

Tracking The Tribes part 5

Migrations of Israel

By Shane Vaughn, First Harvest Ministries

We left off last week when I was teaching you that in 1776 the Lost Tribes of Israel began to regather in a land that no man had ever known before. We believe that the native Indians are members of the Lost Tribes, and we believe that they were put here to hold this land until their brothers showed up. Just like any family that's got brothers, there's always a good war in every family; a good battle. That's exactly what happened with the Native Americans, and their European brothers that found them. Nevertheless, we migrated to the shores of America for the RESTORATION of the Lost Tribes of Israel.

There is a false teaching that I want to deal with this morning. Before I do that, let's explain why it's important to know who these Lost Tribes are. Why does any of this matter? Why is this important? Why do you have to know about these Lost Tribes, and why should you track these tribes? Let's read Revelation 21:9-12.

Revelation 21:9-12 **And there came to me one of the seven malakim who had the seven bowls full of the seven last plagues, and talked with me, saying: Come, I will show you the brides, the Lamb's wives. 10 And he carried me away in the Spirit to a great and high mountain, and showed me the great city, the holy Yahweh Shammah, descending out of heaven from Yahweh, 11 Having the glory of Yahweh. And her light *was* similar to a most precious stone, clear as crystal; 12 And had a great and high wall, *and* had twelve gates, and at the gates twelve malakim, and names written upon them, which are *the names* of the twelve tribes of the children of Israyl.**

Brothers and sisters, if you don't know anything about the tribes, you don't know anything about the Coming Kingdom. You don't understand that city

that Elder Morgan just read about. Mark this down: The ONLY people that will be allowed in that city are the Twelve Tribes of Israel. This is more important than you comprehend! He just told us about the New Jerusalem, and there are twelve entrances to the New Jerusalem. If you do not come under one of those names, you don't get in. There will be an angel there to guard the entrance. We don't believe in illegal immigration. Yahweh built a wall around the city of the New Jerusalem, and there's an angel guarding the door to make sure that when you come in that you are an Israelite. That's why many of you in this class today have spent your life screaming you're a Gentile. Yahweh help you if you are!

Let's read verse twelve again. I want it to really sink in to our people how precious this teaching is!

And had a great and high wall, and had twelve gates, and at the gates twelve malakim, and names written upon them, which are the names of the twelve tribes of the children of Israyl.

Twelve guards! There are twelve guards around the bride of Yahshua! Twelve! And if you are not identified with one of those tribes, you are not getting into the government. I'm not saying you're going to Hell. I'm saying you aren't going to be in the government. The only ones who will live at headquarters; the only ones that will be at the city of Yahweh will be the bride of Yahshua. That bride must be an Israelite bride. Amen. That's why we're tracking the tribes. That's why you've got to know who America is. That's why you've got to know where your people went. You've got to know.

Now I'm really about to deal with something that is so important because we have a lot of people who have misunderstood this thing, and I want to try to explain it to you. You're not going into that city because you are a natural born Israelite. I want to explain this: *Brother Vaughn, if I am an Israelite, that means that my brothers and sisters are. We're all from the same bloodline, so why are my brothers, and my own children not hearing this message?* Are you ready for the answer? It's going to come straight from your Bible. It is NOT Natural Israel, or even the natural Jews that will

make up this city. Let's find the answer. It's in the book of Isaiah, chapter ten. This is a prophecy about the Lost Tribes of Israel, and we'll start at verse twenty.

They are just now coming out of Assyrian captivity. They are getting ready to get lost among the nations. This is right after they left Assyria. These are the very Israelites that some of you come from. These are the very Israelites that are about to be lost over the whole world. They are not *all* going to come to this message. They're not *all* going to be in the city of Yahweh. But let's find out who will.

Isayah 10:20 It will come to pass in that day, *that the remnant of Israyl, and such who have escaped of the house of Yaaqob, will no longer depend on him who struck them down, but will depend on Yahweh, the Holy One of Israyl, in truth.*

Let's pause right there. The REMNANT, not all of Israel. What does the word remnant mean? A small portion. The TITHE of Israel will return to their trust in Yahweh. Only a remnant of the natural seedline will return to TRUTH. Only a Natural Remnant will hear the voice of Elijah. That's an answer to your question. Not all natural Israelites are going to come to Truth in this day, in this hour. It's a repeating of itself. It's already happened. Go look at natural Israel when John the Baptist, the voice of Elijah, came on the scene. Only a remnant of Israel, heard the voice of John the Baptist.

I'm trying to help you. There's a false teaching in the land that ALL the natural Israelites are going to be in that government. That's impossible! They've not been tested like you have. They have not come to Truth like you have. They have not come into the voice of Elijah ministry. Only a remnant of them will return to Truth. You ARE the remnant! Praise Yahweh! You are the remnant. That's why we call it Remnant Ranch. You are the ones who have returned to TRUTH. Let's read on.

21 The remnant will return, the remnant of Yaaqob, to the Mighty Father.

The remnant shall return unto Yahweh! Now listen to verse twenty-two.

22 But though your people, O Israyl, be like the sand of the sea, only a remnant of them will return; the consumption; *destruction decreed*, will overflow with righteousness.

23 For Yahweh, Father of hosts will make a consumption; *destruction*, a determined end in the midst of all the earth.

That word determined there is the same word we use for predestination. He has DETERMINED who the remnant is. He's already determined who is going to return in the remnant. Ladies and gentlemen, how do we know who the remnant is? Very simple. How did we know who the remnant was in the days of the New Testament? How did we know who the remnant was when Yahshua was on the earth? They HEARD the voice of Elijah. They responded to John the Baptist. Who was John the Baptist? He was Elijah. They heard a message BEFORE they saw the Messiah!

