

THE HEAVENLY SCROLL—The Mazzaroth Part 12

Gemini Part 3

By Pastor Shane Vaughn, First Harvest Ministries

Today I'm going to cover the last part of Gemini. Let's take no comments or questions until the end of the class, and then we will open up the microphone. Amen. Let's pick back up in the book of Revelation. I want to walk you through these Two Witnesses all over again, and then today I'm going to explain what it means about them dying in the streets for three and one-half days, and then them being resurrected; and what all of this means in the Spirit.

There is one verse that you always need to remember. The one verse that you always have to remember when reading the book of Revelation is this: *He who has an ear, let him hear what the Spirit says to the called out one of The House of Yahweh.* Remember this: The book of Revelation is written to and concerning the Church. According to that scripture—*He who has an ear, let him hear what the Spirit says to the called out one of The House of Yahweh*—what does that say to you about anyone who just reads generally, the book of Revelation? What does that verse imply to you? *They can't understand it without the Spirit and being part of the Remnant Church.* Amen.

And if someone reads it without those extra ears as I call them, that spiritual insight, then when they get to The Two Witnesses, they will read it for what it says. That's very important that you all understand. Revelation is not a book to be read. It is a book to be *understood*. You can read the Gospels all day long. You don't really need spiritual ears to know *Jesus loves me*. You don't need spiritual ears to know He was born in a manger. But when you get to the book of Revelation, you've got to have ears of the Spirit. So today, I would like for us to pick back up and cover this topic in greater detail. We will pick up where we left off last week in Revelation ten. I'd like to recapitulate some. I want to pick up where they measured the Church.

Before we go there, I want you to understand something about The Two Witnesses. You are living right NOW in The TIME of The Two Witnesses. This is no longer a future event. I want to show you something that nobody is looking for. How many of you know that the whole world is looking for the Coming of Christ, but there is someone who must come before Christ comes? ELIJAH. Amen. The Elijah doctrine is taught at our ministry and is one of the most sacred doctrines here. I want you to understand that the Coming Judgment that is Yahshua Himself cannot happen until The Two Witnesses RISE. The Two Witnesses precede this judgment upon the earth.

When you understand that everybody in the Christian Church that you came out of—EVERYBODY—is looking for the return of Christ, you will understand why they get it wrong. I know of no one looking for the return of Elijah. Let me see a show of hands of how many of you have been waiting for the Coming of Elijah? Anybody? No. We've been waiting on the Coming of Yahshua and yet, that can't happen without the Coming of Elijah first. Let's read.

Mattithyah 11:11-21 Truly I say to you: Among those who are born of women, there has not arisen *any* who is greater than Yahchanan the Immerses; but he who is least in the Kingdom of Yahweh is greater than he.

12 And from the time of Yahchanan the Immerser until now, the Kingdom of Yahweh has been advancing forcefully, and forceful men lay hold of it.

13 For all the Prophets and the Law prophesied until Yahchanan.

Hold on. All the Prophets and the Law testified of the Coming of Elijah, which is John the Baptist in this situation. There are The Two Witnesses: All the Prophets, which is Spirit, because prophets operate by the Spirit of

Yahweh, and the Law; the Torah. Once again Yahshua is referring to The Two Witnesses testified of Elijah.

14 And if you are willing to accept it, this is The Strength of Yahweh; *Yliyah*, which was to come.

He identifies that The Two Witnesses told about John the Baptist. The problem with the Church in that day, they don't recall reading anywhere in the Torah the way that it would come. They were just like your church. They thought it would be a literal return of Elijah, the man; just like your churches think it will literally be two men. We make the same mistake that the Jewish people made. They read in the Law and the Prophets that Elijah will come before Yahshua came to do what? To PREPARE the way of Yahshua; to get the people right so they could receive Yahshua.

When they saw John the Baptist, this little old preacher from the wilderness—this little old preacher who had a hairy background—he was eating honey and wild locust. Nobody knew him. He had no following or no pedigree. Here he comes DOING the work of Elijah: calling the people back

to the narrow path, calling the people back to holiness, calling the people out of the Church, preparing the Church to go from the lamb to the ram, and they failed to understand that they were looking at Elijah. Do you know why? Because they were looking *for* Elijah. They were reading their Bible the way you

read yours. They didn't have ears of the Spirit. Therefore, when Elijah returned, he came in the person of John the Baptist.

Let me be very careful there. That is not reincarnation. No, no, no. Because Elijah was a MINISTRY, not a MAN. The man just happened to step into that ministry. Let me say that again. The ministry of Elijah is not a man. It

is a MESSAGE. It just so happened that Elijah in the Old Testament, stepped into that ministry. Now, John the Baptist is stepping back into that same calling, that same anointing, that same ministry. What did Elijah do? He killed paganism. He cleaned up The House of Israel. Elijah brought back the fire, if you will. On Mt. Carmel, he brought FIRE back to the Church. He woke up the sleeping Israel, and that MINISTRY was promised to come again right before Yahshua returned.

