

## **Tracking The Tribes part 7**

### ***Migrations of Israel***

By Shane Vaughn, First Harvest Ministries

This is part seven of *Tracking the Tribes*, and I'm going to try to remind you of why we're teaching this series so you can get the whole concept in your mind today. Remember, we started out because I wanted you to know why we fight so hard for America. Is she just another country? As a matter of fact, one of the men who attacked me last week for my sermon about Donald Trump, I watched his attack. It was about a thirty minute tirade. One thing he said caused me to be able to pity him and understand why people think what they think of us.

Why are we so adamant about making America great again since she is just another country? This man sarcastically said, "Out of all two hundred-fifty nations of the world, let's talk about how great America is." I knew right then, "They don't get it. They don't understand what we understand about America, so therefore, in their minds we are all a bunch of MAGA cultists, because they don't get the premise.

They don't understand who and what America is. But the saddest part of it all, is that the Church doesn't get who America is. *So why not just let America fall and we'll try something else?* No, because you don't know who America is. I know many Christians who say, "I love the Jewish people, I love Israel; I love the land!" That's fine, but the whole time, you've given up on America, and have no love for America. I'm not mad at you. I don't blame you if you don't understand what you're going to finish learning today, because then you can't comprehend how blessed you were to be born in this nation, or to come to this nation.

So my job today is to pick up where we left off. We started off seven weeks ago in the book of Genesis. We started off with two boys who received a birthright promise of what they would have happen to them. Let me ask a question to see who's been listening, and who's not been listening. I'm

going to call somebody out who looks smart. Sister Jan Meadows looks smart. Unmute yourself. *I get points today for having USA on my shirt.* Yes, you do; five stars! Here we go. One thing that I want to make clear: In the book of Genesis 48, 49 when Joseph calls Ephraim and Manasseh to his father, Israel, many people believe that's just a prophecy that was given to the boys for while they were alive, or for a short time, but what did Jacob say that this prophecy was for specifically in Genesis 49:1?

*That there would always be somebody on David's throne, but these two would be for all the nations.* Read the verse for an answer of when exactly their prophecy was for. When was it for? *The last days.* There you go. That's what people don't get.

**Genesis 49:1 Then Yaaqob called for his sons, and said; Gather together, so I may tell you what will befall you in the last days.**

That prophecy of their greatness was not for their day. It was for an *exact* time period. What was that time period? The Last Days. How many days are there? Seven. If you are going to have something happening in the last days (plural), the only last days you can have are Days Five and Six, because SEVEN is *the* Last Day; so days Five, Six, and Seven are your last days. Yahshua came on what day? *The Fourth Day.* He came on the Fourth Day, so, the *Last Days* would have to be on days Five, Six, and Seven. So this prophecy is specifically for Days Five, Six, and Seven.

Now that we understand who this prophecy is for and what it's for, now you need to ask yourself one big question: Am I living in the fulfillment of that prophecy? The answer is: Yes You Are! I have shown you over the past seven weeks where your people traveled to. I brought you through Russia and Ukraine. I brought you through Germany. I brought you all the way through Europe. I brought you to the British Isles; to Scotland, to Ireland. I've shown you where our people—the Lost Tribes—traveled to.

They were not just traveling to be traveling. They didn't know where they were going, but Yahweh had a destination in mind for them. Until you get

this right in your mind, you will not understand what we're fighting for, what we're standing for, and what Satan is so desperate to destroy. Of all the nations of the earth, Satan always goes after Israel. So you've got to begin changing how you think—every one of you! If I were to mention the Holy Land to any of you, if I was to mention the Wailing Wall, your eyes would brighten up: *Oh! The Land; the land! I love the land!* You may not even realize that you're sitting in the land. Satan has you totally focused on the land in Palestine. You don't know who you are, and are totally clueless. My job is to change your understanding.

*If I could only go to Israel, I would bow down and kiss the ground. Then bow down and kiss the ground in America now. Kiss America's ground, and then fight for her! HalleluYah. Amen. If you don't understand that, then you don't understand why Satan raised up Barack Obama to fundamentally transform her. Since Barack Obama became president, America has become unrecognizable. This is not Joe Biden. He doesn't know how to get in out of the rain. This is not Joe Biden. This is Obama. This is all Barack. Satan raised him up.*

If you've not seen my lesson about his life on the Professor Toto show, you need to know who Barry Obama is, and Michael. You need to know who these people are. Listen to me. Satan raised these people up to fundamentally transform America, because Satan *must* destroy America. We have been called to *fight* for America, but if you don't get today's lesson, you don't get the fight. Okay? And your family and friends don't know what you know now, so to them it's just another nation. *It's been good, but it's just another nation.* But it's not. So that's where we're picking up today so that you can understand who we are, and why Yahweh has called you to this great end time battle.

