

The End Times (part 9)

The Mystery of God

By Shane Vaughn, First Harvest Ministries

Revelation 10:7 But in the days of the voice of the seventh malak, when he will begin to sound, the great secret of Yahweh would be finished, as He declared to His servants the prophets.

KJV But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

The Days of the Voice. I want you to hear me tonight. We are living in the days of the voice. When you see the word *voice* in your Bible, it is a message. God, Yahweh is raising up men and women in this hour, with the voice of the Last Day message. And the Bible said in the days of the voice of the seventh angel when he shall begin to sound, the mystery of Yahweh will be complete.

Now when you see the word *mystery* in your Bible, we sort of think in our mind we can't understand it. That's a bad word for this translation because *mystery* means something that can't be figured out. But this word is the Greek word *mysterion*, which means *secret*. A secret is not a mystery. A secret means somebody knows, but everybody doesn't know. What did the disciples tell Yahshua Messiah, Jesus Christ? They said, "Why do you speak to them in parables, but when you get around us, you make it plain?" He said, "Because it is not for them to know the mystery, but unto you. It's the Father's good pleasure to tell you the mystery."

I don't know about you tonight, but the secrets of Yahweh are revealed to the prophets. They're revealed to the people of Yahweh. Tonight I want to preach to you about one of those mysteries. Yahweh bless you; you may be seated tonight. HalleluYah. Yahweh bless you. Now you'll have to stay with me. I plan to dive in pretty deep tonight. Tonight is the fifth night of our

sermons on the End Times. We've been preaching this message for five weeks concerning the Feast of Trumpets. We have spent five weeks on the Feast of Trumpets. I have not gotten to Atonement yet, or Tabernacles, or any of that. We're talking about the Feast of Trumpets and what it means.

If you're not careful, you'll keep the Word of Yahweh out of a religious spirit. What do I mean by that? There's two parts of the Word. There's the milk of the Word, and there's the meat. The milk of the Word is when you read this Word and you obey it just because of what it says. You don't even know why you're obeying it. You don't understand what it really means, but you're obeying the Word of Yahweh. It's like if I taught you to be baptized in the Name of Yahshua Messiah Jesus Christ, and you went and did it, but you didn't really know the importance of it. You didn't understand the gravitas of it. You just did it.

Well, that's good; that's a good start. That's called the milk of the Word, when all you understand is the letter of the Law. The Bible said the letter killeth. What does that mean? If you don't understand the Word of Yahweh, you will obey it and resent the fact that you're having to obey it. Oh yeah! But when you come into the meat of the Word of Yahweh, all of a sudden the Father begins to reveal the secrets behind the words. And now, once you get the meaning of why, all of a sudden it makes sense, and you want to obey it. When you get to that point you have come into spiritual maturity.

We must all have a hunger to know why. Yahweh's not afraid of your questions tonight. Did you know that? Yahweh's not hiding anything from you. The only people Yahweh hides truth from are people who don't love truth. If there's no hunger in your heart for truth, Yahweh holds it back, but the moment you see truth and you say, "Yahweh, I love it!," watch out, because He's about to lay out a buffet for you: one thing, and then the next thing—more, and more, and more, because it's the Father's good pleasure to show you more! Say: More; I want MORE! HalleluYah!

I'm a cook. I love to cook. You can ask my wife. My grandmother when I was growing up, if you went to her house and she was cooking, she fed you,

she'd watch your face to see if you loved it. She didn't ask me, "Do you like it?" She always said, "Do you love it?" I said, "I love it," and when I said that, she would go back to the pot and get me some more. So Yahweh is asking you tonight, "Did you love the last Truth I gave you? Did you love it? Did you LOVE it? I'm ready to give you more!" Because Yahweh keeps secrets from the world, but not from the Church. Do you know why you're here tonight? To get more secrets revealed to you, from this good Book; this good Word of the Lord. Tonight we've been talking about the end times, but the verse we just read—Revelation 10:7—let's read it again.

But in the days of the voice of the seventh malak, when he will begin to sound, the great secret of Yahweh would be finished, as He declared to His servants the prophets.

Notice it doesn't say the day. What does it say? *In the days*—plural. Ladies and gentlemen, this is speaking about a period of time just before the Coming of Messiah when there's going to be a voice. What is the better translation for *voice*? There's going to be a *message*. *What kind of message, Brother Vaughn?* I'm getting ready to teach it to you. He said, "When you hear this message coming forth..." *Brother Vaughn, it says the voice of the seventh angel.* What do you think the word *angel* means in Greek? The *messenger*.

We're not talking about an angel up in heaven. You're listening to an angel right now. I've got a few horns, but I'm still an angel. Why? I'm a messenger. HalleluYah. I said, "I'm a messenger." He said, "When you hear the last day message coming forth from the messenger, get ready for the Coming of the Lord!" It's going to be a certain message. It's not going to be one you're going to like. It's not going to be one that will fill up the Church. But it will be one that will get people ready for the Coming of our Lord. He said, "When you hear that message, get ready."

