

THE HEAVENLY SCROLL

The Mazzaroth Part 14, *Cancer Part 2*

By Pastor Shane Vaughn, First Harvest Ministries

Today is part two of Cancer. Last week we started talking about Cancer, and we talked about the Seed, and the multitude of the seed, and how the original Seed would produce more seed that would look just like the original Seed. Today we are going to pick up in Revelation chapter twelve where we left off last week. Today I'm going to be

dealing with a lot of questions about the Torah, a new revelation, and different things.

Before we read Revelation chapter twelve, last night the Father for the first time in my life, the Father gave me and my wife the revelation of Samson. I have read about Samson all my life and never understood who Samson truly was. But last night by divine revelation, the Father showed us who Samson was. Samson is not a man. Samson was placed in your Bible as a Prophetic Picture of the End Times. You need to know that Samson was born to become a superman, if you will.

Samson was birthed, the Bible says, because the Philistines, which is the same as Babylon, were ruling over Israel at that time. What does that mean? Yahweh's Church had been taken captive, and hijacked by carnal leadership. Let me make this plain. When Samson was given birth to, he was given birth by Natural Israel, an unnamed woman in the book of Judges called simply, Manoah's wife.

To make a long story short, it was a Natural Israelite woman that gave birth to a superman. I call him superman and you know what I'm trying to say—he was a super man. He was given birth to, for a specific purpose.

What was that purpose? What was the destiny of his birth? It was not just to be strong. It was not just to be superman. He was given birth to for a specific reason: to set Israel free from carnal religious leaders that were ruling in Yahweh's Church.

Israel was Yahweh's Church, but people had moved in—and I will introduce those people to you today—and they had taken over the leadership. They were building the big churches, and Israel was forced to go to their churches. Israel was under their control. Yahweh's Church was hijacked. However, an angel came to Manoah's wife, just like He did Mary and Elizabeth, and told her, "You're going to have a son, and that son is going to bring down Babylon. That son is going to set My people free from carnal leadership. He's going to bring them back to the Covenant."

We found out that the long hair on Samson was the symbol of his vow, or his covenant. We found out that as long as he stayed this superman, as long as he stayed in the Covenant, or the Nazarite vow, he stayed on track for his destiny. The moment he lost sight of the Torah, the Covenant, which is the Torah, and started looking back at those churches run by the Philistines—Delilah—and started fellowshiping with those other churches, then he started thinking less and less about his hair. Then he started caring less and less about the Covenant that made him so different; made him a superman. He wanted to be a normal man. That is what they wanted him to become.

I taught last night that they never wanted to kill Samson. They just wanted to make him a normal Israelite. They just didn't want him to be a superman. They didn't want him to be a deliverer of Yahweh's people from their religious control. I really need you to listen to me today. The Church doesn't mind you being saved. They don't even mind you coming to church, but the moment you start growing long hair, spiritually speaking; the moment you start reconnecting with the vow or covenant that set you apart, even from the Church, now they must bring you back down to size.

Now the Church must tell you, “Quit thinking you know so much. Quit acting like you are closer to God than we are.” They despise your DIFFERENCE! Your difference is a judgment against their complacency. Did you hear what I just said? Your difference is a JUDGMENT against their drama and their complacency. They just want to take your difference away: *Don't be different!* That's what they want. Today, ironically, the Father gave us the revelation of Samson. I've been in church all my life, and I've never heard the revelation of Samson. The Father gave it to *this* ministry.

Last night, He gave us that revelation while we're teaching on Cancer. How perfectly it lines up with Cancer, so I want to pick up today showing you that what happened to Samson is happening again in your day. There is a BIRTHING of a SON, or a Man-Child, and the reason for His birth in this hour is the same as Samson's: TO DELIVER ISRAEL from Babylon, from the Philistines. What happened to Samson? He gave away his strength by giving the Torah away.

I need everybody to hear me now. They tried to get his strength, but as long as he kept Covenant, they couldn't get him. Then he said, “I love Yahweh, and the Philistines love their god; why do I have to be this different? Cut off my hair.” In other words, “Take Torah away from me. Take the Law away from me. Take it all away, and when you do, I'll become a normal Christian like you are.” At that moment when that happened—when he became a normal Christian—at that moment, he lost his destiny.

His destiny was to rule over Israel. He should have become the king, or the ruler, or the judge of Israel. They knocked his eyes out. Why? Because it was his eyes that made him forget His Covenant. He said, “I saw a woman among the Philistines. I saw another religion. I saw another religion. I saw the old church, and I wanted to go back.” So the Father plucked his eyes out so his covenant would come back.

We are in the hour now where Samson is the vision of the end-time work of Yahweh. We are in the hour now where the HAIR is growing back on

Yahweh's Church. HalleluYah! The COVENANT IS RETURNING to Israel!
Amen! Brother Anikewich, your hand is raised.

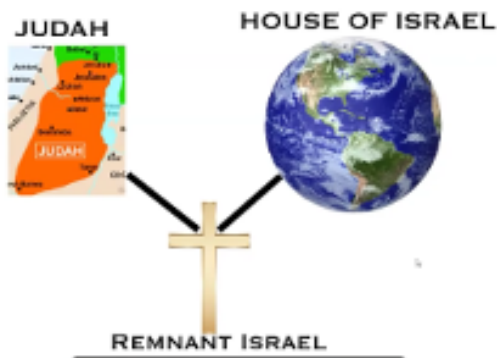

Samson's mother, Manoah's wife, was one of the twenty-three righteous women of Israel, and she was from the Tribe of Judah. Her name may have been Zelelponith. This is coming from another resource. Her name means shadow. His name means rest.

Samson is a shadow for us of the End Time Church. That works. His mother's name means SHADOW. This was meant to be a shadow of what was to come! I receive it, Lord! HalleluYah! What does this have to do with Cancer? What does this have to do with Revelation? Let's find out as we turn to Revelation chapter twelve. We'll start at verse one.

Revelation 12:1-9 And there appeared a greater wonder in heaven: a woman clothed with the sun,

Hold on. This is interesting. A woman is clothed with the sun. Guess what the word Samson means? The shining sun. This is all tying together now.

and the moon under her feet, and upon her head a crown of twelve stars.

This is Natural Israel. This is The House of Judah and The Lost Tribes. This diagram helps explain this woman that we are seeing in the book of Revelation chapter twelve.

How do we know that it is Natural Israel? Because there are three things that Natural Israel goes by in determining

Holy Days. It is not the moon. I don't care what anybody tells you. I will stand up and debate anybody anywhere about this. The moon is not what our calendar is based on.

The moon is a Second Witness. The Times of Israel are based on the Stars, the Sun, and the Moon. All three are the witnesses of Holy Time. If you are on a calendar that is moon-based, you don't have three witnesses. That's what's wrong with the Jewish calendar, and so many calendars. You're basing it on the moon, and the moon is at her FEET. The SUN is what she is clothed in. It is the sun and the stars. Go read Genesis fourteen. Yahweh didn't give the moon to determine Holy times. He gave the sun, the moon, and the Mazzaroth; the stars. This is how we know that this woman that John is seeing is Natural Israel. Let's read.