Listen to me. If you're fighting for America, you're in the end time battle. Amen. You're in the end time battle. That's why you are so tired. You're always under attack. Satan's job is to wear each and every one of you out, and to get you so discouraged. You already feel like you're the weirdest one on your block. You feel like you're the weirdest one in your town because

you're fighting for America while everybody else is just Kumbaya; whatever happens, happens. But something has been put inside of you that says, RISE UP. Where did that come from? You're going to find out now. Amen!

Let's open the Word of Yahweh. When we left last week, we left you in the land of Ireland, and then we brought you to the British throne, and we taught you about Teia Tephi. We taught you about that great throne, and the Stone of Scone. We taught you about all of these things, and that brought us to the land of Great Britain. We found out the throne that you're looking at still sits on the Stone of Destiny. This is all prophetic. Then we brought you and showed you the bloodline of the House of Windsor. We showed you Queen Victoria, all the kings of Scotland, the kings of Ireland. We brought it all the way back to Zedekiah, Solomon, and David. We taught you about Zarah and Pharez, and the Red Hand on the flag of Ireland—the Ulster flag.

Now we've got to get you out of Great Britain, and we've got to show you the *final* act of this drama of the ages. Let's go to II Samuel 7:10. That's where we're going to start today.

**II Samuyl 7:10 And I will appoint a place for My people Israyl,**

Let's pause there. Folks, they already have a place. This is Samuel, after he has anointed David king; Saul is on the throne, Jerusalem—the land of Israel, is already in their possession. Notice what Yahweh says after the people already have a land.

**And I will appoint a place for My people Israyl, and I will plant them so they can have a home of their own, and be moved no more. The sons of wickedness will not oppress them anymore, as they did at the beginning.**

We have a major problem here. Do not the sons of wickedness still attack Jerusalem every week? Yes. They are getting attacked every week with

rockets and missiles. They are daily attacked. According to this prophecy, when they got their land, there would be no more attacks; they would live in peace and tranquility. How can this be Jerusalem? How can this be the Holy Land, if you will, because they are already in the Holy Land when this prophecy is given through Samuel. It's prophesied, "I'm going to appoint a place for My people." I thought we were already in the place for His people. *And when I give them this place, they will live in peace from outside attack.* Folks, I only know of one land that can meet this qualification: America. Amen! Jerusalem, USA. Only one place that would fit this bill!

**I Chronicles 17:9 I will provide a place for My people Israyl, and I will plant them so they can have a home of their own; and be moved no more. The sons of wickedness will not oppress them anymore, as they did at the beginning.**

Now let's put all these pieces together today. Every Christian preacher I know of has all of you looking toward the land of Israel. II Samuel 7:10 and I Chronicles 17:9 are identical prophecies. I Chronicles is literally the Chronicles of the kings of Jerusalem. It is chronicling the land of Judea, and it's saying, "I'm going to give you another land." Why didn't we know this all of our lives? It is right there in your Bible that there is *another* land *that I am going to appoint for My people.* You are going to see those people today. I'm going to show them to you.

Let's turn to 2 Esdras 13. Do you know what's so funny folks; do you know where I copied this scripture from? It comes out of the King James Bible, because this was in your King James Bible in its original form. Your original Bible had 88 books in it, in its original form. That is the only Bible that King James authorized; the Bible with 88 books. So look at the side of your King James Bible, and if it says *King James Authorized Version*, that's a lie. That's not what he authorized. Amazon carries *The Missing Books of the Bible*, which has all of these books in it. There is also a Bible app: KJVA, that has these books included. Let's read what this scripture in 2 Esdras says. Let's start at verse thirty-eight and read the whole thing.

***2 Esdras 13:38-41 And shall lay before them their evil thoughts, and the torments wherewith they shall begin to be tormented, which are like unto a flame; and he shall destroy them without labour by the law which is like unto me.***

***39 And whereas thou sawest that he gathered another peaceable multitude unto him;***

***40 Those are the ten tribes, which were carried away prisoners out of their own land in the time of Osea the king, whom Salmanasar the king of Assyria led away captive, and he carried them over the waters and so came they into another land.***

***41 But they took this counsel among themselves, that they would leave the multitude of the heathen, and go forth into a further country, where never mankind dwelt.***

***42 That they might there keep their statutes, which they never kept in their own land.***

***43 And they entered into Euphrates by the narrow places of the river.***

***44 For the most High then shewed signs for them, and held still the flood, till they were passed over.***

*They took counsel among themselves that they were going to leave all the nations of the heathens, and they would go further into a further country where never mankind dwelt!! At the time that was written, every nation that existed then, exists today, EXCEPT America. China existed, the Mongols existed, France existed. All the nations existed when that was written. There were people dwelling in all of those nations. America was nearly the largest mass of land where no man had dwelt before. That should*

get you to understand the basis of America. Those are your foundation scriptures.

