

Tracking The Tribes part 1

Migrations of the Twelve Tribes of Israel

By Shane Vaughn, First Harvest Ministries

We're going to talk about the travels of the Twelve Tribes of Israel. It is very important that you understand these travels of the Tribes of Israel.

Migrations of the Twelve Tribes of Israel—let's start with the most holy place in King Solomon's Temple. I'm going to bring you to the Word of Yahweh today, and introduce you to the children of Israel. Where does the story begin of the Lost Tribes of Israel? It begins with King Solomon, and we're going to study that story today.

Let's go to I Kings 11:26-42. If you want to study the lost tribes, this is where you have to start. We're not going to read all those verses. We're going to skip around through them, and read some highlight verses. But if you want to study the lost tribes, the foundational scriptures are in these verses. Amen. Let's start at verse twenty-six.

I Kings 11:26 Then Solomon's subject, Yeroboam son of Nebat, and Ephraimite from Zeredah, whose mother was a widow named Zeruah, rebelled against the king;

Now hold tight. Everyone, remember the name Jeroboam. He was an Ephraimite. The word Ephraim will become very important to a college level understanding of the lost tribes. Remember Jeroboam. This whole story starts with Jeroboam. He was an Ephraimite. Jeroboam was a church member, if you will. He was Solomon's servant. That means he was part of Solomon's ministry, or Solomon's kingdom. He was a servant who wanted to become something more than a servant, and he lifted up his hand against the set authority over Yahweh's Church.

Remember, Israel was the first church of Yahweh. The Church was not born on the day of Pentecost. I don't care what they teach you or what they tell you. The Church was not born on the day of Pentecost, because *the church in the wilderness* is still the Church today. The *church in the wilderness* is still the Church today. The *church in the wilderness*, as the Bible calls it, is the House of Israel. Read verse twenty-seven.

27 And this is his cause of rebellion against the king; Solomon had built up the Millo, and had repaired the damages to the City of David his father.

Why did Jeroboam turn against his pastor, or against the king? Because the king made a decision that did not make sense to this servant. The king decided to build Millo, and to repair the City of Jerusalem, and walls that had been torn down. Jeroboam thought this was a crazy idea. He thought the king was spending too much money on useless projects, and he lifted up his hand against the king. Let's skip down to verses twenty-eight and twenty-nine.

28-29 Now the man Yeroboam was a man of virtue,

He was a leader in the church. He was an elder. He was well respected by the people. He was industrious. What does that mean? He could get things done in Israel. He was good with his hands. He was able to do things, and what happened? Read what Solomon did to this young elder, or this young leader in the church.

and when Solomon saw how well the young man performed his work, he placed him in charge over all the labor force of the house of Yahseph.

He made him an elder, if you will. He made him a leader, a deacon; or whatever term you want to use. He made him a leader in the church.

29 And it was about this time that Yeroboam went out of Yerusalem, and met Ahiyah the Shilonite, the prophet, along the way. *Ahiyah* was wearing a new tallit, and the two were alone in the country;

So here goes Jeroboam, and he's not planning on turning against his king, but he meets a prophet in the field, and this prophet was Ahiyah, and he is going to give a prophecy now. I want everyone to listen closely. It is here that you and I were prophesied to exist. He rents his clothes.

30 Then Ahiyah took hold of the new tallit he was wearing, and tore it into twelve pieces.

Listen carefully. Here's the prophet, and he's renting his garment into twelve pieces.

31 Then he said to Yeroboam; Take for yourself ten pieces, because this is what Yahweh, the Father of Israyl, says: Behold, I will tear the kingdom out of the hands of Solomon, and will give ten tribes to you.

Here, ladies and gentlemen, is the foundational prophecy of you. He told Jeroboam, "I see your rebellious heart. I see what you're going to do to the king, so I'm going to take your evil, and use it for My glory." That's why when people leave the ministry, it never bothers me, because I understand that Yahweh takes what they intended for evil, and only uses it for our good.

When you begin to see how Yahweh works with evil, you all of a sudden, fear no evil. HalleluYah! I fear no evil because the God I serve, created the evil, controls the evil, and keeps that evil to work for my good, if my heart is pure before Yahweh. So here is a prophecy that Jeroboam was going to get the Ten Tribes of Israel, and Solomon was going to lose ten tribes.

Here's King David, and David's got his harp (above). That harp sits in my studio, one just like it. There's a reason that harp is there. People walk in and they see the harp in the studio, and they think it's just a pretty decoration. No, no, no. It was from what this harp represents, that the Ten Lost Tribes came forth. Everything has a purpose in our studio. Let's read verse thirty-two.

32 But he shall keep one tribe—for the sake of My servant David, and for the sake of Yerusalem, the city I have chosen out of all the tribes of Israyl.

Now here is something very few people understand. Notice very carefully that there are twelve tribes in total. One tribe is going to be reserved from getting lost. One. Only one tribe will be identifiable. Only one. Yahweh said, "I'm doing that because I made a promise to David." I'm going to get to that promise in a minute. "For Jerusalem's sake, I'm going to make sure one of those tribes never loses their identity. I'm doing it for David's sake, and for Jerusalem's sake."

33 I will do this because they have forsaken Me, and worshiped Ashtoreth the Goddess of the Phoenicians (Sidonians), Chemosh the God (El) of the Moabites, and Milcom (Moech) the God (El) of the people of Ammon, and have not walked in My ways, to do that which is right in My eyes, and to keep My statutes, and My judgments, as David his father did.

Why am I reserving one tribe? Why am I rejecting the other tribes? Because they all have celebrated Easter. *Oh, Brother Vaughn, it doesn't say that.* You better go find out who Ashtoreth is. It's Ishtar. You better go trace your goddesses, and find out that the names change, but not the person. Ishtar becomes Easter *because they have forsaken Me. Only David has kept My statutes and My judgments.*

This should give all of you hope, by the way, because David was the most imperfect man on the planet. Not only did he have an adulterous affair, but

he tried to hide the affair, just like the hush payment Trump made to Stormy Daniels. Is anybody listening to me? *Yahweh can't use Donald Trump. He just paid off a whore!* You all better wake up and quit being dumb. Amen. You better understand that Yahweh doesn't need your permission, your approval, or your understanding to raise up a man and use him for His glory. After all, He uses you doesn't He? He uses me. How dare you say He can't use somebody just because he got caught. Some of you haven't gotten caught yet. We need to truly understand that the Father raised David up and preserved one tribe unto David. Verse thirty-four explains why the Lost Tribes are lost. Read.

34 However, I will not take the whole kingdom out of his hands, because I have made him king all the days of his life—for the sake of My servant David, whom I chose because he kept My Laws and My statutes.