2 And she, being with child,

Now isn't this interesting? Natural Israel is with child, just like Samson's mother was with child, just like Mary was with child. Here's a natural woman who is with child. This natural woman—Natural Israel—is having a child. For many years we thought that this child she was having was Jesus, Yahshua. That's what we always thought when we read this verse, but nothing could be further from the truth. No, no, no! Read.

And she, being with child, cried out, laboring in birth, and pained to be delivered.

KJV And she being with child cried, travailing in birth, and pained to be delivered.

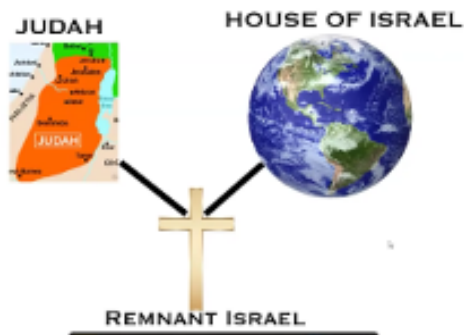

This woman is travailing in birth to be what? DELIVERED! When Samson was born, the Philistines ruled Israel, and they needed to be delivered. Samson was to bring forth a return to the Torah—the Covenant—to bring them out from Philistine mindsets, Greek mindsets, Hellenized mindsets, and deliver them back to Torah. This is why the Bible said when the voice of Elijah comes forth, it would turn the hearts of the children back to Torah.

It's important that you get this. The voice of Elijah will turn your hearts back to the Covenant! It will deliver you from Christianity, it will deliver

you from Twistianity. It will turn your heart back to where? Where is the voice of Elijah promised to turn your hearts back to? The fathers: Abraham, Isaac, and Jacob. And what did those three men bring us? The Covenant. The Covenant will return you to Torah if you're listening to any ministry. I don't care if they're raising the dead. I don't care if they can tell you your name, your address, and your mama's date of birth. If they can't tell you the Torah, and turn you back to it, you're not hearing the voice of Elijah.

You're hearing the voice of distractions. The end-time work of Yahweh will turn you back to Abraham, Isaac, and Jacob. Christianity will turn you away from Abraham, Isaac, and Jacob. The Pope of Rome will say, "We want nothing to do with that Jewish religion, but *this* voice will turn you all the way back! This voice will put HAIR on your head. Amen! This voice will return you to a VOW, to a Covenant that says these words: *If you will be my God, I will obey You. I will be your people and I will walk in consecration.* That is the Covenant.

This woman in Revelation, this graphic, will teach you what Revelation

twelve is telling you. I want to show you what Revelation twelve is, so that you can understand what you're seeing in this image, in this verse of Scripture. Look at this graphic again. Do you see those two at the top? Both of those combined is this woman in Revelation twelve. She is travailing in birth, to be delivered.

What is she waiting to deliver? She's waiting to deliver the One New Man. She's waiting to deliver REMNANT ISRAEL. She is waiting to deliver those like us who are natural descendants of her, but we are not her. Come out of HER My people!! Natural Israel is giving birth to the One New Man. We are natural descendants of this woman, but we are being born to deliver the very woman who delivered us! My, my, my, my my! She is moaning. She needs deliverance herself, but for her to get deliverance, she needs us.

Whatever denomination you came from is all part of this woman; this Natural Israel. You are a natural descendant of one of these two, or you wouldn't be in this room today. But it is Natural Israel that is giving birth to Remnant Israel.

3 And there appeared another wonder in heaven: And behold, a great red dragon, having seven heads and ten horns, and seven crowns upon her heads.

Now here is what you have: you have this woman who is ready to give birth. When does this happen? It happens at the END of the Sixth Seal, or the Sixth Day. Did you know that's the day you're living in? The natural churches that you grew up in ALL need to be delivered from the Philistines. They all need to be delivered from Babylonian leadership. They have literally given birth to you. Don't despise small beginnings. Don't despise where you came from.

Don't despise the churches you grew up in. They gave birth to you! It's your heritage. They gave birth to what they are praying for: deliverance! You are going to grow hair on your head, and then you are going to go take the gates of the city on your shoulders like Samson did! Remember, he went and took the gates that were keeping the kings of the east; he removed the River Euphrates, he removed the gates on his shoulders to make way for deliverance of Yahweh's people!

It's all connecting. There's a fresh revelation flowing from this house today! You need to see what you were born for, and why you're in this room. It's to take the gates off of religion. It is to take the gates off of denominationalism. It's to take the gates off of Christianity, so that the kings of the east can rise and bring deliverance to Israel! HalleluYah! That day is coming very soon. Sister Sandra Broliar, go ahead.

What I'm thinking of here is that when this happens; when the One New Man is formed, is this the picture of when Babylon falls, and that whole false religion system disappears?

Yes, Ma'am. Your answer is in the story of Samson when his eyes were out. Yahweh had to take away his ability to look back, like Lot's wife. Yahweh is plucking your eyes out today, everybody. Did you know that? Because Samson said, "I saw a Philistine woman." *I saw that old religion that I came out of, and something in me wanted to go back.* So Yahweh says, "Come here. Pluck his eyes out so he never looks back." When you take your eyes out from where you came from, your hair starts growing back.

And what did he say? "Go put my hands on the pillars that are holding up Babylon." HalleluYah! And it was that Covenant Son, it was that Covenant Man who literally pushed down the lies that were holding up the building. HalleluYah! Praise Yahweh! I declare to you today that that man is back! That man is you! That man is back to push down the LIES that are holding up the building! HalleluYah! You are that man. YOU ARE that One New Man! Let's read.

4 And her tail drew the third part of the stars of heaven,

Now here's the dragon. The dragon always shows up when the Son is birthing. Just go back to the days of Pharaoh. *Go kill all the sons!* Who was doing that? This same dragon. Who, in the days of Yahshua said, "Go kill all the boys."? Same dragon. Now here we are at the end of time: Same dragon, and the same thing is happening again—a woman giving birth to a delivering Son, and He's being fought.

I want you to understand something. The moment you are birthed into this Covenant, you will face the DRAGON standing there, waiting to take you from going any further in your new birth. He is standing there to get you to find a woman among the Philistines. Please hear me in the spirit. He is standing there to distract you, and to divert you from this message. Read.

and did cast them to the earth, And the dragon stood before the woman who was ready to be delivered

The dragon stands before the woman—the Church—that is ready to be delivered.

in order to devour her Son as soon as He was born.

This dragon is waiting to devour the Seed of Truth that you are birthed into. Truth always attracts the distraction. Hear me! The Seed of Truth always attracts the Distraction. If you're walking in Truth, get ready for the dragon to show up. He doesn't want to kill you. He wants to distract you from what your purpose in life is.

