

**THE HEAVENLY SCROLL**  
**The Mazzaroth part 8–ARIES**  
By Pastor Shane Vaughn, First Harvest Ministries

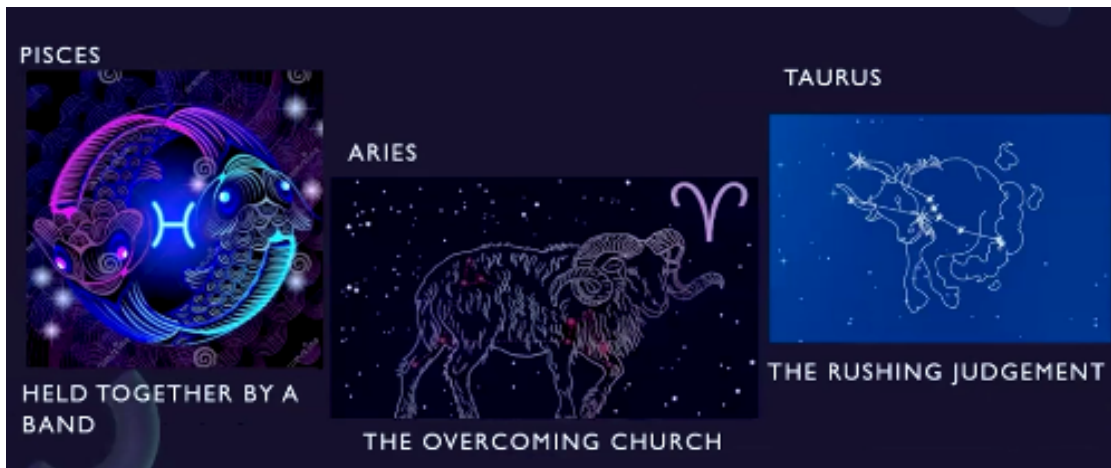

We started off with Virgo, Libra, Scorpio, Sagittarius, Capricorn. Capricorn was the birth of the Church, and that's where I pretty much want to pick up today.

This is where Yahshua died. There He is as that goat of the Feast of Atonement. He is that first goat that was crucified. Out of His death comes

the fish which is the symbol of the Church. After that is the outpouring of the Holy Spirit with Aquarius, and the seed, which is the vessel. Then we went over to Pisces which is the two houses of Israel joining together. We covered that for two solid weeks.

Today we're going to move forward and try to cover Aries. This is where it gets really good. The first quadrant of these houses is Virgo, Libra, and Scorpio. That first quadrant is all about a PROMISE. Those three are a promise to us. However, when we get to the second quadrant, we now move from the promises into the part that affects OUR daily lives.

The first three are just promises, but when we get over to Sagittarius, Capricorn, Pisces, and Aries, and Taurus, these have to do with our personal lives everyday. It's important that you remember that. The next quadrant after Taurus is *not* about our personal lives today, so we really need to understand these different quadrants of signs.

What we are entering into now is Aries, and I want you to look at that symbol. That's not a goat. That is a RAM. Keep that in mind. The symbol of Aries is a ram. Aries is a mature lamb. Aries started out as a gentle lamb. Aries is a picture of Pisces that has grown up. Pisces is the two houses of Israel that Yahweh is calling together in this

hour, but Aries is a picture of what Pisces is supposed to BECOME.

It's a little complicated, so I'm going to try and make it simple. When Yahweh wrote Aries in the Heavenly Scroll, He prophesied that His Church, His Bride would not just remain the Houses of Israel, but they would become One New Man. And the One New Man that you're looking at is Aries, because Aries turned into a new man.

He started out as a lamb. But notice those two horns on His head. That is the sign of maturity. And that is the two houses of Israel on his head. Every ram starts out a lamb, but they must turn into something else. The Church of Yahshua Messiah starts out as a lamb, but we must turn into a ram! I'm going to try to explain it in a way that you can understand.

You must have two natures. There must be a side of you that is gentle, and kind, and loving to your enemies and to everybody. But as you mature in Yahweh, you become a weapon against the darkness of this world! The LAMB turns into a RAM! There comes a day when your strength is not in your emotions. Your strength comes in your KNOWLEDGE, represented by the horns, growing out of the head. You are no longer emotional creatures. You are now creatures of STRENGTH because of TRUTH! Those horns growing out of your head is the truth that you learned from the knowledge of the Word of Yahweh!