This is a prophecy still going forth to Jeroboam about the Lost Tribes of Israel. He's going to take it from Solomon. You need to watch the sermon I preached: *The Wisest Fool That Ever Lived*. You need to watch that sermon. It's on fhtv.tv. In that sermon I prove to you that Solomon was the wisest fool who ever lived, and you'll find out why. Everyone talks about Solomon's Temple and how beautiful it was. But what you don't know is that all around that Temple, was a bunch of other temples, and Solomon built them all to false gods; to Ashtoreth.

Not only was Solomon keeping the Holy Days, he was also trying to keep Christmas, Easter, Valentines, the fake New Year. He was trying to keep it all; one foot in and one foot out. You need to listen to that sermon last night if you've still got one foot in and one foot out. Some of you watching me struggle, are trying to do the Israel thing and the church thing. You'll find out soon enough. Solomon was trying to please all those strange wives of his, because he wanted to be accepted by all the denominations. Those wives represent all those denominations. Read verse thirty-five.

35 But, I will take the kingdom out of the hands of his son, and give it to you—ten tribes.

I don't know if you just read this prophecy. I need everyone to listen to me carefully. That one line is where the entire Christian Church misses it. When you think of who the kingdom was given to, you automatically think it was given to the Jewish people, and you automatically think *Israel*; the land of Israel. At that moment, the prophecy says, "I'm going to give the right to rule, *not* to the tribe of Judah. No. I'm going to give the right to rule to ten tribes.

You are going to soon find out why America has been so blessed, and why we have a responsibility to be first in the whole world. You're going to get it in a few weeks, when it starts dawning on you when we go through these scriptures; and you find out why Yahweh raised Professor Toto up, why Yahweh raised Donald Trump up, why Yahweh raised you up. You weren't even a real patriot. You didn't even care, but something inside has raised you up in this moment, for this land.

The answer is in the fact that the kingdom will be given to the Ten Tribes! He said, "I will take the kingdom out of David's hand, and I will give it unto the Lost Tribes of Israel. I am going to give to the lost tribes, the right to rule." That is why to this day, the ten lost tribes still sit on thrones all over Europe, and the Davidic line has no thrones. My, my, my. It's going to get real good, folks. HalleluYah.

36 And to his son I will give one tribe, so My servant David may always have a lamp before Me in Yerusalem, the city I have chosen for Myself, to establish My Name there.

I want you to notice something. "One tribe I am going to allow to remain as a Light, ALWAYS." They will always be in Jerusalem. The light will always shine in Jerusalem. Jerusalem is like Motel 6. Yahweh will always leave the light on for us in Jerusalem. Listen to what He says about the ten tribes in verse thirty-seven.

37 And I will take you, and shall reign over all that your heart desires—you shall be king over Israyl.

I'm going to always leave a light on in Jerusalem, but there will be no king in Jerusalem. The kings will be in the Lost Tribes: the kings, and the queens, and the rulers will be in the Lost Tribes of Israel. There will be a light in Jerusalem, but no king in Jerusalem, because the kings and the right to rule will be among the Ten Tribes of Israel.

38 And it shall be, if you will listen to all that I command you, and will walk in My ways, and do that which is right in My sight, to keep My statutes, and My Laws, just as David My servant did, then I will be with you, and build you an enduring house, as I built for David, and will give Israyl to you.

I'm going to build what kind of house among the lost tribes; an ENDURING House among the Lost Tribes of Israel. Now if you believe the modern day preacher, the ten tribes disappeared off the face of the earth. This is going to require that you really follow me today. He said in that last verse that we just read, "I will make you an enduring nation. I will make you an enduring nation out of these ten tribes." They won't disappear off the face of the earth. They're going to be an enduring house. But according to all the commentaries, this house disappeared. No, not according to the Word of Yahweh.

39 And by this I will chasten the descendants of David, but not forever. (about 980 BY)

So that I can make an enduring house out of the ten tribes, I'm going to afflict the Jewish people, but not forever. I'm going to send Hitler after them. People have a problem when I say that, but you better go read your Bible. When Yahweh told the Tribe of Judah, "I'm going to send hunters to find you," that's what He did. What brought them back to Jerusalem, was the evil that happened to them. If you don't believe Yahweh did it, you've

got a problem with verse thirty-nine, because Yahweh said, “I will afflict the Jewish people.”

You all know I didn't write that. Don't get mad at me, get mad at Yahweh, Whom you claim to love; the One you thought you had figured out. He did it. He afflicted them, BUT not Forever. He didn't afflict them, to afflict them. It was their affliction that would bring the Ten Houses into their positions to rule over the nations of the world. He will afflict them, but not forever. It is important that we understand that. Let's read verse forty.

40 Therefore, Solomon tried to kill Yeroboam, but Yeroboam got up, and fled to Egypt, to Shishak king of Egypt; and remained in Egypt until the death of Solomon.

Solomon heard about the church takeover, and he went to kill Jeroboam. Amen? Now read verse forty-one.

41 Now the rest of the events of Solomon's reign, all that he did, and his wisdom, are they not written in the book of the acts of Solomon? 42 The period that Solomon reigned in Yerusalem over all Israyl was forty years. (about 975 BY)

Alright. Look at the map to the left, and you're going to find the tribes of Israel. On the left, at the bottom, is where the tribe of Judah was. This is where Jerusalem is to this day. If you look to the right, you'll see Edom. That was the Edomites, and the Moabites, and Ammonites. When you read about the people that were always at war, it was with one of those three. If you look above at the green section, and look right below the green section, you'll see Jerusalem. When this prophecy happened, the nations were split. At one time, this was all purple. It was not two separate nations. But this prophecy is

when one house becomes two nations. This is the controversy between

Solomon and Jeroboam of Ephraim. Remember, Jeroboam was an Ephraimite. That is what precipitated the division of All Israel into Two Houses. Whenever you read the biblical expression *All of Israel*, it always refers to all Twelve Tribes as a single nation. If it just says *Israel*, it's only referring to the green section. Keep that in your mind, everybody.

If it's just Israel, it's referring to the Ten Lost Tribes, which are not lost. I don't know why we call them that. That's the dumbest thing I ever heard because Yahweh knows right where they are. We ought to start calling them the Ten Found Tribes of Israel, because they're not lost. HalleluYah. Amen?

Only our knowledge of them was lost, but thank Yahweh, we've been found. It's so important to remember the difference between *all Israel*; the Twelve Tribes of Israel, and *Israel*, the Ten Lost Tribes. If it's *all Israel*, it's all the twelve brothers coming back together. Notice those two sections: the green section is Israel, and the purple section is Judah. Before you came to First Harvest Ministries, you did not know the difference between those two. This is foundational that you grasp what I'm telling you. Now let's talk about Jeroboam and read verse thirty-five again.

But, I will take the kingdom out of the hands of his son, and give it to you—ten tribes.

This was fulfilled right after this prophecy was given. So for those of you who have studied the ten tribes, you always want to go and start where the division happened, but you can't start there. You've got to go back to the prophecy that started it all, and realize this is Yahweh's doing. Nothing takes Him by surprise.