5 And she brought forth a Male, a Son, Who was to rule all nations

What was the purpose of this Man-Child being born? To rule over all nations. Listen to what the Father just revealed to me. This dragon will come the moment you understand the purpose of your birth, to try to get you to fly away to heaven. The reason he hates First Harvest Ministries and your pastor, is because I keep your eyes out of the heavens, and I keep them on your Purpose and your Destiny, knowing that you were born to RULE! Every Christian Church this Sunday will get you looking to heaven. Everyone of them, I promise you. Every song they sing, every sermon they preach will divert you.

This isn't about me! This isn't *my* ministry! I'm just the voice of ONE. I'm just a voice. I'm voicing what He already told you in your spirit. You just didn't know how to say it. You better never make this ministry about me. Yahweh will take me away if you do. He'll take me off the scene like He did to John the Baptist, if you turn me into a god. Don't you turn me into a god, because you'll be disappointed. But if you'll hear my voice—the message—overlook the man if you can, and hear the voice. If you do, we'll all make it together. HalleluYah!

Don't turn me into a god. Yahweh will kill me! Just like the voice of the dragon is in your ear, I'm just that other voice in your ear saying, "Stay

focused on why you came to this message.” I’m just that focusing voice. STAY FOCUSED. You were born to rule the nations! People wonder why I teach obedience so much. *He wants everybody to be obedient to him!* Shut up devil!! No, I don’t, you lying devil. I want them to be obedient to the WORD so that they can rule the nations. You can’t rule the nations until you can rule your rebellion.

You can’t rule the nations until you can rule what’s on your plate. You can’t rule the nations until you rule your tongue. You can’t rule the nations until you can rule your emotions! You can’t rule the nations until you obey and give your tithe. I want everybody to repeat after me: I was born to rule. Before you get these grandiose ideas of ruling the nations, listen to what I just said: I WAS BORN TO RULE—My Responses To People. I was born to rule My Emotions. I was born to rule My Appetite. I was born to rule My Sexual Desires. I was born to rule, and not be ruled! Sister Sandra, go right ahead.

I believe Isaiah has given us a second witness to this. It would be in chapter sixty-six, verses seven and eight.

I already know where you are going. Go ahead.

It reads: Before she labored, she gave birth; before her pain came, she was delivered of a male child. Who has heard such a thing? Who has seen such a thing? Shall the earth be made to give birth in one day? Will a nation be born at once? For as soon as Zion labored, she gave birth to her children.

Now listen! This is something that the Father told me last night. He gave me that Second Witness in Isaiah. That’s the Spirit speaking to you, Sister Sandra. Notice how quickly this manchild is going to come to maturity. It’s going to happen in ONE DAY! All of a sudden, it’s going to happen so quickly, that maturity, that he is almost going to be *born* a MANCHILD. The word man means maturity. He’s going to be born literally a child, but He’s going to be a man when He is born, because of His maturity level. Oh, HalleluYah! And HE will deliver Israel from her bondage!

Let's keep reading Revelation.

Who was to rule all nations with a rod of iron. And her Son was caught up onto Yahweh, and to His throne.

Did you hear that? Her child is going to be a *caught-up* child. Remember I've always taught you that there are three dimensions that everybody lives in: the sea, the earth, or the heavens. The sea is where wicked people live. The earth is where religious people live. But the heavens of the Revelation of the Spirit is where this child is going to live. He is going to get a throne mentality from his birth.

The moment the child is born, what comes into his head? The THRONE! What is he first introduced to? Training for reigning and schooling for ruling. It is in his psyche. It's in his mind to be a throne dweller. That's why he's going to get deliverance from his alcohol. That's why he's going to get deliverance from his drugs. Because he now has the understanding of the throne and ruling, in his life. The moment you know you've been born into Truth and you're going to be part of this One New Man, part of the hairy creature, you know because your mind leaves heaven, and it goes to the THRONE. That throne is ruling over the earth.

The moment you become throne-minded, and earth-minded with the throne, your destiny is to deliver Yahweh's Church! Your destiny is to deliver Mother Israel! When you know that's your destiny, that's when the dragon will show up to try to keep you off the throne. It is that throne that is going to replace his throne. HalleluYah! Let's read.

6 And the woman fled into the wilderness, where she has a place prepared by Yahweh, that they should feed her there a thousand two hundred and sixty days.

I'm not going to teach that right now. I have a long way to go. Go ahead.

7 And there was war in heaven; Micahyah and her malakim fought against the dragon; and the dragon fought with her angels,

Listen. What have I told you? Hold your position. The angels will fight for you! Don't focus on the dragon, FOCUS on the THRONE. That would really help somebody if you had heard it. When you become the manchild, your focus is on the SOVEREIGNTY of Yahweh and the PURPOSE of your birth, not the dragon. Notice, the manchild gets on the throne while the angels do the battle. Listen to me. Once you start battling your own battles, you'll come off the throne! Once you start responding to your enemies, you are off the throne; you're back in the battle.

8 But did not prevail, nor was their palace found any more in heaven.

Did you hear that word? That dragon prevailed not. He is going to fight you. The only way he will prevail is if you come off the throne to battle him. I need you to hear me now. The only way he will prevail is if you get that throne mentality out of your mind, and come back down to answer your accusers, come back down to get involved with the drama of the dragon. HalleluYah! I've got a new name for this dragon. We're going to call him the DISTRACTION Dragon. As long as you're ruling over your life, don't worry about what the dragon is doing; let the angels handle it. Sister Sandra.

You'll get burned by the fire coming out of his mouth.

You will! And what's coming out of his mouth is LIES!

9 And the great dragon was cast out, that old serpent, called the Devil, and Satan,

When does that happen? When does he get cast out? When you get on the throne in the Millennial Reign. When you get on the throne and are ruling the nations, the dragon is sent down to Hell for a thousand years.

who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

When does he get cast out? He can only get cast out when we get on the THRONE. When we, the manchild, get on the throne. Let me explain this manchild to you real quickly. Let's go over to the book of Romans chapter eight, verse twenty through twenty-two. I want to show you the manchild.

We are going to take a little break in about five minutes. I am going to come back to deal with the Torah, and which Laws are still applicable to our lives out of the 613. I'm going to deal with the Covenant today—the HAIR ON THE CHURCH. I'm going to teach you today how to answer those people that tell you that the Law was nailed to the Cross, that tell you that the Law was enmity against God, that tell you that you can't obey all 613 Laws. I'm going to deal with all that today. You are going to leave with a clear understanding. First let's read Romans 8:20-22.

Romans 8:20-22 For the creation was made subject to emptiness, not willingly, but by the will of Him Who subjected it in hope;

21 Because creation itself will also be delivered from the bondage of corruption

CREATION is going to be delivered from the bondage of corruption! When is this deliverance going to happen? I'll tell you when it didn't happen. Are you ready, all you Christians out there? Are you ready for me to shock your world? Are you ready for me to unChristianize you? Her deliverance did not come at Mount Calvary. Her deliverance didn't come at the Cross. No. Creation's deliverance didn't come when Jesus, Yahshua died. I'm making some Christians nervous now. Creation didn't come then.

