

The End Times (part 11)
The Times of the Gentiles &
the Double Transfer of the Dominion Mandate
By Shane Vaughn, First Harvest Ministries

Genesis 1:28 Then Yahweh blessed him, and Yahweh said to him: Be fruitful and multiply; fill the earth and subdue it: have rulership over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.

Yahweh blessed them and said to them, “I need you to get saved, and get the Holy Ghost so I can bring you to heaven.” That’s not what He said is it? He said, “I need you to focus on the earth. I don’t need you to focus on heaven. I’ll focus on heaven. I need you to focus on the earth, and subdue it.” What does subdue mean? Take it over. Take dominion over it and have dominion even over the fish of the sea, the birds of the air, and every living thing that moves upon the earth. Take control of it. That’s called the *Dominion Mandate*.

Who was that mandate given to? It was given to Adam, and his sons, and his children. How many of you know that Adam dropped the ball? Okay. What did Adam lose? The dominion mandate. So Yahweh holds that mandate until a man named Abraham comes along, and Yahweh offers it to Abraham to create a nation called Israel, that would take the dominion mandate and rule the earth. From Noah, to Enoch, the righteous line carried that mandate.

Here’s the deal. We have to understand that that command to take dominion did not ever pass away. Who has the dominion mandate over the earth right now? Satan. Why is that? No one has qualified to take it from him. Satan is the god of this world. That means he has dominion. That’s why the world is so evil. That’s why the world is so wicked. Satan has dominion over the earth. But Yahweh was telling Adam to go and take that dominion from him. He didn’t do it, but I’m so glad the second Adam did.

Amen. However, Yahshua still does not have dominion over the earth. He has dominion over the Church, but not the earth.

Satan is still the god of the earth. What did Yahshua do the first time He came here? He qualified to take dominion. And now, why has He not taken dominion? It's real simple. He doesn't have a government. Yahshua is one individual. He doesn't have a government that is ready to retrain this whole world. Not yet. He doesn't have it. He did say the government will be on His shoulders. He will be the head, but He's not going to be the government.

You need to know the difference in the dominion mandate and the gospel of the Christian Church. The Christian Church tells you, "Don't worry about this world; this world is not your home. You're going to a place called Heaven." The only problem is, you can't find that anywhere in your Bible. I wish we could. It would make my job a lot easier. But it's not in there.

So tonight we are going to show you the two transfers of this dominion mandate, and we're going to teach you tonight something that is going to shock you, and change the way you look at the tribulation.

The dominion mandate belongs to Israel, specifically Ephraim and Manasseh. When Isaac, or Israel, was dying, who did he give the dominion mandate to? Ephraim and Manasseh. He told them to go and let their fruit run over the wall, and to be the nation that would rule the earth. That was their mandate. But Israel: Ephraim and Menasseh, all of them failed to live up to the duty of dominion. You can't have authority unless you're willing to be under authority.

They cannot have authority over the earth, because they refused to come under the authority of Moses. They rebelled. They murmured and complained, and they lost their dominion mandate. They could have been sitting on the high places of the earth. They could have created a government based on Torah, and you could leave your doors unlocked, because in Torah, it's *an eye for an eye, a tooth for a tooth*. If you steal a generator from somebody, we're going to get two generators from you, so

nobody stole. It was mutually shared stupidity. If you go take another man's wife, and the Torah says you have to give two wives back to him, that was the Torah. If we did it that way today, there'd be no jails.

Our problem with the Justice System in America and the world is we try to punish the crime. Punishment doesn't bother anybody. Yahweh in the Torah did not do punishment. He did restoration. Yes, absolutely. If you owed child support, you didn't get thrown in jail with the Torah. They threw you out to work and took your paycheck while you worked to give for the child. If we had Torah now, and you went to Walmart now and stole something, we wouldn't put you in jail. We would make you bring back seven times what you stole, and you won't steal anymore. And if you steal, they're going to cut your hand off, and you won't be stealing anymore.

So the Torah operates a perfect government, and Israel could have introduced the Torah to the whole world, but they didn't. So what happened? When they gave the dominion mandate up, it had to go somewhere. Someone is going to rule the earth. Who did it go to? Let's read Jeremiah, chapter five. Remember, we are a Word church before we are anything.

Your hunger for the Word must be a hunger greater than anything else. You need to know truth and love truth. Let's read and find out what happened to the dominion mandate of Israel. You're going to find out that their mandate was taken away. Yahweh can call you to greatness. He can give you promise after promise, after promise, but it is up to you to live up to the duties of that greatness, or you will lose it.

Yeremyah 25:9-12 Behold, I will send for and get all the families; tribes, of the north, says Yahweh; for I will send for Nebuchadnezzar, king of Babylon, My servant *instrument*,

Whoa, whoa, whoa; what? My servant. Wait. He had a filthier mouth than Trump does. *How can you all support that man?* We don't support him; we saw Yahweh support him. We just got behind Yahweh. He said, "Hey Israel,

since you wouldn't live up to the duties of the mandate, I am going to allow Satan to continue ruling through his servants, which are My servants. Satan is My servant, so his servants are My servants."

And He said, "I'm going to take you people of the north, which was Israel, and I'm going to put you under submission to the dominion mandate, and give your mandate to an ungodly ruler." Read.

and will bring him against this land,

And I will bring him against the Church. This land is the Church. This man was evil, but Yahweh said, "If you will learn to recognize Me, even in an evil leader, then you will experience the blessing that I have for your life." Read.

against its inhabitants, and against these nations all around, and will utterly destroy them; making them an astonishment; an object of horror, a hissing; an object of scorn, and perpetual desolations. 10 Moreover, I will take from them the voice of joy and the voice of gladness, the voice of the bridegroom and the voice of the bride, the sounds of the millstones, and the light of the lamp. 11 And this whole land will be a desolation and an astonishment; and these nations will serve the king of Babylon seventy years.

Alright. "My Church is going to serve an evil pastor for seventy years." Read.

12 And it will come to pass, when seventy years are accomplished; completed, that I will punish the king of Babylon and that nation (the land of the Chaldeans) for their iniquity, says Yahweh: and I will make it a perpetual desolation (ending about 536 BY)

Isn't it funny? He's going to punish His own servant, that he had to go over there and do all that. You all better learn the sovereignty of Yahweh. You

better put your questions at the altar, and submit to the Word of Yahweh. He said, "I'm sending this man right here, Nebuchadnezzar, evil as they come, and Satan is going to operate through him, and I'm going to operate through Satan. This is My servant, and I'm going to send him to My people."

Remember when I told you all the day before the election, that whoever gets voted in as president tomorrow, is the president that America deserves? "I'm going to send evil rulers." Anytime Yahweh is judging a nation, He always sends evil rulers. Always. ALWAYS. He said, "I'm going to send an evil president, an evil ruler, and you are going to have to be under his presidency." And He said, "Hold on. I don't need you when I do this."

Here's how ignorant the Church is. "I don't need you looking at one another saying, *We prayed God would put him in. Why would God allow that?*" No, no, no. You put all those questions aside. You know that if the man is there, Yahweh allowed it to happen, and you submit to that. Amen. You can cry out against the sin, but you submit to the plans of Yahweh, because whatever happens, the Bible says that Yahweh sets up kings and takes them down. When you believe that, you just know that this is going to all work out. You just know it with all your heart.

Jeremiah is now the ruler over these *good* people who would not shut up murmuring and complaining about their pastor, Moses; and about every king Yahweh gave them, they would run their mouths. Yahweh said they would just murmur and complain, and now they lost their dominion mandate. Now they're out there without even knowing who they are anymore. That's what happened to them. Now let's turn to Jeremiah, chapter twenty-seven.

Yeremyah 27:5-7 I have made the earth, with the man and the beast that are upon the ground, by My great power and by My outstretched arm, and have given it to whom it seemed best to Me.

