you but if I get out of the way, Yahweh will be **in you—the Word of Truth** which the world cannot receive because it doesn't see Yahweh or know Him, but you know Him. Why? Because right now He is dwelling with you. How? Through Yahshua Messiah. He's saying that until now, Yahshua has only dwelt with you, eaten with you, gone fishing with you, but now He'll get out of the way and this is what will happen:*

18 I will not leave you comfortless; I will come to you. 19 Only a little while, and the world sees Me no longer; but you see Me. And because I

live, you will live also. 20 At that day you will know that I am in My Father, and you in Me, and I in you.

When I first heard that, I nearly lost my mind. I don't know about religious folk. You think you know something but you don't know anything, yet you sit there like you do. I've just now told you more truth in the last five minutes of reading, than you've heard in your whole life. Don't count it as nothing. You thought that was talking about you going to Heaven, living in a mansion. How big is the New Jerusalem? Fifteen hundred miles. Now you're going to have your own mansion, right? How far are you going to be away from Yahshua? As far as California? You're that close now so you may as well stay here. What do you need a mansion for? Do you need a restroom? Do you need to sleep? Watch Fox News? CNN? Then what do you need a mansion for? Carnal! I'm proving to you how carnal you've been. It's that same carnality that's been looking for the Antichrist and the Third Temple in Jerusalem. Yahweh wants a mansion. You don't need one. He's looking for one and you *are* one. You are His mansion, His temple. I'm proving how carnal we are when we read the Bible. *I want a mansion.* Fifteen hundred miles away from Yahshua! You're closer than that right now. You can just call His name and He'll be there. But he's looking for a mansion. *I will not leave you comfortless; I will come to you. Only a little while and the world will see Me no longer. But you see Me and because I live, you will live on. That day you will know that I am in the Father. You are in Me and now I'm coming in you in the Third Temple.*

And verse 21 says it all.

21 He who has My commandments, and keeps them, he it is who loves Me; and he who loves Me will be loved by My Father, and I will love him, and will reveal Myself to him.

Verse 23, and we're done.

23 Yahshua answered, and said to him: If a man loves Me, he will keep My word; my teachings pertaining to the Law and the Prophets; and My Father will love him, and We will come to him and make Our home with him.

We will come to Him and turn Him into our mansion. We will move into that Temple. *My Father and I are looking for a mansion; We're looking for a Temple. Will you give us one?*