Here it came, and nobody recognized it. It was baptizing them. I just felt the anointing when I said that! They were being baptized by Elijah, and they thought they were being baptized by John the Baptist. I really need that to sink in because I really felt that in the Spirit. They were being baptized by Elijah, but they thought they were being baptized by that little preacher from the woods, from the wilderness; the one that had been hidden away. Notice what Yahshua is about to say; listen carefully.

15 He who has ears to hear, let him hear.

Okay. There it is! We read that in Revelation as well. Everybody in this Bible Study, open up your ears, because everybody doesn't have these ears. He said, "I'm going to reveal something to you." Anytime you see that phrase, *He who has ears to hear, let him hear*, it means *Don't read what you're reading*.

I have tons of books on my desk. I'm reading *The Wizard of Oz* right now. I'm also reading *The Bill of Rights, The Star of Spangled Banner*. I'm reading Thomas Paine's book, *Common Sense*. I've got *The Constitution of the United States, and The Story of the American Flag*. I can just read those books all I want to, and I'll be fine. But when you hear that phrase *He who has ears to hear, let him hear*; forget what you're reading.

I'm going to try and make this plain for you. What He's saying there is code language; it's code for the REMNANT BRIDE. What He's saying is, "Don't listen to the WORDS of what I am about to say; listen to the MESSAGE. So let's see what He says right after He tells him to turn on your spiritual ears.

16 But to what will I compare this generation? It is like children sitting in the marketplaces, calling to their friends,

He's talking to church people. He said, "Here's the problem. You're like a bunch of children at Walmart running up and down the aisles saying, *I want that blessing, I want that blessing, and I want that new house, and I want a new car.* You are like children." He is talking to the Church. He said, "You're all like a bunch of children at Walmart running up and down the aisles, but you're never running to Truth. You want some Holy Ghost candy."

Do you remember those fizzles that you would put in your mouth; the candy that would start fizzling and sizzling; Rocket Pops and all that? You want to feel something, and you run down those aisles wanting that Holy Ghost candy: *Give me some of this, and give me some of that. Give me that knowledge right there, give me that gift of healing. I want that.* He said, "You're like a bunch of children. I can't tell you what I need to tell you."

I'm thankful that in this congregation we've moved from the lamb to the Ram. I'm thankful that we're moving to perfection. We're no longer children running the aisles in spiritual Walmart or spiritual Target. HalleluYah! Now listen to what He's saying. You won't learn in your church. Does everyone understand I didn't write this, and I'm not putting anyone down? I'm just reading the Book. That's all I'm doing. He said, "You all go to church, and you run in like it's a spiritual Walmart, but if you can stop running the aisles long enough for Me to teach you something, I'm going to do it."

17 And saying: We played the flute for you, but you did not dance; we mourned to you, but you did not lament.

18 For Yahchanan came neither eating nor drinking, and they say; He has a demon.

19 The Son of Man came eating and drinking, and they say; Behold, a gluttonous Man and a winebibber! A friend of publicans and sinners! But wisdom is justified by her children.

Okay. Listen to what Yahshua said here. He said, “No matter what happens, you are going to live your life finding fault, and you’re going to miss this message because John the Baptist came, and all he ate was locust and wild honey. He didn’t eat meat and he didn’t drink wine, and you all called him a devil. But I came eating *and* drinking.” Did you all know your Bible said that?

He said, “I came eating and drinking. You weren’t happy with John and you’re not happy with Me, because all you want is Holy Ghost candy from your Pentecostal church. You want to feel something, and if you don’t feel it, then you start complaining about everybody and everything.” And He said, “I’m looking for someone who has ears to hear what I am about to tell you.”

20 Then He began to denounce the cities in which most of His works of power were done, because they did not repent.

21 Woe to you, Chorazin! Woe to you, Bethsaida! For if the works of power which were done in you had been performed in Tyre and Sidon long ago, they would have repented in sackcloth and ashes!

What will the ministry of Elijah produce? REPENTANCE! The problem with the Church is that they do not know what the word repentance means. We thought growing up that repentance was a trip to the altar, cry, say you’re sorry, and go right back to doing it. That wasn’t repentance. Repentance is when you stop breaking the Commandments of Yahweh. I’m going to make it plain today. It’s when you stop ignoring the Sabbath Day, and when you stop not making it holy. It’s when you literally STOP doing those things, when you have truly repented.

If you go to your wife today and say, “I cheated on you, and I am so sorry,” and you’re bawling and saying, “Please forgive me,” that is not repentance. That is just a bunch of hysteria. But the minute you tell her it’s over, you give her the evidence, and you end it with the other; now you have repented. That’s repentance.