I've just read the three foundation scriptures and they stand. I've read the truth about America. That's your foundation scriptures of the identity message. This is a message of your IDENTITY. You didn't even know who you were. A few years ago you found out you were an Israelite. That's great, but now you're finding out that the land you live in is ISRAEL! When you begin to understand these things, all of a sudden, the whole Bible begins to make sense to you.

I want to go back to the birthright promise that was given to your forefathers: Ephraim and Manasseh. They were given a promise of national development that went to Joseph and his two sons. This is paramount! When you find the nations that fulfill the prophetic history of this birthright house, you have to find the people of Israel in the last days. I will try to make it as plain as I can for you. If you find the birthright house, then you will find Israel of the last days. You will find her. Through this birthright, the people migrated from Britain and Europe to found and build what was destined to become the greatest single nation of all time—the land of America.

Now let me show you now, the prophecy of this happening: Daniel 7:2-4.

Here is a prophecy of America. What you're looking at there is the two houses of Israel: the tribe of Judah, and Ephraim and Manasseh. Look at that picture. The lion of Judah is the Jewish people. The wings of the great eagle would be scattered and would fly all over the world until she found her nest. The tribe of Judah would not be scattered. The tribe of Judah would always

know who they were. But we would not. We would not know who we were. Let's read about the separation of these two houses.

**Daniyl 7:2-4 Daniyl spoke, and said; I saw in my vision by night, and behold, the four winds of the heaven broke out upon the Great Sea; 3 And four great beasts came up from the sea, each different from the others. 4 The first *was* like a lion, and had eagles' wings. I beheld, until its wings were plucked, and it was lifted up from the earth; and made to stand upon the feet like a man, and a man's heart was given to it.**

I saw two nations, connected at the hip, literally. They were One. They were literally one. Then one day, they disconnect, and that great eagle stands up like a man on his own, without his brother the lion. He becomes his own great nation. Ladies and gentlemen, isn't it ironic that we find the House of Judah in Great Britain? Now stay with me. Remember, Teia Tephi is the House of Judah, is she not? Teia Tephi is from the line of David, and only those who descend from the lines of David, are considered Lions of Judah. You had to be royal blood to be one of the lions of the House of Judah. Teia Tephi's children are that lion of the House of Judah. Here, we find this lion on a throne in Great Britain.

All of a sudden, the wings on this lion disconnect, and the wings stand up on their own! Do you see what I'm trying to show you? It speaks of the day when Great Britain will carry the manifest destiny of the tribes of Judah—specifically the LION of the Tribe of Judah, which is David's lineage—in Great Britain. Then those wings would disconnect in 1776! Remember 1776 was also the end of 2,520 years of punishment for these great children of Israel. So this is a Bible prophecy of these two nations separating and becoming Ephriam and Manessah respectively.

Now let's go read an end time prophecy in Jeremiah 30:10-17. I'm going to show you a great mistake that people make when they read these verses.

**Yeremyah 30:10-17 Therefore, do not fear. O My servant Yaaqob, says Yahweh; nor be dismayed; *discouraged*, O Yisrayl; for behold, I will save you from afar, and your seed from the land of their**

**captivity; and Yaaqob will return, and will have rest, and be quiet; secure, and no one will make *him* afraid.**

That just doesn't sound like the land of Judea to me. That description just read to me doesn't sound anything like Israel to me. *It's the good ole US of A!* That description doesn't sound like Israel. That's a beautiful picture you painted: fields of golden grain, crown thy good with brotherhood—that's a beautiful picture you just painted—peace from shore to shore; none of our states are at war with each other. We had one little skirmish with the Japanese and took care of them quickly. That's it. According to that verse: *O Israel, I will save you from afar*, the Jewish people were considered afar off. We were. And he said, "I'm going to bring you together." Keep reading. Go to verse seventeen.

**17 For I will restore health to you, and I will heal you of your wounds, says Yahweh: because they called you Outcast, saying this is Zion, whom no man seeks after.**

Who was outcast? It was not Jews. The Jewish people were not the outcasts. The Lost Tribes were. Jerusalem was not cast out. They went into Babylonian captivity and came BACK. The Jewish people returned to the land centuries ago. Do you know the Jewish people were never scattered? They went to Babylon for seventy years, and then returned to the land.