So the lamb must turn into the ram. I want to show you a scripture that backs this up for us. Let's go over to II Peter chapter one, and we'll start at verse fourteen through verse number seventeen. I want to show Aries to all of you. I want to show every one of you that when you came to Christ you were a begotten lamb. However, the lamb is not the ram. According to the stars, the Church of Jesus Christ, Yahshua is going to become a ram because the ram is the CHIEF among the lambs. Please understand what I'm teaching you!

**II Kepha 1:14-17 Knowing that shortly I must put off my tabernacle; temporary body, just as our King, Yahshua Messiah has shown me.**

**15 Moreover, I will endeavor to see that after my decrease, you will always be able to remember these things.**

**16 For we have not followed cunningly devised fables, when we made known to you the power and coming of our King, Yahshua Messiah, but were eyewitnesses of His majesty.**

**17 For He received from Yahweh the Father honor and glory, when there came such a voice to Him from the Excellent Glory; This is My beloved Son, in Whom I am well pleased.**

The Ram is the CHIEF among the lambs. In the Coming Kingdom of Yahweh, there will be lambs that are 30-fold. They are not rams. They are not rulers. They are not chiefs. Why? Because they did not mature from lambs to rams. They did not move from emotions to devotion. They did not move from complacency to No Compromise.

Ladies and gentlemen, according to the prophecy in the stars, there is going to be a group of people that come out of the two Pisces—the two houses of Israel. There's going to be a RAM that comes out of those two houses, called the REMNANT RAM. He has the TWO HORNS of The House of Israel on his head, but he's a new man. He is not the two houses. He's a totally different creature who came out of those two houses. HalleluYah!

You've got to have spiritual ears to hear what I'm saying today. Yahweh wants you to become *more* than saved. I wrote a book that is no longer in print, but the title of it was *Saved; So What? Who cares about being saved?* That's easy. I want to be a ram. I want to be Aries. I want to be the mature son of Yahweh. I don't want to be a child of Yahweh. I want to be a SON of Yahweh. The lamb is the child of Yahweh; the ram is the son of Yahweh. According to the Heavenly Scroll, out of the two Houses of Israel are going

to come the two sons of Yahweh; fully matured, fully adopted, and fully ready to fight against the lies of the enemy with that truth weapon on their head!

They are no longer such lambs that they are living in their emotions. Everyone of you listening to me, if you're going to overcome anything, you better overcome your emotions! They are your biggest enemy, and they will stop you from entering into the Kingdom of Yahweh as a governor. Get your emotions under control. Get your depression under control. Nobody has time to be depressed! We're turning into rams! Nobody has time to pray over you every day because you are depressed. Grow up! GROW UP! I get tired of laying hands on the same one for the same stuff. Grow up!

*Somebody hurt my feelings!* That's a sign that you're not grown up. You can't hurt my feelings. I don't have any feelings. I cut my head off. Don't you understand? I'm a martyr for the Gospel. I don't have feelings anymore. You don't have the power to hurt my feelings. I don't give you that power. I don't get hurt feelings because it isn't my feelings anymore; they're His Feelings. Go ahead.

*Pastor, I want to mention the other side of this. We are also too worried about hurting their feelings.*

That is truth. That ram isn't worried about hurting your feelings. If truth hurts your feelings, you're not a ram; you're not mature. I know a lady on here with that ram spirit. Her name is Caly Sewell. She will tell you that if it's truth it's truth, and that's all there is to it. When truth offends people, then I'm the ultimate offender. As you mature in Christ, there are a few things that have to go. Discouragement has to go. The only way it goes is if you know how to read the Heavenly Scroll, if you are a Sabbath keeper, a feast keeper.

Other Christians cannot overcome their emotions because they think this life is about this life; therefore, what happens in this life affects them. Nothing in this life affects me. Let me try to say it again. If this life is what

your life is about, then this life will affect you. There is a quote! But if this life is just your training ground for the next life, then you take it all in stride. You thank the Father for the trial, you learn from it, you move forward, and you don't bring that baggage with you. You press forward with those ram horns. You put your head down and you say, "Yes, we just went through hell. Yes, we just went through the trial of our lives, but you know what? The key words are: WENT THROUGH IT."