The Father said the ministry of Elijah is not to get you to say *I’m sorry*. It’s not going to get you to cry at the altar. It’s literally going to get you to stop breaking the Commandments of Yahweh; like that one commandment that says not to cut down a tree like the heathen, and bring it home at Christmas time, and decorate it with gold and silver, bow down and put gifts under it, bow down and take gifts from it. He said, “This ministry is going to get you to say: *My church is only having church on Sunday and refuses to have it on the Sabbath Day, so until you get it right, I’m going to get it right.*”

If your church chooses to have Sunday service, you don’t wait for *them* to repent; *you’ve* got to repent. You’ve got to STOP, because the Bible says that Yahweh winks at ignorance only while you are ignorant. Let’s read that verse, and then we’ll come back to Elijah. Then I’ll get to The Two Witnesses. There is so much that needs to be retaught first. Now let’s talk about those who know what the Sabbath Day is, and yet they keep doing what they want to do.

Acts 17:30 In the past Yahweh winked at such ignorance, but He now commands all men everywhere to repent!

What does Yahweh do in your ignorance? Do you know what you do when you wink? You are ignoring, blocking it out. Yahweh does not hold ignorance against you. However, the moment you are no longer ignorant, He commands repentance. He commands that all men stop doing it.

For instance, the Sabbath Day requires two things to keep it holy. Number one, a Holy Convocation. That’s in your Bible. What that means is that if you are watching me today and you are within a driving distance of a Holy Convocation and don’t do it, you are in rebellion to your Father in heaven.

If you are not within driving distance, and you are not convocating like you are now with me, you are in rebellion. I don't like telling you that you're in rebellion, but the voice of Elijah is required to say that. I would rather tell you how cute you look today, but that's not my role today; that's Toto's role.

Now I'm in another role. I'm the voice of Elijah right now and I must tell you that if you're not in a HOLY CONVOCATION on Shabbat, you are in rebellion, and you'll have to see what road that leads you down. I'll see you in a few years and remind you that I tried to warn you. I hope somebody just heard me.

Let's pick back up at Matthew 17:10.

Mattithyah 17:10 Then His disciples asked him, saying; Why then do the scribes say that Ylijah must come first?

Here's what they said: *Yahshua, we're reading our Bible, and according to our Bible and our church doctrine, You cannot be here yet. It's not time for You to be here.* That's like people who tell you to not come listen to me teach. They say, "The Bible says this, and the Bible says that." You can show me your Bible all day long, but until you get an ear to hear what the Spirit is saying to the Church, it will be wrong. They were reading their Bible. They were telling Yahshua why they couldn't accept Him as the Messiah: because Elijah had to come first before Yahshua could come.

What they didn't know was that Elijah was there. He had baptized every one of them at the river. He had brought them down to the river, and laid hands on them, and they didn't even know who was touching them. They didn't even know that they were in the presence of Elijah. Notice what Yahshua tells them if they have an ear to hear.

11 Yahshua answered, and said to them: Ylijah truly will come and restore all things.

This is a two-parts. If you miss this, you miss this entire ministry. He said, “I am telling you now that Elijah will come.” *Will come* is in the FUTURE. *Elijah will come and restore all things*. The reason we know He is not talking about John the Baptist there is because John the Baptist was already there; John the Baptist was already dead. His ministry was over. Remember, Herod chopped his head off.

So now Yahshua is saying that Elijah WILL come and restore all things. We know He’s not talking about John the Baptist, because John the Baptist didn’t restore all things. They still didn’t have their calendar right. They still didn’t have so many things right, so John the Baptist didn’t restore all things, but Yahshua said that Elijah will come again and restore all things. Notice what He said next.

12 But I say to you; Ylijah; *The Strength of Yahweh*, has come already, and they did not recognize him, but did to him whatever they pleased. In the same way, the Son of Man will suffer at their hands.

13 Then the disciples understood that He spoke to them about Yahchanan the Immerser.

They finally said, “Oh, my God, we missed it.” They finally said, “Oh, that little preacher was Elijah.” They said, “We missed it,” and Yahshua said, “Don’t worry. He’s coming again, because I’ve got to come again.” If Elijah always precedes the Coming of Messiah, then he also has to precede the next Coming of Messiah, and restore all things. This will be the ministry of The Two Witnesses, because Elijah *was* The Two Witnesses, Moses and Elijah.

What does the ministry of Elijah do in Malachi chapter four? It turns the hearts of the Church back to the Hebrew roots of our faith: the fathers—Abraham, Isaac, and Jacob. If you find a ministry that is blending together Spirit and Truth; not just Spirit, and not just Truth. When you see one bringing them together, that’s what the ministry of Elijah will do.

Please let me clarify something right now. Please don't anyone in this church ever, ever refer to me as Elijah, because I'm not. But you're welcome to use *The voice of Elijah*. Everyone of you here today are the Voices of Restoration. Do you understand? Elijah is coming to restore all things. When you find a Restoration Ministry that will tell you who Yahshua was and who He wasn't, you have found the ministry of Elijah.

What are we going to restore? That none of the apostles believed in a Yahshua Who was co-equal with the Father, or co-eternal with the Father. No, no, no. They believe that the Father sent a Son. Elijah is going to restore the very PERSON of Yahshua to the Church. He's going to restore TIME. He's going to take you away from Babylonian moon-following and in 1948 there's going to be a calendar coming forth at the same time the fig tree bloomed, that is going to restore the appointed times.