I need everybody to remember what I just said. It's a REPEAT! In the days of Yahshua, they heard a message Before they saw the Messiah. That's the Remnant. That is the REMNANT! When you hear that Voice of TRUTH, that's the step BEFORE the Coming of Messiah! It's a repeat. The remnant is going to return. Notice what the remnant is going to return to in verse twenty-one: to Truth. Remember that I've always taught you that most prophecies are fulfilled two or three times because it's a cycle. It's an upward journey. The more things change, the more they stay the same. Yahweh said if you want to know what happens tomorrow, just look at what happened yesterday, and you'll know what's going to happen.

The Remnant is Returning, and how do we know it? Verse twenty-one makes it plain: they will return to Truth, and Truth will become their Passion. That's how you know the remnant. They can listen to other things.

They can hear other things, but there is a ring of truth, that when they hear it, they run towards it. There's a call. I want to make it even more plain for you. Let's go to the book of Acts, chapter two. We've always misread this scripture. We read it in a hurry, I think, and we put a lot of assumptions in this scripture.

Acts 2:38 Then Kepha said to them; Repent, and be baptized, everyone of you, in the Name of Yahshua Messiah for the remission of sins, and you will receive the gift of the Holy Spirit.

Now let's explain something. He is preaching this to all the natural tribes of Israel. They are all gathered together—all twelve tribes—for the Feast of Pentecost. He is speaking to ALL the natural tribes, and yet, only a remnant—3,000—were baptized out of 300,000: the tithe. There was a remnant in Jerusalem that heard the Truth! Do you know where the rest of the Israelites were? At the Temple, going to church, and ignoring the truth. HalleluYah! No new thing under the sun.

He's not preaching to sinners. Do you understand this? That's what people don't grasp. He's preaching to the Church! These are Israelites who are Sabbath keepers. They are all there for the feast days. He's preaching to the Feast keepers. He's preaching to the Jews and the Israelites, telling them to repent. He's bringing them more truth. Now they must be baptized in the Name of Yahshua Hamashiach. But notice what he says in verse thirty-nine. This is where we always missed it.

39 For the promise is to you and to your children, and to all who are afar off—as many as Yahweh our Father will call.

He speaks to the Jewish people and then, who would he have been referring to as *afar off* in those days? The Lost Tribes. But notice the next line: not ALL of the Lost Tribes, *but as many as Yahweh will call*. That is the remnant! He didn't say Yahweh was going to call them all. He said, "As many of them as Yahweh will call." You can't get this Holy Ghost unless He calls you. Oh, HalleluYah!! I felt the flying man just then! You better never

take this thing for granted! Do you not know you have been CALLED? You can't run from this if you want to. The hound dogs from heaven will find you if you try to run from this. This is the calling for the hour!!

You need to turn those preachers off who say there's going to be an end time revival. Get them out of your ear. The next revival will be the Millennial Reign, and the evangelist will be Yahshua, and you will be the altar workers. HalleluYah! HalleluYah! There's a great tent revival coming, folks! Evangelist YAHSHUA will be the speaker! And you and I will be the altar workers. HalleluYah! Praise Yah! The Holy Ghost is going to fall on ALL FLESH; Everybody!! Everybody THEN will be called! But right now, only the REMNANT is Being CALLED to this separated life, to this life of separation. ONLY the Remnant is Returning!

You've got to understand this. You've got to know it; you've got to feel it in your bones. You've got to know who you are in Yahweh. You've got to know it. You're not part of another church. You're part of an Ingathering! You're part of an ingathering of The House of Israel, so you can walk through those twelve gates into the government of Yahweh. Praise Yahweh! And then once you know who you are, LIVE like it! Separate yourself from the rest of the world. SEPARATE yourself! Be HOLY unto Yahweh! Walk WORTHY of your calling! That's why the Bible said, "Make your calling and your election sure." Folks, you've got to know who you are in Yahweh. You've got to know it every day of your life!!

You're not getting this knowledge to know more than other people. You're getting this knowledge because you were CALLED to get it. Those who were not called—you've got to love them with the love of Yahweh! You've got to become the honey from the honeycomb. The Father has called you to a separated life; holy and acceptable unto Yahweh. When I hear people say that this Holy Ghost is for everybody, it breaks my heart because Acts 2:38 says *it's only for as many as He shall call*. My God, when I think about that; what did I ever do to deserve to be called? Nothing.

When people say that we don't preach Grace, you're wrong darling. It was Grace that called me out of my whole family. I believe in Grace. I sing *Amazing Grace*, because I don't know why He called me. I'm the worst of the family, but yet He called ME! HalleluYah! Aren't you grateful for it? Aren't you grateful?! Ohhhh! HalleluYah!! Glory, glory, glory!! HalleluYah! HalleluYah!! We give You the glory, Father, for this great calling!! May we never take it for granted. Oh HalleluYah. Thank you, Lord! When you know who you are, you'll live like who you are. Amen. If you know you've been called, you'll live a life of obedience. Amen? We must understand who we are. We must understand so that we can prepare ourselves for the day that Elder Morgan just read about, when we walk through the gates of that city.

This is why Yahshua told the apostles these words at the Great Commission, from Matthew fifteen, verse twenty-four.

Mattithyah 15:24 But He answered, and said: I was not sent except to the lost sheep of the house of Israyl.

