

JOY COMES IN THE MORNING

Part 2

By Pastor Shane Vaughn, First Harvest Ministries

We're going to go to the book of John chapter one and verse one. Now last week we talked about the plan. We talked about how that Yahweh has a plan even though the world looks chaotic and things look out of control. We taught you last week that there is an ultimate plan and that your job is to figure out that plan.

Now, in order to figure out that plan, it is taking me a couple of weeks to change the way that you think, alright? Because the biggest hinderance you will ever have to understanding the word of God is your own thinking. You'll wind up saying things like...*well I don't see it that way, or that's not how I believe it.* And the minute you say something like that, you just robbed yourself of the ability to understand truth, ok?

So, today we're going to pick up on the plan and what it means so you can be better acquainted with it. Ok, let's do this. Elder before we go to John 1:1, we're going to go somewhere else. Give me one second, there's somewhere I want to redirect this.

So to believe in the plan, you must first believe in the what? The planner. To believe in the design—the plan is the design. The plan is the blueprints. But for

To believe in THE PLAN you must first believe in THE PLANNER

I want to teach you how you do not even need the Bible to believe in the Planner. You can use reason alone

Look into the sky and find the PERFECT ORDER of the Mazzaroth. The Twelve Houses of truth in which the sun sets for 30 days PRECISELY. Never a second too late or early after thousands of years - PERFECT ORDER

A REASONABLE MIND - cannot refute a PLANNER.

Psalms 14:1 - The Fool is SENSELESS - without the ability TO REASON.

you to have faith in the blueprints which you're going to have to have in this day and age, you're going to have to have faith that's there's a plan. Because if not, that's why people shoot themselves. That's why people kill themselves. They don't believe there's a plan.

They believe that they wake up everyday with no purpose, no plan in life. I read the Purpose Driven Life, that great, popular book, and I learned a lot of things except my purpose.

The problem we have in our own personal lives is that we do not understand the purposes. From now on, I want you to replace the word “purpose” of God with the “plan” of God. I want you to get that word *plan* in your way of thinking. Because you’re going to have to understand the plan once we start teaching about hell and who’s going and who’s not. Once we get into those deeper subjects, you’re going to have to catch yourself from saying “I don’t know about that” — and go back to the plan. What is Yahweh’s plan?

Once you become acquainted with this plan, you’ll never see your life chaotic anymore. You’ll never see the world as chaotic. How many of you are guilty of thinking that everything is out of control? You know, when you look around the world, do you not say sometimes...what is really going on? If you’re not careful, if you’re not in this class, you will begin to buy into the modern preaching that everything’s about to be destroyed. Listen to me carefully. The only thing that’s about to be destroyed is the works of darkness.

We’re not headed for destruction. All of your life you’ve been told that’s there’s going to be the end of the world. You were lied to. There will never be an end to this wonderful world. All of these things gets you depressed. They get you discouraged. If the world’s falling apart, if the sky is falling, then my God, somebody shoot me now! Amen. And that’s why people are dying and committing suicide. That’s why everybody’s on drugs. They don’t know the plan! They don’t get the plan. They don’t think there is a plan.

And your job today, and for the rest of this series, is to become spiritual scientists where you are literally discovering the plan of God. Remember there are laws of physics. Let me ask you a question. If you learn the law of gravity, are you ever afraid that the ball that you throw up in the air is not coming back to you? Why? You learned the law. You learned the plan. There’s a plan that says...what goes up must come down. If you know that, you’re not afraid to throw anything up are you? But if you didn’t know that, you would never throw anything up, you’d think you’d never get it back.

You have to become that confident in the word of God. You have to become that confident in the plan of Yahweh...that he is working things out not only for the world, but for your own life. And when you know that beyond one shadow of a doubt, you can never doubt him again.

Now, I want to help you today to have faith in not only the plan, but more importantly the Planner. I want to teach you how you don’t even need the Bible to believe in the Planner. You can use reason alone. If you never had a Bible, I’ll teach you how you can still believe in the Planner without a Bible.

Last night, my mother, we were on vacation and we were out at the beach. She had paid for this wonderful caterer to come out to the beach and set up tables for us and we had tiki lamps and chairs and it was a wonderful, beautiful set up right there on the beach. When no one was around, I called my mother to sit by me, and I said...mom, come here. Now many of you know that my mother is not a spiritual woman, she's not really a believer. I wouldn't call her atheist, more agnostic. Anyway, I said...mama sit down. And she sat down. Nobody was there but me and her.

I said...what about that moon! She said...oh, it's gorgeous, isn't it? I said...yes ma'am. I said...mom, do you know that that moon has never been late. I said...do you know that tomorrow night it's going to be right there. She said...oh yeah. I said...as a matter of fact mom, have you ever woke up in the last 60 something years and wondered if the moon's going to come out tonight? Have you ever wondered if the sun's going to rise tomorrow? No. I said...do you know why? Because you have faith in God and don't even know it. Hallelujah.

I said...mom, you have faith in God. You don't even call it faith. You didn't know you had faith in God. But if you have faith in the design, you have faith in the Designer! And ladies and gentlemen, she sat there and looked at me. I said...now if that's ever late, then we can talk about it. But until then, there is a plan in place, and brothers and sisters, you can use reason alone to prove a planner.

That's why I started these lessons out with the Mazzaroth, the stars. Do you know that that sun is going to go in those 12 houses for exactly 30 days? Why not 28 days? Why not 25? Why not 7, why not 8? No, no, no. That sun for millions of years has sat in those houses 30 days. Who told it to move? I mean who? Come on folks. You don't even need a Bible to believe in Yahweh! All you need is a set of eyes and half a brain. And my mother has half a brain. I appealed to her brain, her logic, her reasoning.

Listen to me carefully. You do not have to leave your brain at the door to be a follower of Yahshua. *Brother Vaughn, it's all by faith.* No it's not. Faith and logic are not enemies. Yahweh gave you this ability to reason, to think. But now the church says to put all your thinking away. The reason they tell you to put your thinking away is because they have no answers for your questions that comes from your thinking. Ok? But here at First Harvest, we beg you for your questions because it is questions that brings us to truth.

You have to know that you are in truth. Listen to me. If you're truth cannot stand up to questions, you are not walking in the light. Amen. Always test what you believe by your next question. And at the end of that, you will find truth.

Now the Mazzaroth is in perfect order. I want to show you the only person you will ever meet that does not believe in a planner, that doesn't believe in Yahweh.

Psalms 14:1

The fool has said in his heart, There is no God (Mighty One). They are corrupt, they have done abominable works, there is none that does good.

So the only person who doesn't believe in a planner is a fool. Now I looked up that word fool because I wanted to know what a fool is. It's someone who has no ability to reason. It's someone who doesn't have a brain. Have you ever heard of a king's fool who used to clown around and entertain the king? They were called the king's fool because they weren't supposed to think, they were supposed to be stupid and put on acts. The fool doesn't have a brain.

The only person you'll ever meet that doesn't believe in a designer is a fool, a brainless, senseless person. The fool is senseless without the ability to reason. Only a fool fails to recognize a consciousness vastly superior to his own.