I've been hearing this message for the past seven or eight years coming forth; the message of the seventh angel. What does that mean? The seventh message. I've taught about all the messages of the different angels, but this

messenger has a different message; a different sound. Back fifty years ago, we heard the voice of grace. That message was preached around the world. But there is another message coming out in our day: of holiness. I'm not talking about just clothes. I'm talking about a walk with Yahweh closer than anybody's ever known. Why? We are coming into the finishing touches of the Church of the Living God. This message is a clean-up message. It's a message of cleaning up; getting ready!

When they built this building, if you would have come one month after they started and you had driven up to the grounds, you would look around and say, "What a mess." Why? There would be studs exposed, and there would be bags of concrete laying everywhere, and sheetrock piled up. In your mind this would look like a mess. But to the man who drew the blueprints, it would look right on time. I hope you hear me now. The man who drew the blueprints: it doesn't look like a mess to him. It looks like it's right on time. Do you understand me? Yahweh's Church has been built over seven angel messages, over seven periods. It's called the Seven Church Ages.

Yahweh's Church has been imperfect, but listen to me. The day of imperfection is coming to a close. We're moving now into the finishing touches of the Church of the Living God! This building, had you walked into it a month before it was ready to be moved into, you would have seen the sheetrock up; you would have seen the paint, but you would not have seen the baseboards. You would not have probably seen the railing around the baptistry. You definitely would not have seen the beautiful accents and the decorations. You wouldn't have seen the curtains. Why? You could have still had church in it, but there was not a finishing touch to perfect it.

Yahweh's Church has been working on a building. I said, "Yahweh's been working on a building through the messages of the messengers. It's not been perfect, but it's been coming to perfection. You and I are living in the finishing touches of Yahweh's Church. I call it Perfecting Glory. Yahweh is perfecting His people. He's bringing them in obedience to His Commandments. He's bringing them to sell out, because this angel is

sounding as I speak to you tonight. This angel is sounding. Let's go on to Revelations 10:8.

Revelation 10:8-10 And the voice which I heard from heaven spoke to me again, and said: Go, take the little book which is opened in the hand of the malak who stands upon the sea and upon the earth. 9 And I went to the malak, and said to him: Give me the little book. And he said to me: Take *it*, and eat it up; and it will make your stomach bitter, but it will be sweet as honey in your mouth. 10 And I took the little book out of the malak's hand, and ate it up; and it was sweet as honey in my mouth. And as soon as I had eaten it, my stomach was bitter.

Let me tell you what this means. The Angel of the Lord said, "I'm going to bring you a perfecting message now. What I allowed in days gone by in My Church, I will not allow it any longer." Why? We were not in the finishing touches. We were building a building. But now there's a message of perfection going out, *to get My people ready for the Coming Kingdom of Yahweh.*

He said, "If you want more, like you said you did, take and eat it." The angel said, "John—representing the Church—if you want more, take and eat it." John said, "I'll eat it," and the angel said, "I must warn you John, because you represent the End Time Church, before you eat it, I'm going to tell you what's going to happen: When you first eat it, you're going to love it."

When you first hear Truth you're going to love it. You're going to say, "HalleluYah!" You're going to shout it all over the Church. But the angel said, "In a few days when the message begins working on you, when you begin to feel it changing your lifestyle and demanding you walk differently than you walked before; when it starts working in your inside, when it gets down deep and makes you question everything you ever believed; when it gets down deep and makes you feel unsure about everything, all of a sudden, everything you were excited about, you'll start getting nervous

about.” Why? Because when Truth comes, it demands a CHANGE! It demands it! You’ve either got to eat Truth, or throw it up.

Here’s what the angel said, “You’re either going to love it, or you’re going to throw it up: it’s up to you. It’s going to make your belly bitter when Yahweh starts working in your life, demanding that you be holy. You’re not going to like it, but if you’ll eat it, you will be like Yahweh.” He said, “Eat it son. You said you wanted more. EAT IT. You said you wanted more. Take it!”

He said, “You’re going to like it at first, but when you get home and you see that your life is demanding change, then you know what happens when your stomach is getting ready to throw up, don’t you? Your stomach starts getting bitter. Something isn’t sitting right.”

Truth when it comes, if it doesn’t change you, it wasn’t Truth. This day we’re living in today, Yahweh is calling people like you to leave Babylon out of every religious system, and EAT THE WORD! Digest it! Let it get so deep in you, you don’t even know what you believe anymore. All you know is that you want to be like Yahweh! Whoooo! HalleluYah! MORE! HalleluYah!

The Bible says when this message goes forth, that time shall be no more. Now why did Yahweh create time? I want to show you something. My ring represents what? Eternity. Why does this represent eternity? There’s no beginning and no end. However, if I was to draw a line between that circle, that line would represent time. Why? Because time has a beginning and an end. Yahweh, God the Father, created TIME for a reason. But according to Revelation, when the seventh angel sounds, time will be no more. Why? Because time was created for a very specific reason.