Folks, whether you believe it or not, whether your friends think you're crazy or not, the Gospel right now is only for the lost sheep of the house of Israel. If it was for the whole world, the whole world would come. One of the most tormenting things for a Christian is to watch is a church call a revival. They bring in a preacher and give him \$5,000 for the week, they advertise it on every radio station and every news station—spend \$5,000 to advertise it—and they get a houseful of people from the other churches, and then you preach like you can't preach no more. Then you run out of energy preaching—and everybody's sitting there looking at you.

Nobody moves. You might get one or two who come everytime. Nothing more aggravating than this constant battle to get the world saved. Folks, do you not know that it's not time for that? If you'll ever learn what I just taught you right then—that it's not time yet for the world to get saved—what you will do then is to focus on your PERFECTION, rather than the world's CONVERSION. There's going to come a day when He gets them all. I'm going to be teaching about that in *Joy Comes in the Morning*. HalleluYah!

You are only to be sharing the Gospel with those who come up to you and ask questions. We've got this thing backwards. We're going to THEM, but when Yahweh is drawing them, they come to us, and we need to stand ready to give them an answer. The Bible says, "Be ready to give an answer to anyone that asks YOU about the hope that lies within you." If you want to be frustrated, go spend a day on the streets witnessing to the lost, as we call it, only at the end of the day to find they're smoking—they have that pipe right back in their mouth, even though they prayed the *Sinner's Prayer* with you. Folks, it's an ENDLESS CYCLE that leads to frustration!

I used to go home after preaching as a young evangelist, so upset that more people didn't get saved that night. I'll never forget when I heard the voice of the Lord say to me, "Why are you disappointed in My failure?" I wondered what He meant, and He brought the scripture to my mind: *No man comes to Me unless the Spirit draws him*. He said, "You're upset at what you call failure, but it's Me that draws them, not you. It's Me that does that work. The Bible speaks about a day of visitation we will have. That day will come.

Your job is to pray before the Father that your family will have a Day of Visitation; that they would be called. You have the power to pray for that. You have power. The Bible says: *praying for all men, that they might be called*. You have that ability. Your job is to talk to the Father, not to talk to them. Also, live a life in front of them that causes them to ask questions. The moment you start hearing questions, you can answer.

I want to tell all of you not to be discouraged. Sometimes your family will be asking questions, but they will disguise it as making accusations. Everybody, listen to me carefully now. The journey to truth does not start off with, "Will you please explain this truth to me?" Oh, no. It doesn't start off that way. It starts off with, "So you really think Saturday is the Sabbath Day?" That's a question, folks. It sounds like an accusation, but it's a question made out of anger. That's a starting point. When you hear your family getting angry at you, it will soon turn into questions. Be careful. Never get hurt at their accusations. Questions begin at accusations.

In other words, they may say or think you are crazy for doing this. If they're mentioning it, it's bothering them. That's why I tell people that atheists believe more in God than I do. It bothers them so much, they talk about it nonstop. Atheists think about God night and day. That's the reason they don't believe in God. They try to convince themselves that they don't believe in Him, but if they really didn't believe in Him, they'd just not bother to talk about it.

If somebody is picking on you about what you're eating, it's bothering them. That's a good thing. Eventually, it will lead to a conversation. The door will open for you to say, "I know you don't understand, and I'm okay with that. There was a time when I didn't understand. If you genuinely want to know why I do it, I'll be happy to tell you, but if you just want to mock me and make fun of me, I'll accept that as well, because I know where it's leading."

So folks, they have to come by the drawing of the Spirit, just like you did. How many of you remember sitting there watching my videos years ago, and all of a sudden something grabbed your heart, and you said, "Okay! That's my pastor!"? Who had to convince you of truth? Nobody. You knew it. Where? Somewhere down deep inside, that Israelite heart was beating, and you knew truth when you heard it. Amen.

The only reason we're going to the world is because the Lost Sheep of the House of Israel are hidden in the world. If somebody says to me, "Go and find five of the poorest children on the earth," I'm going to have to go to India or somewhere, and I have to go all over to find those five poorest children. Correct? So of course, I have to go to India to find those five. You have to go to the world.

Why do you think we are on the Now Network? We're going to the world, but we're not looking for the world. We're obeying Matthew 15:24. We're gathering the Lost Sheep of the House of Israel. To find them, we have to go to the world and preach the Gospel, but here's the problem: all those claiming to be preaching the Gospel, are preaching anything but the Gospel.

They're preaching the Life Story of Christ, but not the MESSAGE of Yahshua Messiah: Gather the Lost Sheep of the House of Israel. Amen. Praise Yahweh! Honey from our lips will bring the people to Yahweh. Honey stirs up the appetite. It stirs up the appetite. Amen? The sad thing about the command to gather the Lost Sheep of the House of Israel, is that the Jewish people never talk about the DISPERSION of Israel. You will never hear this subject taught at the synagogue.

They don't teach about it, and guess who else doesn't teach about it? The Catholic Church. Do you know that the ENTIRE Bible is about these people, and nobody teaches about it? Did you know that? I can start in Genesis, and go to Revelation, and preach about the Lost Tribes because in Revelation, who is going through the twelve gates? The Remnant of Israel. Nobody preaches it. The Jews don't teach about it because they were never part of it, but I want to read to you from Flavius Josephus. For those who don't know about Flavius Josephus, he was one of the great historians and a Jew himself. I want to read to you what he says about these Lost Tribes that nobody preaches about.