Whoa. “I created everything, and I give dominion over it to whomever I CHOOSE, not to whomever you think I should; not who you prayed for Me to choose. I give dominion to whoever I give it to.” Your job at that point is to say, “That wasn’t my choice, but evidently, that’s Yahweh’s choice. I submit, I thank you Lord, and I know You’ve got it all under control.” That’s His will, and you submit to that. When you in this ministry will learn to submit to the will of Yahweh, that is the secret to power with Yahweh: Total Submission! Read.

6 And now I have given all these lands into the hands of Nebuchadnezzar king of Babylon.

I thought Yahweh was not involved in politics! *No, that’s political.* He said, “I gave the land to whatever man I put over it.” Why do you think Yahweh put Barack Obama over the land? To prepare the land for Trump. To prepare the land for the end times. Somebody had to bring in homosexual marriage. Somebody had to bring in transgenderism. Somebody had to bring this thing to such a point that Yahshua has to come back! And now, with what they’re doing with Putin and China, now they’re bringing this thing up to the Third World War. Yahweh is bringing this to a head. He said, “I put these men in power.” Read.

My servant;

Who? My servant. That man was evil. But he was a servant of Yahweh because he’s a slave. Anytime you think man is in control, you have become a humanist. We have faith in the sovereignty of Yahweh here. Read.

and I have also given to him the beasts of the field, to serve him.

“I will make the beast of the field serve that evil man. Do you know why I’ll do it? Because the Church wouldn’t do it! The Church wouldn’t take dominion. They were trying to get out of here. I needed somebody who would establish My government on the earth. So if the Church won’t do it, I will send evil rulers that will hurt the Church. I will drag them to make

them get ready. I will make them so miserable with what these evil rulers are doing, that they will go to their knees, and they will repent, they will pray, and I will heal their land.”

“I’m using that man to get you to pray so I can heal the land.” If you got a pimple, you’ve got to push that stuff to the top, to get that thing to burst. It hurts while you’re doing it, but it’s bringing what you want. You want to feel that little shoot come out, and when you do, that’s when the healing starts. Amen? You’ve got to get the pus out to get healing. That’s Yahweh’s pus popper! That’s what he is; he’s Yahweh’s pus popper. He’ll push this thing and make it so bad, to where the thing just pops, and then they’ll come running and screaming. Amen? You never prayed more than you did after that 2020 election, probably in your life. Yahweh said, “I’ll use them to make you take dominion.”

7 Thus, all nations will serve him and his son, and his son’s son, until the *specified time* has passed; then his land will serve other large nations and great kings.

ALL nations. What does that mean? An empire: Babylon. This is Babylon. All nations will serve him. This is your prophecy right here of why all the world still serves Babylon. This is the king of Babylon, and he’s getting a prophecy that every nation on earth is going to serve him. Keep that in mind.

Until the specified time. Here’s what’s going to happen. Jeremiah said that Yahweh’s people would be in bondage to this man for how many years? Seventy years. Keep that in mind. This is the first transfer of the dominion mandate from Israel. What happened? Yahweh is getting ready to send this man into the Church to destroy it. He’s going into Jerusalem to burn it down, take everything they’ve got. Since they won’t pray, and they won’t live the way they’re supposed to live, He’s going to let the enemy come into your life and make you so desperate that you have nothing left but to pray; and then to take your duty and live the way that Yahweh wants you to live!

If you're in this room tonight and your life's in a mess, quit blaming the devil, and start thanking the Lord for the devil, for what he's done in your life. That's the MERCY of Yahweh! When he came into my life twenty years ago and sent me to prison, and destroyed my life, it looked like that was evil people who were doing that to me. But I knew better. I knew it wasn't evil people. I knew it wasn't the police. I knew Who that was. He was using Nebuchadnezzar to destroy my life, so that I could be beautifully broken in all the right places, and repaired by mercy's strong hand. Yahweh loves destroying you. It's the only way He can rebuild you. Amen?

Now, this king now has the dominion mandate. Israel doesn't have it anymore. They just lost it. He worked with them; Moses called them out, brought them to Passover, got them baptized. He did everything He could. Do you know their problem? They wouldn't shut up complaining. Murmuring and complaining. Yahweh sent them supernatural bread from heaven, and they were griping about the bread. Yahweh was moving; showing up in a visible glory cloud, literally showing you His presence, and you still were complaining. That's why they lost their dominion mandate. What is so sad is who they lost it to: EVIL.

The dominion mandate is now given to the Gentile nations to now rule over Israel. Watch this. Israel was never under the rule of a Gentile nation until this moment. Somebody here tonight is going to get what I'm saying in a moment. Until this point, Israel was under kings and prophets. This is the first time they've lost their mandate, and now they're being ruled over by Gentile nations.

Yeremyah 27:8 *And it will come to pass, that the nation and kingdom which will not serve Nebuchadnezzar king of Babylon, and which will not put its neck under the yoke of the king of Babylon, that nation I will punish, says Yahweh: with the sword, the famine, and the pestilence, until I have consumed them by his hand.*

Here's what He said: If I send this destruction in your life, and you don't put your neck willingly under it, and recognize My hand in it, then it's over; you and I are done. In other words, "Put your neck under it." When you feel that yoke come, go under it and don't blame the devil. Say, "Yes Sir! Yes, Lord; I feel it. I feel that bondage, I feel that trouble in my life." When you feel Yahweh sending trouble, it's not time for you to pray it away. It's time for you to ask Him why He sent it!!

Do you know why the Lord sends me enemies once a year to run me down all over the internet? It keeps me so humble, because right when I might have begun to think I'm something, here will come the attack and make me pray again, and make me believe Yahweh again, to protect me. I thank Yahweh that He loves me enough to let them attack so that I can RUN back to the altar and say, "I can't do it on my own. Help me!" If they're not telling the world how horrible you are, you might start to think you're actually something good.

What happens is that Yahweh knows I've got a lot of people in Toto World who love me. They brag and run me up, and sometimes the Lord says, "Son, I'm going to send these over here, and balance you out. I'll let them talk about you, and that way, you'll go to crying again, and you'll go to leaning on the Lord, and finding a place of prayer." The enemy is not your problem. YOU are your problem. Believe God sent the enemy, and submit to the yoke! David said, "When my enemies came upon me to eat up my flesh, they stumbled and they fell." Why? Because he trusted that the Lord was his light and his safety.

It's my attackers who keep me attacking the altar—HalleluYah—lest I become puffed up! The Apostle Paul said, "I had a thorn in my side, lest I become puffed up." That evil king is the Lord's servant. Yahweh ordained Lily Lou. Oh yes! Do you know why? If I was getting to the point of forgetting to pray a little bit, or forgetting to trust in the Lord a little bit, He'll send that evil to keep me in *The Way*, to keep me submitted to the yoke of His discipline and His correction. That's how you can love your

enemy! That's the only way you can do it: when you recognize you don't have any enemies. He has enemies, and turns them into servants.

I don't ever get mad at anybody because I see what's going on. He said, "If you'll put your neck under that yoke, then I won't have to break your neck. If you'll just put it down there and say, "Not my will but Thine, O Yahweh." He said, "If you'll let Me yoke you, I can use you. If you'll let Me burn in you, I can anoint you. If you'll let Me trust you, I can keep you in My care."

Glory! Because I really am training for reigning. Do you understand? What does that mean—training for reigning? Here's what it means: If you submit yourself to the yoke of First Harvest Ministries, you're telling the Lord, "I give You permission to send me trouble. I give You permission to train me how to look like You, how to walk like You, how to talk like You." Glory.