Did you hear me? We went through it. We didn't stop at it. We didn't stay there. We put our heads down and let those horns grow out. This lamb turned into a ram. This gentle lamb turned into a warrior! We fought! We have the nature of the Lamb and the nature of the Lion! They are both joined together in the ram. HalleluYah! We must overcome those emotions. One of those emotions is anger. One of those emotions is up one day and down the next. Some of you show up at one Sabbath and then skip a few. That's not a ram! That's a lamb, because you got your feelings hurt.

Only lambs get their feelings hurt. But I'm not a lamb. I'm a ram, which is a lamb that's grown up. You can ask my wife; people talk about me like a dog, and I literally laugh at it because they don't understand what they're doing. I understand that if they knew the truth, they wouldn't say what they are saying. I understand if they understood what I understand, they wouldn't do what they did. So I forgive them because I already know that they don't know what they're doing.

You've got to overcome your emotions! According to the Heavenly Scroll, there's going to be a people that go from a lamb to a ram. Lambs have to always cry about something. Lambs are always crying, "They didn't speak to me and ya, ya, ya." We don't have time for that! Those days are over! We don't have time for any of that. It is TIME to grow those horns out. It is time for that truth to come out like horns.

Notice those horns are not pointed forward. Look at that symbol. The horn thing is not pointed forward because they are not for offense; they are for defense. They protect you from the lies of the enemy. They protect you from

what people say about you. They protect you from your family at Christmas time when they don't understand you. They protect you from the pain. Do you hear me? Without those horns, you'll feel the pain! Those horns grow every time you hear this message! Those horns are growing out to protect you from the enemy. Amen. Go ahead, Sister Strang.

*This whole thing reminds me of Twistianity. We're so used to being told to be that innocent little lamb that doesn't judge, and telling the truth in love. You can just see Satan at work.*

You're right. When those horns grow out in Truth we become Rams, and we are able to judge by the Word of Yahweh. That's just what the enemy doesn't want. Amen? Let's read II Peter chapter one, and start at verse three, and go through verse seven.

**II Kepha 1:3-7 As His holy power has granted to us all things that pertain to life and holiness, through the full knowledge of Him Who called us to glory and virtue;**

Let's pause right there. According to this, the Holy Spirit that lives within you, has given you everything you need to walk into godliness. I taught last night about training in righteousness. The Holy Spirit is giving you everything you need to walk in godliness. That comes from the knowledge of Yahshua. He has called us to glory and virtue. Do you know what those horns are on Aries head? They are His glory; His crown. Yahweh has called every lamb to get a set of horns, which is your crown. It is your glory and it comes from your virtue.

**4 Through which exceedingly great and precious promises have been given to us by Him, in order that through these you may be partakers of that holy nature, and escape the corruption of the world, which is through lust.**

Let's find out what the *Divine Nature* looks like. He said, "I've given you power to take of the divine nature." You don't have to do it. Yes, you have

the Holy Spirit, but that doesn't mean you have the divine nature. That means that you have the ability now, or the power to BECOME the sons of Yahweh, or the rams of Yahweh. The Holy Spirit doesn't make you a ram. The Holy Spirit gives you everything you need to become a ram. According to these verses, He gives you the divine power to become a ram, that you might become a partaker of the divine nature. What does that divine nature look like? Revelation 5:6.

**Revelation 5:6 And I looked, and behold, in the midst of the throne and the four living creatures, and in the midst of the elders, stood a Lamb as though it had been slain, having complete power and complete knowledge and understanding, which signify and represent the complete plan of Yahweh sent forth into all the earth.**

**KJV And I beheld, and lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth.**

Here is what the verse is saying: Yahshua started out as a Lamb, but when He fully laid down His life and fully gave up His will; that Lamb grew some horns and turned into a Ram. And you now have the power to partake of the heavenly nature, which is the nature of the Ram. Grow some horns!! HalleluYah!! Yahshua started out as a Lamb and wound up as a Ram. You're going to start out as a lamb and wind up as a ram. If you want to know how to become a ram, I'm getting ready to read it to you from the Word of Yahweh. Let's turn back to II Peter chapter one. Now we'll start at verse five. This is where the instructions are given to go from lamb to ram.