When does Creation get delivered from bondage? Is it when they get saved and come to the altar? No! Read when it happens.

into this glorious liberty by the children of Yahweh.

Who is going to set Creation free; Yahshua or you? WE ARE! My, my, my. How can you set her free when you're bound? The Creation is waiting for what? Not a child, but a MANCHILD. Not a child, but a MATURE child! A man and a child! What does that mean? Isaiah said it's going to be like it was born in one day. It is a child in time; this ministry is very young. It looks like a baby in time, but the MESSAGE turns it into a Man while it's still a Child! It's not waiting for Yahshua to die on the Cross. If that's all it took, why is Creation not free? Because there is a manchild being birthed into full maturity.

22 For we know that the whole creation has been groaning, as in the labor of childbirth, right up to the present time.

23 And not only *they*, but we ourselves,

Listen to what he said right there. He just brought you back to Revelation twelve. He said, "Oh no, no; it's not just the world that is groaning, it is WE THE CHURCH that is groaning. Natural Israel is groaning, not just the world. That's why I tell you that Revelation twelve is Natural Israel, that woman. She is groaning to be delivered, but it's her who has to give birth to her own deliverer! That is so powerful to me!

who have the firstfruits of the Spirit,

I want you to hear me now. I just saw something I've never seen. The natural Church, the church you came out of, is not bad people. They are wonderful people. As a matter of fact, many of them have the firstfruits of the Spirit. They have a deposit. They received a Seed, but this manchild has to have more than the firstfruits of the Spirit. He's got to have the FULL MEASURE of it. Do you hear me? He said, "Those who have the firstfruits of the Spirit in the Church are groaning for a manchild that will come forth

with more than the firstfruits of the Spirit. This Man has the FULL MATURITY of the Spirit! That's what we're waiting for.

That's why when people tell me, "Brother Vaughn, you ought to keep it simple. People can't come to your church; it's too deep," I respond, "Then stay where you are! I cannot, I will not give you only the firstfruits of the Spirit. I must bring you to the FULLNESS of the understanding of Yahweh!" People tell me all the time to just preach the Cross. Let me tell you something. That's what is wrong with the Church! All they preach is the Cross on the hill, rather than the Cross on your shoulder!!

groan inwardly as we wait *eagerly* for the adoption; the redemption of our body.

When do we all get adopted as sons of Yahweh? At the REDEMPTION of our BODIES! When does that happen? The FIRST RESURRECTION when we shall be changed. We shall be changed from this mortal, to immortality in the twinkling of an eye! That's when you get adopted. And guess who is the only one coming up in the First Resurrection? The ManChild! The rest of those Christians who only had the fruits of the Spirit don't come up until the Second Resurrection. Watch my teaching on fhtv.tv called *The Two Resurrections*.

Now real quickly before we take our break, I'm going to take you to the book of Ephesians, and I want to show you what is happening right now as we speak. I am going to show you the ManChild.

Ephesians 4:9-15 Now what can this *phrase*—He ascended—mean, except that He also first descended into the lower parts of the earth?

10 He Who descended is the One Who ascended far above all heavens, that He might fill; *fulfill*, all things.

Who are we talking about here? We're talking about the Seed Son. I wish you would start referring to Yahshua as the Seed Son. It would do something in your mind. Here we're talking about the Seed Son, and He's going up to His Father. Remember in Revelation chapter twelve, that Son goes to His Father, as well. It's the same thing over, and over, and over.

He is going up to the Father, and on His way up, He says, "Wait a minute. It's not about Me; I'm the Seed Son. It's about the other sons, but if they are going to become like Me, I've got to give them some gifts." Right before He ascends to the Father, the last will and testament, the last thing He does is what? Read.

11 And He gave some *to be* apostles, some prophets, some preachers of the message of the Kingdom of Yahweh, and some pastors and teachers;

Now, He wanted to fulfill all things. What does that mean? He wanted to fill you up to maturity, so guess what He did? He gave you what the Christian Church has convinced you that you don't need. *We don't follow a man.* What a shame that Yahshua gave you those gifts. *It's me and Jesus; we've got our own thing going.* No you don't. Because if you reject the gifts He sent you—yes, in men—when you reject the gifts, you've rejected the giver. Oh, yes. He said, "It's about the gifts." He gave you some gifts so you could become like Him.

Do you know why the Father gave you these gifts? Sister Erin, Brother Thomas Shefflette, Sister Suzie Alvarez, and Shane Vaughn; I'm talking to all of us right now. Do you know that according to the Bible, every one of us is right in our own eyes? Do you know that you are right in your own eyes? The Bible says that. Every man is right in his own eyes. Someone has to come along and say, "You need to straighten up. You're not right; you're wrong." Someone has to tell you, "I know that's what you feel about it. I know that's what you think, but the Word of Yahweh says..."

I just went through that with my church. People were telling me that I needed to love troublemakers. I said, “That sounds great in your eyes, and in my eyes, and seems like the way to go, but the Word of Yahweh says to have nothing to do with them.” Do you know why you need a pastor? You need to hear what you can’t tell yourself—the Truth. You need somebody to talk on the phone with you and let you talk away, and when you’re done, thinking you’ve convinced the pastor, convinced the bishop, convinced the apostle, they say, “That sounds good, but thus saith the Word of Yahweh.”

At the end of the day, my opinion, your opinion does not matter. Open the Book. What does it mean? That’s why He gave you pastors, prophets, and apostles. The Bible said that they watch for your soul. Answer this question: Why can’t I watch for my own soul? Because you’re always right in your eyes. *Brother Vaughn, why can’t I watch for my own soul?* Because you are always right. You need somebody to make you wrong.

Many of you who came here, thought you were right about who Jesus was. You need somebody to make you wrong. These are those who watch for your soul because the Bible says that the heart of a man is desperately wicked. It’s deceitful. You’ll be a troublemaker, and you’ll think you’re doing Yahweh a service, according to the Bible. Let’s read and find out why he gave us pastors, prophets, and preachers.

12 For the perfecting of the saints,

Is it for the winning of the lost? No. Do you know why more than half of the churches are spiritually stunted? Because these pastors, evangelists, teachers, prophets are trying to win the lost. They’re so busy trying to get more people to come into the church so they can win them to Christ, that they are literally letting the church die. I couldn't care less how many are in my church. In fact, the less I have, the more I like it, to be honest with you. Do you know why? Because I know my job. It is to PERFECT the saints, to make a man out of the child. To turn the child into a ManChild.

If you don't go to a church where the praise and worship lasts for an hour, and the preacher is worried about the time when he gets up to preach, get out! It's Babylon. If you're going to a church that isn't setting up tables for you to study the Word, and people are bringing notebooks, then get out. They're trying to win the lost, rather than to perfect the manchild. *Who is supposed to win the lost, Brother Vaughn?* The saints are, not the leaders! Am I telling you that we're not going to win the lost? As a believer, I win the lost all day long. Anywhere I go, bring them to me, Father! But when it comes to the church house; the local assembly, that's different.