I watched the members of our church wearing their little t-shirts that say *Training for Reigning; Schooling for Ruling*, and I said, "I wish you'd take it off your shirt and put it in your heart." It isn't a slogan. It is SLAVERY. It's not a motto. It's a LIFESTYLE. Put your neck under there! The next time you feel bad because of what they said about you, you remember a little boy born in Galilee, Bethlehem of Judea. He did NOTHING to deserve to be stripped naked before the whole world, exposed. "We're going to expose you." They exposed Him, and when it was over, He was a resurrected King, while they were nothing!

He said not a word. Why? He believed His Father. If it happened to Him, His Father allowed it. If it came to Him, His Father sent it. He put His neck down under the yoke! Glory! Learn where your troubles come from, and you'll learn where to go to when trouble comes. If it's happened to you, Yahweh's allowed it. You're training for reigning. Amen.

When people come here, they think our message is the Sabbath Day. You hardly ever hear me preach on the Sabbath Day. You think our message is unclean food? No, no, no. You think our message is the Holy Days, or baptism? No. That's not our message. That's parts and parcels, and it all

connects to one message: The Coming Kingdom of Yahweh. Training for that kingdom; preparing for that kingdom. That's our message. HalleluYah. That's why when people tell me, "Pastor, I love the message," I tell them, "If you love one another, that is the message." Glory to Yahweh! HalleluYah.

I want to show you all something. The transfer of power is known as *The Time of Tribulation*. I'm going to say something now. For those of you waiting for the tribulation to start, you've missed it darling. It's about over. *Ohhhh, the tribulation is coming!* No. I got tried this week, and tribulated this week. For some reason, we think that the tribulation is a future event. I'm going to teach you tonight that it's almost over. It started right here. Jeremiah was a prophet, but he only saw in part. Jeremiah only saw seventy years of tribulation for Israel. Why is that all he saw? That's all Yahweh let him see.

Daniel, the next prophet, was given more understanding of the tribulation; here a little there a little. Daniel was given more of the time of tribulation. He saw that Babylon was only one of four empires. Jeremiah didn't see that. Jeremiah saw seventy years. That's all the prophet saw, and here comes Daniel, seeing way beyond seventy years of tribulation. He saw that Babylon was one of many empires that were going to rule Yahweh's people. They were going to be under great tribulation. Read about it.

First I want to make something clear. Babylon was one of four that would hold the dominion mandate until a certain time. Listen to me and listen well. The dominion mandate is being held by the Gentiles until a certain time. Read.

Daniyl 7:27 Then the kingdoms and governments, and the greatness of the kingdoms under the whole heaven, will be given to the people of the saints of Yahweh, Whose kingdom is an everlasting kingdom, and all governments will serve and obey Him.

KJV ... and all dominions shall serve and obey him.

And all dominions. At that point, it gets transferred one more time. This was the first transfer. There will be two transfers of power. That was the first one. When, according to Daniel 7:27, does the next transfer of power happen? When the saints of the Most High will quit murmuring and complaining, and quit playing church, and quit trying to be a social club. If they will ever grow up, they will transfer back to them, the dominion mandate!

That's why I tell people who join First Harvest, "We aren't like any church. We're not like anything you've been to. We're not the little coffee club. We believe that in a few days, the dominion of the world is going to transfer back to Israel, and we're going to rule the nations of the world! That's what we believe!" So while the rest of the Church is flying away in a rapture, we're going to tell them to leave us behind, because we've got to take back the mandate given to us by Yahweh Himself!

It is our inheritance. We're the only people I know of wanting to give up their inheritance. The meek shall inherit the EARTH; and nobody wants it. I want it. HalleluYah! I want to restore Yahweh's creation. HalleluYah. The first time we transferred the dominion mandate is when the tribulation started. As soon as a righteous government is prepared, the mandate will be transferred back to Israel. These saints, along with Messiah, their Head, are this government.

Do you see this stone rolling down from the mountain? That's not Jesus, that's you. As soon as you get ready and quit playing church, and quit griping about everything, and the minute you realize who you really are Israel—the minute that happens, this *Time of the Gentiles* will be ended, and the Israelite people *will receive their mandate again!* Right now we're *in the toes*. The ten tribes of Israel, are the ten toes on the statue. We are governing the world right now. We have the

greatest empires in the world: Great Britain, America, Australia, Canada, Scotland, Denmark: all of these ten tribe nations are governing the world right now!

And the reason they're still governing, is because you can't govern yourself. You can't make yourself get yourself to the Sabbath for a holy convocation, and you want to rule the earth. You can't even rule what you eat. You can't even rule how you pray, or don't pray. You can't rule over gossip. When somebody tells you gossip, you need to be gossip slayers. You need to learn how to shut down a gossiper. When they run to you, you know why that rock hasn't hit that statue yet? You can't even govern your tongue.

You can't govern your emotions. You're sad this service, next service you're happy. One day I'm a prophet, next day I'm a false prophet. One day a lady who was here for a long time told me, "You're such a man of honor and integrity." Now, I'm the worst thing that ever lived. Do you know why? Your emotions. You're out of control. You have no stability. Do you know why Yahshua hasn't returned? Part of His government is in the ground. Oh yeah, Abraham's waiting. Daniel's waiting. They went through the fire and didn't even smell like smoke. They didn't look around the fire and say, "I paid my tithes. Why am I in the fire?"

I put four dollars in the offering. Why am I in the fire again?! I prayed and I'm still sick! No, you're not sick. You're in the fire. Burn baby burn, and don't smell like smoke when it's over. Sometimes the fire is sickness. Sometimes the fire is brokenness. Sometimes the fire is depression. Sometimes the fire is discouragement. You're going to go in there, but you better come out not looking like where you've been! You better stand in FAITH. Control your faith! I'm trying to teach tonight; you all are making me preach now.

That stone is YOU. But when that stone starts rolling down the mountain, what that means is that the tribulation is almost over, because that statue is tribulation. Why? Because it is this statue that is governing Yahweh's people. We are in bondage to the worldly system right there, and

Yahweh's allowed us to be in bondage to them until we decide we don't want a street of gold, we want to get the head of gold and knock it down. Amen. HalleluYah! Let's read about that stone.

Daniyl 2:34-35 You watched while a stone, which was cut out without hands, struck the image on its feet of iron and clay, and broke them into pieces.

For those who don't know who that statue is; that's the four empires of the world that Daniel saw in a vision before they ever came. I'm going to read you a prophecy where Daniel prophesied. That's what makes the Bible so perfect. Scholars have accused Daniel of writing that book after all those things happened, because it was so specific. The prophet of Yahweh told the whole world's future in his vision. Jeremiah only saw seventy years. Daniel saw everything, and then John the Revelator picked up where Daniel quit seeing. We're going to show it to you tonight. We're going through all of it.

35 Then the iron, the clay, the bronze, the silver, and the gold were broken to pieces at the same time, and became like the chaff on the summer threshing floors; and the wind carried them away, so that no trace of them could be found; and the stone that struck the image became a great mountain, and filled the whole earth.

The STONE; as soon as we strike down the governments of the world, that stone is going to become a great mountain, and that's when we'll ride on the high places of the earth. That was our dominion mandate! Those of you that think you're going to heaven, that isn't anywhere in your Bible. Your Church lied to you. I'll give you a thousand dollars to show me where one saint is going to heaven.

My Bible said that we are going to inherit the earth! We're going to repair and restore the Kingdom of Yahweh right here on Earth! I want you all to take that picture in your mind of wings flying away, out of your mind, and

see yourself as an old stone; a rolling ball. Get your wings off, and get ready to rock and roll. Rock and Roll; that's you right there.

Notice who the dominion mandate does not ever go back to. This stone is not natural Jewish people. It never goes back to the Jews. This stone right here is One New Man, made without hands. No flesh involved with this. This is a supernatural calling of the Spirit of Yahweh to every man, woman, girl, and boy who are of the Lost Tribes. Everybody in that stone will not be the Lost Tribes. It will be Remnant Israel, that came out of the Lost Tribes. Those people will have the mandate over the government.