This is what we all have to keep in mind, and everyone needs to understand this. Whenever you fail to recognize the designer, then you are a candidate for anxiety medication, you're a candidate for depression pills. When I see people addicted to something, I know they don't know the plan. They have given up on life having any meaning except waking up, eating, going to the bathroom, and doing the same thing again tomorrow.

When you find your reason for living, your reason for existing, you can overcome everything in your life. I had someone inbox me and ask me if we believed in aliens. They were shocked at my answer. And I responded that I pray to an alien every day. Because the word *alien*, ET, extra terrestrial...the Bible said we have celestial and terrestrial bodies.

The God I serve is "extra terrestrial". He's not flesh and blood. I pray to aliens, hallelujah. So we absolutely believe in aliens, ha ha! They are intelligent beings that are much higher than we are. One of their names is Michael. One of their names is Yahweh. One of their names is Raphael. One of their names is Gabriel. So yeah, we believe in aliens. Hallelujah, glory to Yah. You've got to believe there is a higher consciousness than we have or you will lose your mind.

The creation, however it happened, is up for debate, but the fact that no design exists without a designer is not even up for discussion. Now we can debate how it all happened, ok? But only a fool can debate.

Brother, the tee shirt you're wearing right now. If I were to tell you that tee shirt with my logo on it just one day popped out of the washing machine...you put it in a white tee shirt, came out, and you had a barbecue stain on your white tee shirt. It came out and there it is! You've got a Toto image on your shirt. And I tried to convince you that it *evolved* into that, it was not that, but it just went to washing and washing over again for a thousand years, and it came out with that design.

Folks, that's fools talking. That's how a fool talks. And if I tried to convince brother of that, he would have the right to have me committed to an institution. That's what you do when you listen to so-called atheists, so-called agnostics, who don't believe. No design exists without a designer. Somebody put my logo on that white shirt—to convince otherwise is to convince me that my granddaughter is really my grandson! You're just as stupid. Use your brain! Don't be afraid of your brains.

Christians, you don't have to give up your brains. That's why when you want us to believe in a rapture, we can't believe in it. We've got brains. And that's why your brain is more dangerous to a church than anything else. The ability to ask a question that goes against the grain. Amen.

Every flower is intricate in its construction, every peacock feather demands your attention to its details. You cannot reasonably admit there are laws of nature without realizing there is a lawgiver of those laws—only a fool does.

How many of you know a nonbeliever that believes in the laws of nature? Well you don't have *laws* unless somebody gives that law. That's a fool talking. Don't be foolish.

You've got to learn how to believe in the planner or you can never believe in the plan. If you must use reason to believe in the planner, then you must use reason with the plan.

Now here's where the lesson I'm streamlining it now.

I just proved to you you've got to use your brain. Sure you've got to use your Bible, but you can also use your brain. Well when we get to the plan, you're going to have to use your Bible and your brain or you'll get the plan discombobulated. So I'm trying to teach you today, don't be afraid to use your brain.

If you must use REASON to believe in THE PLANNER – you must do so with THE PLAN

Are we to believe that this GRAND DESIGNER who has never designed a failing plan did so with the souls of mankind?

That He created an earth, a masterpiece that he will soon one day destroy?

The He created a species called HUMANs that He just plans to give them all away in abstract failure?

This is the message of modern Christianity – it defies REASON and LOGIC

Are we to believe that this Grand Designer who has never designed a failing plan did so when he created man? That's our question for where this series is taking us. I just showed you the intricate design. Let me ask you a question. Did Yahweh fail in his plan with the Mazzaroth? Did Yahweh fail in his plan with the sun and the moon and the stars, anybody?

According to your church, the only place he got it wrong was when he created man. He's never lost a star. The Bible said he named every single one of them. And he knows the number of every single hair on your head. Now if you don't believe that, then no wonder you don't believe in the plan. But if you believe this, how could Yahweh create a species of people, and not have a plan to preserve them?

Now I have faith in what the Bible says, but I have the ability to connect this verse. You cannot take one verse and throw it at me, and say see! No, no, no. You've got to connect these dots. It's got to line up in a perfect puzzle, and that puzzle has to match the character of the planner.

You've got to learn, he's a God of what? Did I hear somebody say he's a God of mercy? Now that's his character. If you bring me a plan without mercy in it, we've got a problem, do you understand? Infinite mercy and it's new every morning! You can't bring me a plan without mercy in it. Now he's also a God of judgment, ok? You can't bring me a mercy plan without judgment. And I'll show you what that judgment's going to look like. I'll get to there in about seven weeks from now when we get to that part. But I'm going to show you in these lessons the very character of your God.

He loves mercy more than he loves law! Did you not know that? His mercy overrides his law for you everyday as a matter of fact. But now do we then do away with the law? What did Paul say? God forbid! Just because he shows us mercy, so now I need you to bring me a plan with mercy and judgment. You can't just bring me judgment without mercy because I know the planner. You see, I know the planner, and I know what makes up his character. And once you know that, then you'll begin to understand.

Supposedly, according to the Christian church Yahweh created an earth, a masterpiece. It's the greatest thing he ever created. And according to the church, guess what he plans to do with that masterpiece? Wipe it out! Eviscerate it. That's what they claim. How many of you believe that Leonardo DiVinci is going to take the Mona Lisa and just rip it to shreds?! Come on now!

The earth is Yahweh's masterpiece. How many of you grew up hearing in your church that one day soon the fires are going to fall and it's all going to be destroyed? Has anybody ever heard that? But Yahweh has the last word doesn't he? Brothers and sisters, when you learn this, you will get more faith in the planner because, hey, this is the God that rules your life..

Do you know the scariest place to go to in the world is the church? I'm serious now. No wonder drug addicts don't come to church. They find more hope in the drug house than the church house. The message we preach is not a message of restoration. It is a message of the destruction of all things. My God, as a matter of fact, just give me some drugs...I'm not joking! We have been called to preach the truth!

Brother Vaughn, you don't believe in judgment? Oh you wait till I get there. Absolutely. You don't believe in the fire? Oh yes I believe it. But I also know both sides of the plan. And when you understand that—hey, I got butt whippings from my grandma, ok? But right after the butt whipping, I knew I could go get some ice cream if I wanted it, hallelujah! Amen. Why? She wasn't judging me to destroy me. She wasn't punishing me to destroy me. She was punishing me so she could

bring me back into her grace! You've got to learn this God that you serve. He's a wonderful God.

And they say he created a species called humans, and he plans to just give them all away in abstract failure. He just plans to tell the devil...you got 'em. Take 'em all to hell with you. He said...hold on now, I'm getting about 100,000 of them, we're going to take them to Disney world in the sky—you take everything I've created—take the earth! Take everything I created because the God I am, I can't protect anything. You win! I'm sorry I couldn't get them all saved, I couldn't find any preachers to get them all saved. You win.