Do you understand what I'm telling you today? Do you know what you're listening to? Listen to me carefully. Do you know why some of you have a hard time with the calendar that I promote? Because you are as guilty as you have accused the church that you left. Oh, my, my. I wish I could make it plain. You say you left organized religion; you left Babylon, but all you did was go over to Judaism and bought in with them. And now, when you hear more truth, you can't listen to it because you're guilty of what you say you're free from.

I left Babylon. Judaism is Babylon! Don't you get that? Catholicism, Judaism, and any other ism that won't allow you to move forward, makes you guilty of what you ran from. Truth is not easy. It's challenging. I want to caution you today about that.

By the way, this calendar is taking off everywhere. I'm starting to see more and more people follow it. It's because we're in a moment of restoration. The Church is being perfected by The Two Witnesses Ministry, not me. There's many more besides me. Don't get it twisted. I don't think for one second that I'm Elijah, but I know that when my voice joins with your voice,

I know that Elijah has returned because I'm hearing: *Restoration of All Things*.

How many of you have heard people say, "We're not going to worry about the Calendar, and we're not going to worry about the Name because when Yahshua comes, He will restore all things"? They're saying we don't have to get any of it right because when Yahshua returns He's going to strike it all out. No He is not! That's not His ministry. That's Elijah's ministry! That's deep stuff right there. I hope you can hear in the Spirit. Yahshua is not coming to restore Time. Why do you think He did not deal with calendars the first time He came?

Are we to keep the wrongly appointed times until He comes, or do you think that at the very end He is going to bring us into perfection? I believe that will all my heart. What are we going to restore? What is the Ministry of Elijah going to restore? How about this: All your life you've made Jesus His own Father. He's going to restore the IDENTITY of Yahshua. He's going to restore the UNDERSTANDING of The Kingdom of Yahweh. That Two Witness Ministry is here today.

Now let's turn to Revelation and pick up with The Two Witnesses. I'm going to show you why they die for three days, why they're resurrected. I'm going to make it all make spiritual sense for you right now. Let's pick up at that measuring rod verse.

Revelation 11:1 *And there was given me a reed like a measuring rod. And the malak stood saying: Rise, and measure the temple of Yahweh, and the altar, and its confines; where they worship within.*

You're trying to find out who The Two Witnesses are, but you can't figure that out until you figure out where they came from. You can't figure out who they are until you figure out the timing of their rise. The timing is in verse one. Here, the Elijah of that day—John the Revelator—has been given

a golden rod, and he is told to measure the Church to see if it has grown from a lamb into a ram. Measure it to see if it has come into perfection.

When people tell me, “Brother Vaughn, don’t worry about a calendar, don’t worry how to say the Name, because Yahshua will clear it all up,” No, no, no! This golden rod to measure the Church was to measure her maturity and her understanding. Right after John measures the Church, what happens? Read.

2 But the court which is outside the temple leave out, and measure it not; for it is given to the Gentiles. And the holy city they will tread under foot three and one-half years.

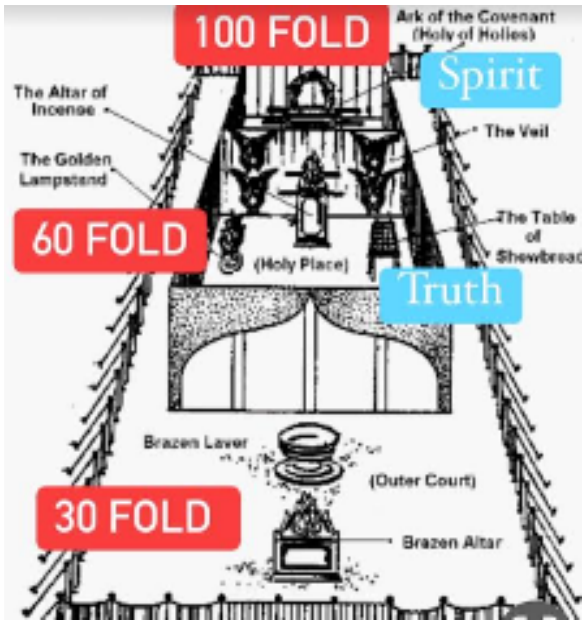

What is the court outside of the Third Temple? That’s the Outer Court, the 30-fold. That’s where people are busy worshiping God, but they are not coming into the Holy of Holies. They’re not coming into the 60-fold and 100-fold. If those words don’t make sense to you, you must go watch my teaching on the 30, 60, and 100-fold believers. It will change your life. The name of that video is *Spiritual Authority*.

The outer court is Holy Ghost-filled church people. Did you know that? It’s people who have cast out devils in His Name, people who have worked miracles and given you a prophetic word. They don’t come into the inner court; the 60-fold, wherein is the waters of cleansing and the candle of revelation. You’re in the inner court right now. Your understanding is being opened to the mysteries of Yahweh Himself.