Can I ask all of you a question? What if I were preaching a sinner's message and gave a sinner's altar call? How dumb would that be? Why? Sinners don't come to live Zoom Bible Study. Sinners don't go to church. They go to the barroom. It's saints who go to church. So therefore, perfect the saints! We don't do altar calls at my church because I don't have sinners in the church. Hold on now, sometimes Mama may drag her boy in there kicking and screaming. He doesn't want to be there. The role of the ministry is to perfect the saints!

for the work of the ministry, for the building of The House of Yahweh, which is the body of Messiah.

We perfect the saints so that the saints can do the work of the ministry. My job today is to perfect you, so that you can go and be ministers. I am licensing you all—go minister! Do the work of the ministry. My job is to perfect you for that, and for the edifying of the body. How long does this last? Read.

13 Until we all come to the same unity of the faith, and of the same knowledge the Son of Yahweh has, unto a perfect man, unto the measure of the stature of the fullness; perfection, of Messiah.

What does it say? Unto a Perfect Man. There's your ManChild. The church you go to says you can't be perfect. Do you remember being told that? If they think you can't be perfect, then somebody needs to tell Paul that he's

lost his mind. He said, “My job is to bring you into perfection, because a manchild has to be born and brought into perfection; not just a man, but a mature manchild.

14 No longer are we to be children tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, by which they lie in wait to deceive.

15 Instead, speaking the truth in love, we may grow up in all things unto Him Who is our Head—Messiah—

I’m going to take a little break now while Sister Heather ministers to you in song. The best part of this lesson is still to come. I’m getting ready to take apart the Torah for you; all 613 Laws. I’m going to tell you which ones apply to you. I’m going to help you get ready to answer your people who come against you. Before I do, I’ve got several hands up. Sister Elizabeth, go right ahead.

You mentioned staying away from people who are troublemakers. You don’t want them in your church. I’m asking about those people who call me deceived, and say that I am wrong, should I stay away from them too?

If they tell you that you are deceived, that is the voice of the dragon, so I would definitely stay away from a dragon as best you can. If you’re on my Facebook telling me that I’m deceived, you have two choices: either prove it to me, or get blocked. They never prove it. They always run and hide. Sister Sandra Broliar.

I pray that nobody misses the importance of this message. Our Lord is on the throne and He is the Head of our body. We cannot return to this earth until His body is perfected! We are that body. HalleluYah!

HalleluYah! I felt the Witness of the Spirit on that. Sister Sandra, He’s calling us up to the throne! That’s what He does to the manchild. He

doesn't call you back to dead religion, but up to the throne. HalleluYah!
That is so true. Brother Gino, go right ahead.

When you were just talking about going out into the world, a verse came to mind: Mark 16:15 and the Church uses it and says to go into the world and preach the gospel to every creature. It's interesting that that is what the churches use to tell us to evangelize to everyone about Yahshua.

He was talking to his apostles, but notice what Yahshua said: *Teach them to obey.* That is where the church misses the mark. **TEACH THEM TO OBEY** is the part of the Great Commission that nobody talks about. That's the part that we're fulfilling. We are teaching the whole world to obey the Commandments. You do that, but in the church house, that is a training center for you to go out and obey that command to reach men, to be the light on the hill that they come to.

Remember, the light doesn't go to the ship; the ship COMES to the LIGHT. We are a lighthouse. The Holy Spirit will find them, and send them to you. Make sure you're doing the FULL Great Commission. Make sure you're not just telling them about Yahshua. Read that full Great Commission for me.

Mattithyah 28:19-20 Go you therefore, and teach all nations, baptizing them into the Name of the Father, by the authority of the Son, and through; under the direction of, the Holy Spirit;

20 Teaching them to observe all things that I have commanded you. And lo, I am with you always, to the end of the age.

One of the commands was baptism. That's why He said that only he that believeth and is baptized is saved. Now go tell that to a Christian. He didn't tell them to just preach the gospel. He told them to be baptized and how, and to obey all His Commandments. Amen. Go ahead, Sister Vicky, and then we'll take a five-minute break.

I had to laugh because of what you said. It's terrible, but yours is the only church I haven't been labeled a troublemaker. I've been a troublemaker in every church I've been in for twenty-five years.

HalleluYah! You know why, don't you? Because in the Christian Church, questions equate to trouble. You're welcome here with your troublemaking self. We love you very much.

Now we're back from our break and will be starting with the Torah—the Law.

Romans 2:13 For not the hearers of the Law are the righteous in the sight of Yahweh, but the doers of the Law are the righteous.

Show that to your Christian friends that say Paul was against the Torah. He just wrote that only those who obey the Torah are considered perfect or righteous. Did you know your Bible said that? Perfecting Holiness.

Acts 24:14 But I confess this to you, that after the way which they call heresy—so I worship the Father of my fathers, believing all things which are written in the Law and the Prophets.

Paul said, “Don't you dare believe that I don't live by the Torah.” Sixty years after Yahshua died, he is living by the Torah. What does this have to do with Cancer and the Mazzaroth? Because the ManChild is going to grow hair on his head. What is that hair? TORAH. If you're going to walk in Torah, I have to convince you today of the voracity of the Torah, and how it applies to your life. To settle that, I've got to teach you that Paul obeyed Torah.

Acts 28:17-18 And it came to pass, after three days, that Shaul called the chief of the Yahdaim together. And when they had come together, he said to them; Men, brothers, though I have committed nothing against the people, nor against the customs of our fathers, yet I was handed over to the Romans as a prisoner from Yerusalem.

18 Whom, when they had examined me, would have let *me* go, because there was no offense worthy of the death penalty.

He just said, “I never broke Torah; they found me innocent.” Yet, Shaul is accused of writing against the Torah, and he stood there and defended his own life; that he never broke Torah.

Acts 20:16 For Shaul had decided to sail past Ephesus, so that he would not have to spend time in Asia; for he hurried, so it would be possible for him to celebrate the Day of Pentecost at Yerusalem.

What are you doing Saul? Why are you going out of your way to go to Shavuot? What is Shavuot a celebration of? The Torah! Why are you rushing to Shavuot to celebrate something that you’re writing against?

Acts 22:12-13 And one Chananyah, a devout man according to the Law, having a righteous reputation among all the Yahdaim who lived *there*,

13 Came and stood by me, and said to me: Brother Shaul, receive your sight! And at that same moment I looked up at him.

Listen very carefully. Here, Paul meets a man named Ananias, and what does he say about Ananias, sixty years after Christ supposedly replaced the Torah? Ananias had a good report. Why? Because he was a Torah keeper. Paul is saying, “I met a man who is of a good report. I give him a good report because he keeps the Torah.” I thought Paul was against the Torah. HalleluYah.

Now we’ve set the stage of who Paul was. Now let me begin correcting the Christian doctrines that are a false witness against Paul with their sound bite doctrines. Let’s start with sound bite number one: *Nailed the Law to the Cross*. Let’s get rid of the sound bite and do line upon line. That one

verse is a total contradiction to the rest of the Bible, and Yahweh's explicit commands, and Yahshua says in Matthew five that not one jot or one tittle of Torah will ever pass away until all be fulfilled. We know The Law and the Prophets have not all been fulfilled because The Law and the Prophets are all about The Last Great Day of the Feast. That has not been fulfilled.