Before I die I want to get your eyes off a little bit of land in Palestine, in Judea; and I want you to know who Israel is. I want you to see who you are, and know that Israel is no longer lost. She has been FOUND! And there's a preacher in Waveland, Mississippi who is revealing her identity to her; teaching her who she is. Blessed be the Name.

This is called the times of the Gentiles. The word Gentile, goyem, just means nations. This is every nation but Yahweh's remnant people. We don't get a government. We're always the ones being trampled on. We're always that little flock. We're always the one that that statue is walking on. But I want you to see what happened to the feet that walk on Yahweh's people. The Christian Church will teach you that the time of the Gentiles started in the book of Acts. NO! The times of the Gentile started in the book of Jeremiah, and Daniel.

The Mandate was to be held by a succession of Gentile governments. We can read about it in Luke 21:24.

Luke 21:24 And they will fall by the edge of the sword, and will be led away as captives into all nations. Then Yerusalem will be trampled down by the Gentiles, until the times of the Gentiles are fulfilled.

So when did it just say that the times of the Gentiles started? It just told you in your Bible. How did we miss it? The minute they are led away, the times of the Gentiles starts. Every prophecy teacher I know of, says the times of the Gentiles started in the book of Acts. But if you'll read your Bible again, it's so plain, even I can understand it. *They'll fall by the edge of the sword.* When did that happen? When Nebuchadnezzar went in and destroyed by the edge of the sword, and then Titus in AD 70 followed up on that.

When were they led captive into all nations? In Babylon. That was when it started. How long does Yahweh's people remain trodden down? Until the times of the Gentiles is fulfilled. When do we quit being trodden underfoot? When we hit the foot! That's why the Bible said, "You'll bruise Satan under your feet, shortly." This is when that foot gets broken: when we get ready. It's such a powerful revelation. We are in the times of the Gentiles, and Israel has been in the times of the Gentiles since they left Jerusalem.

When the times of the Gentiles reach their conclusion, then the saints of the most High, will be given the Kingdom, and the Dominion Mandate will transfer one more time. This is when we will take over. Read.

Revelation 5:9 And they sang a new song, saying: You are worthy to take the scroll, and to open its seals; for You were slain, and have redeemed us to Yahweh by Your blood out of every tribe, and language, and people, and nation;

I want to share something from my heart. Everybody, please listen to me. At First Harvest Ministries, why are we such a tough ministry? We believe what we're preaching. We believe that if we can ever get in perfect unity with one another, we believe if we can ever quit talking about one another, we believe if we can ever quit running one another down, that we'll grow into our destiny; our calling. If we can ever become such a servant, that we love to serve, we are moving into a position to govern the earth.

This little church is a microcosm of the world. And when you won't let me as your pastor govern you, and when you Ma'am, won't let your husband

govern you, and when you Sir, won't let your pastor govern you, what you're saying is, "I'm not government material." We have to be governed, and it's the Word through my mouth that governs us all. It's the Word, not me. It's the Word.

Brother Vaughn, why are you picking on me? If we find out that you're a gossip, you're not welcome here. Why? Because the Bible said a little leaven will spoil the whole lump. The Bible said if you call them out and they don't stop doing it, turn them over to Satan. You have been in church your whole life and I bet you never heard that scripture to turn them over to Satan: I Corinthians, chapter five. Yahweh is going to turn you over to Nebuchadnezzar, and Nebuchadnezzar is going to mistreat you until you run back through those doors and say, "Hold on; where's home? I'm ready to be governed." HalleluYah. Ready to be governed.

I'm going to answer the question why Yahweh's only choosing a few people right now. Do you see those three boys—Shadrach, Meshach, and Abednego? Do you know where they are? They're in Babylon. Do you know where their home was? Jerusalem. Do you know that when Nebuchadnezzar invaded their home, he didn't take everybody? He didn't want some lazy drunk. He wanted the wise ones. He chose the most royal of the royal family in Jerusalem, and brought them back to Babylon. Why? Because he said Babylon was to take a few men from each nation that they conquered.

He didn't take the masses. The masses would revolt against him. They would rebel against him, and turn their own citizens into rebels. Wise people don't cause drama; fools do. Wise men conceal a matter. The Bible said love covers a multitude of sin. Nobody called you to expose anything. Only the devil does. Yahweh called you in this hour! Why didn't He call everybody? Because He didn't have time to play with fools. What about the foolish virgins who aren't going to make it in this hour? He only wants the

wise virgins. He knows what He's looking for. He searches the earth to find five wise. He's looking for the wise to bring with Him, up to Mt. Zion.

Do you know what Nebuchadnezzar did with these three boys? He put them in a training program to teach them the language of Babylon. What's the first thing he did? He changed their names. Their names weren't Shadrach, Meshach, and Abednego. I want you to know something. The reason Yahweh called them, and let them go was because they were wise enough to know that the king was used by Yahweh, and they put their neck under the yoke willingly.

They weren't fools who would say, *Ain't no man going to tell me what to do*. He knew they would submit to the yoke. He called those three boys out of all the many, because he knew if he could get those three right, then they could get the rest of them right. Do you understand what I'm saying? If he could teach them the Babylonian language, then he could set up schools where they would teach the others, and he could get the rest of them out of Jerusalem and let them do the teaching.

Brother Vaughn, why doesn't anybody else know about the Sabbath? He's not teaching it to them; He's teaching it to you, so you can teach all of them. Nebuchadnezzar said, "Okay; you're all going to live in my house. You're going to eat at my table. I'm going to teach you what the Babylonians believe. I'm going to try to change your mind from Jerusalem to Babylon."

"I'm going to change your mind from an American and a human, and a white boy or a black boy. I've got to change your mind to an Israelite, and make you think differently." He said, "I called you out of the Baptist Church to get the Baptist head out of your mind. I called you out of those places to retrain you." That's why you're sitting here. He called you to be retrained. He didn't call you to just join a church. There's churches on every corner. But He called you Shadrach, and renamed you. Everybody gets mad at me when I don't say their name right. I'm renaming you. Just deal with it. Glory.

They were chosen to represent *the rest of their people*. And then one day they're going to say, "Can we release the rest, Your Majesty?" HalleluYah. We've learned the lesson. Yahweh is doing the exact same thing during the time of the Gentiles. He's chosen a few from every nation, trained them in His ways. No, He's not training them how to get saved. Everybody can be saved. That's nothing. He's teaching them Torah; His ways, His instructions. He's teaching a few Christians Torah. Yes, all of Jerusalem was Nebuchadnezzar's. He conquered them all. Jesus Yahshua conquered everything on the Cross. It's all His, but He's not trying to get them all yet. Do you follow what I'm saying? He is getting, *As many as are called*.

He's calling every one of you to learn His ways. Is it going to hurt? Like you-know-what. But I promise you when you're done, if you knew the potential that you have in Yahweh, and what He is doing during the Millennial Reign, you would put your neck back under the yoke, and you would say, "Oh Lord, do it Lord. Teach me, Lord. Train me." He's teaching us His culture, His kingdom, so that you can rule and reign. These chosen ones are the ones who will inherit the dominion mandate: the Government. The majority of these chosen ones have already lived and died. They are in the grave.

My little grandmother put her head under the yoke. She's asleep tonight. She put her neck under all the yokes she knew. She put her neck under that yoke, and learned to say, "Yes, Lord," in every way. Because of that, Yahweh has called that graveyard the Government in Reserve. But they are not complete without us. That's why they must be raised with the dead at the Feast of Trumpets, when the dead in Christ shall rise at the sound of the trumpet.