LISTEN TO ME! That is Babylonian doctrine. That is almost idolatry to say those things about my sovereign God. I'm telling you! It is a slap in his face to preach that to people. The God I serve sits high and looks low, guides my feet wherever they go. He knows the end from the beginning, and if he knew we were all going to be destroyed, he never would've created us to begin with!! Perish the thoughts of such tomfoolery!! Somebody say poppycock. It's tomfoolery and the whole church preaches it. That is the message of modern Christianity. And it defies reason and logic.

Now, we've got to deal with the plan. We just talked about the planner. Now let's talk about the plan. It's laid out. Now you don't need a Bible to believe in the planner, do you follow me? You need a Bible to *read* the plan. The Mazzaroth has the plan in it. That was the first Bible. The plan is laid out in your Bible. This is where critics and so-called believers run into a roadblock because you have many people who believe in a God, but they find fault with the Bible.

Next, we must deal with THE PLAN

The PLAN is laid out in the BIBLE and this is where critics and so called believers run into a roadblock – believing in the inerrancy of A BOOK WRITTEN BY MEN. However, until you can settle that issue you cannot SEE THE PLAN

This book has outlived the storms of 30 centuries; men have made every effort to ban it from the earth. They have hidden it, burned it, made it a crime to own it.

Those who have held faith in it have been burned alive for that testimony

Now listen. If Satan can convince you there is fault with the Bible, then he can convince you there is no plan. If there is anything I want to do while I'm alive, if there is any legacy—somebody asks...*Pastor Vaughn, what do you want your legacy to be?* That I caused men to believe in the Bible, that I made the Bible make sense to the mind, for the brain, for your logic.

How many of you have ever heard my teaching and all of a sudden something clicked, and you said *NOW THAT MAKES SENSE!* That's my legacy, that's my ministry! To take your Bible and line it up with your brain. Because if you ever question the Bible, and you will by the way—God gave you that brain to question it. There's got to be a teacher somewhere that can say no, no, no, that question's alright, we're not afraid of—the Bible says. Ok, ok, then I got it.

My stepson has one of the most brilliant minds. When his mother and I first married, we could safely say that he was an agnostic. He had been to college and his brain was in opposition to God's word. And he would bring me question after question after question. And I would give him answer after answer after answer. I'm happy to say today that he is part of our ministry, living for the Lord, and he's working for Yahweh because we could answer the questions of his mind. Ladies and gentlemen, we have got to know the plan so intricately that we are never intimidated by the questions.

Now, here is what they want you to believe—that the Bible was written by men. If you do not settle your faith in the Bible, you will never see the plan, ok? I want to help you today. There are 170 of us in here, multiply that to 2-3 people in a home, that puts us around 600-700 people. Out of all of you people, if I said that next week I want you all to go in prayer for the whole week, and I want you to take a notebook and a pen and write what the Holy Spirit tells you, and then bring it back next week, and I took all of your notebooks and there wasn't one discrepancy, the whole thing fit together like a glove, the whole thing told a story from front to back, you all weren't together, didn't talk to one another, but you

come back with 600 notebooks, do you see the impossibility of that ever happening? Only with your Bible did that ever happen.

Sixty six men, thousands of years apart, never met one another, never lived together, wrote the exact same thing. Wrote the exact same thing! Thousands of years apart, and they never read what the other one wrote. Ladies and gentlemen, listen to me—you must concrete your faith in the Bible. Now, never concrete your faith in a *translation* of the Bible. Only the original scriptures. There's no such thing...I believe in the King James Version. Wrong. I believe in the book of Yahweh. Wrong. Those are translations doing the best they can. Our faith is in none of those. Our faith is in the original scriptures.

Well brother Vaughn, I don't have the original scriptures. Yes you do. Because your translation, when you study it, will bring you back to the original scriptures it came from, ok? I'm going to show you today in the class how to find some of those original scriptures on your computer.

Folks, you must have faith in the Bible, because why? You don't need the Bible to believe in God. You need the Bible to understand the plan. How many of you have ever met somebody that says to you...*oh I believe in God.* Of course they do. Only a fool doesn't. But they couldn't tell you one thing about the Bible. Why? They've been convinced it was written by men, it's full of errors. I challenge any person in the world to show me one error in the original word of Yahweh. One. You can't do it. It's a perfect book. Not the translations. The Torah. Look, don't place your faith in even the Book of Yahweh, there are errors there. The reason I use the Book of Yahweh, it is the least errors that I have found. But it's not perfect.

So, I need everyone who's a part of First Harvest Ministries, not only to be God-believers, but to be Bible-believers. Because it takes believing in the Bible to get the plan. If you don't get the plan of the Bible, then you will not understand what Yahweh is doing and why he's doing it. And you'll give up and lose hope and lose faith. Now let's continue.

The Bible has outlived the storms of 30 centuries. Men have made every effort to ban it from the earth. They have hidden it, burned it, made it a crime to own it. Those who have held faith in the Bible have been burned alive for their testimony of the Bible. While countless other books have been written to discredit it, the Bible remains the all-time best-seller while those books are long forgotten.

Napoleon Bonaparte said "The Bible is a living creature that destroys all of its enemies". Written by different men and yet they all said the same thing. The God that inspired and created the word of God was well able to do more than create it, but also to preserve it. I hope you heard that last line. He's not only able to create

it, he's able to preserve everything that he creates! You will spend your life preserving your faith in the harmony of the scriptures.

Now, before I go to this next slide, I want to talk to you about the word of Yahweh. Some people believe that the apostles never saw Yahshua resurrect from the dead. They believe they lied about the miracles. Ok, I get it. I hear your point. And could they've done that? Oh yes. Men, they're human. Absolutely. *So brother Vaughn, how do you know that these men are telling the truth?* It's very simple. A liar will forsake his lie to keep his life. Every one of those men drained their blood in testimony of what they wrote. All they had to do was deny the truth.

Listen to me. Everyone of you right now. You've got two choices. Tell us you're lying or die. I'm sorry but I'm not lying—boom! Head cut off. Folks, they gave their blood so you could have faith in your Bible. The apostle Peter was hung upside down. For those of you who think the cross of Christ was horrible, imagine doing the same thing upside down! And you want to doubt the Bible? Do you know any other book in the world where the author would give his blood to prove the truth of it? **HAVE FAITH IN YOUR BIBLE!** In your Bible is the plan of Yahweh.

Throughout your Bible, there is one aim and one purpose of the entire Bible that you must learn. Listen to me carefully. Quick reading your Bible to learn verses! Don't memorize verses. Memorize the plan! Verses are not what you need to learn. You need to learn the plan. And those verses will support the plan.

That's why I tell people—start in the Torah, not in Matthew, Mark, Luke and John. Start in Torah and learn this plan because in that plan you're going to find one purpose in the entire Bible. And do you know what's sad folks? This purpose of the entire Bible you've never heard preached about your whole Christian life!

We're about to talk about the purpose of the Bible. You know all those verses and you don't know the plan! Your whole Bible, from Genesis to Revelation, is about one plan. Folks, the opening pages of your Bible details the creation and the fall of man. So if you want to know the plan, you've got to start at the beginning.