Now in A.D. 70 after they crucified Christ, then their land was destroyed, but that was of their own doing. They said, "Let His blood be upon us and our children, and you reap what you sow." This is not speaking of that land. This is where the Christian Church has failed you. They've stolen your own identity from you. This is called the Identity Message. We love our brothers in Jerusalem. We would do anything for them. This is not to discredit them in any way, because I love the Jewish people. That's my brethren physically; in bloodline. I love them.

But I'm afraid we've done a grave injustice by being so recognizable of them, that we have been so unrecognizable of us in America and Great

Britain, and where our people have scattered to. When you read this scripture, it says plainly what the land that Yahweh is giving them is going to be like. There won't be any Scud missiles falling on you all day, everyday. You're going to be in a land of peace. Keep reading.

**11 For I *am* with you, says Yahweh; to save you; though I make a full end of all nations where I have scattered you, yet I will not make a *full* end of you. But I will correct you in measure *with justice*; and will not leave you altogether unpunished.**

Let's pause. *I will correct you IN MEASURE.* That *measure* was 2,520 years. Seven times he said, "I will punish you. I will correct you, but I will not make a full end of you, EVER." Oh, what a promise! HalleluYah! Keep reading.

**12 For this is what Yahweh says: Your affliction is incurable, your wound is severe.**

**13 *There is no one to plead your cause, that you might be bound up; treated; you have no healing medicines. (about 606 BY)***

**14 All your lovers have forgotten you; they do not see you; for I have wounded you with the wound of an enemy, with the fierceness of chastisement: for the multitude of your iniquities, because your sins have increased, I have done these things to you.**

**15 Why do you cry about your affliction? Your disease is incurable because of the multitude of your iniquities; *because your sins have increased, I have done these things to you.***

**16 However, all those who devour you will be devoured; and all your adversaries, every one of them, will go into captivity. Those who plunder you, will become a plunder; and all who prey upon you, will become a prey.**

**17 For I will restore health to you, and I will heal you of your wounds, says Yahweh: because they called you Outcast, saying this is Zion, whom no man seeks after.**

Wait. What will they say about us? That this is Zion that nobody seeks after. Nobody recognizes the REAL Zion. No one is seeking Zion in America. This is Zion, and they will return. Here is the problem: everyone believes that they are returning to the land, but Yahweh says, “They are returning to Me.”

We used to sing an old song that says, *We’re marching up to Zion*. No man seeks after Zion, yet they’re all buying tickets to go to the Holy Land. According to this scripture, real Zion will not even be noticed. Nobody is going to seek after it. Not the real Zion. Zion is Israel the people. Zion is not Judah. Zion is Israel, and no man is seeking after Zion, because they don’t know who Zion is. No man seeks after Zion. Let’s read Jeremiah 31:6-9. We’re going to continue this prophecy.

**Yeremyah 31: 6-9 For there will be a day when the watchmen will cry on Mount Ephraim, and say, Arise!**

Where? Mt. Who? So we just found out that this whole prophecy is about the tribe of Ephraim. This whole prophecy is about Ephraim, not Judah.

**Let us go up to Zion, to Yahweh our Father!**

Hold on. The tribe of Ephraim would one day say, “Let’s physically get up and move our location.” We read in 2 Esdras that they took counsel among themselves and said, “Let us get up and move to a country where no man has dwelt before.” HalleluYah! Keep reading.

**7 For this is what Yahweh says: Sing with gladness for Yaaqob, and shout for joy among the chief of the nations! Publish! Give praise, and say; O Yahweh, save Your people, the remnant of Israyl! 8 Behold, I will bring them from the protected place, and**

***I will gather them from the coasts of the earth; and with them will come the blind, the lame,***

Oh! Oh! What does the Statue of Liberty say? *Bring me your...* Oh, my God from Mt. Zion!!! *Bring them to Me! I want to give them the light of Zion!* They don't know why they're coming, but they saw a light! HalleluYah! When Ronald Reagan said we're the city on a hill, he had no idea that is what Zion is called. Mt. Zion is called that shining city on a hill! HalleluYah! They will be immigrants. They will come to Zion from every city, every protected place, every walled city, every nation; and once you build Zion, they will come from everywhere unto Mt. Zion! Oh HalleluYah.

*I will gather them from the coasts of the earth.* Where will I start gathering them? From the COASTS. Is not Great Britain an island of the sea, surrounded by coasts? Will they not get on a ship on the coast, and come by ship to Zion? HalleluYah. I am going to gather them from the coasts. Why would you say *the coasts*? Because that is where it will all start. Read.

**the woman with child, and the one who labors with child, together; a great company will return there.**

Wait. Hold on. A great company will return to Jerusalem, or to *there*? A great company is going to return. Return to what? Not the Holy Land, as you thought before. Has anybody come from the coasts of the earth, blind, to immigrate there in vast numbers? No. No man seeks after Zion, because they don't know where Zion is. Continue.