Why is He going to raise them at the Feast of Trumpets? Here's why: so they can be joined as one with the rest of the living Overcomers who will be changed on the first day of the Feast of Tabernacles. They will come up in the Feast of Trumpets, and shortly thereafter, we will be changed. That will happen on the first day of the Feast of Tabernacles. Why do you think we put up tabernacles? It's the representation of the old body, the old

tabernacle body that's decrepit, that's being changed into a mansion, and that is what the Feast of Tabernacles is. So they're coming up at the Feast of Trumpets, and they will join with us at Tabernacles, and then on the Eighth Day of Tabernacles, together we will be presented to the Father!!

Help me Lord! When did you circumcise the Son? On the Eighth Day. When did Yahshua get presented to His Father? Eight Days Later. That's why we celebrate the Eighth Day of Tabernacles: the Last Great Day of the Feast. It is on that day when dead Grandma and living Grandson will walk into the Kingdom and be presented to their God! Now do you see why Satan hates this ministry? You won't hear this revelation or find the anointing on this message, anywhere in the world hardly. What's going forth from this building is so fire. It's so revelatory, that it literally sets you free!

Yahweh is raising up these chosen ones. But because the Church doesn't keep the Feasts, they don't know about this. Yahweh said, "It's okay. They don't have to keep the Feasts. Let them keep doing their Easter. I love them. They're my children. I love them. Let them keep doing what they're doing, but hey you; come here. I know how you did it in Babylon, but we are on Mt. Zion. Let Me show you how we do it! We keep the Sabbath. We keep Passover. We eat clean foods. This is what we do on Mt. Zion."

Everybody on the outside misjudges us. They think we're condemning people. No darling; go ahead and eat your catfish. We'll sit there with you. We'll never look at you funny. We're just being trained in another culture. It's Mt. Zion. We didn't call ourselves up to that mountain, He called us to go up and to learn His ways.

The fool says, "Well, do I need to do that to be saved?" That's a fool talking. That's a child talking; that's a foolish child, because we are so far beyond salvation—so far beyond it. We're in another world now; another rhythm. I'll prove it to you. In about eighteen days, we crazy folks celebrate the New Year in March. We're in a whole different deal. When they call us crazy, don't be mad. We look crazy. We're in a whole different little deal.

We're in a bubble of insanity. We've gotten called up to Mt. Zion, and they think we're aliens, and they're right. The way we do things, we don't talk about our brother, we don't run our sister down. We don't try to get ahead of you and take what you've got. We actually love our enemies in this little bubble. The world doesn't understand it, and they hate us for it. *That's why you'll be hated of all men for My Name sake!* They hate what they fear. You are a witness against them. They hate you. People hate what they are afraid of. They are afraid of that holiness lifestyle. They're afraid of your separation. Why? Because it condemns them.

The head of this body will descend upon the body in the midst of Tabernacles. Watch this now. Tabernacles is going to be a thousand years long. At the beginning we're changed; then Yahshua comes and puts His Head on the body. We meet up with the dead, and us with Yahshua on the Eighth Day, are presented the Kingdom, back to the Father.

Two resurrections have to be understood. The first resurrection is a LIMITED resurrection. It's only for Shadrach, Meshach, and Abednego. It's only for the 144,000. It's only for the Overcomers, or the First Harvest. Let's read about that first resurrection in Revelation.

Revelation 20:5 But the rest of the dead did not live again until the thousand years were finished. This is the first resurrection.

The First Resurrection happens at the Beginning of the Millennial Reign. Who is coming up in it? Not a lot: Remnant Israel; the Chosen. The Apostle Paul said that he didn't know if he would come up in that one. Paul said, "I don't count myself as to have apprehended what has apprehended me." What has apprehended you Paul, is the high calling. Not just the regular Christian calling; the High Calling. Paul knew he was saved. He knew he put his faith in Christ, so why is he talking about that he might not make it. Because he's talking about the first high calling; the First Resurrection.

A thousand years later will be the Second Resurrection: the general resurrection. *Oh Brother Vaughn, I know about that one. That will be*

when the sinners are coming up. No, that's when the Church is coming up. We always thought the Church was coming up in the First Resurrection, and the sinners were coming up a thousand years later. No; let's read about it: the general resurrection.

Revelation 20:12 **And I saw the dead, small and great, standing before Yahweh. And the books were opened; and another book was opened, which is *The Book of Life*. And the dead were judged out of those things which were written in the books, according to their works.**

This is your Great White Throne Judgment. Guess who will not be at the Great White Throne Judgment? The Bride. Because the bride is being judged under my preaching right now. We are coming under the yoke right now. They are not. They will come up together. Read John, chapter five to find out who is coming up together.

Yahchanan 5:28-29 **Do not be astonished at this—for the hour is coming in which all who are in the graves will hear His voice,**

So this is going to be a resurrection where everybody in the grave hears the voice of the archangel, and they all come up together out of the grave. Let's see who they are.

29 **And will come forth. Those who have practiced righteousness will be resurrected *in order to live*; and those who have practiced wickedness will be resurrected *in order to be damned*.**

Okay; we've got two groups of people in the resurrection. They who went to church, paid their tithe, helped out at the Red Cross, rang the bell for the Salvation Army, helped the Girl Scouts. They were good. They were saved. They went to church. *Lord. Lord.* He said, "I'm going to catch you on the next round; you can't go in the first one." These people, some of them have done good. They're coming up to eternal life: they were saved.

But there's another group here in the same resurrection who have done evil. They will come into the Judgment for their evil, wicked ways. Let's turn to the book of Acts, and I'm going to show you this resurrection again. Do you know what's wrong? The Church does not know the difference between these two resurrections. You won't hear about it anywhere. And therefore, you're not preparing for that first one.

Acts 24:14-15 But I confess this to you, that after the way which they call heresy—so I worship the Father of my fathers, believing all things which are written in the Law and in the Prophets.

Isn't that something? Paul just said he believed in the Law and the Prophets.

15 I have hope toward Yahweh, which they themselves also accept, that there will be a resurrection of the dead, both of the just and unjust.

There will be a resurrection! Ah—both the just and the unjust are coming up in this one resurrection where everyone will hear His voice.

The birthright is given at the First Resurrection. Which child gets the birthright? The first born. The dominion mandate is the birthright. It's going to go to those first born in the First Resurrection. The dominion mandate is not going to those who are coming up in the Second Resurrection. No, no, no; because the first born son gets a double portion, but he also gets double duty—works. His job is to take care of all the family after Daddy dies. His job is to go get that drunk brother and go get that sister in prostitution, and bring them back and take care of them. That's the job of the first born son.

That's why many people give up the birthright. They get a lot of money, but they have to spend most of it on the family. Listen to me. If Yahweh has called you in the First Harvest, you're going to be that first born son who goes to get the rest from bondages, and you're going to serve for all of

eternity. When you go into that kitchen tonight to eat in a few minutes, and you see people back there serving you, we are training them for what they're going to be doing for all eternity. We are servants here.

Brothers and sisters, the Overcomers will receive their inheritance a thousand years before the other believers receive their inheritance. This is the order in which believers inherit the birthright. Don't be an Esau. Don't sell your birthright for a little bowl of salvation.

I just want a little bowl of grace, not grits. Grace. Just tell me Jesus loves me and He cares. That's all I want. I went to Pastor Vaughn's church and I found out I don't want anything to do with this birthright business. They won't let me talk about anybody. They won't let me gossip. They won't let me be who I am. I didn't even recognize myself anymore. Thank Yahweh! I was doing things I never thought I would do. I was digging ditches, and happy about it. I didn't know who I was anymore.

DON'T SELL YOUR BIRTHRIGHT FOR SALVATION! Don't sell your throne for Christianity. Don't sell your inheritance for the *feel good* gospel. Be the firstborn!

The tribulation of the saints is nearly over. While many are waiting for it to begin, it began when Nebuchadnezzar captured the city in 604 BC. Watch me carefully and pay attention.