What is that about? The creation and the fall. That's the beginning of the plan. But when you get to the end of the Bible, you find a new creation and the restoration of men. Ladies and gentlemen, I just told you the whole plan from the beginning to the end, the fall and the rise. Sin enters. Sin exits. The devil enters. The devil leaves. The whole plan is right there! It's so obvious, so simple.

In the beginning, he lost it all. In the end, he gets it all. And if your preacher is not preaching about him getting it all, you're not hearing what the plan of the Bible is. *Ok, brother Vaughn, I get that, the very beginning is the fall, the end is the rise, so why do I need to read the middle?* Because how we get from the fall to the rise is in the middle that nobody talks about, nobody teaches about, nobody explains to you. Hallelujah. That's the plan!

The beginning and the end is the purpose, but the plan is in the middle of the purpose! And that's why the devil doesn't want you reading your Bible. He doesn't want you to know the plan. Why do you think he doesn't want you keeping the feasts. Why do you think come Tabernacle time, so many of you will be given obstacle after obstacle of why you can't make it, because if you get there, you're practicing the plan to restore all things. He doesn't want you to know this plan! And he definitely doesn't want you to celebrate it.

Listen to me. Satan will not stop you from going to your doctor's appointments, your lawyer's appointment, your hair appointment, your whatever. But making an appointment with Yahweh, making an appointment with the holy days, everything in your life will turn upside down to make sure you don't get there. Do you know why? He doesn't mind if you believe in God, but you cannot believe in the plan!

Listen to me carefully, you've got to know the plan! Otherwise, you'll give up on the planner himself. Hallelujah. Do you know what the holy festivals are? The seven chapters of the plan. If man fell, if he's going to be restored, he's got to start where? At Passover does he not? You see, these festivals are the plan to get you back because when we get to the 7th one, you're back! Whew-we! That's why he doesn't mind you celebrating Christmas. It's not part of the plan. He doesn't mind you celebrating Easter. That's not part of the plan.

Oh, but when you begin to celebrate the rising of the sons. When you begin to celebrate the House of the rising sons. When you begin to celebrate the rising of the sons of Yahweh from Passover to the last Great Day, now you've gotten involved with the plan of the Planner! Now you're public enemy number one! Now you must be silenced! You must be squashed, fought against. What he doesn't know is if God chose to reveal the plan to you, he chose to give you the strength to celebrate that plan, and to believe in it, and to fight for it! Hallelujah.

Listen to me. It's not the planner that scares the devil. It's the plan! I want you to hear me. If he was afraid of Yahweh, he wouldn't have tried to make war with him. Come on now! No, no, no, no, no. He's afraid of the house of Elohim. Listen to me now! He's afraid of the House of the Rising Sons! He's afraid of his planet being redeemed and reclaimed by an army that's got more in it than he imagined. Ohh, this day is coming! You must believe it. And you must participate in it.

First Harvest Ministries meets two qualifications. We are the most fought ministry you will ever meet. And yet the most blessed you will ever meet. You see, that's the proof of who we are. When the Father says...keep fighting son and I'm taking care of the bills over here...keep fighting son, don't worry about that. I've got this, but I need you to fight. I need you to tell this plan. I need you to raise up that army. I need you to secure my people, give them the faith to fight, let them know what they're fighting for. I'll pour out the blessing while he pours out the attack. Hallelujah.

It's that way in your life. Darling if you're not ready for the attack, listen to me, the attack demands the blessing, do you not get it? Whewww! I said...

THE ATTACK DEMANDS THE BLESSINGS!

Heaven has to respond when hell attacks. Welcome those attacks and stand there and wait. Go to your mailbox and say...oh thank you Lord! Hallelujah. Why? Because I'm blessed! I'm blessed even when I'm fighting. I'm anointed to fight. You are anointed. Listen, the same anointing that's on your pastor is on every one of you. We are all called to live out this plan together. Hallelujah. Oh I'm so glad I know the plan. Somebody quote to me the theme scripture for this series. I'm not going to remind you. I'm going to see if anybody remembers.

**The path of the just is as the shining light,
that shines more and more unto the perfect day.
Proverbs 4:18**

Hallelujah! How many feel that light growing and calling you into it? Are you walking in the light? Hallelujah. How many wants to meet in the middle and learn the plan? The middle tells the plan.

The first three chapters of your Bible and the last three chapters say the exact same thing, but it's polar opposite. I want you to follow me carefully. The first three chapters and the last three chapters. Do you know why people cannot endure the plan? They don't know how the story ends. So therefore, it looks like a terror story to them. Let me explain like this. Let's talk about the first three

chapters. You have the first creation. And then the last three chapters, you have the new creation. It's the same story that repeats itself. Genesis chapter one is the original creation. Revelation chapter 20 is the new creation. It's the same story. The Bible ends the way it starts with different results.

Next, Satan enters the garden in chapter 2 of Genesis and in chapter 20 of Revelations Satan leaves the garden. The Bible said an angel took ahold of him and cast out that old serpent the devil. Amen? Hallelujah. And then Adam lost his dominion in chapter three of Genesis. Remember, he lost his dominion, chapter 3, verse 15, he cursed Eve and the serpent, he punished Adam. That was chapter 3. He lost his dominion over the animals of the field. He lost his dominion to rule the earth, right?

Well chapter 21 of Revelation, he gets it all back. Dominion is restored to him. Your Bible, the whole plan is in the first 3 chapters and the last 3 chapters. That's the purpose and the plan is in the middle. Hallelujah. Now the problem we have with Christians is they know the purpose, maybe. But they can't deal with the plan. And that's what makes you different from a Christian.

The main theme of all of scripture is one word. Somebody say it with me. RESTORATION. Go to Psalms 49:14. The Bible only speaks of this one plan. Restoration, never destruction or desecration but only restoration.

Psalms 49:14

Like sheep they are laid in the grave, death shall feed on them, and the upright shall have dominion over them in the morning, and their beauty shall consume in the grave from their dwelling.

I hope you all just heard what he said. I just gave you the plan. Let's read the plan again. This is the wicked. This is talking about the wicked. And the righteous shall have dominion over them. Oh hallelujah. How many of you heard that in your church that the righteous are going to rule over the wicked? I heard that the wicked were all going to be burning in hell. So who are we going to rule over? Adam's going to get his throne back. We're going to rule over the wicked but yet they're all burning in a devil's hell. So who do we rule over? It doesn't make sense does it?

We've got to understand that your whole Bible is about that prophecy right there in the book of Psalms. That in the morning...what morning? Joy comes in the morning—that's my theme—everybody with me? When do we rule over the wicked? At the breaking of the morning—the new day. Hallelujah.

Let's read Acts 3:21.

Acts 3:21

Whom the heaven must receive until the times of restitution of all things, which God has spoken by the mouth of all his holy prophets since the world began.

What has Yahweh been talking about through his holy prophets since the world began? The restoration of everything. Folks! Did you hear what he just said? All the law and the prophets, that's all they talked about was restoration, and all your churches are preaching about is destruction. If I hear one more sermon about the mark of the beast, 666, I mean come on folks! I couldn't care less about that junk! You think I care about the mark of the beast when I've got the mark of Yahweh?!