Here is what he said: *Wherefore, there are but only two tribes in Asia and Europe that are subject to the Romans: the House of Judah, and Benjamin.* Only the Jewish people were subject to the Romans. But he said, *There are ten tribes beyond the Euphrates even now, and they are an immense multitude, and they can't be estimated by numbers (the House of Israel).* This is a historian telling you he was Jewish, and that the number of the Israelites was much greater than the number of the Jewish people. So my question to you today is, what happened to these people? If you don't desire to know, "Shame on you," but according to Josephus, they could not even be numbered because they had grown so large over the face of the earth. That's from his book: *The Antiquities of Judea.*

Now let's deal with the words *Lost Tribes*. That's a horrible word. It's translated from the Greek word *appolumi*. Appolumi means exiled, or to put away in punishment. They were never lost. It is a bad phrase to call them the lost sheep. They were not lost, they were punished sheep. Okay?

The Greek word *appolumi* simply means to put away in punishment, and that's exactly what happened to them. They were put away in punishment. They were exiled. If you'll look at these markings in the picture below, you will find out where they were exiled to. They were put away in punishment.

Let me say this to all of you right now: If any of you have forefathers from these areas—France, the British Isles, all of these nations where these tribes were exiled to—they had children. Their children had children, and many of their children—a remnant of them—went to Holland. They're called the Pilgrims. Then a remnant of those crossed over the Red Sea for another Exodus to

another Promised Land that no man had known before. You don't know how much Yahweh loves America; why America is first. It is the REGATHERING place of the Lost Tribes of Israel. Praise Yahweh!

Think about it folks. Why do you think we are the most blessed nation financially on the face of the earth? Why do you think we are the most blessed? We have the birthright blessing! So when we say America First, what does the birthright mean? FIRST! C'mon! We are the birthright people of the Lost Tribes, or the exiled tribes of Israel! We are ANOINTED! I've already gone over the seven times punishment with you in the book of Leviticus.

The Bible says there, that these people would go through seven times of punishment. We found out that was over 2,000 years of punishment; exile, having no home, living among the heathens. One day at the end of their punishment they would be given a land where no man had dwelled before. This is found in the book of 2 Esdras 41: *But they took this counsel among themselves, that they would leave the multitude of th heathen, and go forth into a further country, where never mankind dwelt.* was after they

already had the land of Jerusalem. This is speaking to the tribes that already had Jerusalem.

II Samuel 7:10 And I will appoint a place for My people Israyl, and I will plant them so they can have a home of their own, and be moved no more. The sons of wickedness will not oppress them anymore, as they did at the beginning.

Israel already had a place. Israel had Jerusalem. They already had their own land. Why does He say He's going to appoint them another land? When you think about it, why do they need another land? Because it was the Jews that had the land of Jerusalem, but the exiled tribes would need another land; a place where they wouldn't move anymore. This is after Jerusalem had been given to David. He said, "I'm going to appoint another place for My people Israel, and I will plant them." What did Yahweh tell Jeremiah He was going to do? Plant a nation, that they might dwell in their own place. It's so important that we comprehend who we are and what Yahweh is doing on the earth today.

You have to understand that Yahshua did not come to redeem the world. The world still hates Him even today. He came to redeem His people Israel, so we could build His kingdom here on earth. In spite of all of Satan's minions that ferociously battle against having this kingdom become a reality on planet Earth. You can see this battle is beginning to heat up at target, and in ways you would never dream it would heat up before. Satan does not want this kingdom on the earth. That is why he came into your church to convince you of a rapture. He wants you gone. Do you know who is preaching his message? The Church.

I really want you to think about what I am saying. Satan fantasizes. He lays there at night and fantasizes of an earth without salt on it, of an earth without that doomsday prediction of a kingdom that's coming to take over his planet. Folks, get it in your mind: This is Satan's planet. You are a stranger here. You are an alien here. You don't think like they do. You don't

think selfishly. You don't think with pride and arrogance. You're not like them, and you are a witness against them.

Do you know why people hate it when you don't eat the ham on your plate? They will never admit it, but I'll tell you why. You cause them to stop for a moment and think, "Am I not doing good enough?" People do not like that thought. You cause them to stop when you don't celebrate the holidays, and ask, "Am I wrong for that? Oh, I can't be wrong for that." Their thoughts turn into anger. When you go to church on the Sabbath Day, it is a witness against Babylon. So instead of being convicted, they have to become angry.

Your life angers them. I tell you, it's getting to the point now, if a man has a wife walking down the street with children people get angry. Do you know why people get angry at the LaQuiere family? Do you know why their presence angers even some people in the church? It's conviction. They love children. *How dare you love children! Children are a bother. Children are a burden.* And then all of a sudden you see these people walk in with their children crawling all over them while you're trying to talk to them, and they're fine with it. Satan hates children.

The world hates children! But your life is different. They either have to love you or hate you. They can't love you, so their only choice is to hate you. The Bible says, *You will be hated of all men for My Name's sake.* Satan has come into the Church. You hired him as your pastor at your local church. Satan has transformed himself into a pastor. *Brother Vaughn, the Bible doesn't say that.* Yes it does! Are you going to make me pull that scripture up? Okay. II Corinthians, chapter eleven. Let's start at verse thirteen.

II Corinthians 11:13-14 For such are false apostles, deceitful workers, transforming themselves into the apostles of the Messiah. 14 And no marvel; for Satan herself is transformed into an angel of light.

Satan is transformed into a messenger of the Gospel. Do you know what an angel of light means? A messenger; a preacher. What is a preacher? A

messenger. Satan has transformed himself into a preacher! You wouldn't listen to him otherwise. You're not going to go to the strip club and listen to him, so he just brings his church into your church, and you hire him and pay him a good salary. He convinces you that you are going to leave this earth. In fact, the first song you're going to sing at the song service is: *Some glad morning when this life is over, I'll fly away*. Satan wrote that song. He wants you to sing it. He wants you to look forward to it. He wants you to believe it. He wants you to fly away.