That was when the mandate was transferred. But two hundred years later, here comes Cyrus. Daniel saw every bit of this. That statue was each of those empires that would come, one after the other. Daniel saw it. Jeremiah didn't. Jeremiah saw seventy years.

Daniel saw four empires. Persia overthrows Babylon and transfers the dominion mandate to Persia. Watch this.

In 534 BC the Persians allowed Jewish people to go back to Jerusalem after their seventy years had expired, and that fulfilled Jeremiah's vision. Watch the perfection tonight. But the Jewish people remained under Persia even

though they were back in Jerusalem; they were under the feet of Persia. They had the dominion mandate. King Cyrus is the king of Persia, and he held the mandate for two hundred years. He was an empire. He was the world ruler. He was doing what you're supposed to be doing: ruling and reigning.

Then who takes over Cyrus? Alexander the Great. That's the Third Empire that Daniel saw in that statue: the head of gold, the chest, the thigh. This is now the third empire that would take over, and Greece is now taking the mandate three hundred years before Christ, and now they have the mandate to rule the earth. The Greek empire

ruled the earth. They had what belonged to us. We gave it away from our stupidity; our griping and complaining.

When Alexander the Great dies at thirty-three, there are four generals that the kingdom is divided amongst: Ptolemy, Cassander, Seleucus, and Antigones. His kingdom was divided and Daniel saw that. Let's read what Daniel saw. I want to take you back nearly a thousand years before this happened and show you what Daniel said about those four kings.

Daniyl 7:6 After this I beheld, and to another like a leopard, which had four wings like a fowl upon its back; this beast also had four heads, and it was given *authority to rule*.

How many wings? Four wings. These kings are the four wings on the back of the leopard. Who was the leopard? Alexander the Great. He had four wings on him. That was the four kings. Let's read now, Daniel 8:8. This man said this so many years before it came to pass, and it came to pass exactly as he said. It gets even more specific. Let's read.

Daniyl 8:8 Therefore, the he-goat grew very great; and when he was strong, the great horn was broken; and in place of it four notable ones came up, toward *each of the four winds of heaven.*

Who is the he-goat? Alexander the Great. When he was so strong at thirty-three years old, this man conquered the whole world. He conquered the whole world. He took over the Persian Empire. There was a horn broken off of this goat. Here's the four notable ones from the horn. What does it mean his horn is broken? His strength. The horn is your power, your strength. He died. His horn was broken.

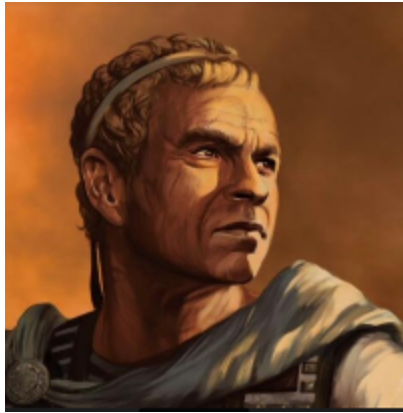

There are four generals that his horn is going to be divided among. The four generals of Alexander now take the mandate. Alexander had it; they now take it. Who are these four generals? One horn turned into four horns. Two of these horns were always at war with one another, and Daniel 11:6 refers to two of these as the king of the north and the king of the south.

Daniyl 11:6 And in the end of years they will ally themselves together,

Daniel is prophesying a thousand years earlier and he says, "At the end of this, they are going to join together."

for the daughter of the king of the south will go to the king of the north, to ensure the peace;

And that is exactly what Daniel had told. Daniel told them about this marriage a thousand years before it happened. He said this king's daughter is going to marry that king, and they're going to join together. Yahweh's Word is perfect. After those four generals, they get taken over by the Romans, which is your Fourth Empire in the statue. Now don't lose me. This is where Daniel's vision ends. Jeremiah's ended at seventy years. Daniel's ends at four empires. There was much more that Daniel didn't see that John the Revelator did. He picked it up.

The eleventh chapter of Daniel gives us a detailed history of these conflicts. Who is it that comes on the scene and takes over? Antiochus IV Epiphanes. You know the Hanukkah story. He takes over and he takes the dominion mandate. Rome is the Fourth Empire in the time of the Gentiles. From 63 BC until 500 years, your mandate was held by the Roman Empire. They were governing your inheritance because you wouldn't quit griping and complaining.

I want you to all think about this this week when you start to gripe. You've got an inheritance that's depending on you to grow up and to rule yourself. This man is about to be replaced. His Empire was on the throne for five hundred years. Daniel doesn't see past here, but before the vision ends, Daniel sees something that he didn't know what it was. He called it *the little horn*. Read about it.

Daniyl 7:8 I considered the horns, and behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots;

He said, "I saw the four horns, but then strangely, I saw a little horn, and I didn't quite know what it was."

and behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

This horn is a talking horn. This little horn had eyes, and he was talking like a man. Daniel didn't know who this is, but I'll tell you who did know: John the Revelator. This is the little horn. His name is Justinian. When Rome fell, the Byzantine Empire ruled the world. Rome ruled the world for five hundred years, just like America now rules the

world. And like Rome, we will fall. The reason Rome fell is because they had too many sports and entertainment. Rome went to nothing over sports, because they loved entertainment. This empire fell for fifty years. Stay with me. The empire of Rome fell. They were taken over by the Goths; the ten tribes of Israel took over and destroyed Rome; little rag tag armies. When you start entertaining yourself to death, little rag tag armies will take over you—little nobodies, little nothings. That’s what happened to them. So, the Empire is destroyed. It doesn’t exist anymore.

What comes next is the Byzantine Empire. Justinian was the last Roman Emperor. He was a Roman. When the Empire fell, he restored it fifty years later. He began to restore Rome. He ruled from a place called Constantinople, which is Istanbul, Turkey today. Now read Daniel 7:25 and it’s going to describe what Justinian is going to do. Daniel prophesied this little horn before it ever came.

Daniyl 7:25 And he will speak *great words* against Yahweh,

This little horn is going to speak great words against the Most High.

and will wear out; *mentally attack to cause to fall away*, the saints of Yahweh,

Why? Because the saints have been in tribulation since the days of Babylon, and he said, “When Justinian comes, he’ll be wearing out the saints: tribulation!

and think to change times; *Yahweh’s Feast Days, and Laws*; and they will be given into his hand until a time, and times, and the dividing of time.

Watch this and watch carefully. This little horn is going to change times and laws. Justinian is the shadow of the ultimate fulfillment of this little horn. I want to show you the first thing Justinian did when he became Emperor. In 527 AD, the first thing he did was to change times. The first thing this

Emperor did was change the Roman calendar. You can go read it on the internet. From Justinian's decree in AD 527, all the dates had to include the Indiction, and it talks about how he changed the calendar. What did he change the calendar to? Very simple. For twelve hundred and seventy-nine years, all of the calendar started its counting at the beginning of Creation. It was Justinian who started it at the birth of Christ. He changed Time.

It was so stunning to the world that he changed the calendar. This little horn will always change the calendar. Always. Justinian's next project after he changed Time, was to change Roman law to reflect Church law, which was the Catholic Church. Stay with me. The first draft of this new system was published in 529 AD.

The Catholic encyclopedia says about Justinian, "The most enduring work of Justinian was his codification of the laws." It was known as the Corpus Juris Civilis. "It would be difficult to exaggerate the importance of this Corpus. It is the basis of all Catholic law." Canon is Catholic. Justinian changed the calendar and all the laws. If you read this, his fame was through judicial reform, and complete revision of all Roman law; something that had never been attempted before. It's known as the Corpus Juris Civilis.

And listen, ladies and gentlemen. Daniel said, "There's a little horn coming up, and he's not part of those other horns, because the Roman Empire died, but he will change the calendar, and he will change the laws."