Yahweh allotted SEVEN DAYS of Time. Why? It has a purpose in your life. Do you know why you’re running out of time? Because there was a day when men would live a thousand years. But Yahweh said, “I’m tired of fighting with men.” Why is Yahweh fighting with us? It’s real simple. Because you want to remain what you were born as: an animal. There’s not

a person sitting in this room who is not an animal. The very word *homosapien*, which is what you are, is a mammal; an animal.

Brother Vaughn, I'm not an animal. Oh really? Then why is it that no one can tame you? No one can stop you from rebelling against Yahweh? Do you know that everyone in this room was born the enemy of Yahweh? Do you know why? Because you were born by sexual creation, and from your mother and father comes a curse on your life; and that curse is rebellion to Yahweh. *Brother Vaughn, I don't believe that.* Then who taught the two-year-old child how to say no to you? Who taught the little suckling infant to reject your commands when you would tell them, "Don't touch that!" Who taught them to rebel?

Where did it come from? It came from the nature of the animal. Where does that nature come from, that would cause the man who has a beautiful family to run off with a woman that doesn't even look as good as his wife? Why would he give it all up? He's an animal! Even a dog will go with any old female dog that walks across the yard. Why? He can't help himself. A man cannot help themselves. Without Yahweh, the Bible said they are brute beasts. You're an animal! What causes you to hurt people that you love? What causes your children to steal from their own mamas and daddies? They're animals! They're running wild.

But Yahweh said, "When you were born, I created something called Time, to tame you." Time to Tame You! Back then, they wouldn't get tame even after a thousand years of Yahweh dealing with them. What did He tell Noah? "I'm done. I'm done with men." He said, "Now I'm tired of them kicking against these bricks. Now I'm going to give them 120 years to tame them. That's it." Why? Because when you come to Yahweh, the Holy Spirit of Yahweh was planted into your mind, and at that moment, a change began. When you come to the altar, when you go to the waters of baptism, and you receive the infilling of the Holy Ghost, you ate the book at that point.

The book moved in. Why did the angel say, “Eat the book.”? I’ll show you why; let me see it. As long as these are words on a piece of paper, they can’t change you. But the moment the Holy Spirit, which is the Word of Yahweh, moves in, that’s called *eating the book*. When the Holy Ghost moves in, this book moves in. It comes off the paper and becomes a living reality in your life. That’s called *eating the book*: when you get the Holy Ghost. You ate the book. The book moved in and began to change you. Change you to what?

Let’s read about it. Let’s read what the Word of Yahweh says. I want to show you about the end time tonight, and what Yahweh’s doing, and why He said the mystery of God would be complete. Let’s read in Romans, what the Word of Yahweh says. This is the purpose of the Holy Ghost.

Romans 12:2 **And do not be conformed to *the pattern of this world*; but be transformed by the renewing of your mind, that you may be able to test and prove what is the righteous, and acceptable, and perfect will of Yahweh.**

Be transformed by what? The renewing of your MIND. Before you received the Holy Ghost, your mind was playing tricks on you. Your mind gives you fear instead of faith. Your mind gives you worry, instead of wonder at the Almighty God. Your mind plays tricks on you. Your mind tells you this: your mind tells you it’s okay to disobey Yahweh. But when the change begins, when you start going through the change, now what happens is that you’ve stepped inside the Crucible of Yahweh’s Time. And now He starts working on your change.

Before that, you were a rambler and a gambler. You were a liar, and whatever you were. But when this book begins working inside of you, all of a sudden, the change starts. Even with those people you used to hate, you feel that hate dissipating. Why? You’re going through this weird change. The caterpillar is turning into a butterfly. Something is changing on the inside. Something is happening that you didn’t anticipate. Those things that used to worry you, now you go to sleep over it. Why? There’s something

happening in your mind! Yahweh is changing you from everything you were, to everything He wants you to be. That's the purpose of Time.

The reason He gave you a hundred years to live is not to become successful. It's so you can become changed. I hope you heard what I said. It's to make you DIFFERENT than you were! The Bible said that every man comes out of his mama's belly speaking lies. But if you've been changed, you'll go to the grave speaking Truth! HalleluYah! You're going through *The Change*!! Yahweh is doing it!

If you've got a preacher that doesn't make you mad enough to punch him in the face, you don't have a preacher. You need a preacher that will make you so mad every time you hear him preach, that you'll say, "I don't ever want to hear him preach again," but then you can't wait to get back! Why? Because Yahweh is doing a change in your life! You're hearing the voice of the seventh angel! What is the purpose? Let's read Roman's, chapter eight. I feel the Spirit of Yahweh! *Brother Vaughn, I wasn't born the enemy of God.* Let's shut you up real quick.