**5 And also for this very reason, giving all diligence, add to your faith virtue;**

Hold on. Let's take it one by one. *Brother Vaughn, I've got faith.* So what. It doesn't matter. That makes you a lamb. Faith makes you a lamb. If you

want to partake of that divine nature that I just showed you on the throne that had horns; if you want to take that nature right now—walking in truth, nothing being able to stop you, a church that’s persecuted, but yet persistent and it doesn’t matter now because you have horns—grow up, and you can! We don’t back up. We don’t get lost. We don’t back-slide. You know that the lost sheep weren’t rams because rams don’t get lost. Rams don’t get lost!

The only lambs that get lost are REBELLIOUS lambs. The rebellious lamb says, “Let me check out what’s over here. Let me look over there.” Rebellion will get you lost. The ram has learned that lesson to not drift off from the fold. He’s learned! That’s why you must never ever let the enemy convince you that you can do without the BODY of Messiah—the House of Israel—and believe that you can do it by yourself. That is not the Commandment of Yahweh. He said, “Gather together seven times a year with the FLOCK, with the Fold.”

Those of you who are becoming rams, listen to me. When you get your tax money next year, you need to immediately take your feast money and put it aside. You don’t need to buy new clothes. Take your feast money and put it to the side. We have to go to the feasts; it’s commanded—Passover, Pentecost and Tabernacles. We’ve got to be there. So take your thousand dollars and put it to the side. Why? You’re becoming a ram now. You’re not lost. You don’t have to spend the money on Christmas anymore so you should have plenty of money now.

Now let’s see the first thing we do when we become a ram. We ADD something to our Faith. That proves that faith isn’t enough. We now have to add VIRTUOUS LIVING. And then, after you add virtuous living, you have to add something else. What is it?

**and to virtue knowledge;**

Now, now now! I told you those horns that were growing on the head were coming from your KNOWLEDGE of the Word of Yahweh. That’s why some

lambs will never come to this class. They're not ready to add anything to their faith. They're not ready to add to their faith knowledge. When you try to give them knowledge they say, "I love Jesus." That's your faith. Now it's time to add something to that faith. We have to add knowledge of the Word of Yahweh, of the Heavenly Scroll.

We have to add that knowledge to you. We've got to teach you how to count to Seven. We've got to teach you the Sabbath Day. We've got to replace your traditions with that knowledge. We've got to replace what your mama taught you, and what your church taught you, with the Truth. We're not going to force it down your throat. We're going to tell you where to study for yourself. Amen. Now we add knowledge. But alot of people have knowledge but they're still not rams. Why? Because they forgot to add the next thing to their knowledge. What do you need to add next?

## **6 And to knowledge temperance;**

TEMPERANCE. See? Now you have all the knowledge in the world because you've been in Brother Vaughn's classes, but you don't have a lick of wisdom. You go out there with no temperance, and you get mad at everybody who won't listen to what you're trying to show them. Oh my. I'm talking to somebody right now. You have all this knowledge but you can't get along with anybody because you've got too much knowledge. There's a lot of that in the world: you see it my way or no way. I want you to hear me well. I will never tell you what to believe. I will tell you where to read because I've got temperance with my knowledge.

I have enough temperance to give you time to digest it. I've got enough temperance so if your calendar isn't right, I will celebrate with you on yours. I've got enough temperance so that if you don't have the Name right, I'll know Who you're talking about, and I'll worship right along with you. I've got enough temperance—LISTEN—to not turn my knowledge into my knives. A lot of you are adding knowledge, but you aren't adding temperance with people. You think people are going to get this message just because you got it.

You need to be temperate with them! You've got to live it and love it, and leave them alone. That's not easy to do, because they're making fun of you for your knowledge. You want to go back to them and say, "Here it is right there." You can't do that. The only way you can have temperance is to know that Yahweh has blinded them because it isn't their time yet. I want you to think back five years ago and how you would have acted if someone had told you that you were a pagan for celebrating Christmas. You thought back then that you were as close to God as anybody.

Ten years ago you thought you knew the truth, the whole truth, and nothing but the truth so help you God. Now, somebody talks to you about Easter and you say, "Get behind me Satan; that's the Resurrection!" Amen? So you don't need to be getting upset when they call you Satan too. Don't be upset; don't get mad. You just are coming full circle with what you did. I'm trying to turn you into a ram from a lamb. A lamb will get their feelings hurt if they aren't listening to your knowledge. I really need you to pick up what I'm putting down now. You'll really get hurt at them if they think your knowledge is wrong.