Now let's study about another king by the name of Rehoboam. Jeroboam was an Ephraimite. Let's learn in I Kings, chapter twelve, the story of Rehoboam, who was a son of Solomon. He was not an Ephraimite. Rehoboam becomes king right after Solomon dies. This is Solomon's son. This is David's grandson. So if you don't know Rehoboam and Jeroboam,

you don't know your Bible, because everything in your Bible is about two men you didn't know about.

King Rehoboam chose a bunch of wiz kids to advise him on new regulations that violated Torah. He was literally overcharging to run his kingdom. He was coveting what all his people had, so that he could build even greater palaces. He built a new palace and lay a heavy burden of taxation upon all of Israel. Who is all of Israel? The Twelve Tribes. They are all under his rule. Remember, Jeroboam has not yet set up his kingdom. There are still twelve tribes under Rehoboam. The new tax laws benefited Rehoboam, his administration, and the palaces.

Then Rehoboam sent a tax collector by the name of Adoram, into the northern country. What is the northern (green) country? It's Israel. Look at the map. Rehoboam is in the southern (purple) country by Jerusalem. He sends a tax collector to the tribes that live in the north. He's going to raise their taxes, and collect their taxes, but when he sends that man, what did they do? They stoned him to death. Nobody likes tax collectors. Nobody likes the IRS.

So they had a rebellion, just like America's Civil War. I want you to think about this. It was the North and the South. Get your spiritual ears tuned in. What has happened, will happen again. In the Upward Journey, the more things change, the more they stay the same. Nothing new under the sun. Israel is still alive today. There was a civil war in New Israel, as well, between the north and the south. My, my, my. Lord, help us to see.

When Jeroboam, the Ephraimite, learned that Solomon had died, he returned from Egypt to fulfill Ahijah's prophecy. I don't care how old a prophecy is in your life, when it's time for it to come forth, it's coming forth. Let's read I Kings 12:20-21 from the screen.

I Kings 12:20-21 And it came to pass, when all Israel heard that Jeroboam was come again, that they sent and called him unto the congregation, and made him king over all Israel; there was none that followed the house of David, but the tribe of Judah only.

The whole congregation fell for this new leader's great deception, except for the Jewish people: the Tribe of Judah. Every other tribe was following a fake president, or a fake leader, except for one little group of aggravated people that knew the truth. My God from Mt. Zion! The light was on in Jerusalem. I'm telling you, those people exist today. They're sitting in my class right now. They are the light that cannot be deceived by fake presidents, fake pastors. Thank Yahweh! Everyone was deceived but the Tribe of Judah, only.

21 And when Rehoboam was come to Jerusalem, he assembled all the house of Judah, with the tribe of Benjamin, an hundred and fourscore thousand chosen men, which were warriors, to fight against the house of Israel to bring this kingdom again to Rehoboam the son of Solomon.

Ladies and gentlemen, for those of you who believed that Israel was the Jewish people, here we have a war between Israel and the Jews. Think about it for a minute. Let that percolate in your mind. If the Jews are Israel, then why is there a war between the Jews and Israel? Here's King Rehoboam with the Jews, fighting Israel. That fight continues to this day. It's called Rabbinic Judaism against those of us who are now ruling and reigning; those of us who have now been called to rule. That war continues to this very day. It's an old war.

There they are now. This war is creating the divided House of Israel. The two verses we just read, declare this historical breach. They contain the first mention of the two different Houses; the House of Judah, and the House of Israel. That's the first mention of the two Houses of Israel. Let's keep going.

The House of Judah is defined as the two southern Tribes of Judah and Benjamin. Benjamin chose to stay with Judah. So did a few of the Levites, but primarily, everyone went to the north. The House of Israel is defined as the Ten Northern Tribes of Israel. So when you're reading about the northern tribes, you know who they're talking about. These are not the Jews. This is important. Both Houses have totally separate histories and separate destinies. Until you know what those destinies are, you'll never know who you are. You'll never know who America is. You'll never know who Great Britain is.

You'll never know these things because no one taught you of the two destinies of the Two Houses. You'll be like all other Christian evangelists that are solely focused on the Holy Land. Some of you are living in the Holy Land, and you don't even know it. Remember that the Jewish people, according to the scriptures, are jealous of Ephraim, and Yahweh said that He was going to use Ephraim, which is us, to provoke them to want what they could have had the whole time: the right to rule.

It is our returning to the Commandments that's going to cause them to turn to Yahshua. So the Father is using us to provoke them to the destiny that we should have all had together. It's always for a purpose. Always. The answer is that they both have separate histories and destinies, but they will eventually be joined back together into One House. I want everybody to pay attention to what I'm about to tell you. If you don't know the story I just taught you—I will say this sweetly and kindly—you know NOTHING.

Your entire Bible is about that story. Every prophecy in your Bible is about that story: the story you knew nothing about. This is a story that Christianity knows nothing about. Go ask a Christian. Call Joel, call Creflo, call any of them and say, "What about Rehoboam and Jeroboam?" They'll say, "Well, Ahh ummm" If you don't know that story, you cannot know your Bible. Every parable in your Bible is about this story! Do you not remember the woman with the ten lost coins? Every parable is about this story that

you knew nothing about. That's why when you get to the New Testament, you misinterpret everything because of this story.

Yahweh, wake your people up to who they are! Let's continue on, so we can never, ever be deceived again. Let's read verse twenty-four where Yahweh declares that this division of Israel into Two Houses is His Will, saying, "For this thing is from Me."

24 This is what Yahweh says: Do not go up or fight against your brothers, the children of Israyl. Every man return to his own house, for this thing has been done because of Me. So they obeyed the word of Yahweh, and turned back, just as Yahweh had spoken.

Don't you dare go on Facebook and attack your brothers. Even though they've turned on you, they're still your brothers. This thing is from ME. And because you don't believe in a God Who has anything to do with evil; because you listen to Jesse Duplantis who told you only good things come from the Lord—because you believed all that, you think that I'm not supposed to get your enemies for you, when I made them your enemies so that I could elevate you to where I need you to get to.

You better learn to love your enemies. They are your best friends. They're proving who you are! You're getting mad at them because they won't accept Yahshua. I tell everybody trying to evangelize the Jewish people, "I feel sorry for you, honey." Look, Yahweh is going to evangelize them using Yahshua after He returns. He's going to get every single one of them. He's not even focused on them right now. Don't worry about it. Just know who you are in Yahweh, and He'll take care of the rest. Amen?

This thing has been done because of Me. When our ministry separated a few months ago, I asked Yahweh why He allowed it, and He said, "This thing is from Me. I've got to show you who is with you, or you will go into war with traitors. You're not going to know who loves you, who is honoring the House. This thing is from Me." That's why I'm not mad at anybody. I

can't be mad at Jeroboam. Even though he did a bad thing, it was from the Lord. Isn't that amazing?