The little horn is a long term prophecy. *Brother Vaughn, that was a prophecy about Justinian.* No, no, no. Watch this. This is where you have to understand prophetic time. Read Revelation 13:5.

Revelation 13:5 And there was given unto him a mouth speaking great things,

Hold tight. What are we doing now? Daniel loses the prophecy at this point. He sees nothing else. Who's picking it up? John the Revelator. And he's starting off with this little horn. Now he's going to tell you more. Read.

and blasphemies; and power was given unto him to make war for forty-two moons; months.

The dominion was given to him. This dominion was going to last forty-two months. Daniel didn't know this. His vision stops with this little horn. Yahweh said to John, "Here a little, there a little. It's time for Me to show you more now." This little horn is going to have the Dominion Mandate for times time and half a time: forty-two months, or three and a half years, or twelve hundred sixty days. A prophetic month is thirty days. Revelation 12:6 proves we're on the right calendar—the Zadokite calendar. We aren't going to read it. All those numbers prove the calendar.

If this was just a prophecy about Justinian, that little horn, then the time of the little horn would only have lasted three and a half years, ending in 538 AD, and that would have been the end of all revelation. However, this was a long-term prophecy where a day is actually a year in prophetic time. The Hebrew word *yom* is translated as a day or a year, so three and a half times spans twelve hundred and sixty years; from 529 to 1789. Now watch this. This little horn was going to govern and have the mandate for 1260 years.

There he is: Napoleon Bonapart. The little horn lasted 1260 years. That's the year of the French Revolution. This man ended the dominion mandate of that little horn, which was the Catholic Church. Where do I get the Catholic Church from when I said it was Justinian? It was Justinian who established the Catholic Church in all of Christendom. He changed Roman law and made it Catholic law. That's why it's the Roman Catholic Church. Justinian was the little horn who established Canon Law from Roman Law. That's why the Pope is Pontificis

Maximus. That was the name of the Roman emperor. That's why he was the Pope. He was Pontificis Maximus, which was a Roman title. That's not a Bible title. That's Roman Catholic. Justinian ruled the world.

He gave the dominion mandate to the Mother Harlot Church, to rule the earth with. I'll try it again. I just showed you something. The little horn established in Constantinople, he took and gave your mandate to the Roman Catholic Church, and the Roman Catholic Church ruled the world for 1260 years; ruled it in a bad way. It's still Babylon. It started as Babylon. It changes its names, but it's still Babylon. Who ended the rule of the Catholic Church in the whole world? Napoleon Bonapart, and it's called the French Revolution. I'll show you how he did it.

The little horn lasted until Napoleon Bonapart won the French Revolution. Seventeen ninety-four ends the prophetic time that the Roman Church

began to lose its power. Out of that revolution, Napoleon began to march to Rome. Go watch that movie about Napoleon. He marches to Rome and with an army, takes the Pope off the throne, and shuts down the Catholic Church. Go read your history. This is Pope Pius VI. Read your own encyclopedia; don't believe me. Pius VI was condemned in the French Revolution, and the suppression of the Catholic Church resulted from it. French troops, commanded by Napoleon, defeated the papal army, and occupied the Vatican in 1796. Then in 1798 when the Pope refused to give up his throne after the army had been there for two years, he was taken prisoner and brought to France. He died eighteen months later in Valencia. His reign was two decades.

Who now has the dominion mandate? Napoleon Bonapart, the French Empire. The Catholic Church loses the mandate. The little horn loses the mandate. But let me tell you the rest of the story. The Pope died, and let's read about the Pope's death in Revelation. I'm going to show you when Pope Pius VI died. John the Revelator saw it all.

Revelation 13:3 And I saw one of his heads, as it were, wounded to death.

The head of this religious beast was wounded.

And his deadly wound was healed; and all the world wondered; followed after the beast.

Whoa. The deadly wound was healed. He died, and then rose again. He rises again in Pope Pius VII. What happened after Napoleon won the Revolution, was he decided to become Emperor. But to be an Emperor, you need somebody higher than you to give you a crown. That's why the Church of England crowns the Queen. He needed a church to crown him. So what does he do? He picks a pope that he can control, and puts him back on the throne, and now the fatal wound is healed. March 4, 1800 the Catholic Church was brought back to the throne. Napoleon reinstates the papacy to have someone marry him with the crown as Emperor.

Now when did the little horn take back over the world? When Napoleon was defeated in 1814. Then the Roman Church was fully revived from its near death experience. The little horn would have a deadly wound, and then it would be healed, and come back to power. At this point, all of Daniel's

prophecy is fulfilled. But this was not the end.

Daniel only saw one little horn, but John saw something much different and greater.

Revelation thirteen speaks about two beasts rising from the sea to fulfill the main portion of Daniel's little horn prophecy. John then saw a second beast rising from the earth, and it was a beast that Daniel did not see. Daniel only saw one horn. John sees more. The second beast that John sees, Daniel didn't see, and he gives power to the first beast. The first beast is the Roman Catholic Church and all her daughters. That's the beast. The mark of the beast is the authority of

the Catholic Church. The first beast needs help from the second beast, after his deadly wound. The second beast rises to give the first beast its power back. Let's see who that second beast was. The second beast was described in financial terms, as a banking system that arose in 1798: the Rothschilds.

The Catholic Church had lost its money, its prestige, and its power. It had a deadly wound. John said, "I saw a second beast rise up from the sea of humanity." The same year that Pope Pius VI was taken captive, was the very year that Mayer Amschel Rothschild sent his child Nathan to London to set up a bank. Remember, they'll not be able to buy or sell? C'mon now. This second beast is all about money and finances. The first beast is religion, Catholic, but it's out of money. It had a deadly wound. Napoleon took a lot. It needed help, and here comes the beast setting up a bank which took political control of Britain. Let me show you what the next beast says.

He says, "I care not what puppet is placed upon the throne of England to rule the Empire. The man who controls Britain's money supply controls the British Empire, and I control the British money supply." This is the second beast that John saw, that would give power back to the Catholic Church. The beast from the sea is the one that Daniel described as the little horn. We know this because in Revelation 13:4-7, John's description matches

Daniel's about that little horn; but the fatal wound would be healed. The little horn was to wage war on the real saints of Yahweh: the Sabbath keepers; those who obeyed the Word instead of the Pope. This little horn will make war with the saints until the saints grow up and can take the kingdom for themselves. Daniel knew nothing about the fatal wound and the healing: the second beast.

The Rothschild banking system in 1798 was the same time Pope Pius VI was taken captive and imprisoned. There was an alliance made between the Rothschild banks, and the Roman Catholic Church. Where did they sign this contract? At the Congress of Vienna in 1814, after Napoleon's defeat. The Catholic's encyclopedia tells us of the Rothschilds. It is a somewhat

curious sequel to the attempt to set up a Catholic competitor to the Rothschilds, who at the present time, are the guardians of the Pope's treasure. Who guards the Pope's money? The Rothschilds. They are the second beast that you will have to have their mark to buy or to sell.

Without the Rothschilds, Catholicity loses its power. Do you know the wealthiest business in the world is the Catholic Church? Do you not see the real estate they own? St. Patrick's Cathedral in New York, is the primest piece of real estate. They could sell that church for a billion dollars right now. They are so wealthy, you need someone to guard the Pope's treasures, and someone to give you money to build your churches with no interest. That's the second beast.

The Rothschilds became financial managers of the Vatican's wealth in a ninety-nine year contract with the Catholic Church to provide them money.