We know that even Passover has not been fulfilled yet. Where is Passover written? In the Torah. Where is the Feast of Tabernacles written? In the Torah. Has it been fulfilled? No. Until it's all fulfilled and it's no longer a shadow, not one jot or tittle is going to pass away. However, your Christian pastor wants you to believe that Yahshua is two-faced, double-minded, and talks like a snake, and talks out of both sides of His mouth. He wants you to believe over here that nothing is going to pass away, but the very One Who said that, is going to bring it and nail it to the Cross. Let's go read the truth in Colossians chapter two. This is one of Christianity's favorite verses. Let's go see what the Bible said.

Colossians 2:14 Having wiped out that *death penalty* which was written against us, in the Law which we had been opposed to, and has taken it; *the death penalty*, out of the way, nailing it to His stake.

KJV Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross;

*See, Brother Vaughn, there you go. See? He nailed the law to the cross. Sound bite theology. He did nail something to the Cross, but you lied. You said He nailed the Torah, the Law, to the Cross. That isn't what it says. It says He nailed *the certificate of debt which consisted of the decrees against us*. Write that in your notes. What He nailed to the Cross was a certificate of DEBT. That debt can be found in the decrees of the Torah. Christianity lumps all the terms together, and puts them under the word Law. They lump it all into one group. You can't do that. The Bible calls this the Spirit of Error. Write these three things in your notes:*

There are three definitions of the Law. There are three things contained within the Law. If you go to court tomorrow, it's the same way with our laws. There are three parts to a law. Number one is the COMMANDMENT: *Thou shalt not go over fifty-five miles per hour*. That's Commandments; the Ten Commandments. That's part of what they call the Law.

Next is the ORDINANCES. The ordinances are the technicalities of the Law. Maybe the law says, *Do not drive recklessly*. What is reckless? We need Ordinances for that. But do you know, if you had not driven recklessly, we wouldn't need ordinances to explain what recklessly means? Let's make *Drive carefully* one of the Commandments, like *Do not steal*. But because you won't drive carefully, we have to add Ordinances. We have to break it down. I'd like to tell you what the Torah is. In Galatians 3:19 it will tell you what these Ordinances are. It says Ordinances were added because of transgression.

Write that in your notes: *The Torah was added to the Law because of transgression*. In other words, if those people in that day were becoming what you are becoming in this day, they would never have needed anything to be added to the Law, because they would have known the Spirit of the Law, and obeyed the Law out of love for Yahweh. There would never have been a need for 613 Ordinances. This is so important. My Hebrew Roots friends are so focused on the Ordinances. Do you know why that is? Without the REAL Baptism of the Holy Spirit, you have to focus on the Ordinances, because you don't have what it takes to keep the Law.

There are a group of people today that don't have to focus on the Ordinances. Do you know why? Because we're focused on the LAW. If the people had obeyed the Ten Commandments, the Torah would not have to be added. The Torah was added because they transgressed the Ten Commandments. Anytime you fall in love with the Law of Yahweh and are filled with the Holy Ghost, you won't have to focus on the rules, and the regulations, and the ordinances. When your eyes are on the Law and you meditate on it day and night, the Ordinances become less and less

important because you are so focused on loving Yahweh with all your heart, that the Ordinances are not where your focus is. That was the second part.

The third part is DECREES. What are Decrees? If you break an Ordinance, this is the price you must pay. That's the Decrees of the Law. People can't debate us about the Law because they're not quite ready to admit that the Ten Commandments are nailed to the Cross. They just like to say that the Law was nailed to the Cross. They can't quite get there because they don't know how to separate the Law: The Ten Commandments, the Ordinances, and the Decrees of Death; the Judgments.

Anytime you broke the Ordinances, there was a Certificate of Debt given to you of what you owed. Maybe you owed two turtle doves. Whatever Ordinances you broke—if you went 65 in a 55—there is a Decree for that amount of lawbreaking. We'll pay the \$300 fine. That fine is the Decree of the Law. For those that use that scripture to say the Law was nailed to the Cross, that's not what it says.

It says the Certificate of Debt which had the Decrees against us, was nailed to the Cross. In other words, you broke the Ten Commandments; you broke Torah, so you owe a DEBT. You have literally become the ENEMY of Yahweh because of your sin. You've got to die. That's the Decree of Death. Yahshua took that Decree upon Himself, and went to the Cross, and nailed the *Decrees of the Law* that were against us, to the Cross. Get it right. Don't let them lie to you. Put sound bite theology back where it belongs.

I want to go to the next sound bite theology. Sound bite number two is: *Is the Law enmity against Yahweh?* English translations are corrupted. Every one of them. They are complicit in the lies called the Pauline Doctrine. There is no such thing as Pauline Doctrine. There is Torah that Paul explained, and brought it back to the INTENT of the Law. That's it. This is all Torah. The translators added words to Scripture in order to do away with the Law of Yahweh.

You grew up in Christianity which is AntiChrist. If it's AntiWord, it's AntiChrist. Let's go to Jeremiah 8:8. Those in the Christian Church are filled with the Spirit of Error because they define the Scriptures as *The Law was abolished*. Let's see what Yahweh says about such a statement.

Yeremyah 8:8-9 How can you say; We are the wise, and the Law of Yahweh is with us? Behold, the lying pen of the scribes has falsified them, and written them wrong!

9 The wise are ashamed; they are dismayed and taken. Behold, they have rejected the word of Yahweh; *the Law and the Prophets—so what wisdom is in them?*

Brother Vaughn, how dare you question the intelligence of those translators? How dare you question their wisdom and their knowledge. They went to Yale University.

If you add or take away one word, it's the *lying pen of the scribes*. The Bible says, in fact, they have rejected the Word of Yahweh by changing it. The translators had no spiritual wisdom, but there was a spirit that was driving them to literally insert their lies into your English Bible, twisting the meaning of the other words. That's called Hellenism. Hellenism is twisting the words into modern thinking. Let's go look at Ephesians chapter two. I'm going to show you where they inserted their lies.

Ephesians 2:14-15 For He is our peace, Who has made both one, and has broken down the dividing wall *separating us*.

15 Abolishing the enmity, *the hatred and the opposition*, to the Law, the Commandments, and the Ordinances, through His own flesh, in order to create in Himself one new man *from the two*; making peace,

KJV Having abolished in his flesh the enmity, even the law of commandments contained in ordinances for to make in himself of twain one new man, so making peace.

Listen to what these liars added to the Word of Yahweh. Jesus is our Peace according to verse fourteen, because He tore down this wall that was separating us from Yahweh. You're not going to believe what that wall was. The Christian Church says that Yahshua tore down that evil wall that was keeping you away from God. In the next verse; what was that wall? What would you do with verse fifteen if someone brought it to you?