That's why you don't get mad at your enemies: *This thing is from Me*. If it wasn't for the fake, you wouldn't know who the truth seekers were. Amen. You all need to be thanking Joe Biden. You ought to send him a gift and be thankful that that fake administration has been revealed, and you know the truth, and you did not follow after the Fake House. You stayed faithful to the True House. **If you're walking in Holiness, you're walking in Wholeness.** I need you to write that down.

Neither the Jewish rabbis nor the Judeo-Christian priesthood can tell you about the very important distinctions between these two Houses. The Catholic Church, the Judas Church, none of them know what you know. They have no idea about these Two Houses! *We're in a great pageant and He is the Director*. Exactly, sister! You're so right. And you know what? Our role is to give Him thanks in ALL things.

I want to teach you today, the ignorance of certain words. If you change the meanings of words, then you change the entire concept. For example, if you change a man from anything other than what it is, then you no longer even have the concept of sex. It's gone. There are some words in Christianity that people will say the words, but they have no idea what the words mean. It's the words Israel, Judah, Jew, and Gentile. If you do not know these words' true meanings, you will misinterpret every word in the Bible.

The word *Gentile* is one of the most dangerous words in your mouth. These deficiencies have given rise to mountains of doctrinal error, and we will talk about this mountain of error. That is an absolute prerequisite to knowing the Truth. You cannot tell the good guys from the bad guys unless you understand the language of the Bible. For example, the Jewish people use the word *Gentile* to mean a *non-Jew*. But the Latin word *gentilis* (the Latin word for Gentile) literally means a *kinsman*. So what the Jews are calling Gentiles, and what your church is calling Gentiles is actually the kinsmen of the Jews; the exact opposite of the sense that the Jews use that word.

What matters is how the Hebrew prophets and the Israelite writers of the New Testament used the words *goy* and *ethnos*. These are the words which have been translated into the word *Gentile*, mistakenly so. That's why when I hear preachers preaching and they say, "Brother Vaughn, we're in the Age of the Gentiles right now," I just want to shake my head, and feel sorry for them. They don't know that when they say we're in the Age of the Gentile, that we're actually in the Age of the Kinsmen of the Jews. It is the Age of the Gentile, but until you know who the Bible is referring to when it uses the word *Gentile*, then you won't know it's talking about the Lost Tribes: the *Kinsmen* of the Jewish people.

We've got to learn the word *Gentile*. Don't let people play that *Gentile* word on you, because they don't know that *Gentile* comes from two words: *goy* and *ethnos*, and it's been mistranslated as *Gentiles*. The word *Gentile* should never have been used to translate *goy* and *ethnos*, because it causes great confusion. Throw that word out and never use it again. Why? Because none of the Bible writers ever used the word *Gentile*. It's important that you know this. Anything short of this leads to nothing but error and confusion.

The reason the Christian world is today completely baffled by history and prophecies of Scripture is because they have not paid attention to these clear categories of the different peoples of the earth. In chapters thirteen and fourteen of I Kings, it gives us more history of these days with verse thirty. Let's read that.

I Kings 14:30 And there was continual warfare between Rehoboam and Yeroboam for as long as they lived.

All their days there was war between the Jews and the Israelites, and it continues to this day. We're trying to evangelize them and turn them to Christ, and they're trying to evangelize us and turn us to Judaism, and the whole time they don't know we're their kinsmen. They think we're Gentiles.

Not to be overlooked is the fact that there is also a Third House declared by Yahweh. That is the specific lineage of King David: the House of David. That is called the Davidic Line. Yahweh has declared to reign in Israel, as long as there exists a planet called Earth. This gets into something very interesting. Your Bible says that the Davidic Line will always be sitting on a throne. Let's read about it.

Psalm 89:3-4 *Yahweh has said: I have made a covenant with My chosen; I have vowed to My servant David: 4 Your seed will I establish forever, and build up Your throne to all generations. Selah.*

YOUR SEED. A PHYSICAL Seed. There are many people trying to over spiritualize the Bible. This is a physical promise written to the physical children of a physical man. "I have made a covenant with David that his children will be sitting on thrones forever." My question to you tonight is if Yahweh lied. If Yahweh lied, burn your Bibles. I'm going to say it again. If Yahweh lied, then go burn your Bibles. If that throne is not sitting somewhere today, throw away your Bible.

You're going to find out why Yahweh raised up patriots in this hour to defend America; a nation that's full of sin, a nation that the enemy wants to convert and change away from Yahweh. *But if MY People that know My Name... They know who they are. I found them. They heard the name Yahweh and they came running. If those people will pray for America, I will restore America. I've got a great plan for My people.* HalleluYah! He's looking for *MY PEOPLE*. He doesn't need America to repent. He needs His people to return!

Psalm 89:28-29 *My mercy I will keep for Him forever and My covenant will stand fast with Him. 29 And I will establish his Seed forever, and his throne will be as the days of heaven.*

It's pretty plain to me: His children will I keep on a throne to endure forever. If there's ever been a time when David's children have not had a

throne, then you can throw your Bible away. Boy, people get nervous with these scriptures. Now I wonder why that royal banner (below) has a harp on it. King David's Seed: HalleluYah! They know who they are! Their

forefathers knew who they were. They may have forgotten. Prince William doesn't know who he is, but his forefathers did, and they put it in their flag so that you would never forget. C'mon folks. Why else would they put a harp on their flag? I'll show you. It's because of that scripture right there to keep David on the throne. His harp is going to live forever. Why

do you think I've got a harp in my studio? Because I'm obeying the Voice Who tells me who I am. Read.

34-36 My covenant I will not break, nor will I change the Law that has gone out of My lips. 35 Once for all, I have vowed by My holiness—I cannot lie, and I say to David: 36 His Seed will endure forever, and his throne *will endure* before Me like the sun.

I want you to hear: His Seed, His Children. *His children will live forever on a throne before Me.* They have a separate destiny from the Jewish people, and those destinies will look entirely different. It's important that you understand this, or else you won't know why we sing *God Bless America* and *God Save the King*. Has the sun disappeared? Then the throne can't disappear.

These prophecies can't be spiritualized. They clearly teach that the *seed*, or *offspring*—All Twelve Tribes—will exist forever, and the Davidic throne will last forever. Somebody said, “Brother Vaughn, that's talking about Christ. That's His throne.” Well, here's my problem folks. Yahshua's still not sitting on His throne. He doesn't sit on it until everybody else sitting on it casts their crowns at His feet. It's coming! Then He's going to sit on it! We're going to hold it until He does.

David's children are going to hold that throne for Him so we can throw our crowns at His feet. Did you ever wonder how you're going to throw crowns at His feet when you don't even have any crowns? Is anybody listening to me? *I'm going to throw my crown at His feet.* You don't even know that you had a crown! You didn't even know you were of that Royal House. I believe it was Queen Victoria who said, "I wish I had more crowns, so I could throw them all at His feet!" If your crowns are lost, how are you going to give them to Him? It doesn't take anything but a little common sense.