The thing is, brothers and sisters, we have to quit singing his song, dreaming his dream, fantasizing his fantasy. Do you know we've been all wanting the same thing he wants? He doesn't want you to know there is a kingdom coming to this earth. He doesn't want you preparing for it, so he's got you leaving the earth. You know who did that to you, don't you? The Church. The Church did that to you. We have to always remember that Yahshua's ministry requires TWO advents: the first advent is to redeem Israel for their past sins. At that time, He came as the sacrificial Lamb. But the second advent is to establish the neverending kingdom. This will be accomplished for His people: True Remnant Israel.

This is very important what I'm about to teach you. Predestination is right and it's wrong. Okay? Does anyone know what the doctrine of predestination means? It was introduced by John Calvin. TULIP is the acronym. T is for Total Depravity. Unconditional Election is U. Limited Atonement is what the L is for. Irresistible Grace is what I represents. P is Preservation of the Saints. So that's the doctrine of predestination. Here's the thing about that doctrine: There is a lot of truth in it, but if you speak to an Arminian, which is the opposite of Predestination, they have a lot of truth too.

So you can go back and forth with one scripture after another all day long between a Calvinist and an Arminian, and you know what? Both of them have little rockets in their pockets. They can argue their doctrine. Where are they wrong? They do not understand the Coming Kingdom of Yahweh. They

do not understand remnant Israel. Let's read about predestination in Romans, Acts, and Ephesians. Let's talk about predestination today.

Romans 8: 29-30 For whom He did foreknow, He also did foreordain to be conformed to the image of His Son, that He might be the firstborn among many brothers.

There is some powerful truth in those scriptures, but I want to show all of you one that I want you to focus on: verse thirty.

30 Moreover, those whom He did foreordain, those He also called; and whom He called, those He also justified; and whom He justified, those He also glorified.

Now let's go back to Acts 2:39

Acts 2:39 For the promise is to you and to your children, and to all who are afar off—as many as Yahweh our Father will call.

As many as our Father will what? CALL. According to Romans 8:30, the only ones He is calling are the ones that He predestined. Let's look up the meaning of the word predestinate. It's the Greek word *proorizo*: to predetermine, decide beforehand; to foreordain, appoint beforehand. And I like this meaning where I highlighted: to limit in advance: *As many as Yahweh our Father will call*. There's your remnant, folks. You must understand that all of Israel is NOT the remnant! The remnant is PREDESTINATED. They are limited in advance as to how many He's going to call!

It breaks my heart when I see all of you brokenhearted over who He's not calling. WHO DO YOU THINK YOU ARE? He has limited in advance, who he's going to call! How does that work with the doctrine of the Christian Church: Let's go get everybody saved!?! It doesn't work. I want to say something about Calvinism. Here's the missing piece: You are predestined, but not for Heaven or Hell. That's the missing piece. Calvinism has just so

many people going to Heaven, and the rest of the people are all going to Hell. What is sad is that you can hardly argue with them. The Bible plainly says *those He did foreknow* He did predestinate.

However, when you understand the Coming Kingdom of Yahweh is coming to earth, and you realize you have been predestined to enter into the New Jerusalem as the GOVERNMENT, then all of a sudden you get it: Limited in advance for the government to rule the nations, not to go to Hell or to Heaven. Then all of a sudden, it all comes together. The Father is preserving the remnant for the finishing touches. That's what He's doing to us all. We are the leftover pieces. We are the parts that nobody wanted. We are the cast-aways, if you will. We are the tithe of everything else. That's what you've been predestined for: to be in this remnant. Remember, the remnant shall RETURN! Always remember that! Let's turn to Ephesians.

While you're turning to Ephesians, I want to make a statement. Many people see how much I go out of my way for the Holy Days: decorating, making it over the top. People will tell me that that's not necessary. You're exactly right, but I don't do *necessary*; I do EXCELLENCE. I have the spirit of Excellence. I understand that it's not necessary. I don't have to bring you a steak on a nice plate; I could throw you the steak. It's not necessary to put the fork and the knife nicely next to the plate, and to bring you some compound butter to put on top of it. That's not necessary; I get it. That's excellence.

We must all have the spirit of excellence. I try to teach my congregation the spirit of excellence. When I pull up to the church and I see dead flowers, I go crazy. I throw fits. Why? We're striving for excellence. When I built the studio, I could have just thrown a building back there and not focused on the outside, but everything I do, I try to do with that spirit of excellence, because I know that His kingdom is going to be an excellent kingdom, and I've got to have that spirit of excellence to rule and to reign in that kingdom.

When we dress up for church, people tell me that's not necessary. I know! Thank you. I realize that it's not necessary; it's excellence! I don't go to see

my doctor, or my lawyer, or my judge in just any kind of clothes. When I go to the assembly, I'm going for excellence. Why? Because it's the assembly of the congregation of Israel! It is so important that we obtain that spirit of excellence. Let's read Ephesians.

Ephesians 1:5, 11 5 Preordaining us to be His children by adoption through Yahshua Messiah, according to the righteous pleasure of His Plan—

11 In Whom also we are allotted an inheritance, being preordained as He set forth, as all things work according to the purpose of His plan;

What is our inheritance? We read about it in the beginning in Revelation 12: *that New Jerusalem, that New Body, that new place that we will govern as our inheritance.* Ladies and gentlemen, there is a group of people

predestined for that inheritance. Those people have scattered over the earth, and here are some of their modern flags. Here are some of those people. Out of those people He is calling a predestined seed that will rule and reign with Yahshua.