**9 They will come with weeping but with supplications I will lead them. I will cause them to walk by the rivers of waters, in a straight way in which they will not stumble; for I am a Father to Israyl, and Ephraim is My firstborn.**

Whoa, whoa whoa! Who? *Ephraim!* This prophecy has nothing to do with Judah. This is Ephraim's prophecy! This is Ephraim's End Time Prophecy that is part of his end-time blessing, to be a blessing to the whole earth! I'm

going to ask you a pointed question, and I don't mean it to sound derogatory, but how has Jerusalem blessed the whole earth? I know one nation that has literally been a physical blessing to the WHOLE earth!! Amen. The only reason there has not been a third, and a fourth, and a fifth world war, is because this GREAT nation has kept the peace of the whole world.

That's why when I hear people say, "We're not the policemen of the world," I say, "Yes we are!" We have a responsibility to be a light. That light is quickly fading. I'll be the first to admit that. But it will only fade if you don't know what that light is, and fight for it. The throne of Mt. Zion is the British throne. We all came under the British throne. I know we have separated from them, but have you ever logged onto your news source and there is always some news about the royal family to grab your attention? That's the British Throne. You may not agree with it. They say if they put up an ad about the British throne, everybody clicks on it. That's because there is a natural connection between us and the British throne. Yahshua will be given the crowns of that throne, and where He sets it up, is up to Him, but I know where it's currently set up. He will return to Mt. Zion. HalleluYah! There will be a physical moving of all of these people who are part of Ephraim. They will come.

Notice that He said, "They will come to me with supplications. That word means prayer. *When these people return to the land I'm giving them, they will be a praying people. They will be believers. They will be Pilgrims and strangers who are praying people.* So our job today is to find out what nation you've ever known that was established by a praying people where no man had ever dwelt before. My, my, my. Glory!

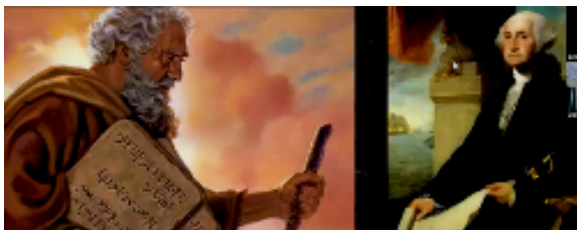

There's no nation like America. Let's talk about it. The main features of our history are such as having had no parallels since the distinction of nations existed among men. I want you to think about that. No other nation has ever been created with the distinction that America has. No nation has ever acquired so vast a territory in such a quiet manner. What was Ephraim's prophecy? That we would dwell in quiet, in peace. No nation has ever risen

to such greatness with means so peaceful. We had a few skirmishes with the Indians, and that's about it. Then they ended up joining with us because they are our brothers, and just didn't know it.

No nation ever advanced so rapidly in all that constitutes national strength and capital. No other nation. No nation ever rose to such a pinnacle of power by a space of time so short. It took Rome almost a thousand years to rise to its greatness, and America did it with hardly any bloodshed. Think about these things, folks. No nation in such a limited time has developed such wealth; such unlimited resources. How did this happen in a land that no man had ever dwelt in before? We come and literally take the whole thing with hardly any war at all except the Indian skirmishes. That's never happened in the history of the world. Rome had to have war to conquer their lands. We didn't. We just started bam, bam, bam, bam—now we've got an Empire. Thank you; we appreciate it. Honestly folks. Do you know why? Because when Yahweh gives a word, it's going to come to pass. It will always come to pass.

No age of the world has seen such an immigration of people as that which is now pouring in our borders from all lands—the millions who long groaned under despotic governments, who now turn to this territory of freedom as the last avenue of hope—the hope of freedom. That's why we have to build that wall; to make sure that those who are legitimately coming here have a way to get in, and they're not being crowded out by the illegals and the law breakers.

Now, when Moses died, he gave a farewell speech to Israel. You can read that speech in Deuteronomy. There's another man who gave a farewell speech for his land of Israel when he was dying. Here are the two founding fathers of both Israel nations. Both men gave us a farewell address.

Yahweh raised up both men to raise up great nations. I want to share portions of George Washington's farewell speech, and I want you to be able

to be able to use this whenever someone talks to you about the separation of Church and State. I've taken some paragraphs from that speech. You can find the full speech online. Let's begin.

As Washington's second term drew to a close, he again contemplated a farewell address to the American people to express his hopes and fears for this young country. He says, *Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports. In vain would that man claim the tribute of patriotism who should labor to subvert these great pillars of human happiness, these firmest props of the duties of men and citizens.*

Listen to what he said. He said you're a fool if you claim patriotism without claiming religion. He just said you can't have an America without Christians. Folks, listen to me. He was not talking about Buddhism. He was not talking about Confucianism. He was not talking about Muslims. George Washington was a Christian, and he just said that nobody can be a patriot without being a Christian! He says that whoever would work to subvert religion and morality, he said basically, are the treasonous traitors of America. He continues.