I don't talk to many people about my knowledge. When I go to my family events we never talk about religion. I know better. I know I'm throwing my pearls before a bunch of pigs. I love those pigs; they're my family. I would die for every one of them. But I know where to speak my language and where to shut up. That's called temperance. Some of you need to learn when to shut up about your faith. Any time it is in front of pigs, you don't share it.

*What if it's your wife?*

Well, that's totally different because a wife is supposed to be obedient to her husband, and a husband is supposed to love his wife. That's a different situation. You've got to live together, so if you've got a rebellious wife, get rid of her. Listen to me now. If you've gone to her in love and explained it, you are the head of the home. I wouldn't live with a rebellious woman for one minute. I hope you heard me. My Bible gives me the right to put away a

rebellious woman. And if I was a wife with a husband who demanded that I disobey the Law of Yahweh, he wouldn't be my husband. Now listen to me: If you choose to stay, then keep your mouth shut, if that is what you choose to do. But for me and my whole house, we're going to serve Yahweh. I'm the priest of the home, and I'm going to tell you how we're going to serve Him.

I thank Yahweh that I have a good wife. Husbands, if you've got a good wife, you need to thank Yahweh that you've got a wife who will serve Yahweh with you. If you don't, pray for them, go to them in love, share from your heart why this is the way it's going to be in your home, and then if they choose to rebel against it and you choose to stay with them and be their cuckold, then you go right ahead. Amen. Sister Elizabeth Brody.

*Someone from my old church came and spoke to me today. She believes I'm deceived and in a cult but couldn't explain how I was being deceived. She said I shouldn't be in the Life Group anymore but it was okay because I was trying to think of a way to tell them that I felt I didn't belong in that group because my beliefs were so different now.*

It looks like the Lord pushed you out of there on His own. HalleluYah. I asked you how she said you were deceived to prove something to you all. They can never tell you how I am deceiving anybody. The Bible says if your brother is being deceived, you have an obligation to bring him back from that error. So if you're going to come into my house and say I'm deceived I listen to that, but I need you to show me where I'm being deceived. I'm ready to listen. If somebody comes to you and tells you that Pastor Vaughn is deceiving you, you have an obligation to listen to them, and ask them to show you how you are being deceived. If they can't, that's on them. I'm proud of you for sharing the truth and not being intimidated by Babylon. Sister Holly Edmonds.

*I was just talking with Miriam this morning about how it gets lonely when you are with sisters who don't believe as we do, but we don't cut fellowship with them. It does become frustrating for me because it's hard to share things because I know they won't receive it. I know that we can't draw*

*them or coerce them into this. This scripture you're sharing is so true about the temperance and Yahweh's timing. It's so important to remember that before I run my big fat mouth as I sometimes do.*

Holly, listen for questions. The open door is a question. When you're in your group and if someone asks a question, now they have given you equal ground to present your truth. I never start a conversation about the Bible with anybody, but I will participate when you ask a question. When you ask a question, unless you're a horrible human being, you've given me permission to present. So listen for those questions. By the way everybody, the meaning of the word *temperance* is self control. Add to your knowledge, the ability to control the knowledge that you have. In the previous verse, He said He's giving you the power to acquire all of these things in the Holy Spirit.

We don't do it overnight. When I was younger, I got into knock down drag outs with people over the Bible. I've grown in my walk with Yahweh, and now I'm trying to share with you the wisdom that I've learned over these years. I have been in this walk a long time. I'm calling you today to never back down from truth because you've got the horns. You're the ram. Put out truth but never press forward with it either. Do you understand? If they open the door, that's another story. If they press down, be ready, but only if they open the door. Have a little self control. If they come after the truth that you hold, put your head down and defend truth. But don't press forward if they don't open the door. We have self control.

Now we're going back to II Peter chapter one. What's the next thing we've got to add?

**and to temperance perseverance;**

**KJF and to temperance patience;**

*Oh, my Lord, did we have to go there? We went from a lamb to a ram and You want me to not only add knowledge, but You want me to add self*

*control; and now You want me to add PATIENCE (PERSEVERANCE) with all this knowledge You've given me?*

From a lamb to a ram; this is the path, this is the journey. First you get all the knowledge. HalleluYah! Bunch of pagans! Bunch of Roman Catholic Sunday church goers! *Ain't no heaven; ain't no hell.* The Kingdom is coming to the earth, you bunch of devils! That's not how we do it. So add perseverance to patience. Patience is perseverance. We never ever lose that ability to persevere in patience. Let me tell all of you something. There's not one person who is going to sit on the throne who is not patient with people.