I want to really quickly give you a taste of something that is really important. Let's go to Isaiah sixteen. Let's talk about the journeys of our forefathers. Let's track these tribes a little bit today. I'm going to track

some of these tribes with you. When we read Isaiah 11:16, this is a very important scripture that everyone needs to know. How many of you know the story of the Exodus out of Egypt? They all came out of Egypt across the Red Sea.

Remember this: there was more than one Exodus, and there will be more. Remember, an exodus is a principle. Everything in the Torah was an example that we might know what was going on in our own lives. Let's read about the second Exodus that happened for the children of Israel. The first Exodus was out of Egypt, but the lost tribes are now in Assyria, modern day Turkey. Here is a promise of another Exodus for them. Read.

Isayah 11:16 There will be a highway for the remnant of His people, which will be left, from Assyria; as it was for Israyl in the day that he came up from the land of Egypt.

So just like that first exodus out of Egypt, there is going to be another exodus *for My people*. Just like they came out of Egypt, they are going to come out of Assyria, or Turkey. This is the fulfillment of that prophecy. That was the Great Exodus in the picture below. That is the Exodus that nobody talks about! We all talk about crossing the Red Sea out of Egypt, but nobody preaches about this great exodus where millions of Israelites were set free from Turkey! Where did they go? Look below! This is the great exodus that nobody preaches about.

Where did they go? They went in these directions above. Over to your left is the Caucasus Mountains. This is their journey. This migration began in 745

BC . That's why Paul wrote about the scattered tribes. They were already scattered, and they did not end until we found America where they would what? MOVE NO MORE. Your Bible said that they would find a land where they would move no more. Immigration would not be FROM America. They would be immigrating TO America. They were not like the dummies, the liberals, that now want to leave here. I don't blame them; they're convicted.

This age of migration, if you'll look at the large area of purple in the photo above on the previous page, and then look at that Island of the Sea over there in purple. We can say that this migration lasted about 2,000 years until 1776. We were settled all over Europe by about 1250 AD. Amen. I want to show you where these tribes went to. This part of the lesson gets a little tedious. It's not very anointed, very exciting. It gets into collegiate level type learning, so I have been torn about whether or not to go through these slides with you. I can't preach them. So what I'm going to do is just pull them up so you can take pictures of them. I'm not going to spend the next thirty minutes going through these slides, but you need the information. I apologize if it gets a little boring from here on out.

What I want to prove to you, is that many of these tribes wound up in Germany. It just so happens that Vaughn is a German name. HalleluYah! There's a historian by the name of Pliny, the Elder, and he wrote in his book, *Natural History*, "The name of the Scythians is everywhere changed to that of Sarmatae and then Germans." The names of the Lost Tribes changed as they traveled through the nations. Now here is information if you want to grab these pictures.

Map showing the location of the "barbarian" in Europe circa 320 AD

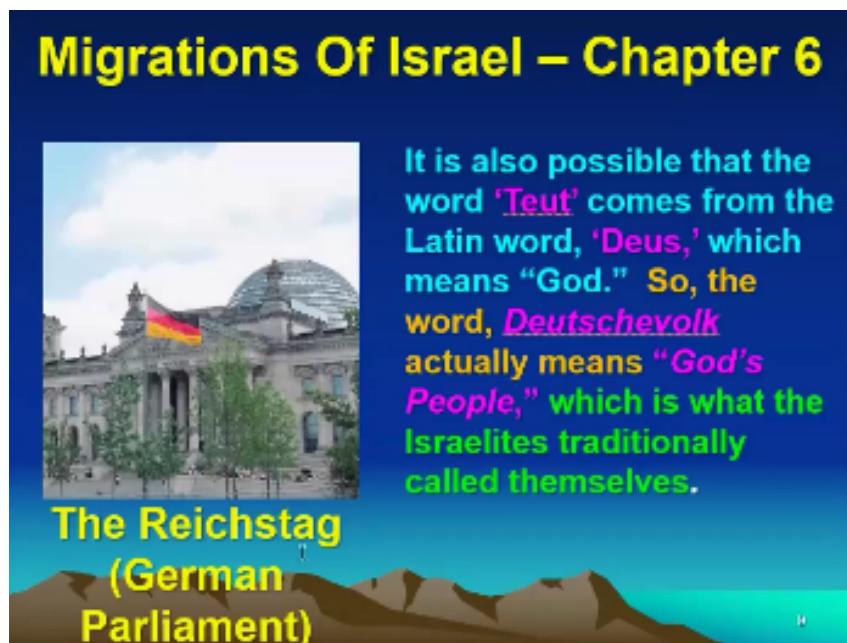

The word, *German*, was used by the Romans to refer to all of the "Barbarian" tribes north of Italy. The reality is that none of these tribes called themselves "Germans."

The map shows the Roman Empire in grey, with a black line representing the frontier. Various barbarian tribes are labeled in red: Franks, Saxons, Gauls, Lombards, Vandals, Sarmatians, Thuringi, and Visigoths. Major Roman cities like Rome, Carthage, and Alexandria are also marked. The Black Sea is labeled to the east.

The German tribes began settling down, forming states. It's interesting that in Germany, they call themselves Deutsch. It comes from the root word Teut meaning people.

The Israelites always called themselves God's people. The word Deutschevolk actually means God's people. I find it interesting that I get so many followers who are Russian, Ukrainian, and German. I get emails all

the time from Russia, Germany, and Ukraine; from the remnant of Yahweh's people there.