*The mere politician, equally with the pious man, ought to respect and to cherish them.*

What are the two pillars that politicians and Christians should be cherishing? The Christian Religion and Morality. He said that for those who are not Christians, you must at least be moral, or else America has lost her two pillars. This sounds like Moses talking. "Don't forget the Commandments," Moses said in his farewell address. "If you forget what I'm telling you, your nation will fall." Let's continue following the father of this nation's speech.

*A volume could not trace all their connections with private and public felicity.*

He's talking about religion and morality.

*Let it simply be asked: Where is the security for property, for reputation, for life, if the sense of religious obligation desert the oath's which are the instruments of investigation in courts of justice?*

If we desert our Christian faith, then there will be no security for property, and no respect for life. He warned us this day was coming. He said that these are the instruments in the Court of Justice. What are the instruments? Religion and Morality. If we lose our religion—and we know what religion he was referring to—we will lose justice in America. He warned us. Trump came to make America great again; to restore those two pillars. Let's continue.

*And let us with caution indulge the supposition*

In other words, let's humor your insanity.

*that morality can be maintained without religion.*

He's speaking of the Christian religion, and in other words, he is saying, "Let's play your dumb game, saying we can just be moral and don't need religion in government, just morality. Let's play that game." You cannot have morality without Christianity.

*Whatever may be conceded to the influence of refined education on the minds of peculiar structure, reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle.*

Here's what he's saying: You can't educate morality. You can't build enough colleges. You can't build the best schools in town. You can only do it with the Church. He's saying, "Your crazy game is you think national morality can prevail in exclusion of Christianity." This is the father of America warning you that everything you build will crumble without Christianity.

We're not talking about Common Christianity. We're talking about Bible Believing Christianity. He's not through.

*It is substantially true that virtue or morality is a necessary spring of popular government. In proportion as the structure of government gives force to public opinion, it is essential that public opinion should be enlightened.*

Here's what he just said: If the public's not Christians, then they will vote in such a way that morality cannot be upheld in this nation. He's basically saying we really don't need everyone voting unless they're enlightened. If not, you'll have transgenders down there voting, putting AOC in office. The minute you let every Tom, Dick and Harry vote, you're going to get Tom, Dick, and Harry in office. Listen. Here's what he said: *If the public is no longer enlightened, we are doomed.* How many of you have looked at the voters today? How enlightened do they look? Not at all. Plus, you shouldn't have any 18 year-olds voting. They don't even know how to get in out of the rain. That's why we've got the dummies in office that we have now. These young kids watching Tik Tok are voting what they see. They're not enlightened.

By the way, any of you parents who homeschool, I want to show you something. There is a lady named Verna Hall. Back in the 1700s she saw this day coming, and she wrote books to homeschool your children about the Christian history of America. I ordered three big books yesterday for my library. If you're a homeschool parent, these books were written for homeschooling.

The books include: *The Christian History of the Constitution of the United States of America: Volume 1. The Christian History of the Constitution of the United States: Christian Self-Government with Union Volume 2, The Christian History of the American Revolution: Consider and Ponder. Teaching and Learning America's Christian History* is specifically for homeschooling. *The Bible and the Constitution of the United States* is written to teach fifth-grade history. You better get them while they are out

there. They're very rare. They are written in the 1700s by people who still remember the Christian history of our nation.

Let's continue. Here's what Washington, the father of our faith, also said in his farewell address: *Observe good faith and justice towards all nations; cultivate peace and harmony with all-religion and morality enjoin this conduct.* I thought we were supposed to separate Church and State. Here's the founder of our nation speaking. You all bought into that hook, line, and sinker. America was a Christian nation, and is a Christian nation. We welcome everybody, but the minute we're shamed about our identity is the minute we have lost it all. You cannot have a nation that's built on morality without Christianity; without the Bible. Let's continue.

Remember, the prophecy said that the people who founded this nation would be a *praying* people with supplication. Yahweh would return them to this land. Here they are: a praying people.

Praying people founded America. They formed America. The Puritans were dedicated to finding this new land. Do you know who the Pilgrims were? They were members of a religious reform movement known as Puritanism that arose within the Church of England in the 16th Century. You might find these people to be pretty interesting. They believed that Christianity of their day was no longer real Christianity. These are your forefathers. You might want to pay attention to these people. They believed that the Church of England, which was supposed to be non-Catholic, had become just like the Roman Catholic Church—too many ceremonies and practices not rooted in the what? The Bible.