He said go and seal my servants in their forehead with my name. I know the name, I'm sealed! I couldn't care less. Because I know. I get it. I don't walk in fear. *Brother Vaughn, we're going to run out of food!* You may. This boy ain't never going hungry. I once was young. I now am old. And I've never seen the righteous forsaken! Hallelujah! *Brother Vaughn, what if we...* I don't know. I'm going to do everything commonsense-wise, but I'm going to know that if I can't get all right, he's got me in the palm of his hand. I've got a seal right here. Everything's going to be alright. I got a feeling everything's going to be alright! Hallelujah. Glory.

Let's go read that scripture elder just read in Acts 3. The restoration of all things is the Greek word *pas*. Let's go see what *pas* means. It means "all" — all things. It also means "all men". Well let's read this definition: each, every, any, all, the whole, everyone, all things, everything! And Yahshua does not return until it's time to restore EVERYTHING! Why are you not preaching the restoration of ALL THINGS? Glory to Yahweh!!

Do you know why the church won't preach this message? They want people to not get what they got at the last hour. I'm telling you, they're jealous. Do you hear me? There's something wrong in your head when it upsets you that God may restore everything—he may wind up getting everybody, I don't know what he's going to do. But I do know this. It isn't what the church preaches. He's got a plan. And that plan has to match up with that personality. I can't have any plan to be mean to people because I'm not a mean person. Do you follow me? I can't have a plan to be rude to people, I'm not a rude person. The plan's got to match the person!

I know a God who's rich in mercy. I said HE'S RICH IN MERCY! *Well then brother Vaughn, what's the point of us...* Darling, have you been with them this long and you still don't know? They're not going to be in the royal family of eternity! Do you not want the throne? Do you not want to rule and reign with

Christ over these who will need you to teach them? Do you not want that glorious position? My, my, my, my, my. Oh that men understood the plan. He's got a wonderful plan, doesn't he?

We are called to be ministers of reconciliation. I believe there's a verse in the Bible that says that. *Brother Vaughn, I want to be a minister.* Alright, let's find out what kind of minister you want to be.

2 Corinthians 5:18

And all things are of Yahweh, who has reconciled us to himself by Yahshua Messiah...

But why? Why did he reconcile you sister first? Elder, why did he reconcile you first? Part of the plan. But what is the purpose, what is the end plan? You're about to read it. Read it before I start shouting!

...and has given to us the ministry of reconciliation.

He reconciled us to give us the ministry of reconciliation! During the millennial reign, your ministry will be the reconciliation of all men! But he had to reconcile you first! Hallelujah! Didn't he do it? My God from Zion! Hallelujah. We're called to be ministers of reconciliation.

The message of restoration depends on one thing. And it's the very thing that you never hear preached about in church anymore. The resurrection of the dead. Let's go to 1 Corinthians 15:13-22. The reason no one preaches on the resurrection is because they're all going in the rapture. You cannot have a rapture and a resurrection. You can't do it. You can only have a resurrection of the dead.

Let's read about this resurrection. And remember while he's reading these verses, this is the very piece that brings the final plans to pass. And Satan has thoroughly purged any preaching of the resurrection in the dustbins of history, and replaced it with the feel-good preaching of self in modern Christianity.

When is the last time you listened to a TV preacher and heard anything about the resurrection? At the church you came from? When did you ever hear the resurrection preached about? And yet without the resurrection the final part of the plan falls apart. Now you know why Satan has transformed himself into a preacher and preached the rapture. Amen.

The rapture, the biggest lie ever told. The rapture. Now this is where I say to use your Bible and your brain. They're partners ok? According to the modern church, you and I one day are going to fall out of our clothes, rise up naked—all of our

clothes are going to fall off, we're going to be butt naked in the air. I mean come on now, I'm not even playing, right? I'm for real. With angel wings. Planes are going to fall out of the sky, trains are going to run off the tracks, cars wrecking. Did anybody hear this growing up or am I the only one? Ok.

This is all going to happen, and we are all going to heaven to live eternally. Ok, so according to the Bible, not that it matters, but according to the Bible, there's going to come a judgment. Every man must appear before the judgment seat of Christ. The judgment seat is not set up until the last great day which is 1,000 years after the resurrection. Then that's when you're told well done, enter into the joy of the Lord.

How is that when you're already there? Now when the Lord returns, supposedly the dead in Christ are going to rise at the second coming. But if the dead in Christ already rose in the rapture, then what do we do? Do we go up there for a little while, come back in our bodies and then resurrect? Folks, all you need is a Bible and a brain. Because the rapture doctrine doesn't even make sense. It doesn't make common sense. The resurrection has been robbed from the church on purpose. Let's read.

1 Corinthians 15:13-22

13 For if there is no resurrection of the dead, neither has the Messiah been raised up.

14 And if Messiah has not been raised up, our preaching is useless, and your faith is also empty.

15 Yes, then we are found to be false witnesses of Yahweh, because we have presented testimony from Yahweh that He raised up Messiah Whom He did not raise up if, in fact, the dead are not to be raised up.

16 For if the dead are not to be raised up, then Messiah has not been raised up.

17 And if Messiah has not been raised up, your faith is futile; you are still in your sins!

18 Then also those who have fallen asleep in Messiah have perished.

Wait, what did you just say? Those who have fallen asleep in Messiah. Now they're saved. Without a resurrection, they have what? Perished. No, that's impossible because when they die they go to heaven. When they died they went to heaven. If that's the case then how could they perish without a resurrection?

Folks all you need is a Bible and a brain. Amen. Read.

19 If in this life only we have hope in Messiah, then we are of all people most miserable.

20 But the fact is that Messiah has been raised from the dead, and has become the first one (firstfruits) recalled to life of those who have fallen asleep.

21 But the fact is that Messiah has been raised from the dead, and has become the first one recalled to life of those who have fallen asleep.

22 For as in Adam all die...

As in Adam all die. Everyone dies in Adam, right? Well what about that second Adam, what happens in him?

...in the same way all who are as Messiah will be made alive.

Everyone who is in Messiah...now if you know about the last great day, everyone's going to get that chance to be in Messiah. And everyone who is will be made alive. The way they all died in Adam will all be made alive in Messiah. Listen to me carefully. Not some of them, not a few of them, but all. My question is: does all mean all or not?

They all perished...chapters 1, 2 and 3 of Genesis is the what? The fall of all. The last 3 chapters is the rise of all! My Lord folks, it's really that simple. It really is. Yahweh's got a plan to restore ALL THINGS. The devil doesn't win folks in the end. Professor Toto will tell you that we win in the end. Now let's go to John 1:1.

John 1:1 is one of the most misunderstood scriptures in the Bible. Everyone of you have quoted this verse all your life.

“In the beginning was the son of God. And the son of God was with God. And the son of God was God.”

The
Blueprints
contain THE
PLAN

John 1:1 - is one of the most misunderstood scriptures in your Bible

We assume that it says "IN The Beginning was THE SON" and it says no such thing.