What happened to the Crown? I know some people who are physical children of that crown, and I'm looking at them in this room today. It's not just a crown. It's your right to rule. It's your right to govern, that nobody told you about. Don't ever give up your crown, unless you give it up to Yahshua. It was the Church that took your crown away from you. Many of you gave up your crowns for the modern Church. I think I'm going to keep mine on. I'm going to know who I am in Yahweh. I'm going to know who I am so that I can surrender who I am to Who He shall be. HalleluYah. Put your crown back on!

You didn't know you had a crown. You thought you were a Christian. You thought you were a Baptist. You thought you were a Pentecostal. You thought you were a half-breed something-or-another. You're a thoroughbred. You're not a mixed up seed! You're a thoroughbred. HalleluYah. Here's the problem. If there's no more Lost Tribes, then there can be no more New Jerusalem. Don't you know that the New Jerusalem is going to rest on the crowns of Israel; the crowns that you've given up?

Let's turn to Revelation and read. When you get this revelation, you'll never be the same. Never, ever. He wants to reveal this truth to you today. He wants you to know who you are in Yahweh. He wants you to never forget it. Don't give up your crown. HalleluYah!

Revelation 21:9-12 **And there came to me one of the seven malakim who had the seven bowls full of the seven last plagues,**

and talked with me, saying: Come, I will show you the brides, the Lamb's wives.

I'm about to show you not a city. Those of you watching, must get my booklet: *The New Jerusalem*. It's free of charge at <https://thefamily.com>. You've got to know *who* the New Jerusalem is. The New Jerusalem is the New Israel. This is not Replacement Theology like the Christian Church teaches. New Israel is not a replacement. New Israel is just a renewed Israel. It's an Israel that's been renewed by her jealousy of Ephraim. Listen carefully. New Jerusalem is New Israel, because New Jerusalem is the headquarters of Israel. Instead of saying New Jerusalem or Renewed Jerusalem, we're looking at saying A Renewed Israel, because Israel was scattered. Until there is a renewed Israel, there can never be a New Jerusalem.

10 And he carried me away in the Spirit to a great and high mountain, and showed me that great city, the holy Yahweh Shammah, descending out of heaven from Yahweh. 11 Having the glory of Yahweh, And her light

Hold on. Who did He say He was going to leave as a light in the world? The Jewish people. They would never forget the Sabbath, they would never forget the Holy Days. That Light would stay on. Yahweh built the first Motel 6. He was the first one who left the light on. He left the light on of the Sabbath Day until when? Until Ephraim could return to it. And then when we begin to return, we will turn them to their Elder Brother, and Messiah. And together this will be the Renewed Israel, or the Renewed Jerusalem.

was similar to a most precious stone, just like the jasper stone, clear as crystal; 12 And had a great and high wall, and had seven gates, and at the gates twelve malakim, and names written upon them, which are the names of the twelve tribes of the children of Israyl;

I want to say something to you right now. Every single one of you who's been wanting to go to heaven has a problem. Every one of you who believes you're a Gentile has a major problem. Here's your main problem: there's no door for you to walk through. *Brother Vaughn, I'm a Gentile*. Then you can't get in that city. No. According to Revelation, there's only twelve ways in, and you've got to be a physical descendant of one of those tribes who has returned to your crown. When you return to your calling, that city will rest on you!

Brother Vaughn, what about those who are not physical descendants? They'll be outside the city. They'll still be saved, but they will be outside of the government because Israel was chosen to rule and to reign over all the other nations of the world. Thank you Lord for this glorious truth. HalleluYah! Do you hear the voice of your Beloved calling you back home? HalleluYah! Calling you to know who you are? You've been so lied to, that when you hear the Truth, at first the Truth sounds like the lie; until He continues to bring it to you more, and more, and more, and you begin to see the beauty of what He's doing in our lives. Praise Yahweh!

Since the *Holy Jerusalem* comes down from heaven, it cannot be the literal city of Jerusalem in Palestine. Rather, it comes down from heaven to rest upon the *Renewed Israel, the twelve tribes of all the children of Israel* on Planet Earth. In other words, *Renewed Israel* is not a city. It is a people who are no longer divided between Jews and Israel. The Bible calls that *The Great Controversy*. The great wall between the two will be torn down forever. Forever!

Here is the question: If the Jewish people are the Tribe of Judah, then where are the other eleven Tribes? Where are they? Are they in either a Christian Church or a Synagogue? When people say, "Pastor Vaughn is trying to turn everybody into Jews," I want to laugh because I'm actually trying to do the opposite. I'm trying to turn Jews into Israelites, and Christians into Israelites. These two places of worship have to pretend that the Bible doesn't mean what it says. Now we'll move on from this introduction, into the lesson for today.

Now that we understand that the expression *The House of Israel*, refers to the ten northern tribes, without Judah and Benjamin, it's time to start tracing their history and their migrations. This is the fun part. The reason we are referred to as Ephraim is because that was the first tribe, so collectively, when your Bible is talking about Ephriam, it's not just talking about Ephriam, it's talking about all those connected to Ephriam. The names of these tribes are the following: Ephraim, Manasseh, Dan, Asher, Zebulun, Reuben, Gad, Naphtali, Issachar, and Simeon. This is the Ten Nation House of Israel. Where did they go? How did they just disappear?

The picture on the left starts it off. Those two boys are Great Britain and America, and all of the nations associated with their history, and their destiny. If anybody says, "I don't see America in Bible prophecy," you're looking at it right there. Notice the crossed hand. This is Jacob, or Israel.

Do you know what Israel is doing right here? Out of all the sons of Israel, he said He was placing his Name on those two boys. What was his name? Israel.

At one time his name was Jacob, but it was changed to Israel. And right before his death, he chooses two boys to put his name on them and their descendants: Ephriam and Manasseh. The Bible refers to this House as Ephriam, the leading tribe, but Ephriam is never used to represent the Jewish people. This is the Banner of the House of Levi. The Tribe of Levi was no longer a separate Tribe. The Levites had mingled in with all the other tribes because they were the priests, serving all twelve tribes. Some Levites stayed with Judah, others went with the House of Israel.

I Kings, chapter twelve explains how the prophecy of Ahijah was fulfilled in a city called Samaria. We are going to start talking now, about how the prophecy of Ahijah was fulfilled. Ahijah's prophecy was that ten tribes

would be given to Jeroboam. Now we're going to find out how that prophecy was fulfilled completely. Let's start going through how this was fulfilled. Your Bible gives you amazing details as to how the ten northern tribes became a second kingdom. Interestingly, nobody preaches about it, but in I Kings, chapter twelve, verse twenty-five will tell you the story. Let's begin there.

I Kings 12:25 Then Yeroboam of Israyl built up Shechem in the hill country of Ephraim, and lived there. From there he went out and built up Penuel.

The nation has divided because of taxation. This scripture is going to pick up where the Great Civil War just happened. Now Jeroboam is going to build Shechem on Mt. Ephraim. Now you know why we're called Ephraim, and why Ephraim is so important in end time prophecy.