I have taught you the difference between Common Christianity and Core Christianity. These were not Common Christians. These were not RINOs, paralleling the political. We have CINOs, *Christians In Name Only*, and we have RINOs, *Republicans In Name Only*. They were not CINOs. They were Bible believing Christians. Every Christian on your street may be Christians, but they aren't Bible believing Christians. You ARE, so you

might want to look up here and meet your family; your parents where you came from.

They also left their denomination. They were members of the Church of England. That Church was supposed to be different from the Catholic Church. They were not supposed to be Catholic. But then, their churches were all adopting the Catholic Trinity, the Catholic baptism, the Catholic incarnation. Hello? Is anything starting to sound a little familiar to where you came from? HalleluYah! These people said, “No, no no. This church is getting too Catholic for me,” and they left the Church of England.

*I feel like they are still living here today. What about the Amish?* Let me make something clear to you. The Amish are not Bible believing. Don't let their lifestyle fool you. I love the Amish, but they are as bad as the Catholics. They go by a tradition called the Ordnung. They don't go by the Bible. They go by the Elders. The only ones I'm talking about are IN THIS ROOM, and in other rooms like it. We have left *anything* that is against the Word. We left just like they did, and that's who founded America. It's not who *discovered* America, it's who **FOUNDED** America.

Do you know who set the first government in place in America? The first government document? Where do you think the Mayflower Compact was written? By those Puritans on the Mayflower. They established the first official government documents in America of how to govern this land. It

was the Puritans. The people who founded this nation were like you! They believed the Bible. They believed it so much that they left their church! I hope somebody will pick up on the spirit of these people. This is YOUR people. Guess what else they were? Sabbath keepers. America was founded by Sabbath keepers.

We are just like these Puritans. We have picked up on their spirit. Now watch this: Here they are leaving Holland, and this is a picture of them with

their pastor. This is Brother Brewster on his knees, coming to found the first government of America. What did the prophecy say? They would come with supplication! There is William Brewster coming with his church. America's government was founded by a CHURCH! There's your people, folks! That is Sister Pat's 10th grandfather. That's why you heard this message. Their lineage is in us, and they founded a GREAT nation. They founded it, and it will be up to you to protect what they found.

*FamilySearch.org* is free for those wanting to track their ancestry, as Sister Pat has done. There is a page there called *Famous Relatives* that will blow you away, Pat says. They founded it, Sister Pat, now who will protect it? If we are their children, then it's up to us. In considering the tenth and eleventh generations since these founders of America, if there is going to be a twelfth? Your grandchildren would be the twelfth generation. I wonder if there's something about that end time number for America. That's definitely something interesting to look at.

This man, Brother Brewster, brought his church from Holland. We will read more about that now. These people were banned from England. The Christian Church banned these Christians. I want you to contemplate that. This sits in the U.S. Capitol that separated Church from State! Whenever they were banned from the Christian Church, they started looking for another place to have church; in a barn or wherever. I want you to understand that it won't be long before your pastor is going to be kicked out of our church. We will be banned because of the denomination that owns our building.

These people found themselves banned from their church. They were Pilgrims and strangers. Those of you here who were banned from or left your church before us, do you ever feel like Pilgrims and strangers? Welcome to your heritage! Amen. They were banned from the Christian Church. They were too cool for Sunday School. Back then, they went to the Dutch Republic for refuge. Then they went to Amsterdam, and in 1608, they moved to Leiden where they were led by pastor John Robinson and William Brewster, and lived before boarding the famous ship, the

Mayflower. They were led by John Robinson and William Brewster. They led the people. Let me tell you who these people were: They were a CULT!

**The FOUNDERS were a cult !!!!**

This beautiful courtyard is a little garden surrounded by houses. This is where John Robinson and about 20 other pilgrims used to live.

The pilgrims were not allowed to preach their faith in the cities churches. This is why they used John Robinson house for religious services.

In 1619, a new law was accepted, forbidding all dissident religious services

See this house in Holland? The courtyard of this house was surrounded by one big house, and guess where all the members of the church lived? In this one house! They were a cult. They all were kicked out of the Church, so they went to live in one place, one piece of land—thirty acres maybe. They all moved in together. It was a commune. Your forefathers were cult members. HalleluYah! They were not allowed to preach their faith in the city churches. This is why they used John Robinson's house for religious services. You can go to that house right now in Holland and stand on the ground where they got the revelation of truth that led them away from the Church to separation.

They stayed there for ten years. In 1619 a new law was passed forbidding all dissident religious services—meaning you had to go to the Baptist Church, Pentecostal Church, Episcopalian Church—an acceptable church—because you know that First Harvest is not an acceptable church. You have to go to an accepted church; one that all your family can go with you to once a year and feel comfortable; not a church where everybody has to dance when they walk in. You know; an acceptable church—a hoity-toity church—a proper

church. Go to High church, not Low church. We would be a Low church. Amen.