Romans 8:7-11 **Because the carnal mind is enmity against; bitterly opposed to,**

The carnal mind is the enemy of Yahweh! What kind of mind were you born with? Before the change began, it was all about who? ME. Before the change began, it was all about me; but when the change begins, it becomes about all of you—my brothers and sisters in Messiah. It becomes all about Him. Remember these words until the day you die: *The way of Satan is the way of Get. The way of Yahweh is the way of Give.* If you're still taking, you're not going through the change, but when you've been giving so much, you are.

Brother Vaughn, I'm a giver. I'm going to say it one more time. Even carnal minded people can give. But when you're willing to keep on giving when they keep on taking, that's a Giver. *Brother Vaughn, I've given so much.* I know. Now let the Holy Ghost work on you, and you'll keep on giving. Why?

Because you can't help it: you're a giver now. That's why I have a real problem with people that have a problem giving to the work of Yahweh. Why? You're telling on yourself. It's not about the Church; it's still about YOU. It's not about the work of Yahweh. It's still about your light bill. It's all about you.

But when you go through the change, it's all about HIM! HalleluYah! Somebody say: I'm going through the CHANGE! Why? Because Yahweh is getting you ready for that Great Day! Yahweh is getting you ready to rule and reign right here on Earth during the Millennial Reign of the Lord Jesus Christ, and if you're a taker, He can't use you. But if you keep on giving, keep on being hurt, keep on loving those who are running over you, that's the change of Yahweh. That's a word from the Lord to you. Yahweh is moving in our lives. *Brother Vaughn, I'm tired of people hurting me.* Welcome to the change.

I'm tired of people lying about me. If they didn't lie about you, you couldn't forgive them. Welcome to the change. If they don't keep walking on you, you couldn't be like Yahshua Messiah. You couldn't know what it feels like; what He went through. Welcome to the change. My, my, my. Why is this change so important? We're coming into the Perfecting Hour; the finishing touches are being put on the Church. We are being beautified by the Spirit of holiness. We're moving from our religion into our relationship with Yahweh. We're moving from a Church mindset to a Kingdom Mindset. We're moving into the change! There's going to be times where you beg Yahweh to stop feeding you, and Yahweh says, "No, I'll send more."

How do you know when you've been changed? When somebody lies about you and when you're ready to give them a piece of your mind, His mind kicks in. Right when you're about to say, "Let me tell you someth...." Whoa! You do a big turnaround: "Honey, you can say what you want to about me." It's a change! You asked Him to do it! You prayed, "Make me like You." Well, here He comes.

Somebody stuck my elder here with an \$18,000 debt. He was so kind and co-signed to help someone get a vehicle, and you know the story already. What happened? They left this brother with an \$18,000 bill this week. He called me, and immediately instead of being angry at that person, we started talking about people in the ministry who might need a car. Why? You've got to let Yahweh bring you into perfection. It's a work of the Holy Spirit. If you're willing to be hurt, then you're willing to be used by Yahweh. The carnal mind is the enemy of Yahweh. Let's keep reading.

Yahweh; for it is not subject to the Law of Yahweh, nor indeed can be.

It is not subject to what? The Law. When you were born, you were not subject to the Law. We have a real problem with this verse, folks. This is the New Testament. *In the New Testament, my preacher said the Law had been done away with.* It says here in the New Testament that if you want to know if you're carnal minded, it's when you come against the Law of Yahweh. I thought it was done away with. Bunch of tomfoolery is what it is. He said, "You will not submit yourself to the Law of God." You know why you won't? You have been saved by grace. *I've been saved by grace!* There's not one of you saved YET.

Do you know what the Greek meaning of the word *saved* is? I'm getting ready to make some haters around the world mad. Do you know what the meaning of the word *saved* is? Go look it up in the Greek. *Salvo*. It means *delivered*. Let me ask you a question. People ship me Toto packages every day. When my wife and I go to the mailbox, we look like it's Hanukkah time. So when the gift leaves their house, has that package been delivered? No. Therefore, that package is not saved until it gets into my hands. The moment I pick that package up, it's been saved. The word salvation means delivered.

You started on a journey at this altar. When you went into that baptism pool, you started in a place called Mount Calvary. But until you get delivered to Mount Zion, you aren't saved. You get saved when you get

delivered, and I'm still being delivered. The Bible said, "He that endures to the end; the same shall be saved." Do you know why people can't live for Yahweh anymore? They think they're saved. Oh yeah. *Brother Vaughn, I know I'm saved.* You better read your Bible. You'll never see it in one place in your Bible. That's why people don't like me. Do you know what Paul said you had? The HOPE of Salvation. The Bible said that as long as you hold onto that blessed hope, you will be saved. HalleluYah.

You've got to hold on until the end. The Bible said that any man putting his hand to the plow and looks back, he's not fit for the Kingdom of Yahweh. Do you hear me? You people watching me on Youtube, listen to me: You've been lied to all your life, and I've come to tell you the truth. You've got to fight to make it all the way! The most dangerous word in the Christian Church is the word *saved*. *Brother Vaughn, I know I'm saved.* I know you're deceived! The Bible tells us plainly in the Word of Yahweh, everywhere you look, that if you'll hold on until the end, you'll be saved.