26 Yeroboam thought to himself; Now this kingdom will revert to the house of David.

Jeroboam is getting a little nervous that the church that he took over is going to start missing their real pastor; the church that he usurped and stole everything from, are going to want to go back to where they were hearing the truth. Now he has to create an alternative church to keep them occupied and to make them think they're still serving Yahweh. So he goes and builds another church right across town, and he's going to do everything he can to make you not miss your pastor, your true King David, your true father in the Lord. He's going to create an alternative to Jerusalem.

27 If these people go up to offer sacrifices in The House of Yahweh at Yerusalem, the allegiance of this people will return to their ruler. Rehoboam king of Yahdah; they will kill me and return to Rehoboam king of Yahdah.

So if these people keep going back to that Zoom Bible Study, and the Feast of Tabernacles with their pastor, if they keep going back to where the truth is being taught, then their heart is going to turn away from the one who split the church and the one that tried to usurp authority. They're going to want to go back to where they heard the truth. Then they will try to get rid of Jeroboam, and go back to Rehoboam, the true, legitimate king of Judah; the true legitimate authority that Yahweh established. *So, how do we stop them from leaving our Baptist church and following that preacher to the wilderness? What do we need to do to turn their hearts away from truth? We can't turn them against God. All we need to do is continue to have church, because they believe this message. But we're going to change the times and the seasons and make it easy for them to stay.* That's all we're going to do.

28 Because of this, the king accepted counsel and advice, and made two circular golden altars and said to the people; It is too much for you to go up to Yerusalem. Your gods (elohim) are here, O Israyl, which brought you up from the land of Egypt!

Listen, it costs too much for you to go up to Lake Guntersville, Alabama each year. It costs too much for you to go to Passover in Waveland, so here's what we're going to do: We're going to start our own little thing here locally, to make it more convenient for you. We believe the same message as headquarters, and there's no need for you to stay associated with the name of the ministry and the leader. We're going to do our own thing.

Listen to what he said: Behold, the same gods that are leading over there, are here. We've got them over here. Behold thy gods, O Israel, which brought thee up out of the land of Egypt. It's the same God that's over at that ministry. Same God. Boy oh boy. It wasn't, because the order wasn't the same.

29 And he set up one high place in Beth-El; House of God, and the other he set up in Dan; Judgment.

Now he's building an altar in different little cities. He's doing it in the northern tribes, so the people won't go back to where it all started. *We want to make it more convenient for you.*

30 This thing became a sin, because the people went as far as Dan to worship before the one.

They forgot the order. They forgot that you can't take the message away from the order where Yahweh established it. You listen to me. Many of you watching me right now do not want a pastor, a shepherd. You want online buddies who agree with this message, but never bring you under the submission of the order of the house. You want Facebook friends. You all want to share little parts of the message, but you will not submit yourself to the established authority at the House. Yes, I'm talking to you.

It's the same gods; same altars they have in Jerusalem. Same thing over here. But who's your king? Make the pilgrimage. Go to where the established order is set. There's a blessing in that. You'll know. You'll recognize the anointing on the TRUE king. Do you know why we don't celebrate Joe Biden? We know where the established order is. We know where the true Whitehouse is. We know where the true king is. We know.

We know who the president is. We know you all stole the election. We know you stole it from Trump with your Covid 19 creation. If you want more details on that, go to fhtv.tv and watch my lesson called *The Calculated Creation of Covid 19 and Obama's Bloody Footprint*. You can't deceive us just because you're building a big nice thing over in Dan, and Shechem. We know who the anointing is on: King Rehoboam. We know the established order.

31 Yeroboam built The Houses with High Places, and appointed priests from every class of people, who were not of the sons of Levi.

Jeroboam went and built them temples and churches. He even gave them preachers, but he didn't do it from the right tribe. He called them preachers, but they didn't come from the established order. *Well I put my pants on just like Brother Vaughn does.* You can fall into that trap if you want to. I know this message, and if you don't know submission, you don't know one thing about this message. The whole message is to bring us under the Divine Order. When you get in the Millennial Reign, nobody will be able to control you, because you're a wild donkey. I sat under my bishop for seven years here with my ministry, looking like it was going nowhere. But Yahweh honors the Established Order.

He made preachers, but not of the sons of Levi. Listen. He was trying to serve the Lord. He built a big Baptist church, put a nice steeple on top of it. He hired a preacher. All he did was change a little thing here and there, and called it a church. It doesn't work.

32 Yeroboam ordained a feast on the fifteenth day of the eighth moon, like the feast held in Yahdah,

We're still going to celebrate the feast over here. Oh yes, sir. We are going to do our own thing for Passover. We're going to do our own thing for Tabernacles. But here's the problem: You're outside of the Established Order. You're doing it in the wrong way. He said, "We're going to do our own feast; we're just going to do it in the eighth month." Now listen. *Don't you dare think we're changing anything. We're doing it in the eighth month because it's easier for us to get off work. We're just going to make it a little more convenient, but we're still going to do it.*

Then you might as well not do it at all because it doesn't count. They still had it on the fifteenth day of the month, but they had it in the wrong month. And notice what it says: *like the feast held in Judah. We're going to do it like headquarters. We're going to do it just like them. We're just going to not recognize King Rehoboam.*

and he offered on the altar as he did in Beth-El, sacrificing on the circular golden altars he had made. And at Beth-El he also installed the priests of the high places, which he had built.

HalleluYah. He's trying to have church. He's trying to build himself a good Pentecostal church. *We still are going to throw a little Christmas in there, and have the feast on the eighth month, and have church on Sunday; it's just a day. Surely God doesn't care.* You're right, because the God you serve has changed.

33 So he offered sacrifices on the altar he built in Beth-El, on the fifteenth day of the eighth moon—in the moon he had ordained in his own heart. There he ordained a feast for the children of Israyl, and offered sacrifices on the altar and burned incense.

My, my, my. Have you ever heard my sermon called *The God of Your Imagination*? What is your heart? Your imagination; your mind. You created a Christian Church out of your own mind. You called it a feast of Yahweh. That's what you told the children of Israel. You lied to them, and said they were worshiping baby Jesus on Christmas day. You lied to them, and you mixed the holy with the unholy, and called it a Feast. You called it a Christian holiday!

It is so clear what happened then, and what's happening to our churches today. Do you know why? Because we are Israel. That's what people don't know. These are our forefathers that went with Jeroboam, and they don't listen. They're not trying to leave the Church. They're trying to leave the authority. They're not trying to become atheists. They're not trying to become evil people. They're not trying to be bad. They want to have church; but they want to do it their way. They want to do it out of order. These verses tell us that the first thing Jeroboam did was to institute pagan practices instead of Yahweh's Law.