I'm going to say something else. Don't ever tell me you love Yahweh if you don't love people. It's a joke. Don't ever tell me that you just want to be alone with Yahweh, but you don't want to be around the people of Yahweh. That's a cop out; that's a joke. Come out of Babylon, don't come out of the House of Israel. Come out of Babylon, not The House of Israel! The House of Israel is a BODY FITLY JOINED together. We don't do our own thing. We don't separate from one another and have the feasts by ourselves. That isn't how it works.

Are there ever extenuating circumstances where you can't get there? Absolutely. But sometimes we will allow those extenuating circumstances to become like an ox in the ditch. There will be an ox in the ditch every Saturday. You shouldn't have an ox in the ditch more than once or twice a year. Oxen don't just fall in ditches everyday. People use that scripture: *The ox is in the ditch*, every Saturday. It doesn't fall in the ditch any other day than Saturday.

*Pastor, this is Carmin. I got a revelation about the rams. One of the things rams do when wolves are attacking, they pack together and they put the little ones inside, and ram the wolf together.*

That's right. They are the protectors of the sheep. That is exactly right. You could say they're the shepherds of the sheep, or you could say they're the chief of the sheep, or you could say they're the 100-fold over the 30-fold. Do

you get me now, everybody? From a lamb to a ram, there is a process. PATIENCE WITH PEOPLE. If you don't learn patience with people, you are a joke! This Holy Ghost makes you patient with people.

*We also have to be patient with God.*

I preached a whole lesson on that Sister Sandra. That is so true. We have to wait on the Lord, and we have to love one another. We have to be patient and persevere. You started out with faith. You thought that was all you needed, and it is all you need to be a lamb in the 30-fold, in the outer court. But if you plan to be in the government, you've got to grow some horns. What else do we need to add to go from a lamb to a ram?

### **and to patience godliness;**

Oh, my, my my. Being like Yahweh. Not like ourselves, or like Adam, but being like Yahweh. How do we be like Yahweh? We imitate His Son, Yahshua. So add to your patience, in everything you do ask if that is how Yahweh would do it. What else do we need to add?

### **7 And to holiness brotherly kindness;**

*Don't tell me that. Don't tell me that loving God isn't enough. Don't tell me I have to be kind to that person who calls himself my brother. Please don't tell me I have to add that. Don't tell me I have to be patient with these people.*

You don't have to do it. You can be 30-fold all day long. You will be in the new earth, but you'll just be 30-fold. If that's what you want, have at it. But Yahweh said in the Heavenly Scroll that there was going to be One New Man that was a Ram, and he's got all these things added to his faith.

Brotherly Kindness. When I look at my local church and I see certain people not being kind to one another, I almost want to tell them to go back to Babylon because they're a joke in this church. We're kind to one another at

First Harvest. We help one another. We're there for one another. We're kind, and if you can't be kind, get out. We are kind to one another. We look each other in the eyes and say, "How are you doing, brother?" We look at each other eyeball to eyeball and say, "How are you doing? Talk to me." Brotherly Kindness: If you need help today, I'm on my way. Brotherly Kindness; add that to become a ram. What else do we need to add?

**and to brotherly kindness love.**

**KJV and to brotherly kindness charity.**

Now helping those who don't even deserve our help: charity. Loving those that are unlovable. Charity, love.

**8 For if these things are in you, and abound, they cause you to be neither barren nor unfruitful in the knowledge of our King, Yahshua Messiah.**

If these things STAY in you; not if they come and go. Not if you are kind one day and mean the next. But if they abound in you, what does it say? You will not be walking around without horns. You will not be barren of your horns. Your status will not be unfruitful if these things stay in you. Sister Jan Meadows.

*I just wanted to mention that rams occupy the high places. You don't see lambs at the top of the mountain, but you see rams at the top of the mountain. So we have to be above the things of this world to combat the things of this world.*

And Sister Jan, to add to what you just said: The very meaning of the word Aries in Greek means *dominion, and rule and reign*. HalleluYah! What I'm trying to teach you today is that Pisces was showing you where Aries was going to come out of and what the Church was going to become. It also means the word *government*. Aries is the governing Church; a church that started out saved. It started out saved, but it wound up sanctified. It started

out saved, but it wound up in a position of ruling and reigning with Christ over the nations. Now we're going to close with Daniel chapter seven beginning with verse fifteen, going through verse twenty-two.