He said, “Don’t measure those church people who are just here to have church. Don’t measure them. But if we’re going to bring out The Two Witnesses, we’ve got to find them first. We won’t find them in the Outer Court. The Spirit of Yahweh just hit me right then! If we’re going to find The Two Witnesses, they will not be among the church folk. Oh, no, no, no.

If you want to find them in The Third Temple, you’re going to have to go into the Inner Court and the Holy of Holies, because in that Inner Court

you will find Truth, and in the Holy of Holies, you will find Spirit. Truth was

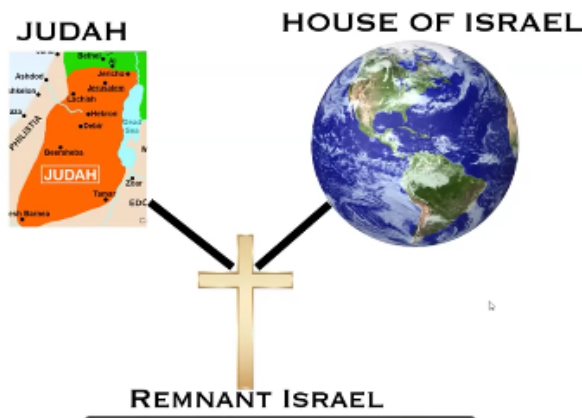

in the inner court. The Holy of Holies is where the Spirit of Yahweh came down. So The Two Witnesses are these two courts: Spirit and Truth. As a matter fact, they are the Two Olive Trees. They are Natural Israel, and Remnant Israel. The 30-fold will be citizens of the Kingdom, but they will not be in the government.

So why are we measuring? Because after the measurement is over, then something is going to rise from the measuring. Right now the

measuring is going on in Yahweh's Church. The Two Witnesses are coming forth because of this Measuring.

3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

How are we jumping from measuring the church, to now: *I will give*

authority to My Two Witnesses? Did anybody catch it? The Two Witnesses were just being measured from the Church. Here are The Two Witnesses. Let me show you Natural Judah and Natural Israel. What comes out of them is REMNANT ISRAEL.

Remnant Israel is made up of The Two Witnesses. Natural Judah has kept the Torah, and Natural Israel has kept the Spirit. Now in this hour, there is a

Church that is reaching down to BOTH and pulling it out. That's why your neighbors think you've gone back to the Law, the Jews. They don't understand you are a new man. This Entire Witness is a NEW MAN. No longer Natural Judah or Natural Israel; we have become Remnant Israel. The Two Witnesses come out of that Measuring.

Now we've got to find out what all this other mystery language is about these Two Witnesses.

3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

What are we told first about These Two Witnesses? They will be preaching a new message, but it is really not a new message, but a RENEWED message. Just like the new heaven and the new earth are really a Renewed Heaven and a Renewed Earth. Just like there's no such thing as a New Covenant or a New Testament. There is a Renewed Covenant and a Renewed Testament. So the first thing these Two Witnesses are going to do after they have been measured out of the 30-fold, and won't look like the 30-fold, is PROPHECY!

Father, help me to verbalize this. I see this in the Spirit: thirty, sixty, and one hundred. Those who don't look anything like the 30-fold are going to be MEASURED INTO THE TWO WITNESSES. That's the only way I know how to say it. HalleluYah!

You're going to be measured out and measured in. HalleluYah! They are going to PROPHECY. The word prophesy means to speak under divine utterance. When you hear the Witness speak, you will know that it is divine. You might not understand everything the Witness is saying, but you KNOW that it is a divine utterance that is setting you free from that 30-fold religion. Listen to me. Yahshua is not coming to restore all things. Elijah is. Keep reading about these Two Witnesses. Read what they do next.

4 These are, as it were, the two olive trees,

We know who these Two Witnesses are. They are the Two Olive Trees. How do you find out who the two olive trees are? Go back to Zechariah. Remember, I told you that it is a twin prophecy: Spirit and Truth. Natural Israel, Natural Judah. There's the Natural Olive Tree and the Wild Olive Tree. Amen. The Wild is grafted into the Natural and it creates a NEW TREE. One New Tree made up of two plantings of the Lord. HalleluYah! Read.

and, as it were, the two lamps of the seven lamp lampstand, ministering to the Father in the earth.

Who else are these Two Witnesses? The only two candlesticks in the book of Revelation that Yahweh wasn't mad at. Tell me who those two candlesticks are. *Smyrna and Philadelphia*. Those are the only two churches that met the qualifications of being pleasing to Yahweh.

5 And if any among them determines in his mind to commit sin, the every word of Yahweh; the Law and the Prophets, like the two-edged sword of fire, proceeds out of the mouth of the spokesman of them, and he devours their enemies; and if any among them should continue to commit sin, in this manner it is binding for him to be destroyed.

I taught you what that meant last week. I'm not going to do it today because I'll get bogged down. Go ahead.