Brother Vaughn, what do I have right now? You've got something called a down payment. Have you ever bought a house? What's something you have to bring to the closing? It's called earnest money. The Bible said when you received the Holy Ghost, you received the *earnest* of your salvation. This is all in your Bible, by the way. The EARNEST of your salvation. What does that mean? You got a taste of it. You got a taste of the Kingdom of Yahweh, and if you'll keep on tasting and don't leave the table, I promise you the rest is on the way. HalleluYah!

I'll give you an example of why people don't want to follow the Law. I want you to come up here brother and act like you're swimming in the Olympics. Get down now and get in position to race: Get ready, Get set, Congratulations; you won the race. Bunch of bull is what that is! What happened to the race? You're saved; congratulations. The Bible said, "I've kept the faith and I've run the race. I've RUN the race, and NOW I get the Crown of everlasting life!" You need Truth! If you didn't run the race, you didn't win anything. But when you say *ready, set, and you go*, and you run through anything the enemy throws at you, you will.

He tells you Yahweh doesn't love you, but you keep on running anyway. He lets you lose your house, lose your car, lose your income, but you're still running—running over every obstacle, every lie. You keep on running, running, running, running, until He says, "Well done." You've got to run this race! You've got to still be running when you don't feel like running. You've got to run this race even when you don't understand what Yahweh is doing.

You've got to run; you've got to run. The carnal mind doesn't want to run. The carnal mind wants to be saved. That's why it won't submit to the Law of Yahweh. It's Easy Grace. Easy Grace is really Greasy Grace. You can slip around and do anything you want to do, and be alright with Yahweh. The Bible said those shepherds will answer to Yahweh for what they've told the people. May we not be guilty of the same. I feel like preaching now!

8 So then, those who are of the flesh cannot please Yahweh.

Why do we have to please Yahweh if we're saved? I'm getting ready to preach now, and you're not going to like it. *I don't understand why I've got to please God if I'm saved. That doesn't make a dime's bit of hillbilly sense to me. If I'm already saved, why do I have to worry about pleasing God if I'm already saved? I'm saved. See?*

We keep all ten of those Ten Commandments here, not just two or nine—the fourth one especially. We keep them all. I don't care if you like it or not. I believe in obeying the Word of Yahweh no matter what. I believe in obeying it. The fourth Commandment said to remember the Sabbath and keep it holy. Not the first day, not the second day, not the third day, not the fourth day; the SEVENTH day of the week. *Brother Vaughn, I don't believe I've got to do that to be saved.* You don't. That's the problem. You're trying to be saved instead of pleasing Yahweh.

What does that have to do with my salvation? Does it affect my salvation? It does more than that. It affects your relationship with Yahweh. Brother,

are you two married? I hope so; you're sitting mighty close to one another. *We've been married for forty years.* There you go. That's called obeying Yahweh. I want to ask you a question now. She said she loves you, right? The Bible said that if you say you love Me and you don't keep My Commandments, you're a liar. If she says she loves you but it's all about what she wants, and it's never about what you want, somebody lied. Watch this. Everybody in this room wants Yahweh to love us, but do you want to love Yahweh? How do we reciprocate that love? Yes, He sent His Son to die. Yes, He shed His blood. Now what are you going to shed?

You're going to shed rebellion. Why? Because the carnal mind cannot please Yahweh. It can't be subject to the Law of Yahweh. But these folks talk about there not being any Law of Yahweh, so it doesn't make any sense if there's no Law of Yahweh. There must be a Law. And somebody said, "There's only two laws: love, love, love, love. Just love the Lord, and love your neighbor." You haven't done that—you don't love neither one of them. He said, "On these two laws, hang all the commandments."

Do you see that door back there? It hangs on two hinges. Without those two hinges that door doesn't exist. So the reason Yahshua said, "The greatest of the commandments is to love the Lord your God with all your heart." Do you know why He said that? Because the first four of these commandments will teach you how to love the Lord, your God. HalleluYah. He said, "If you'll love God, you'll keep those commandments by accident."

Oh, I'm just going to love God. Remember the rich ruler that came to Yahshua and asked what he had to do to be saved? He didn't say to listen to Billy Graham and give your heart to the Lord. He didn't say, "Go to the altar and tell Me you're sorry." He said, "OBEY the Commandments." I find it funny that Yahshua's answer on how to be saved is different from our response on how to be saved.

We claim we preach His message. When they asked Him one time, "How do I be saved?" He said, "Keep The Commandments." And they said, "I *have* kept them." Jesus said, "Okay, let's see if you have kept them. Let's start

with the first one: *Love the Lord your God with all your heart.*” *I Do.* “Well good. So money is not your god, right? You don’t love your money more than God, right? Go sell everything if you don’t love your money more than God.” The rich man proved to Him by his response that he had not even kept the first Commandment. Yahshua didn’t tell him to sell everything because that was a requirement to be saved. He was proving a point to him: You don’t love God. You love you.