**Daniyl 7: 15-22 I Daniyl, was grieved in my spirit within *my* body and the vision that passed through my mind troubled me.**

**16 I came near to one of those who stood by, and asked him the truth of all this. So he told me, and revealed the interpretation of these things to me:**

**17 These great beasts, which *are* four, are four kings *which* will arise out of the earth.**

**18 But the saints of Yahweh will take the kingdoms by force, and will possess the kingdoms forever, yes, forever and ever.**

Hold on. Aries is rule and government and dominion. Aries is the government of the saints. This is a prophecy about ARIES. This is not a prophecy about Yahshua. This is a prophecy about the BODY of Yahshua, that the saints of the Most High will take Satan's kingdom that he has been the ruler over for all these years. We will now possess that kingdom for ever and ever. Now read verses twenty-one and twenty-two.

**21 I beheld, and the same horn made war with the saints and prevailed against them;**

**22 Until the Ancient of days came, and judgment was given to the saints of Yahweh; and the time came that the saints possessed the kingdoms.**

Anybody planning on going to heaven will have no part in possessing the Kingdom of Yahweh. This kingdom is on earth. This kingdom is the nations of the world. I want you all to listen to me before we go. If He has called you here, and some of you He hasn't called here—we have tares among the

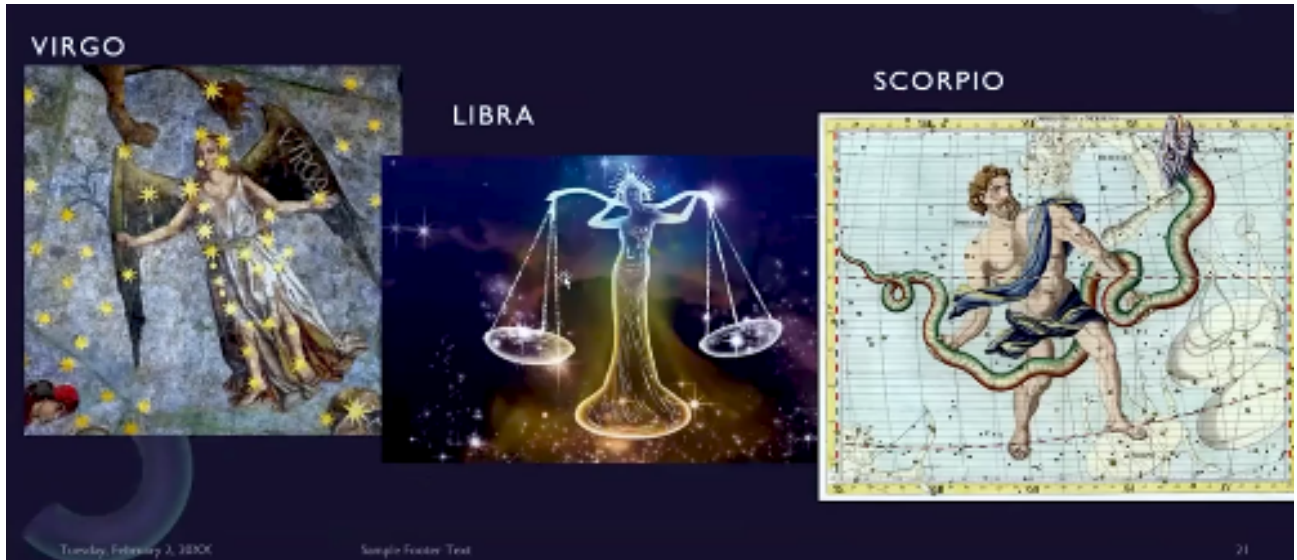

wheat—but those who have been called here, He has called you to train you for that position of possessing the Kingdom, and of governing that kingdom forever. How can you govern that kingdom when you don't have patience with The House of Israel right now? How are you going to govern that kingdom when you cannot govern your own emotions?