6 These hold Yahweh's authority to shut the heaven, in order that rainfall does not rain the days of their prediction; and Yahweh's authority they have over the waters, to turn them into blood, and to strike the earth with every plague—as often as, provided, they should will.

We dealt with all of that last week. I'm not going to explain what it all means today. Go ahead.

7 And whenever they will have finished the evidence written about them, completely performing their testimony concerning future events, the beast, the same which ascends out of the abyss, he will make war with them, and he will overcome them, and he will kill them.

Here is where we're going to pick up today. The Witnesses are going to finish their testimony. I want to explain what this means. The Witnesses are about to get killed. *How sad, Brother Vaughn. What a horrible thing about these Two Witnesses.* Read the next verse.

8 And the body of believers; *The House of Yahweh—the one seed of The Two Witnesses,* goes into the streets of the great city, which is spiritually called Sodom and Egypt, where also their Messiah was sacrificed.

How many of you watched that silly movie, that silly series called *Left Behind*? When they got to the Two Witnesses, I wanted to puke. I've never seen such carnality and such tomfoolery, because the Two Witnesses get killed, they literally lay in the street for three days, and then they get back up breathing fire out of their mouths. The silliest thing in the world is to think that this is literal; that we have Two Witnesses that are literally two dragons. Amen? They breathe fire out of their mouths, and then the devil kills them and nobody buries them. They just lay in the street for three days. Then all of a sudden they just get back up.

Saints, please don't fall for this. Let me explain this to you now by the Spirit of Yahweh. The Two Witnesses are OUR MINISTRY; and this Restoration Ministry is almost over! Our testimony will be finished. Read verse seven again, that says their testimony is finished.

7 And whenever they will have finished the evidence written about them, completely performing their testimony concerning future events, the beast, the same which ascends out of the abyss, he will make war with them, and he will overcome them, and he will kill them.

So the Two Witnesses are going to rise up and prophesy for a specific period of time, or in other words, they are going to preach and restore. Their ministry is a Restoration Ministry. But it has a limited time before the Coming of Yahshua. Now I want to explain to you why two years ago to the day almost, Yahweh created a character called Professor Toto. I want to explain to you how a seven minute video that should never have been seen by anybody, went bat crazy with over TEN MILLION views. Do you know what viral means? One million views.

The very next morning, every major newspaper was in my email. I was being interviewed by magazines everywhere the very next day. Do you know why that was? Because the time is NOW. The time is now for the Gospel of the Kingdom to be preached around the earth. Do you know that is not normal? What's normal is to get bored and go follow somebody else. The time is now. It's not normal for you to keep coming back here every week. You're not normal. You're part of the Measuring. I want you to hear me. Many of you before you even knew me, were writing checks to this ministry by the Spirit of Yahweh. It's not natural! Yahweh financed this ministry!

I'm looking at Toni Silcox. Her husband just passed away. Ten thousand dollar check in the mail before he died. Who does that? You don't even know me! Who does that? I heard a scripture that says, *And it is marvelous in our eyes.* HalleluYah! When the Father raises up a work, He will finance it to get the message out. Do you want to know the most beautiful thing of it all? Do you want to hear the biggest miracle of all? I never asked you for one dime.

Go back and look over the past two years. I've never asked for one penny, so if you send it to me, it's because the Father put it on your heart. I've never

hinted, or manipulated. Why? It's a HOLY work. I don't have to. All I've got to do is go to my P.O. Box, because it's a holy work. You are all part of The Two Witnesses, because the time is now for your voice to join with mine and declare TRUTH on your Facebook page. Everybody will hate you for it.

Let's get to the hate part. When these Two Witnesses bring forth their message, the Father is going to let them do it for a certain season, but something is going to rise up from the abyss and kill them. Hang tight. I want you to notice WHERE they get killed; not that they died, but where they died. After they kill them, tell me where they are killed. I'm moving in the Spirit of Yahweh now. I hope you can hear it. I challenge you to find any word previously where these understandings have come forth. There is a MOVE, a Spirit of Yahweh in this moment that has nothing to do with me, but it's TIME.

Forget Shane Vaughn. If you want to find fault with me, just stop and I'll give it to you. But if you want to HEAR the MESSAGE, you better forget the messenger. Don't ever put me on a pedestal because I'm going to disappoint you. Hear this message or Yahweh will take me away. Honor the messenger, but don't ever make me Elijah, because I'm not. I'm just your brother. We're working together to bring this message to the nations of the world. Amen! HalleluYah! Let's read where they die.

8 And the body of believers; *The House of Yahweh—the one seed of The Two Witnesses, goes into the streets of the great city, which is spiritually called Sodom and Egypt, where also their Messiah was sacrificed.*

Oh, I'm getting ready to go somewhere now. Where was our Lord crucified? Jerusalem. Why is He now calling Jerusalem, Sodom and Egypt? Because the only people that are going to try to kill you are the religious folks. Jerusalem was a city of religion, run by religion, killed by religious people! That doesn't mean they're going to kill you. It means that the abyss of religion is going to come after your VOICE, and destroy your credibility. They're going to destroy your voice, and make you look like idiots. They are

going to make you look like a cult, and they are going to kill you in the streets of Jerusalem, which is the Church!