Do you know when that contract ended? The contract ended when the Federal Reserve was built in the United States of America. They needed something now to finance the Catholic Church because their contract ended with the Rothschilds. Do you know who it is who owns the Federal Reserve? I hope you didn't think it was the government. It's a lie. The word *federal* shouldn't be on it. The people think that's their bank. That's the Rothschild's bank. Go to their website if you don't believe me. Go to the Federal Reserve website and they will tell you, *We are a privately owned bank.*

I'm going to show you what they did to the Americans. In 1913, the Federal Reserve with the Congress, passed a law that made every American give them all their gold. That way you had to have the mark to buy or to sell. When Yahweh put gold and silver in my heart, I had no idea what He was telling me to do as a leader of His Church. The only thing they can't control is gold and silver. Do you know why? In 1933, EXECUTIVE ORDER 1601 demanded every American give their gold to the Rothschilds, so that the

Rothschilds could finance the beast! It was the LAW. Every American had to bring their gold and silver and give it to that bank that's not even owned by your government.

That's how Americans lost all of their gold. We were forced to give it up to the beast of Revelation. Now it gets better. *We're going to give you a mark.* In Germany, their dollar bills are called marks. And if you get to the point where you are preaching *hate speech* in our world, you won't get any more marks. You won't be able to buy or sell. You don't believe they can do it? Hang tight. Listen to me. Anybody here ever heard of TAPS? That's where we were rolling in the money for our patriots for the 2020 election. I got an email one day and they had cut off all of our subscriptions. Do you know why? They found out we supported Donald Trump. They cut off my ability to buy or sell.

TAPS ended that day. If I can't collect money with cards on your subscription, we're out of business. We're done. They will control you. They will wear out the saints. That little horn will. The United States went bankrupt in 1933, when we went off the gold standard. We sold every American to the Federal Reserve, and we transformed America from a Christian Republic to a Socialist Democracy. Here are the ten people who own this bank: Rothschild, Rothschild, Warburg, Warburg, Lehman Brothers, Lazard Brothers, Kuhn Loeb, Israel Moses, Goldman Sachs, and J.P. Morgan. They own all your gold. And your government made you give it to them.

Now how did the Church get control over the whole world? I'm going to show you. Corporations are the invention of Rome. After Rome fell, the Catholic Church issued all corporations. Stay with me. Under the Emperors, the political landscape shifted, and new forms of corporations emerged. Charitable corporations were established to serve Rome's population. The Catholic Church employed the corporate form. They took over corporations. All the corporations in this world originate from the Roman Catholic Church. They are under the authority of Rome.

U.S. corporations are registered—all of which are now corporations under the U.S. Corporation—and the U.S. Corporation is registered in the city of London, which is a subsidiary of Rome. Every corporation in the world is governed by the Catholic Church. *How does that affect me, Brother Vaughn?* I'll be happy to show you. They put you in a corporation when they gave you a birth certificate. Do you know who kept up with births in this nation for hundreds of years? The Church. There were no birth certificates in America. No marriage certificates. The stupidest thing in the world is a marriage certificate.

I'll tell you what: The government has no power to marry people in Yahweh's Holy Church. That is an institution of the Church. How many of you want to go down to City Hall to get a baptism certificate? That's how stupid it is. If the Church says you're married, you're married. You don't have to like what I said, but you can't disprove it. It's stupid. Judges don't marry; it's done by the men of Yahweh, and instituted by the Church. Let me tell you something: They gave you a birth certificate in 1921, and registered your birth with the Department of Transportation, and every baby registered in this nation is a corporation.

How do we know that? Because their name on their corporation birth certificate papers is all written in capital letters. Then there's another birth certificate where it's written regularly. The one with the capital letters just put you as a member of the Catholic Church, as a corporation. By this, they enslaved everyone, by making them citizens of the U.S. Corporation. The Roman Church can now claim jurisdiction over all the people of the world. In doing so, the prophecy is fulfilled, that the little horn would overpower and overcome the saints of the Most High.

Brother Vaughn, I don't believe any of that. Maybe you will now when I tell you one word. Why would Yahweh say, "Come out of her My people!"? GET OUT OF HER MY PEOPLE! Get out of her!! That's why my house is full of gold and silver. I know what's coming. I understand I won't be able to buy or sell. I understand when we get cut off, we will be cut off from the Rothschild's bank. You can say we've got Yahweh, and He will take care of

us, but He didn't take care of Joseph. He told Joseph seven years earlier how to get ready for what was coming. He told him how to prepare. That's how Yahweh is taking care of us.

Do you see this picture? This picture is real. Do you know what it was? This is a picture of the Catholic Church and what they did to anybody who didn't believe in the Trinity. Have you never watched movies on the Inquisitions? It was in the Middle Ages. Read Daniel 7:21-22. Authority will be given to the little horn over the whole world! That Church will wear down the saints so bad, that they will agree with anything they teach them. During the Middle Ages, the Roman Church made war against the Waldensians, where the Catholic Church killed four hundred of them in one day because they wouldn't forsake the Sabbath Day, and change to the Pope's Sabbath.

This stuff is real. These are not fairytales. Who is that standing there in the picture? The Catholic priest. *The little horn will be given power to wear down and make war with the true saints of Yahweh.* They were given that dominion power over these saints. The Bible said it would prevail over the saints. That looks like prevailing to me. Do you know who this man is? John Huss. Do you know why they killed him? Because he didn't believe in the Trinity. He believed in One God. He was a true saint. His authority was the Book, instead of the Pope. They killed them by the multiplied thousands. Go watch a movie on the Inquisition. If you did not confess that the Pope was the Supreme authority, you died. That's your little horn that makes war with the saints. Come Out Of Her!

Ladies and gentlemen, you're waiting on the tribulation and we've been through it! *Well Brother Vaughn, I thought...* Hold on. I'll get there. If you don't believe me, go study Pope Lucius III where they demanded the murder of all heretics. Do you know what a heretic was? A One God believer. A Sabbath keeper baptized in the Name of Yahshua the Messiah: You're a heretic; you die! *Making war with the saints, and will prevail*

against them until such a time as I get a government trained that will run down and crush that little horn.

Daniyl 7:21 I beheld, and the same horn made war with the saints, and prevailed against them; 22 Until the Ancient of days came, and judgment was given to the saints of Yahweh; and the time came that the saints possessed the kingdom.

Until the Ancient of days. UNTIL the government's ready. The Inquisitions made torture a religious act. You had to submit to the Roman doctrine if you wanted to save your soul. In 1229, torture was again authorized by the Pope, confirmed in 1252 by Pope Innocent IV.

But ladies and gentlemen, as I close, the final act of the war against the saints is NOW. Let me show you. After the Church's fatal wound during the time that the Rothschilds were guardians of the papal treasure, the war against the saints took a different turn. Under the Catholic Church it was torture. But brothers and sisters, at the time of the end, the war will be a culture war. If you don't believe it has started, misgender someone. If you don't believe it has started, say a marriage is between a man and a woman. YouTube will shut you down. They will destroy your ability to buy or sell.

Do you know Professor Toto? Do you know that on YouTube I should be making ten thousand dollars a month being monetized with as many viewers as I have? I can't make a dime. Why? It's a culture war. They're wearing down the saints. The little horn is fighting the saints. There is a war between the culture of Babylon, and the culture that we're learning in Yahweh's kingdom. Brothers and sisters, I've come to tell you the war, the tribulation is almost over. HalleluYah! I give you my word. I give you Yahweh's Word. It's almost over.

Brother Vaughn, we're waiting on great tribulation. Go ahead, because I've been through some. Brother Vaughn, it said it would be a time like no other. That's the end of it: the Third World War. That will be devastation, but the tribulation of the saints, we're in the last moments of it; and he that

endureth to the end, the same shall be saved. Let's give Him praise!
HalleluYah!

Thank you for your patience tonight. I realize that it was long, but I had to get it out. I need you to know what you're fighting against. It's WAR; it's war against the saints. Everything that can be shaken, will be shaken. But I've got a made up mind to serve the Lord until my dying day.