The Hebrew word DABAR means PLAN - the NT comparison word is LOGOS --- "THE COLLECTION OF THOUGHTS" equates THE PLAN

We make a great mistake when we judge an architects work by THE STAGE of THE PLAN that WE NOW SEE. The only way we can have hope is to LOOK AT THE PLANS.

Oh your Bible doesn't say that? But that's the problem. You're reading the Bible instead of listening to what I'm saying. You're actually reading the Bible, you're not allowed to do that. You've got to listen to what your church teaches you. In the beginning was Jesus. And Jesus was with God, and Jesus was God. Will everybody confess to me that that's how you used to read that scripture? You assumed that the "Word" was Jesus. When I just read that some of you all said... ok, right.

But the Bible doesn't say that. That's what Trinitarianism taught you and what Oneness taught you. That is what these religions teach. *It says right there brother Vaughn, in the beginning was the word, was Jesus. And Jesus was with God...* Now that's the Trinitarian's favorite line. *And Jesus was God.* That's the Oneness' favorite line. *And brother it's written right there in black and white, don't tell me any different.* Well no, it's not written in black and white. Let's go look at what is written in black and white so you can understand.

I'm going to pull it up on the screen (in the Blue Letter Bible). "In the beginning was the word". That's the Greek word *logos*. Before I go there, who wrote this verse of scripture? I know the Holy Spirit did. But which apostle wrote this book? John. What kind of home did John grow up in? A Greek home or a Hebrew home? Hebrew. What kind of schooling do you think John had, Greek or Hebrew? Hebrew. What kind of church did John go to, a Greek church or a Hebrew church? Hebrew synagogue.

So John grew up hearing his language, the Hebrew language and understanding spiritual things from a Hebrew mindset. So if he were to talk about the "word" in Hebrew, he would've used the Hebrew word *dabar*. The Hebrew word *dabar* is very simple to understand it's meaning. A quick search shows this:

The *dabar* (Hebrew) means "word", "talk", or "thing" in Hebrew.

And if you look up the further meaning of *dabar*:

The Septuagint, the oldest translation of the Hebrew Bible into Greek, uses the terms *rhema* and *logos* as equivalents and uses both for *dabar*.

But *dabar* occurs in the Hebrew Bible as a "talk". Now what is a talk? A talk is a collection of thoughts. I'm talking to you right now (on video). What you're hearing in my talk is a collection of my thoughts. It comes out in my speech. When you have a collection of thoughts, those form a plan or a sermon. Your collection of thoughts plan a sermon.

Let's go look at the word *logos* that John chose to use in a Greek manuscript. First you look up the etymology of the root word *logos*. And all of sudden you'll begin to say the same thing. To say, to speak, even to teach. But look, the primary word means "to lay forth or relate in words a systematic discourse, an individual expression or a speech". Now let's go back since we know what the root word means and let's look at what it means here. It is:

A word, uttered by a living voice,
embodies a conception or idea

What is an idea? A plan. What creates a plan? Ideas. Now, in the beginning was the "moral precepts given by God", or a what? A thought. Or a declaration. The act of speaking, the faculty of speech, a teaching, a narrative. What is a narrative? A plan. A matter under discussion, the thing being talked about, an event that's being talked about is the *logos*.

But look here (in the Blue Letter Bible website). It also means what? Reasoning. The mental faculty of thinking, meditating, reasoning, or calculating. What is a plan if it is not a calculation? A reckoning. What is a reckoning? A planning. An answer or an explanation or a reason. The word *logos*, even in it's root word, is all about a collection of your thoughts, a reasoning. So let's go back and read that verse again.

In the beginning was the "reasoning" or the "thoughts" of Yahweh.
And the reasoning and those thoughts was with Yahweh.
And those thoughts were Yahweh himself.

Just like your thoughts belong to your person. This *logos* in the beginning was the *plan* (the collection of those thoughts), and the plan was right there with Yahweh. He was drawing up those blueprints. And the plan was Yahweh's plans himself.

Now, let's read down to verse 14. "And the plan was made flesh".

John 1:14
And the plan was made flesh...

Because who was in the plan of Yahweh? Well I can show you. Genesis 3:15-16.

Genesis 3:15-16
15 And I will put enmity between you and the woman, and between your seed and her seed, and it shall bruise your head, and you shall bruise his heel.

16 Unto the woman he said, I will greatly multiply your sorrow and your conception, in sorrow you shall bring forth children, and your desire shall be to your husband, and he shall rule over you.

He begins to prophecy the coming of Yahshua in the plan in the beginning. And in the fullness of time, that plan became flesh. That “plan” stood before us and walked among us. Now listen to what he says about that plan. Let’s go back to this plan in John 1 and I’ll share that with you. I want to show you something.

John 1:3. Of course I’ve already explained how this verse was grossly mistranslated.

John 1:3

All things were made by him, and without him was not any thing made that was made.

The only problem is, that word “him” is the Greek word *autos*. That word him was added by the translators. When you read the meaning of the word *autos*, it is literally a pronoun, and that pronoun should reflect the noun. Well if you go back to *logos*, it is not referring to a him but an it. *Logos* is not a proper noun. So *autos* is the pronoun that you use to refer back. It should’ve said that “all things were made by it”. By what? The *logos*. The plan.

The same thing in verse 4. Now you’ll find out as you scroll down in verse 14, that the word, the plan, was made flesh. Ladies and gentlemen, the plan from beginning to end was all about Yahshua. From beginning to end, many sons of Yahweh.

So why did you think your whole life that that was referring to Jesus? Because of the lying pen of the scribes when it says HIM instead of IT when you understand how to read your Bible.

Now, that plan was with Yahweh. That plan was Yahweh himself in his thoughts, his mind. Your job, brothers and sisters, is to know the plan so that you can never be deceived by the modern church.

Now we make a great mistake when we judge an architect’s work by the stage of the plan that we now see. The only way we can have hope is to look at the plans. Let me explain it like this if I can. A man that gets ready to build a house, where does that house first exist? In his mind. He can already see the house. He can already feel and smell the inside. He’s already there. You’re not. You come to visit him and he tells you all about this house that he’s going to build.

When I told the people at our church what that land was going to look like out there with oxes and eagles and lions. I told them all what was going to be out there, a petting zoo, they looked at me sort of...ok?! Ok. When I tell them what that barn's going to look like, I get the same look. Ok pastor. It's already there. In my mind, everything's already created. It already exists. I visit it everyday. I know how everything's going. The tabernacle is already built.

I'm just waiting for time to catch up with my plan. The fulness of time. I'm waiting for this in my mind to become flesh. Come on now. I'm waiting on the invisible to become visible. I'm waiting on what lives in here, my head, to live out there so you can see what I can see.

Yahweh had the whole plan. He saw the fall. He saw the rise. All we were waiting for was the fulness of time for each part of time to catch up with the plan. When I go out on that land, I'm in a hurry, come on let's get that done. Why? Because I'm meeting time to catch up with my plan!