THEY'RE GOING TO KILL YOU IN THE CHURCH!

Do you know why? Because they were left out of the MEASURING. They were in the 30-fold. They were left out of the measuring, and they hate you because you were measured in! The Voice of Truth just came forth unto you! They are trying to kill your credibility. They are killing your voice, but they will NEVER kill your Truth, because the next verse says that the Truth they tried to kill got back UP!!! You cannot get rid of Truth or the Message!! Glory, Glory, Glory! You can kill the messengers, but this TRUTH will RISE every time! Truth has Resurrection Power!

Kill me and leave my body in the street of your religion, your denomination; but after you've told everybody about my past, after you've told everybody about my mistakes, THIS TRUTH will get back up in spite of what you do to me! You cannot kill this MESSAGE!! HalleluYah! Glory!

I want you to notice something. I want you to notice in verse seven, that before they kill these Two Witnesses what it said: Their message was FINISHED! In other words, cast your bread upon the water, and many days from now it will come BACK to you. They won't kill you until AFTER you planted a seed; until your message is finished—until you did what Yahweh called you to do. The Bible said when they speak, FIRE comes out of their mouth, and their message will be finished. In other words, their influence is not killed until they have spoken a word that torments you like fire, night and day.

It's not the world that kills The Two Witnesses. When you go to the movie *Left Behind*, they act like it is armies killing these Two Witnesses. No. It was the same people that killed Yahshua—the Original Witness. Church folk kill them! Guess what the Bible calls this religion? From the abyss. It said that it rose up from the depths of religion and killed the VOICES of these

Two Witnesses. But notice what it couldn't do. It couldn't BURY them. Let's read again, that verse about after they killed them.

8 And the body of believers; *The House of Yahweh—the one seed of The Two Witnesses*, goes into the streets of the great city, which is spiritually called Sodom and Egypt, where also their Messiah was sacrificed.

That church you went to; they are going to let your body lay in the streets. Do you know why? They tried to bury you, but it's impossible. They tried to slander you so bad. The minute somebody finds my ministry, the first thing they get in their email is a Google link about mistakes I made twenty years ago. What you don't understand is you can try to kill me, but you can't bury me. I'll be back because what's in my voice is not the shell it's coming out of. HalleluYah! All they can do is kill you, and I've got good news for you. It won't last long. Read the next verse.

9 And they take out of the peoples, and tribes, and tongues, and nations into The House of Yahweh, turning them to Yahweh for three and one-half years, because they will not allow this body of believers of The Two Witnesses to be poached into the tomb.

Listen. The reason you can't bury us and you can't bury our message is because there's a prophecy that the entire world must hear the GOSPEL of The Coming Kingdom of Yahweh; every nation, every tribe, and every tongue. So you might kill us in the Church, but you won't kill us in the WORLD. You may kill us in our religion, but our message will be seen by the nations of the world while you think we're dead! Every nation has to hear it! You cannot kill the Truth. You can only lay the body of the dead messenger in the street.

Listen. Before we read the next verse, I need to teach you something quickly. Everyone watching me dwells in one of three realms. Listen carefully. The book of Revelation talks about three realms of existence: the sea, the earth, and the heavens. Everyone of you lives in one of those three

realms. I doubt that many of you live in the sea because that represents sin, evil. I doubt that many of you listening to me are evil, unless I have some closet watchers who sneak in. The rest of you, I wouldn't say you're sea people. There are a number of you who are heavenly people. Now what are heavenly people? What do I mean by that? You're walking after the Spirit. That's heavenly people.

Between the heavenly and the wicked, there's another group of people. They are earth dwellers. They are not quite in the Spirit, and they're not quite in the world. They are church folk. Religion is earth dwellers. As long as you're in your denomination, you're an earth dweller. What does that mean? You're not a bad person, but you're not a heavenly person either. You're in between. You're an earth dweller. Tell me who is rejoicing over the destruction of the Voice of The Two Witnesses. It isn't the wicked. No, no, no. It's those earth dwellers.

It's those who are half in, and half out. That's why the Father said, "I'd rather you be cold which is wicked—the sea—or hot; the heavens, than be lukewarm. If you're in the middle, I'll spew you out of My mouth!" That means they were in His mouth to begin with. "You confessed Christ as your Savior and you were in the Church, but I had to spew you out because you wouldn't choose to dwell in the heavens when I measured the Church, and brought forth the heavenly dwellers. The earth dwellers tried to kill the heavenly dwellers, and the religions tried to destroy you."

Do you know why Yahweh gave me the Toto platform? Because the churches wouldn't invite me to preach for them, and I had to get this message out. Yahweh has done this thing. Now read. I'm trying to close.