Brother Vaughn, we're just trying to get people saved. We're just doing Trunk or Treat just to get people to come to our church. I bet you are;

because you don't have anything that would bring them. Christmas is lies wrapped in lights. You've got to use lies because you don't have any truth. Brothers and sisters, do you know we have people moving here, and we never had to do a Trunk or Treat to attract anybody? We just tell the truth, and those truth seekers will reveal who they are.

I Kings 13:33 Even after this, Yeroboam did not turn from his evil way, but continued to appoint priests from every class of people for the high places. Anyone who wanted to become a priest, he consecrated him, and he became one of the priests of the Houses with the High Places.

Whoever wanted to join the Church was allowed to join the Church. Whoever wanted to get up, was allowed to get up. Why? We'd gotten rid of the Law. He built a grace church. He built a Grace Church! Whoever wanted to come in; C'mon. We're getting rid of the Law, but we still have church. Matter of fact, have you heard it said: *Whosoever is welcome here? Come as you are. Go to the church of your choice. Here's one better than that: Worship in whatever way you feel comfortable. Don't worry about Pastor Vaughn telling you you've got to dance. You worship how you feel comfortable.* Bunch of lying devils. You don't get to decide how you worship. He decided it for you.

Listen, you're not coming to First Harvest and worshipping how you feel comfortable, or you won't come. You'll find every way not to come, and if you do come, you'll try to slip in after the worship is over. Jeroboam's churches are still open today, but I know one Tribe; I know another group of people who have seen the light left on, and stayed with the light. Oh, yes I do. HalleluYah. Now let's talk about verse thirty-four.

34 This was the sin of the house of Yeroboam, which led to its extermination and destruction from the face of the earth.

Yahweh said this sin took the House of Jeroboam, not the House of Israel, but the House of Jeroboam—His family—and cut it from off the face of the

earth. If you look below, that's called the Moabite Stone. The stone mentions a king by the name of Omri. You can do your own Google search on that stone. One of Jeroboam's successors was King Omri. He was known to the Assyrians. It gets good here. You better watch carefully. King Omri was one of Jeroboam's descendants. King Omri was known to the Germans—that's who the Assyrians are—as Gomri or Khumri. This is one of the descendants of Jeroboam. Why is this important? You're about to find out why. Let's find out why King Khumri is so important.

He was the king that the non-Israelite nations knew best. During the reign of King Khumri, or Omri, the House of Israel was known as the House of Omri, or Khumru, or Kimmerians, after King Khumri. The English version of the word *Khumri* is *Cimmerians*. Ladies and gentlemen, those Cimmerians have a history. That history is plainly recorded. When it became apparent that the Assyrians or Germans were going to invade Israel, a branch of the Khumru people left Israel by sea, and went to a land called Wales. They settled in Wales, and my DNA brings me to the land of Wales. When I did my DNA research, my genealogy, I am a natural descendant of the Welsh people. This first group that left Israel, went on a ship to Wales.

Brother Vaughn, I don't believe that. I don't care what you believe. Let's find out what history tells us. This is a stone with a bunch of writing on it, and it was transcribed by an army officer named Henry Creswick Rawlinson. In 1827 he transcribed this rock. His findings led him to conclude that there were *reasonable grounds regarding the Cimmerians*, who first appeared on the confines of Assyria and Media in the seventh century B.C. He said that they are identical with the Beth-Khumri of Samaria, or the Ten Tribes of the House of Israel. You can find that in the book called *Great Britain's Rank Amongst the Nations 1883*.

The Welsh people still refer to themselves as Khumru today, and the Welsh language is virtually identical to Hebrew, because they brought this language with them directly from Israel. I want to talk to you about Sir Charles Marston. He was a professional linguist, born in 1675. Professor Stephen Langdon, and many others have confirmed this. In the book called *Role to Rule*, by Jewish author Yair Davidiy, he traced the linguistic connection

between Welsh and Hebrew. A writer who signed his name *Glas*, submitted a list of Welsh words with Hebrew origins in 1832. The writer remarked that, *But the best proof of the Eastern descent of the ancient British is the close resemblance and connection existing between the Welsh and Hebrew languages, even to this day. As proof of this we have extracted the following vocabulary of words in both tongues. so closely resembling each other in sound and sense as to leave no doubt whatever on the subject.*

This is an ancient Welsh lady on the far left. This people literally came over with the Khumru people. Immediately left are them today: the Welsh people. Many of the words that you're about to find have been translated from Welsh

through the Anglo Saxons into our modern English. I'm getting ready to prove to you that in the English speaking nations of the world—our language—is so closely associated with Hebrew. Let me give you a few examples.

Examples:			
Welsh	Meaning	Hebrew	English
Aeth	He went, he is gone	Athah	
Aml	Plentiful, ample	Hamals	ample
Ydom	the earth	Adamah	

The Welsh word *Aeth* means *He went*. Look at the Hebrew word for *He went*. It is *Athah*. Look at the Welsh word *Aml*. Let's see what the Welsh word *Aml* is in Hebrew. *Plentiful*. The word *Plentiful* in Welsh is *Aml*. In Hebrew it's *Hamale*. In English, it's *Ample*. Let's look at the Welsh word

Examples:

Welsh	Meaning	Hebrew	English
Awye	air, sky	auor, or	air
bu	it came to pass	bo	be
boten	belly	beten	

Ydom. It means *the earth*. The Hebrew word is *Adamah*.

The Welsh word *Awye* means *air*. Look at the word *air* in Hebrew. It's *auor, or*, and in English, *air*. Look at the Welsh word *bo* meaning *it came to pass*. It's *bo* in Hebrew, and *by* in English. In Welsh, *boten* means

belly, and is *beten* in Hebrew. It's the same word, pretty much.

Examples:

Welsh	Meaning	Hebrew	English
brith	bright	barud	bright
cas	hatred	Caas (anger)	
dafnu	to drop, or distill by drops	nataph, taph	

Look at *brith* in Welsh. It means *bright*.

Look at the Hebrew word for *bright*: *barud*. And the English word for *bright* is *bright*. Welsh *cas* means *hatred*. Look how hatred is spelled in Hebrew: *Cass*. *Dafnu* in Welsh means *to drop*. Look what the word is in Hebrew: *nataph* or *taph*.

Examples:

Welsh	Meaning	Hebrew	English
Gael hedd	heap of testimony	Gaised	
Bagad	A troop cometh	Bagad	
Anudon	Without God	Aen Adon	

Gael hedd means *heap of testimony*. Look how you spell *heap of testimony* in Hebrew: *Galeed*. Same thing. Look at those two words. The Welsh word *Bagad* means *a troop*. Look how you spell *a troop* in Hebrew: *Bagad*. The Welsh word *Anudon* means *Without God*. Look how you spell

Without God in Hebrew: *Aen Adon*.

You can see in that small sample, that many of the words are perfectly identifiable in the Welsh and the Hebrew, and even some of these words, coming into English. Yahweh saw fit to preserve the Hebrew in the Welsh language.