The wall that was separating you from Yahweh, was OBEYING Yahweh! If you bring me that verse in a debate, and you don't allow me twenty minutes to explain it, you win the debate because there *was* a middle wall separating us from Yahweh. I read a verse one time that said that sin was what separated us from Yahweh. Here it *seems* that Paul is saying that it wasn't sin separating you from Yahweh, but that old mean Law that separated you from Him.

Isn't that something? God creates a Law, and then uses the Law He creates to separate you from Him. That is what your church teaches. So what do we do with this verse? We see what words were added, and we find out the definitions of words. We study to show ourselves approved. In that verse, there are two words that are added; that were not in the original.

The added words are *even* and *contained*, in verse fifteen: *Having abolished in his flesh the enmity, **even** the law of commandments **contained**...* If you take the word *even* and the word *contained* out of this, we can start to find out the meaning. Take them out; throw them away. They shouldn't be there. In the King James Version, those words should be italicized. That means they weren't in the original, meaning they were not inspired by the Holy Spirit. They were added by Greek translators on purpose to twist the text and abolish law and order!

Now that we've taken those two words out, now we need to research the word *enmity*. It comes from the Greek word 2189 in your Strongs. It's the word *echthra*, which is a derivative of 2890 which is *echthros*. What is the definition of *echthra*? It's simple: *enmity, hostility, or alienation*. What is the meaning of the word it comes from: *echthros*? *An enemy; someone who is openly hostile, animated by deep-seated hatred and rebellion*.

It implies irreconcilable hostility. Write that down! Everyone of you were born with irreconcilable hostility towards Yahweh's Law. That's why the Bible says, *While you were yet His enemy*. You were born with an irreconcilable hostility towards Torah; anything that tried you how to live your life outside of your own desires.

Let's go to the Thayer's Greek Lexicon for the meaning of this word *enmity*, and it means *equivalent to the **cause** of enmity*. The Greek word *echthros* really doesn't mean *enmity*. It means ***what causes the enmity***. We read above in Ephesians 2:15 that this word should be used for *the cause of the enmity* toward God. The word is derived from the Hebrew word *ayib*, and that word means *to be hostile toward*.

So the word *enmity* in Ephesians 2:15 should have been written like this: *removed the **cause** of enmity*; your irreconcilable hostility towards Yahweh. When you take out the added words, and you understand what the word *enmity* means, I'll show you what we get. Now let's read Ephesians 2:14-15 with the corrected, anointed teaching of His Word. Are you ready? I will read it.

For Yahshua is our Peace, Who hath made both Jews and Gentiles one. And He has broken down our hatred toward the Law of Yahweh because we feared the death decrees in that Law. He has torn down that middle wall of petition. We hated the Law because we hated those death decrees written in that Law. So Yahshua abolished in His flesh, that which was called the enmity towards the Law and the Ordinances.

What causes you to hate Torah? Because it says if you don't, Yahweh will do this. We hated it! It was our enemy! When you go to court, you hate the court because you don't want to obey the law. Now you hate the judge. I need you to hear me. Yahshua didn't say the Law was separating you from Yahweh. Your *hostility* toward the Law was separating you. Why were you hostile? Because of the decrees against you in the Law! How dare you say that the Law was enmity against the Law Giver! How dumb!

The Father gave you a Law and said, "If you keep this Law, I'll be your God and you'll be My people." But now Paul is going to say it was that Law that made us enemies with Yahweh? No, it was our hostility towards that Law that made us the enemies of Yahweh. But Yahshua came and tore down that partition. How did He do it? He took the Death Decrees on Himself and said, "Now you can obey the Father's Law, not being afraid of the death decrees, but out of LOVE for Yahweh. The Greatest Commandment is to LOVE YAHWEH. Obey these Commandments out of LOVE instead of Fear!!

At one time, you obeyed the Law because of fear of death, but the Father sent Yahshua to take that fear away from you. He said, "If you mess up now, if you break the Commandments, you now have an advocate with the Father! Be at PEACE! It's no longer against you! Yahshua is our Peace, because when you sin and miss that mark in your life, the death decree against you has been nailed to the Cross! Now you can repent. Now we can confess that we broke the Law. The Bible says, *If we are faithful to confess our sin, our transgression against the Law, now we don't fear; we confess that we broke it.* HalleluYah! He is faithful to forgive it because of Yahshua Who sits on the Mercy Seat for you.

HOW WE THANK YAHWEH FOR HIS SON!!!

He took away the enmity! I'm so thankful! Now I don't have to study those Ordinances to try to OBEY Yahweh. He wrote it in my heart now, and I want to obey them because I love Him so much, and want to please Him! I want to serve Him, and I now have the intent in my heart! I'm at peace with

the LAW! Glory! Glory! Is anybody at peace with the Law today; with the Torah? The decrees were the middle wall, and now you can be at peace because they've been torn down! The middle wall was those Decrees. You can come back to the Law without fear. You can come back and say, "Father, I'm going to keep Your Law because now I know if I break one, forgiveness is as close as the mention of His Name.

If I confess my fault, that I broke Torah, You are faithful to forgive me because of Yahshua! The Law and I are no longer at war! Thank you, Father! Now I am going to prove it even further. I'm going to show you what the enmity was. How we need these anointed teachings in this hour!

Hebrews 2:15 And deliver those who, through fear of death, were all their lifetime subject to bondage.

Fear of what? The Death Decrees! That's why they were in bondage! When they got a Savior Who would mediate for them 24/7 at the Father's throne, when they got a TRUE Atoning Blood that would mediate for their shortcomings, they could fall back in love with the Law. The Law is calling you BACK and saying, "STRIVE for PERFECTING HOLINESS, and if you mess up, be at PEACE."

Here's the problem with this message. Some with carnal minds will hear this message and go on about their way, forgetting the Law, forgetting the Ordinances. But you know what? They have no forgiveness for sin! The Bible said that if you CONTINUE to sin after coming to the knowledge of the truth, there remains no more sacrifice for your sin, because SIN is a MINDSET, NOT A MISTAKE! The Bible said if you make a mistake, if you break Torah, confess it immediately. It is those that don't confess it quickly who have lived in sin.

Now I'm going to show you the enmity that Yahshua nailed to the Cross.

Romans 8:6-7 For to be carnally minded is death; but to be spiritually minded is life and peace.

7 Because the carnal mind is enmity against; bitterly opposed to, Yahweh; for it is not subject to the Law of Yahweh, nor indeed can be.

What did Yahshua nail to the Cross? The Enmity. He took your carnal mind that was in rebellion and not subject to the Law, and nailed it to the Cross, and returned the Day of Pentecost, and then wrote that Law in your heart so that your carnal mind could be replaced with a NEW mind now subject to the Law; removing the enmity, or the cause of enmity.