10 Then those residing throughout the earth will observe Yahweh's Feasts in their reverence for Yahweh because of them, for they have a mind of understanding to do that which is right. And Yahweh's tithes and offerings they will bestow, themselves together who are of Yahweh, because these two prophets

proclaimed the every word of Yahweh; *the Law and the Prophets*, to those residing throughout the earth.

KJV And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented the that dwelt on the earth.

I hope you just heard that. You're a torment to earth dwellers. Just start calling them what they are: Earth Dwellers. They're not bad people, but they're not your kind of people either. They will rejoice when your influence, your voice, has been cut off. They will rejoice when the Church casts you out and disfellowships you. They will be glad, because every time you opened your mouth in their presence, fire came out and it tormented them.

Do you want to see what fire looks like? Here you go: You are sitting in a group of earth dwellers and you ask a question: *Has anybody studied the roots of Christmas?* FIRE just came out of your mouth! Do you understand? You just breathed fire! Or if you just ask who Yahshua really is, whether He is the Creator, or if He is not—Fire is coming out of your mouth! When you say the Name Yahweh, Fire comes out of your mouth.

They really need you to disappear, and if you don't, they'll kill you; they'll do it themselves in the street. They want to get rid of you, and I want to tell you something. When the earth dwellers killed The Two Witnesses, that's when the Bible said that every nation, tribe, and tongue would HEAR their message!! HalleluYah! Thank you, Father.

11 And after three years and a half the Spirit of life from Yahweh entered into them, and they stood upon their feet; and great fear fell upon those who saw them.

Just like their Elder Brother! Just like the FIRST WITNESS! Just like their Elder Brother!! After THREE days it's going to happen! The Spirit of Life will enter into them! Listen to me carefully. The ones that killed you, are the

ones that will soon be submitted to you in the government of Yahweh. When they have killed you, then they must submit to you, and learn from you! Let me explain it like this because if I was in my church, I'd be running in the aisles right now. I'd be walking the pews right now. I FEEL THE HOLY GHOST! Do you know what's going to happen to you one day? The same thing that happened to your Elder Brother!!

Did you know that the Bible said when the Spirit comes and He returns, the Jews will look up and say, "Did we do that to you?" and great fear would come upon them. No need to fear, because we've been trained in the fire, and we forgave you before you did it. Now we can rule over you in righteousness. Thank you, Yahweh! No need to fear! We are not like earth dwellers. We love our enemies. No need to fear! We're not like religious people. We truly love Yahweh, and we serve Him in the beauty of Holiness. We speak what He speaks. We're not in our emotions; we're in our devotion to Yahweh!

Don't be afraid! We know you killed us, but we also know that you didn't know what you were doing. We also understood what you didn't know we understood—you had to kill us, otherwise every nation, tribe, and tongue wouldn't have heard our message. That's why right now the Father allows people to hurt you. He wants to see your response and if He can trust you with this government. Everyone that has crucified you in the Church, you'll have to train them in what they kicked you out for. HalleluYah!

Do you know why the GREATEST of the Commandments is to LOVE One Another? Because after they kill you, then you have to get up and train them. What are you going to train them in if you're still mad at them? There is not one person who has left my ministry and tried to destroy me, who would not be welcomed back with open arms if they came repenting. Do you know why? I will never allow this death I'm going through not to produce the life of Yahshua in me.

Many people blast me. Many people say, "Brother Vaughn, do you not have the gift of discernment? Do you not know when these people come into the

church?” That’s the problem. I do have it, but I have a gift that is greater, and it’s the love of Yahweh. Even though I may discern you a mile away, I’m going to love you two miles away. I’m going to bring you in and welcome you, and I’m going to love you, and help you. The only time I’m ever going to put you off is when the Bible commands me to do it—*Mark those that cause division in the Church, and have nothing to do with them.* But until you get to that point, I will never give up on you. Why? The only reason we have to cut you off is to perfect the Church.

Those who are trying to kill you today will be afraid of you tomorrow. But that fear will not last because the Jews will see Yahshua, and He will embrace them, and He will thank them for killing Him. For it was what they did that brought you in, and it’s what they have done to you that will bring the nations of the world in. I believe there is one more verse about what happens when The Two Witnesses stand up on their feet.

12 And they heard a great voice from heaven saying to them: Come up here! And they ascended up to heaven in a cloud; and their enemies watched them.

Listen. This is the First Resurrection; the REWARD of the Witnesses! They will be the 144,000, and they will be called up into the government. They will qualify to rise and meet Yahshua at His Coming. They will meet Him in the air, and they will descend with Him to rule and reign over the nations of the world.

13 And the same hour there was a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand; and those remaining were frightened, and gave glory to the Father in heaven.

There’s going to be an earthquake when this happens. Not physically, but there will definitely be a shaking in Babylon. Whenever we rise, we’re going to bring in the remnant and that will cause a great earthquake. After that earthquake, then starts the Millennial Reign.

Now after this lesson, we go into Cancer, and my, my, my; what wonderful things Cancer holds for us. I hope you understand now who Gemini is, and when He rises. Amen.