Does it even register to you what that verse means? The saints will possess the kingdoms of Satan! That's your duty and your responsibility. Are you truly preparing for that? Do you know why people love to fly away? That's easy. They don't have to prepare for this. We just need a picture of lambs with little wings on them. They just fly away. But when you see the RAM you see, as Sister Jan said, the level that they need to obtain. We are the Ram on top of Mt. Zion. We're looking over the other sheep showing them the light that they need to attain; showing them the way of righteousness.

We are keeping the Sabbath on top of the mountain while they are keeping Sunday down at the bottom. We are keeping the Holy Days at the top of the mountain while they are keeping pagan holidays down at the bottom. But up there we are not better than them. We are showing them the WAY—the narrow way—into this government of Yahshua that will possess the Kingdom!

If you're here today, when you come to Sukkot; when you come to Tabernacles, you are coming to REHEARSE. You are coming to practice your position in this government that is going to take over the world very soon. There is soon to be a One World Government, but it is not the government of an Antichrist. It will be the government of the saints of the Ram that have been shaped and formed in this life. Does it even register with you what that means?!

Let's all look at that Heavenly Scroll one more time before we close, and I want to show you what you need to be seeing in this Heavenly Scroll. You need to go back and you're going to see that this woman is going to have a child, and He is going to have a harvest.

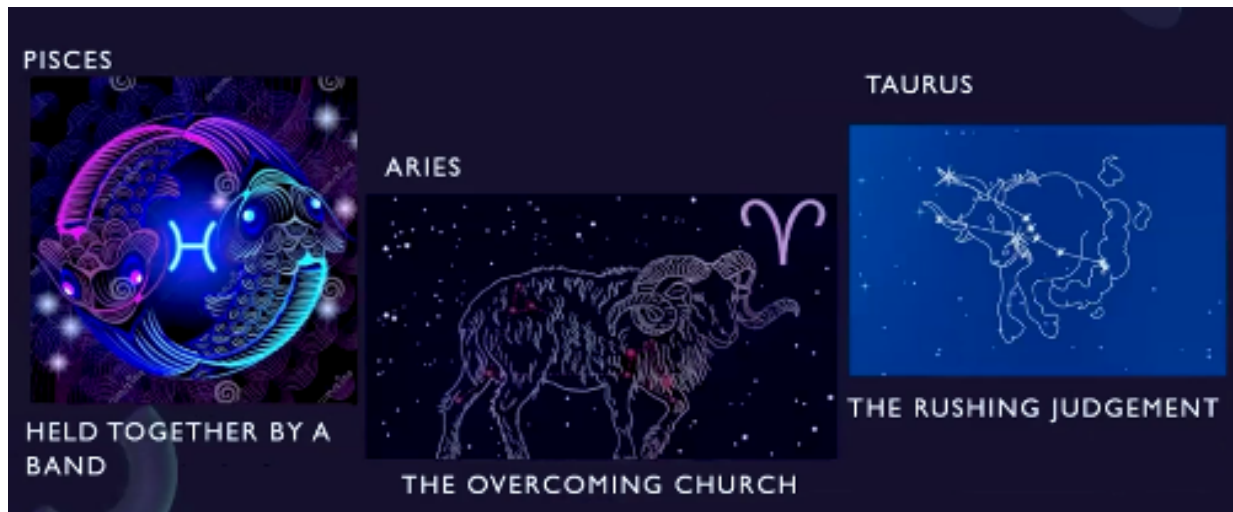

But sin is going to enter the picture and the scales are going to be unbalanced. But that man, Yahshua, is going to sanctify Himself so that we might be sanctified. He is going to overcome the temptations of His flesh, because after all, He is flesh and blood. He is going to overcome that snake and that scorpion and be our example.

How is He going to do it? He is going to rise up out of His animal nature and partake of the divine nature. Then He is going to ask you to do the same thing: shed the animal nature and come into the divine nature. Then He's going to die on the Cross and the Church will be born from His death. He's going to be filled with the Holy Spirit with Aquarius.

That Church is going to be formed out of the Two Houses of Israel, and those two houses are going to become One New Man and become the government.

He is going to overcome everything in this life and become the Government. They are going to become the Chief on top of Mt. Zion. They are going to become the Rulers of the saints and the sinners. They are going to become those that look like the Original Ram Who is now sitting on the throne with the seven horns! HalleluYah, and praise the Lord! There is your Heavenly Scroll.