Ladies and gentlemen, the next six Commandments teach you how to love your brother as you love yourself: *Thou shalt not commit adultery.* You don’t take your brother’s wife: that’s loving your brother. Somebody told me, “These Commandments were done away with.” I said, “No. The Church did away with them. Yahweh never did away with them.” Somebody said, “I’m under the new covenant.” You don’t even know what the new covenant is.” If I see another church with the name New Covenant, I’m going to stop and say, “Do you all even know what it is?” Why? This—the Ten Commandments—is the New Covenant right here.

Why? The Bible said when the Holy Ghost comes, He would take these words off of stone, and He would plant them in your mind, so you could start going through the change; so you could start going through the Change of the Living God! We’re going through *The Change*. We’ve gotta get through this change. You’ve got to love everybody! You’ve got to love the Lord! You’ve got to love the Church. *Brother Vaughn, I don’t need the Church.* Let me tell you something: Where do you think Yahweh dwells? In His Church. When you listen to preachers saying it’s just a building, that’s a lie from the pit of Hell. What is inside the building is the Church of the Living God!

If you don’t love the Church of Yahweh, you don’t love the God of the Church. If you don’t desire to be with these people, you desire to be with the world, and you can’t mix the two. This is the people of Yahweh! You will know how much you love Yahweh by how much you love the Church. HalleluYah. You can’t love Yahweh without loving the Church! I fell in love with Yahweh’s Church when I was a little boy. I’ve been in love with the

Church. The minute they strike that piano and they begin to sing a song of Zion, my heart rejoices to be in the Church. The Church is the greatest thing on Planet Earth! The people of Yahweh have got to love the Church! Let's keep reading.

9 But you are not in the flesh, but in the Spirit, if the Spirit of Yahweh truly dwells in you. 10 And if Messiah is in you, your body is dead because of sin, but the Spirit is alive because of righteousness. 11 And if the Spirit of Him Who raised Yahshua from the dead is living in you, He Who raised Yahshua from the dead will also give life to your mortal bodies by His Spirit, which lives in you.

Let's go to First Corinthians, chapter fifteen. Now I'm getting ready to talk to you about the Mystery of God. Remember our text tonight. When you begin to hear this message, the Mystery of God would be completed. Let's change that word *completed* to *perfected*. When this message goes forth, it's going to be a perfecting message. What is the Mystery of God? This perfecting message doesn't come until the mystery is revealed.

So what is the Mystery of God? Tonight I'm going to teach you what the Mystery of God is. It's a big word, and we've already told you that mystery doesn't mean mystery; it means *secret*, from the Greek word *mysterion*. So when you read that verse, don't read the word *mystery*. Read that the secret of Yahweh is going to be completed or perfected. So Yahweh has a secret. What is that secret? Oh, let's find out.

I Corinthians 15:51-52 Behold, I show you a secret truth; we

KJV Behold, I shew you a mystery; We

WE. I just showed you the mystery. It's called *We*. Hold on now. I'm getting ready to show you a secret: *We*. I know that's deep for you now, but in a minute you are going to be shouting like old time Pentecostals. *WE!* The mystery is about *we*. Hold tight now. I showed you a secret.

we will not all sleep, but we will all be changed—

KJV We shall not all sleep, but we shall all be changed.

I've been preaching tonight about change.

52 In a moment, in the twinkling of an eye, at the last trumpet.

Hold on. When did Revelation say the mystery of Yahweh would be finished? At the seventh, which is the last trumpet. Hang tight with me; it's starting to get so good in here.

For the trumpet will sound, and the dead will be raised incorruptible, and we will be changed.

Yahweh keeps secrets from the usurper. Yahweh has two wills: a perfect will and a permissible will. Yahweh always has two plans: a Plan A and a Plan B. He has always revealed Plan A to the world. When did Yahweh reveal His plan, His secret to the world? I'm going to show you how Yahweh pulled a trump card out of His sleeve. Yahweh said in Genesis 3:15, "Hey Satan, I'm going to tell you My plan. This woman is going to have a little boy, and that boy is going to bruise your head. Now, you're going to bruise His heel, but He's going to bruise your head." That's Plan A. That plan was not a secret. It was revealed in Genesis 3:15.

If you're Satan, you've just heard the plan. Yahweh was doing something. He said, "Be watching Satan, I've got a plan." So Satan watched for that plan. He started with Abraham, and from Abraham, this little boy was supposed to come. What little boy? The little boy in Plan A, named Jesus, Yahshua. Yahweh said, "I'm going to send a little boy; keep watching." *I'm watching, yes Lord.* "Watch Abraham, Satan." That's where that natural seed line is going to come from for that little boy." So Satan started watching. When the children of Abraham got to Egypt, Satan was watching for that little boy, and he told Pharaoh to kill all the little boys.