Migrations Of Israel – Chapter 6

The word 'Goth' also means "God," as does the Germanic "Gott." So, the word "Goth" is also a reference to "God's people."

An example of Gothic architecture

10

Have you ever noticed Gothic churches? The reason they call them Gothic is because the word means God. In the German language, the word Goth is God. Goth is a reference to God's people. So you need to tell the devil that we called, and we want our name Gothic back. HalleluYah. Now I am moving quickly, but you can grab pictures.

Migrations Of Israel – Chapter 6

Historically, only the Israelites ever referred to themselves as "God's people." As these migrated north and west through Europe, their tribal names often informed the territories where they settled.

Some of these tribal names actually recall their Israelite heritage. Thus Jutland was named after the Jutes (Tribe of Judah).

12

Some of these names they changed to actually recall their Israelite heritage. For example, there was an island by the name of Jutland which comes from the name Jute, the tribe of Judah.

Russia – coloured blue

Russia is probably named after Rosh, the son of Benjamin. The origin of the word "Russian" is from "Rosh" of Ezekiel 38:2. In Mesopotamia was a valley called "the land of Rashul"

14

Now, Russia is named after Rosh, the son of Benjamin. The origin of the word Russian is from Rosh in Ezekiel 38:2. It was called the Land of Roshu. That is modern day Russia.

The word "Russ" or "Rosh" means blonde. And in ancient Mesopotamia lived the blonde children of Keturah and Abraham mentioned in Genesis 25:1-6. They founded the Kingdom of Mitanni, named after Midian and Medan.

The word rosh means blonde. You can read about these blonde children in Genesis 25:1-6. They founded the kingdom of Mitanni, or Medan.

Mongol Warriors

These Scythian/Gothic Israelites, mixed with other Aryan descendants of Abraham, were constantly driven north and west by Asiatic tribes, such as the Huns, Avars, Turks, Mongols, and Khazars.

11

Then they were known as Scythian Gothic Israelites. Don't you find it interesting that now all of Satan's children call themselves Gothic? Do you think that's just by happenstance? No. He's stealing our identity. Now later on, they were driven north by the Huns, Avars, Mongols, Turks, and Khazars.

A major development occurred between all these lands right here in the image above. Look at all these Lost Tribes. Do you see the Britanians? The Germanians? Look at all these Lost Tribes that are being punished for 2,520 years.

Then in 800 AD, after Christ died, Charlemagne united all of these lost tribes under what? The Holy Roman Empire. Now do you see why only a remnant will return? Because most of our people were renamed Catholic. Let me tell you something about the Catholic people that you may not know. The die-hards love God. Did you hear me? When you find a devoted Catholic, they love the Church, and they love God.

They can't help that they've been deceived. They love God. My grandmother told me when she was pastoring that if she ever got a Catholic person converted, "They were my best member." That's because they love God. These people were in these lost tribes and brought under the rule of the Holy Roman Empire, under Charlemagne.

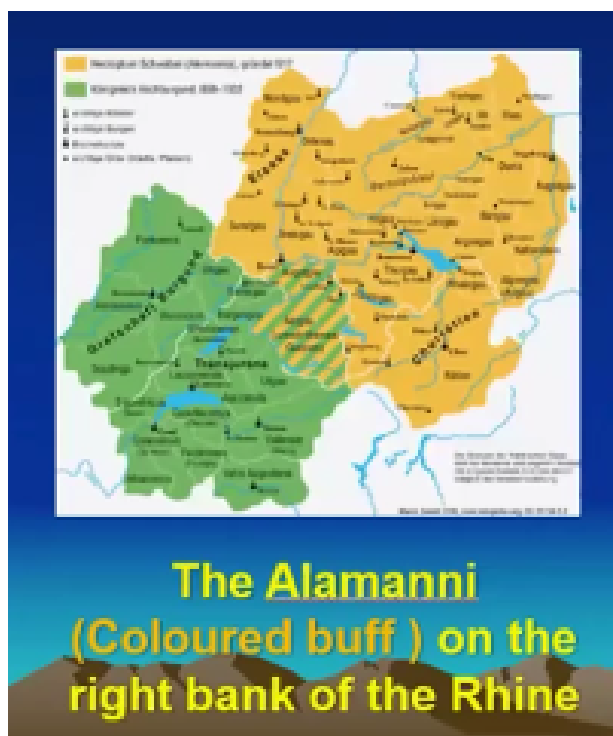

Do you know who defeated the Roman Empire? It was all the Goths. Did you know that? Go study what happened to Rome, and you're going to find that. Rome was defeated by the Goths: the Ostrogoths, Visigoths, Goths. Do you know who the Goths were? They were God's people. The Vandals, the Huns, the Franks, the Angles, and the Saxons were ALL Scattered Tribes! Ultimately, they became the Vikings and the Normans. And guess who the

Vikings and the Normans became? Sweden, Norway, Finland, Estonia, and Lithuania. Those were the old Vikings. The Vikings were the Lost Tribes! You can read about this. The Germans were once called the Seubi people.

The first mention of the Seubi people occurred a century before Christ. According to Tacitus, he divided the Germans by making separate peace with the Sugambri and Seubi under their king, Marobouus.

The Seubi were a branch of the Germans. They were part of the migrations of the Twelve Tribes. They were related to the Alamanni, and often worked with them, the Suebi. And guess where the Alamanni and the Suebi were located. On the Rhine River. This is important! If you look to the left, you'll see these people settling at the Rhine River.