We are in a Great Awakening right now. First Harvest Ministries is a VOICE of that Great Awakening. We are awakened to WHO we are, and we are not in the darkness anymore. There is a very controversial scripture in the Bible. People read it and freak out when they do, because it sounds a little Mormon. It's in I Corinthians 15:29 when Paul speaks of being baptized for the dead. I teach a long lesson about what that means. That is intercession. You're coming to the Father on behalf of those who have died. You're literally being baptized in their place, praying that at the resurrection they *will* hear the Gospel, they *will* be Saved. You're literally presenting yourself in their stead! It's interesting.

Silvia Halpert has two books that I've looked at this week, and I highly recommend. I was going to order some from her. This one here is a good little book to give people; a book that is simple. I love the way it's written; it is very easy reading. It's about the Chosen People. It's literally a book you can hand out to your family, to your friends to give them a synopsis. The other book is *The Return to the Ten Commandments*. They are about the size of my little booklets that I hand out.

Let's continue so we can bring this to a close today. Once the law was passed that they had to go to a High church, it was time for these people who would never go back to Babylon, to find this land that was prophesied to them in Genesis chapter forty-eight and forty-nine. So what did they do? Like the original children of Israel, they crossed the Red Sea. Isn't it amazing that they had to cross a sea, just like their forefathers did? Once again, the Israelites crossed the sea. The religious freedom of the Pilgrim fathers was under threat. It was clear to them that it was time for them to leave.

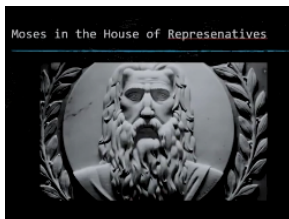

Let me explain to you how they felt. Put yourself in their shoes for just a minute. If you live in a state that is blue, and you are ridiculed and mocked, you start looking for a way out—Where can I go? I need to move from here.

That's what the Pilgrims were threatened with. They were looking for a better land where they could practice their freedom of religion; their faith. I want you to feel what they were feeling at this time. In 1620 they had spent a decade in Leiden. A group of Pilgrims left for Delfshaven to board the ship called the Speedwell. They sailed to England, and boarded the famous ship, the Mayflower, and crossed the Atlantic Ocean, or the Red Sea.

For those of you who have believed the lie that our government was not founded by religious leaders, I'd like to take you inside the U.S. House of Congress to look at this picture. It is slightly blurry, but sitting in the center right there is George

Washington. He's sitting in the clouds overlooking America. Right over here to his left is Moses crossing the Red Sea. So right here above our Congress is the religious symbology of Washington and Moses, leading their nation. So if Moses is above you in the U.S. Capitol, the next time somebody says, "We've got to separate Church and State," know that he's above you in the U.S. Capitol.

Let's meander to the U.S. House of Representatives. There to your left is a picture of Moses overlooking our people, and our laws. Now let's meander over to the U.S. Supreme Court. As you're walking up those steps, tell me who is

sitting right in the middle? This is Moses in the center with the Ten Commandments in his hands. The two huge doors that lead to the courtroom, guess what they are engraved with? The Ten Commandments. The very first Supreme Court Justice, John Jay, said, "Americans should select and prefer

Christians as their rulers.” But we’re supposed to have a separation of Church and State.

Here’s what James Madison said: *We have staked the whole of all our political institutions upon the capacity of mankind for a self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God.* He was the father of our Constitution.

Sustain ourselves according to what? The Ten Commandments. Ladies and gentlemen, your whole government is based on the Ten Commandments. If it’s not based on the Ten Commandments, it will fall. Why do you think Satan went into the schools and courthouses, and took them out? He knows that we FALL without them! Why do you think Yahweh had us put them in the front of our church? Why do you think we preach them so hard? Because we’re part of a Restoration Movement of the Law of Yahweh! If we are not restoring, what are we doing?

The founders were Christians! Every session of Congress begins with a prayer by a paid preacher, whose salary has been paid by the taxpayer since 1777! Look at all those sevens! Did you know that it was illegal in our nation to celebrate Christmas when the early Israelites were in charge? When the Puritan forefathers came over, if you celebrated Christmas, you went to jail, because they were Sabbath keepers. What do you think Thanksgiving was if it wasn’t the Feast of Tabernacles? They were Feast keepers. *Brother Vaughn, I don’t believe that.* Go study your history. Look up where you would go to jail for celebrating pagan holidays.

Welcome to America!! I’m done. That’s seven weeks of teaching.  
HalleluYah!