So what did the midwives do? They killed all the little boys. Why? Plan A. Satan is looking for the little boy; the natural seedline of Abraham. Now if we get over here and go all through the ages, what was Haman going to do? Destroy them all. Why? *We've got to stop that BOY.* Now let's go over to Titus Caesar. Let's go during the days of Herod. What did Herod say? *We've got to kill the little boys.* Plan A. *He's coming!* And sure enough, in the fullness of time, the Word was made flesh. He came and dwelt among us. Listen carefully. Here came the little boy, and He was supposed to be killed when all the boys were killed. But what did Yahweh do? He preserved the seed. He told them where to hide. Satan is watching this Plan A.

But I want to tell you something tonight. Plan A was not Yahweh's plan at all. He had a SECRET. He had a mystery that Satan was clueless about, but had He told Satan Plan B, then Plan B would have never happened. So what is Plan B? The Mystery of Yahweh? What is The Mystery of Yahweh? Plan B. *Get to the point Pastor!! What is the plan?*

Listen, it's a secret, but Yahweh revealed it to the prophets. Why? Because Satan was on the lookout for one little boy, and sure enough, what did Satan do with that little boy when He got 33 years old? What did he do? Killed Him. And he thought he had stopped the plan. But what he didn't know is that Yahweh is a tither. What he didn't know is that Yahweh never wanted a Son. Yahweh never wanted a little boy. He wanted an ARMY of SONS!! You better hear what I'm getting ready to preach now.

Yahweh said, "I'm going to keep what I'm really doing a secret so that Satan will accomplish for me what I wanted to happen the entire time. What did He want to happen? It's real simple: He wanted a FAMILY. He wanted not one Son, but millions and billions of sons who would destroy the works of Satan under their feet. Remember what the Bible said: *You will destroy Satan under YOUR feet, shortly!* Did you know the Bible never said that Yahshua was going to destroy the works of Satan? Did you know that? Go read it. I read it to you the other night. The Bible said, "You will destroy Satan under your feet, shortly."

The secret plan of God: Are you ready? Here it comes! Remember that I said the plan is *we*. When they killed Jesus Christ, the Bible said that had they known the secret of God, they would have never crucified our Lord. Why? He was the Tithes. He was the Seed Son! This church tonight didn't need one dollar; we needed a lot of dollars, right? But to get many, we have to give up one. Yahweh wanted many sons, so what did Yahweh have to do? He had to send His only FIRST Begotten Son, and what did He have to do? He had to dig up some dirt called a tomb, a grave, and He had to let Satan do his job, and plant the SEED in the ground!!

Take My Tithes, My first Son, and bury Him in the ground. What did the Bible say you've got to do to a seed if you want it to live? You've got to let it die. So Satan, what you didn't know is it was your actions that brought Plan B into Plan A. It was your dirty work that released the Mystery of God into the earth. The mystery is *ME!!* I am the mystery! Satan was a set-up. Your Bible says that had he known, he wouldn't have done it. Your Bible says the princes of this world would never have done it. But there was a plan that Yahweh kept secret from the foundations of the world, and it wasn't about one son, it was about many sons. But He couldn't get many until He gave up one

Until you give up your tithes, your first fruit, unto Yahweh, He has no business in the rest of your money. Did you understand that? It's a principle. It has nothing to do with the Law. It's a principle that has existed from the beginning of time. Now I'm going to finish up and show you the mystery. We're preaching on the end times tonight. I'm telling you tonight, what happens at the Feast of Trumpets at the trumpet sound. This is part of the end time message. This is the purpose of the Feast of Trumpets. Let's go to I Timothy, chapter three. I'm going to show you the mystery, and when some of you see it, you're going to get the Holy Ghost all over again. Are you ready for the mystery?

I Timothy 3:16 And without controversy, great is the secret of holiness; He Who was manifested in flesh, was justified in Spirit,

was seen by malakim, was preached to the Gentiles, was believed on in the world, was received up into His glory.

Here's what this says: Yahweh being manifest was something that Yahweh had planned from the beginning of time: to come down with His Spirit into this godforsaken earth and release upon this planet, a fully formed sons of Yahweh, baptized with His Spirit, that could bring havoc on the plans of the enemy. That's the mystery: Yahweh in ME!! Turn to Ephesians, and I'm going to show you the mystery. Remember, during the Feast of Trumpets, the mystery is perfected.

Ephesians 3:2-6 That you should hear of the dispensation of; *the ministry and administration of the plan to receive, Yahweh's undeserved pardon, which was given to me for you; 3 How that by revelation; the unveiling and uncovering of truths, He made known to me this great secret (which I wrote of previously in a few words,*

He made known to me, what? Remember that in Revelation ten, at the seventh trumpet, this mystery would be finished. There you go. He said, "Yahweh revealed to me the mystery." Let's read on.

4 By which, when you read, you may understand my knowledge in the deep secret of Messiah). 5 Which was not made known to the sons of men in other generations, as it now is revealed to His holy apostles and prophets by the Spirit.