Now when you pull up on that land now, you're going to find some mud piles, a creek that's backed up—it's not looking like I see up here in my head. It's not looking right. So if you pull up right now, you're going to call my plan chaos. You're going to see chaos with my plan. That's because you pulled up on the wrong chapter. That's because you pulled up on the land at the wrong time, ok? I need you to come back in a year. I just need time to catch up with what I'm going to do. And I need you to have faith that what you're calling chaos is perfectly chaotic, hallelujah. It's perfectly chaotic, whew! It's waiting on time.

In the beginning was the plan. The plan was Yahweh's plan. But then in the fulness of time, verse 14, the plan materialized in front of our eyes. The plan became flesh. We beheld it's glory. Just like some of you are going to behold the glory of the land when we get there. We beheld. We finally didn't hear him just prophesying about it. All through the Old Testament, it's being prophesied. No. We beheld his glory. We saw it.

And all your life, you thought that verse said...in the beginning was Jesus. Jesus was with God. Jesus was God. Jesus became flesh. Beloved, get out of those Trinitarian lies. Get out of that Godhead lie. Know the plan. And know that it's got a date and a time when it's going to fall into place! Just like you believed it! Just like you understood it! Hallelujah.

(see next page for next slide)

The final results of the plan

The Results will harmonize with HIS CHARACTER and His Attributes

Isa 14:24 -27 --- THE PURPOSE IS THE PLAN - so change the words when you READ IT and then ask yourself. DO I KNOW THE PLAN!!!!

Your job as a BELIEVER is to BELIEVE the words of this book. That no matter how haphazard this world looks - THE PLAN IS UNFOLDING - not to DESTRUCTION for to RESTORATION - and now to show you the blueprints you must understand THE THREE AGES **II Peter 3:6**

Let's read about the final results of the plan.

Isaiah 14:24-27

24 Yahweh of hosts has vowed, saying: Just as surely as I have planned, so will it come to pass; just as surely as I have purposed, so will it stand:

25 That I will break the Assyrian in My land, and upon My mountains tread him under foot. Then his yoke will be removed from them, and his burden removed from their shoulders.

26 This is the purpose; plan, that is purposed upon the whole earth; this is the hand that is stretched out upon all the nations;

27 For Yahweh of hosts has purposed, and who will annul it? His hand is stretched out, and who will turn it back?

Who's going to stop this plan?! Does anybody want to tell me who's going to stop this plan? I have created a plan, he said. I created a plan! And if you think the devil is going to annul my plan, you serve the wrong God! Listen to me! You don't need depression medicine when you know the plan. You don't need any anxiety medication when you've seen the light of a new day! When you see the day dawning that's coming upon our planet, when the heavy bands will be broken, when every man will see the same light that you have now beheld !!! Hallelujah! Oh! I love those verses. I've got a plan. Who did you say was going to stop it?

And what's so sad is the church doesn't even preach the plan. They don't preach about the restoration of dominion, ruling and reigning with Christ, getting it all

back, restoring all things. They preach about destroying all things. My God from heaven.

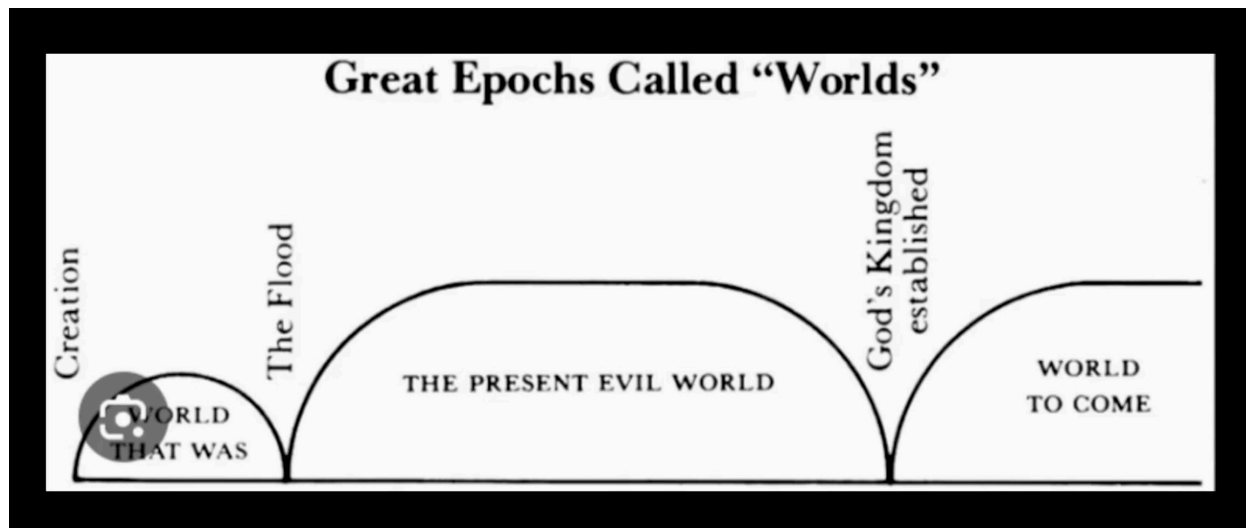

Your job as a believer is to believe the words of this book. That no matter how haphazard the world looks, THE PLAN IS UNFOLDING — not to destruction, but to RESTORATION. And now to show you the blueprints, you must understand the three ages in which the blueprints are being fulfilled.

2 Peter 3:6-7

6 By Yahweh's plan also, the world then existing was flooded with water, and destroyed.

7 By the same plan, the heavens and the earth which now exist are reserved for fire, being kept in store until the day of judgment, for destruction of unrighteous men.

Now, those words about destruction can be confusing. I'm going to get to them hopefully next week, if not the next. I'm going to show you the purpose of the destruction is to bring you to the restoration. Now, to understand how all of this is going to work, I want to show you the plan on the next screen. In this graphic is the entire plan.

This is the three worlds that Peter was just talking about. They're called epochs of time or ages or worlds. There's the 'world that was' Peter just talked about. That was from the creation to the flood. Then there's 'the present evil world'. Hello? That's where you live. Then there's 'the world to come'. And that part of the plan you'll never hear preached about. You will hear about this present evil world preached about. You will hear about how the devil's destroying everything.

You will hear about this present evil world, but nobody preaches the plan, the world to come. First Harvest Ministries does. We preach the world to come. We preach about the dawning of a new day. We preach that Yahweh's in the restoration business. And yes he's going to have to do a little destruction before the restoration. We're going to talk about all that. But it's not for destruction's sake. It's for the sake of restoration. I want to show you a few more things so you understand.

The Three Ages

Gal 1:4 - II Peter 3:7 - THIS PRESENT WORLD

Isa 45:17 - THE WORLD TO COME

The First Two Worlds have been absolute failures - but NECESSARY FAILURES

Evil has been permitted to PREDOMINATE:

Mal 3:15

However - the WORLD TO COME is called "The age of righteousness" because the RIGHTEOUS will PRE-DOMINATE

Gradually evil will be blotted out - **Psalms 72:7; Isa 1:19; Psalms 37:9**

To talk more about these ages, let's go to Galatians 1:4, and we're going to learn more about where you live. Every one of you watching me right now, you live in the middle, the present evil. *Brother Vaughn, I wish evil would just go away.* Keep wishing. You live in the present evil world. It doesn't mean there aren't good people in the world, but it's governed by evil. Yahweh has allowed it to be so, and I'll explain why in another lesson.