I want to close with one final thought: Which one of those Ordinances in the Torah still apply to us? There are 613 ordinances that should not have even had to be written. Let me give you an example: *Thou shalt not commit adultery*. If you have a spiritual mind when you read *Thou shalt not commit adultery*, it covers EVERYTHING. You pick it up in the Spirit, what Yahweh is saying behind that. He's basically saying, "Be Faithful." If you haven't watched my six-part series on fhtv.tv called *The Layers of the Law*, you must do it. Learn to do what Paul did. He did not bring us back to the Schoolmaster. The Schoolmaster IS these 613 ordinances. Paul did not bring us back to them.

Paul brought us back to the SPIRIT BEHIND THEM, that produced them. He brought us back to the INTENT behind the LAW, and that intent is summed up in the Ten Commandments. And those Ten Commandments are summed up in the Two Commandments. That's why Paul said, "You don't have to even focus on those 613, if you will focus on the spirit behind them." Let me break it down for you. Carnal minded people had enmity against the Law: *Do not commit adultery*. They couldn't submit to the Law so what did they do?

I'm not married, and you're not married, so that's really not adultery. Or, You're married, but I'm not, so that wouldn't be adultery on my part. Or, You're my stepmother; my father has died, so let's you and I go have fun. Or, Let's let the goat out, and have fun with the goat.

That's carnal minds getting around the Law of Yahweh because they have a hostility towards it. So what did Moses have to do? He had to take out the old laws, and write the new Ordinances on parchment. They were added because of transgression against the original Ten Commandments. Because men didn't know the spirit behind *Don't commit adultery*, we had to break it down even further. Go to the book of Deuteronomy and you'll find a whole chapter on who you can't sleep with. They were saying if two men slept together, that was not adultery, so here comes Moses and he wrote 613 Ordinances to explain Ten, and Ten to explain Two!

But there is a group of people. The manchild that has been birthed is so in love with the Law, that they don't even have to focus on the 613. They focus on TWO: *Love the Lord your God with all your heart; Love your brother.* If you've got that in your SPIRIT, you automatically have ALL of the Torah!! You who want to wear your prayer shawl over your shoulders to identify you as an Israelite, when we can't even get you in the prayer room; you have the spirit of Phariseeism. But when you get the Holy Ghost, Holiness becomes your nature.

Now let me explain Torah real quickly. First of all, to understand which of these 613 Laws apply to us, let me kill something that your Christian friends love to tell you. It's sound bite number four. *If you break one of them, you break them all.* They love that one. They are saying, "There's no need trying, just go and live how you want, because if you break one of them, you've broken them all so don't try to keep even try to keep one." That is a lie! There is One New Command: to be in Covenant with Messiah. If we deny the Messiah, we will be judged by the Torah as the standard for Yahweh's judgment.

But for those who have accepted Messiah, we'll be judged by the standard of Messiah, because He is the Torah in Flesh. I want to help you understand what *Under the Law* means. Every Law has a jurisdiction. Not all 613 Laws in the Torah have jurisdiction over you. How many of you know that the laws of the state of Texas have no jurisdiction over me? I'm not under that

jurisdiction. I'm under the laws of Mississippi. So I want to kill something real quick. According to I John, there is One New Command.

I Yahchanan 2:7-10 Brothers, I write no new Laws to you, but the old Laws which you had from the beginning: The old Laws are the Law which you had from the beginning.

8 On the other hand, the Laws I write are new to you, which are true to Him and true to you, because the darkness is passing away from you, and the true light now shines to you.

This is powerful. He says, "I am not writing you a new command," and then the next verse he says, "I am writing you a new command." You need a teacher to understand this. What he said was, "I'm not writing a new command, but I'm helping you to understand it in a New WAY; the Truth of it; the Spirit of it is in you, and it is in Him: the Holy Ghost. The darkness is passing, and a new light is already shining."

9 He who says he is in the light, yet hates his neighbor, is in darkness until now.

He said, "Anyone who claims to be in the light but hates a brother or sister is still in the darkness."

10 He who loves his neighbor abides in the light, and there is no occasion for stumbling in him.

He says, "But anyone who loves his brother or sister, lives in the TORAH—remember the Torah is light—and there is nothing in them to make them stumble."

THE WHOLE SPIRIT OF TORAH IS LOVING YAHWEH AND LOVING PEOPLE!

These 613 commandments do not apply to everybody. Let me give you an example. Paul is stressing to these new Gentiles that the Laws that apply to the Temple and the Temple Priests do not apply to them. There is no more physical temple, or physical priests. However, there is a Third Temple, and there is a Zadokite Priesthood.

Now we go back to the Torah, knowing that those Laws don't apply to us, but we want to meditate on those Laws and see how they apply to the day that we live in. We want to find the spirit behind the Law. If I give you a law that says, *Don't drive a Model T car on the left side of the road*, guess what? That law doesn't apply to you, does it? It's a trick question. Help me out, someone.

I don't want to drive in any way that would harm this car, or any other oncoming car.

There we go: The Spirit of the Law! The technicality may have changed, but the spirit behind the law is still in effect today.

The Christian Church will say you can't kill a Passover lamb as proof that you can't keep the Law today. But they're wrong. I can kill the Passover lamb. I kill myself every time I come to Passover. I bring myself as a lamb, and give myself to the Father. Not literally, but spiritually we can keep the Law. You must keep them. Do you know why? They are written in your heart. If you have the Holy Spirit, you're going to find a way to keep them in the day you live in.

People tell me all the time that we're not keeping the Holy Days correctly because we're not going to Jerusalem. In Torah, you had to keep it where Yahweh placed His Name. But here's the problem: His Name is not there anymore. He put it in His Third Temple, and the Third Temple is where *two or three have gathered together in My Name. There is My Name in the midst of them*. So we are keeping Torah. Yahshua said, "The day will come when you will no longer worship Me in Jerusalem." I'm still keeping the technicality of Torah. Yahshua said there would come a day when He would

break down that partition in the Temple, and the Third Temple would start to be built, and we would no longer worship in Jerusalem.

Let's talk about another group of Laws that don't apply to you anymore, but they do. What about the Laws about sacrifices and ceremonies? They no longer apply except we now offer Spiritual Sacrifices. So I could say, "We can't keep the Law," but I'm telling you, if the Law was written in your heart, you are going to keep it! You are going to bring the sacrifice of praise. You're going to live your life as a Living Sacrifice now. What about the Laws of the Nazarite in the Torah? It doesn't apply. How about the Laws of the Priests, how they had to wash and all of that? Technically, it doesn't apply.

What about the Laws of judging and how judges should act? Technically they don't apply, but spiritually they still do. What about the Law for kings and how kings are supposed to act? I read about kings coming up in the manchild. So, if we take all those Laws out of the 613, we just wiped out five hundred of them. We're down to about a hundred Laws left, and now we can wipe out many of them because sixty of them apply to women, and I'm not a woman.

So out of your 613 Laws, there's really about forty, and I was told by the Church that it's impossible to keep those forty Laws, yet in the United States we have more than 12,000 laws on our books, and we keep them all. I'm done. Thank you all so much for joining me today. May Yahweh bless you and keep you. I do pray you have received something today from this teaching.