Before this age, Yahweh kept it hush hush in the councils of Heaven. Satan didn't know about it. Here's your mystery in verse six.

6 That the Gentiles are joint heirs, joining members in the body, and joint partakers of the promise in Yahshua Messiah! proclaimed by this message.

The mystery is *Me*. The mystery is in *Me*! What was the mystery? *Satan, you were looking for a little Jewish boy. You thought this was about the Jews, Satan. But I had a secret to get Everybody! Not just the Jew; the Jew first, and then the Gentile.* Listen to me. He said, “Satan you were looking for a little Jewish boy named Yahshua, but what you didn’t know was I needed you to kill Him, so I could get who I was after the whole time: Everybody else.” Everybody else. ALL OF THE GENTILES! That’s the mystery of God! All of the Gentiles, so you could be fellow heirs with Israel!

Now I’m going to say something that’s going to close this sermon out. You’re either going to love me for it, or hate me for it. If you ever hear a Christian say, “I’m a Gentile, saved by grace,” they’re clueless of who they are. If you’re still a Gentile, you’re a lost animal. I want you to hear me tonight. The mystery of God was to go after the Jew first, but then to find you, who was not a Jew by birth, and turn you into a Jew. That’s the mystery that the devil wasn’t looking for! He didn’t know that Yahweh was going to get everybody from His Son! Whooo! Blessed be the Name of Yahweh!

Brother Vaughn, I’m a Gentile. That’s a lie! Do you know what the Apostle Paul said? *In times past, you used to be Gentiles, but not anymore. Now, because of the Blood of Messiah, you have been brought near to The House of Israel.* That’s the mystery! And here’s the final part of the mystery: Why did it say in Revelation, chapter ten, that at the sound of the angel, the mystery would be completed? Because the times of the Gentiles would come to an end. The mystery of God was the TIME of the Gentiles.

You and I are now being called back home to Israel during the time of the Gentile. Some people love truth, some people don’t. I can tell. If you don’t know you’re an Israelite, this shofar will get on your nerves. This shofar is a symbol of The House of Israel. Blow that thing! That’s a symbol of The House of Israel. Blow it, son! That’s a sound to come back home to The House of Israel!

Now watch the final part of the mystery: that God, Yahweh, was in Christ, and Satan thought that was the mystery, But wait a minute. He didn't know that when he killed this little boy that what was in Yahshua, would come into all of us. He didn't know that. He wasn't planning on that. Are you ready for this one? Hold onto your suspenders! Remember in John, chapter fourteen where Yahshua said, "I go away to prepare a place for you."? We always thought He was talking about going to build us mansions in heaven. I'm going to mess with your mansions now.

Jesus Yahshua said, "I go away to prepare a place for you. In My Father's house are many mansions." There's one problem with those mansions. It's not in the original Scriptures. First of all, I'm not going to need a mansion in heaven. I'm going to be so busy, and my body doesn't ever get tired. I don't need a mansion. Here's what He said: *In My Fathers house are many—not mansions, but—look up the Greek—many dwelling places.* Hold tight now. Have you ever heard of the House of Windsor? That means *the family*. In My Father's family there are many places where He wants to dwell.

And here's what else Yahshua said: "I—in the fullness of the godhead—am in Him bodily." He had all the fullness. But yet He said, "My Father and His family." You are ALL His family; He doesn't have just one son anymore. "He can't come and dwell in those many dwelling places unless I go away." Why? "Because, if I don't move out of the way, He cannot come and dwell in you."

How do I know that's what He's saying? Because when you go to the middle of that chapter, He starts talking about the infilling of the Holy Ghost. That whole chapter is not about mansions. That chapter is about Him getting out of the way so that the mystery of God can come inside of you and turn you

into what He was: the sons of Yahweh fully manifested! That's the great mystery!! Glory to God!

The Bible said God was in Christ, and now Christ is in you! That is the mystery. That is the Mystery! You have a choice right now. You can take what I told you about those mansions, and you can reject it, or you can say, "I'll study it, and if it's truth, I want it." I remember when I realized that Yahshua wasn't going to build a mansion, but He was getting out of the way so I could become a dwelling place of the Father, and become just like Him, and become the mystery of God in the Earth. Glory!! Revelation, chapter ten says at the seventh trumpet this mystery would be finished, and we would all be perfected.

We gave Satan a headache when we showed up in the Upper Room on the day of Pentecost. That was a slip-up he wasn't expecting. It's called Plan B. When Yahweh Who was dwelling in Yahshua Messiah moves out of the way and now, that same Spirit that was in Messiah dwells in you, according to the words of Messiah: you will do greater things than even He did. Why? That's the mystery. Satan thought he had a problem with one son of Yahweh. Plan B is his nightmare. We're all coming up out of the grave on the Great Resurrection, to take your world back, Satan; to shake your kingdom, turn it upside down, and reclaim it for the Kingdom of Yahweh.