Galatians 1:4

Who gave Himself for our sins, that He might deliver us from the present evil age, according to the will of Yahweh our Father,

So he died for what? So he didn't die to bring us to heaven, but rather to deliver us, to help us get through the present evil age. Brother that's not what I was taught. I was taught that he died to get us *out* of this evil age. This is why he died for us. He is literally delivering us from this evil age. That's the purpose of his death. *Brother Vaughn, I'm so tired.* I get it. He died to help you get through this present evil age.

2 Peter 3:7

By the same plan, the heavens and the earth which now exist are reserved for fire, being kept in store until the day of judgment, for destruction of unrighteous men.

When does that happen? Right between the present evil world and the world to come. There will be some bad days there. But when you understand what those bad days are doing, then you will not fear them any longer. Let's read Isaiah 45:17 about the world to come.

Isaiah 45:17

But Israyl will be saved by Yahweh with an everlasting salvation; you will not be ashamed nor confounded to the world without end.

When? Read it again. To the world without end. What world is that? The world to come. You've been ashamed in this present evil world. But in the world to come, you'll have no more shame. And that's the very world the church does not preach about.

Malachi 3:15-18

15 But now we call the proud blessed.

Listen, in this present evil age (look at the graphic above), in this present evil world, we call the proud like the Kardashians—we call them blessed. We call those that are part of this world blessed because we are the pitiful ones it looks like.

Yes, they who work wickedness are exalted.

When? In this present evil world. Those who work wickedness are what? Exalted. They become president by not winning the vote. They get exalted and you're asking me why. Do you know the only reason you would ask God why is if you don't know the plan. Folks, we're living in the present evil world where the evil get exalted! When you get that, then you're ok with that.

The problem is you were lied to in church and you were told that right now you're going to be the head and not the tail, right now you're going to get all the millennial blessings, right now the wealth of the wicked is being transferred to the righteous! And when none of that happened, you were ready to quit God because you don't know the plan. You're living in a present evil world where evil gets exalted. And if you get that, you're ok with it. Why? Your hope is for a better day which you're going to be a part of.

Yes, even those who tempt Yahweh escape unpunished.

Wait, what did you just say? Those that literally defy Yahweh escape what? Punishment. Now you know why there's got to be fire at the end and punishment at the end. Oh come on now! Because there are some of us that don't escape unpunished. Right now, there are some of you that can't get by with anything! Some of you thought you were going to be worldly and go out and live like the world. How'd that turn out for you?

You see, you are being punished right now. They're not. They're in a yacht today that you sit and drool over. They're escaping unpunished. That's why the fire will fall at the end for them, not you because the fire's falling on you now. Every day when he corrects you and burns you, you're going through now what they will go through then.

My question to you is: Is the fire that you're experiencing right now to destroy you for all eternity? No sir. That's the purpose...to burn out of you the rebellion. We're being tried in the fire now. Elder you will never escape unpunished.

16 Then those who revered Yahweh spoke often one to another...

In this present evil world, while evil was being exalted, there was a group of people that got together, yes in person physically at the feasts, and they spoke to one another about the goodness of Yahweh in this evil world. Even though they saw evil being exalted, they knew the plan. And they knew that he was a good God! And if he was allowing evil there was a reason.

...and Yahweh paid attention and heard them; and a Book of Remembrance was written in His presence of those who gave reverence to Yahweh, and who thought upon; considered and regarded, His (holy) name;

Ooooooh! Whew! Hallelujah! Did anybody just feel that? Did you see yourself in that verse? Did you just see yourself as the ones that regard his holy name in this evil world? Are you going to be found in the book of remembrance? When does he open that book of remembrance? At the first resurrection. He'll remember every one of you that revered his holy name. Hallelujah.

17 And they will be Mine! says Yahweh of hosts. In that day when I make up My jewels I will spare them, as a man spares his own son who serves him.

18 Then you will return, and again discern between the righteous and the wicked, between him who serves Yahweh, and him who does not serve Him

Thank you Father. You are the measuring rod between those that serve Yahweh and those who do not. Your life will prove who serves him and who does not. And those that don't will return. They will return because of the jewels that he collected beforehand.

YOU ARE THE JEWELRY OF YAHWEH!

Listen, do you know when a king shows off his jewels, he's showing off his treasure. There's coming a day when he will "show off" those who talked good about God in an evil world. Hallelujah. You all are jewelry to Yahweh. I said you're jewelry to him! You're his diamonds, his sapphires! You are his emeralds! Why? Because you love him in an evil world. I want to be one of those precious jewelry.

The world to come is called the Age of Righteousness. Now listen. There will still be evil in the world to come. This is what confuses a lot of people. During the first 200-300 years of the millennial reign, men will still have to deal with those old characters. Yahweh will wipe out evil gradually through the *ministry of reconciliation* through his sons. Let's read how that's going to happen.

Psalms 72:7

In His reign the righteous will flourish, and peace will abound until the moon ceases.

Peace will abound during our reign. The Bible says...this is the present evil world. But in the world to come, we take over. When we reign, peace will reign. Everything will change. That's why in our church here locally, at First Harvest Ministries, I don't allow for one second of drama. Because we are not a "church". We are a prototype of the kingdom.

If you come in this ministry to run your mouth, you will be gone so fast. We don't need you and we don't want you. Should I make that plainer? If you want to have private Zoom meetings about me, bye-bye, never come back. Do you know why? Not because I don't love you—I can't tolerate you.

If we're going to rule and there's going to be peace, there must be peace in this ministry or else it's all a joke. I'll come down faster on a gossip than I will on an adulterer. His purpose must be our purpose. If it's to bring peace and the church is living in drama, it's a joke. Adultery most of the time is a one-time event. We

can get past that. Gossiping? Talebearing? *Well I just want you to pray with me about something.* You probably don't. You probably just want to use that as your excuse to talk. Listen to me! When we take over the kingdom, there's going to be peace everywhere. First Harvest Ministries must be the most peaceful, in-unity group of people. And we are. I know of no problems in this ministry now that we got rid of them all. I've known none for months, but trust me, if you're out there, you'll be found out.

We're a shalom people. We walk in peace with all men. Why? We love one another. We're practicing. You all, this is not a Bible study group. You know, there are other great Bible study groups. You can go to Rav Shual and study the Bible. But this is a family of kingdom people that are learning to work together in spite of ourselves. We're learning to love one another and work together in the heat of the day, testing our patience with one another and still being patient.

We believe we're what we preach! That must be that way in your own family. You must have peace in your homes. Husband, make peace in your home. Apologize first. We all have to find one another and say I love you with the love I can't explain. And brothers and sisters, in the local church here, there has never been more unity. There has never been more love than we have right now. For months it's been that way. Why? We know that we must walk in peace with all men!