Much of the tribe joined the Vandals and Alans in breaching the Roman frontier by crossing the Rhine, perhaps at Mainz, thus launching an invasion at northern Gaul. They moved into the nation of Gaul. Gaul is France. Why do you think France was originally a Christian kingdom; a Catholic kingdom? You can also read about the marriage of Sigebert and Brunhilda and what it did.

Then they clashed with the Gauls and the Sueves, the Vandals, and the Pyrenees, entering the Iberian Peninsula which was out of Imperial rule since the rebellion of Gerontius and Maximus in 409. Then you'll find out that the Sueve became the German people.

Alans and Sueves

The Suebi or Suevi (from Proto-Germanic *swēbaz based on the Proto-Germanic root swē - meaning "one's own" people, from an Indo-European root swe -, the third person reflexive pronoun)

Migrations Of Israel – Chapter 6

Alans and Sueves

The Bavarian province of Swabia (Swaben) formerly an independent principality retains the proto-German **swēbaz** name of the Suebi or Suevi to this day!

Now there's still a province called Swabia, or Swaben, which proves who they are to this very day. Julius Caesar mentioned these people. Arioivitus was defeated by some of the Suebi people.

Ptolemy, in his book *Geography*, said that the Saxons were around the lower Elbe River, which area they

could have reached by an extension of the Saxon alliance.

Where do you think we get the word Anglo Saxon? Originally we were called the Angli. We were originally known by the names Suebi, Angeilloi, and we resided by the Elbe River.

Migrations Of Israel – Chapter 6

Suevi and Angli

There has been much speculation regarding the original home of the Angli, but it appears that the Angli, or Angles, derived from the Suebi. These Angles continued west towards England.

The White Cliffs Of Dover England

The name Angli comes from the Suebi people. That continues towards where? England. The name of the Suebi are in Norse mythology and in early Scandinavian sources. We came though all those people. Arioivistus is an interesting one. Guys, when I study all this, it takes my brain days to pull

all this together. You can do your own research on much of this if you want to go deeper.

Allemanni and Marcomanni

Left: Roman coins depicting victory over the Allemanni

“It is also a good theory to view the Allemanni as the vehicle between the Maeonians and the Meons, with the understanding that it may have been prior to the Allemanni making an alliance with the Allens, at which time they were simply a hypothetical “Manni,”

This is evidence of who these people were.

*The **Wassa** clan (which I'm assuming was Saxon) that began in Cornwall may thereby have become a **Saxo-Cati** mix, a mix smacking of the entity of Thuringia (that put forth the modern British royals)."*

I did all of that to bring us to the Coat of Arms of the Royal Family. Do you know that the REAL name of the Royal Family is not The House of Windsor? It is Saxe Coburg Gotha. Did you know that the Royal Family are German? Do you know why they changed their name to Windsor? Because it was after World War II when

everybody hated the Germans. Why do you think Satan raised up Hitler? Because part of Hitler's message was true: that they were a *chosen people*. But Satan got in his heart, and he took a good message and turned it into a bad thing. But if you'll look at the Throne of David where it sits today—we'll pick up on that next week—you'll find out it came from the Goth people, which were the people of God. You can read it from Strabo. He mentions these things.

*Alsace could be read as **Ale-Saka** or **Ale-Saxon**, and who knows but that "**Alesacius**" could have been the earliest rendering of these peoples, as far back as , **Caucasia**,*

having an understanding of our travels: where we were appearing all over the world.

which is to say that the Laz/Lazica of Caucasia may have been named after an Alesacius-like term. After all, Alans were from northern Caucasia, and the Saka were there as well.

EUROPE Migrations Of Israel – Chapter 6

The Danube River, named by the Tribe of Dan, was the main transportation route of the westward migrating tribes. The Dnieper, Don and Volga rivers provided the northerly migration routes.

Now look at all these European rivers in the image above on the previous page, and you can see that the Danube River penetrates the very center of Europe. The Danube River takes its name from the tribe of Dan. It was the main transportation route for the migrating tribes. The Dnieper, Don, and Volga rivers provided the northerly migration routes.

The word *duri*, *Thuri*, is a modern state that we're going to talk about next week.

For a century, the Roman Empire stood up against the Gothic invasion.

Christianity was spreading rapidly at that time in southern Europe. Who brought down the

Roman Empire? The people of God; the Goths, brought down the huge empire of Rome. Go read your history books.

But many centuries would pass before the northern Gothic peoples, the Saxons, Jutes, and the Angles, would hear of Jesus Christ, Yahshua. In Sweden, King Odin was deified, and the faith in him grew until the 11th Century AD. He was god. That's where Santa Claus comes from: Odin, in Sweden. He was god in Sweden. That's where Santa Claus comes from.

The reason why northern Europe did not accept Christianity for centuries later was because of the invasion of the Huns, who drove a wedge between the Gothic nations of the north and south, that reached as far as Vienna. We aren't going to talk about Genghis Khan today. I don't have time, but Genghis Khan came in and divided up the people of God. Many of them went to Russia. They were known as the Cossacks.

By the end of the 1600s, all the Mongols had been defeated from southern Russia. You can read about this in *March of the Titans*. It's a great book. The Sarmatians later became known as the Scythians.

I want to bring you down to the Persians. Remember, the Magi were Persian? It was the Three Wise Men. They were

the only ones who recognized that Yahshua was their King.

When we come down to the end, we find that there is no doubt that the Germanic peoples derive from the overland migration of the Twelve Tribes of Israel. Various waves of these people passed through the Caucasus Mountains, around the Black and Caspian Seas, then north and west into Europe, Russia, Ukraine, and indeed they fulfilled that prophecy from Isaiah 11:16; that a remnant would come through that Great Exodus.