There's an article in the Oxford English Dictionary *Was English Derived From Hebrew?* Let's read it. *The idiomatic likenesses between English and Hebrew were noticed by Tyndale when he translated the scriptures. He*

said, "The properties of the Hebrew tongue agreeth a thousand times more with the English, than with the Latin." Is anybody listening to me? Do you see that in the English speaking nations of the world, that Hebrew is found in our language?

He said, "The manner of speaking is in both one, so that in a thousand places, there needest not but to translate the Hebrew word for word."

Canon Lyson found five thousand Hebrew Roots in the English language

(our British Ancestors). Other authorities put the figure even higher. The Welsh is so much like the Hebrew that the same syntax may be used for both. The old Saxon language is said to be eighty percent Hebrew. That comes out of the Oxford English Dictionary. The oldest poems in the Celtic language are in the "Book of the Dun Cow" (1106 A.D.) and it sounds just like passages from the Old Testament. That is from the Encyclopedia Britannica. **The Israelites clearly brought their language with them as they began to migrate over the world.**

Welsh and Hebrew are virtually identical. There is no doubt that the Welsh people are Hebrew Israelites. Few of these people realize they are speaking Hebrew. Currently there's a Welsh revival. How many of you have heard of the Welsh revival? Do you know where Donald Trump came from? A Welsh revival from his great grandparents that was part of the Welsh revival. They spearheaded it, and that's where he comes from. The Right to Rule is given to these Israelite people. You can't make this up. You can't do it no matter how hard you try. The *Right to Rule* lives in Donald Trump.

Let's keep going. How many of you have heard of King Ahab? He was the grandson of King Jeroboam. King Omni's son was King Ahab. Ahab is more famous to us because he married Jezebel, the daughter of a Sidonian king, and their story is all through the Bible. Jezebel replaced the Israelite priests with the pagan priests from her native country. It was the prophet Elijah, who challenged these priests; and he's doing it again today! Jezebel was thrown out of a window to her death. because of the prophet Elijah.

Life in the House of Israel continued this way, king after king, until Yahweh decided He had had enough. He used Assyria to punish the House of Israel. Watch carefully. We're coming to a good point here. These kings made this land of Israel to where it was time for it to be destroyed. How is Yahweh going to do it? With the Assyrian Empire. The Assyrian Empire comes from Babylon. The Assyrians and the Babylonians come to Jerusalem, and now we can pick up their history through the writings of Tiglath-Pileser III.

They're deported from the kingdom, and where do they go? The first deportation of the Northern Tribes began in the year 745 B.C. King of Assyria, Tiglath-Pileser, began the first invasion against Israel. You can read about that in II Kings 15:19-20. Where did he bring them to? A place called Northern Media. He began to take the tribes of Manasseh, which lived on the eastern side of the Jordan River. This began the process of deporting of the Ten Tribes, away from Palestine. They were resettled in northern Media, just south of the Caucasus Mountain range. This is all in your history by the way.

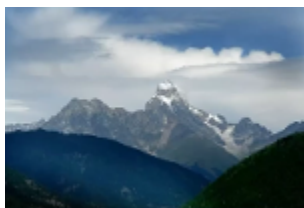

George Putnam, in his Dictionary of Events in 1927, states, "745, Accession of Tiglath-Pileser III of Assyria, who wages war against Chaldea, Syria, and the kingdom of Israel." You can read about all this in II Kings 15:19, and I Chronicles 5:26.

And then we find another king by the name of King Sennacharib. It started and continued until 712 B.C. When did it start? In 745. Earlier, there was another group that heard that the Syrians were coming, and they left. They went to Wells. This is the deportation now. It lasted for thirty-something

years. He attacked all the cities of Judah in Israel, except for the city of Jerusalem. You can read this story in Isaiah 36 and 37. Sennacherib would have taken Jerusalem, but Yahweh promised He would leave the lights on there, so He sent an angel to kill 185,000 of Sennacherib's men in Isaiah 36.

There's a large stone in England called The Taylor Prism. You can go look at it today. You've got to go to London, to the British Museum. It states, "As for Hezekiah, the Judahite who did not submit to my yoke, forty-eight of his strong walled cities, as well as the small cities of their neighborhood...by escalade and by bringing up siege engines, by attacking and storming on foot, by mines, tunnels and breaches, I took 200,150 people great and small..." If you put those numbers the way they wrote in shorthand, he basically took two million people captive when he attacked them. He could have taken as much as twenty million or two million. We don't know. But the least amount that he took was two million people.

My question to you is: Did they disappear from the face of the earth?

Sennacherib also refers to a people called the Mannai, which was the Tribe of Manasseh. Archeological evidence confirms that members of all twelve tribes were deported from Palestine and placed in Media, a large area just south of the Caucasus Mountains. These people were taken to these mountains. History books

will tell you that the Caucasian people came from the Caucasus Mountains about 700 B.C. Isn't that interesting! When did he start deporting these people? 745 B.C., all the way to 712 B.C. And this is where the history of the Caucasian people begins: 700 B.C.

The rabbis of Judaism and Archbishop Rowan Williams teach that the House of Israel disappeared into oblivion, never to be heard from again. They both lied. They are wrong. Now we're going to talk about something very interesting: The Seven Times Prophecy from Leviticus 26:13-46. We need to know

about this prophecy. Put it in your notes. To be certified to teach on the Identity Message, you are going to have to know this. We're about to learn all about this prophecy. Let's read verse thirteen from Leviticus twenty-six.

Leviticus 26:13-14 *I am Yahweh your Father Who brought you out of the land of Egypt, that you should not be their slaves; I have broken the bars of your yoke and made you walk upright. 14 But if you do not obey Me, and do not observe and do all these Laws,*

He's talking to Israel. He said, "I brought you out, but if you do not keep my Commandments..." Read verse fifteen.

15 *And if you despise My Statutes, or if you abhor My Judgments, so that you do not perform and do all My Laws, and so violate My Covenant,*

Whenever I tell you that we are Covenant people, that's because we are Commandment keeping people. The New Covenant is the New people who keep the Commandments. You need to know that. Verse twenty-three.

23 *And if in spite of these things you do not accept My correction and are not reformed by Me, but walk contrary to you,*

That will preach all day long: walking contrary to one another. What's going to happen if I get contrary with you? Have you ever heard that someone is contrary? If Yahweh gets contrary to these Lost Tribes, here's what's going to happen.

and I will punish you yet seven times over for your sins.

This is what's called the Seven Times Prophecy. I am going to punish Israel seven times for their sins. Read verse twenty-seven and eight.

27 If in spite of this you still do not obey Me, but continue to walk contrary to Me, 28 Then I also will in My fury continue to walk contrary to you, and I, even I, will chastise you seven times over for your sins.

What will that Seven Times Prophecy start with? How will you know it has started? Verse thirty-three.

33 I will scatter you among the nations

KJV And I will scatter you among the heathen,

Another word for *heathen* is *gentile*. You will know the prophecy has begun when you are no longer in the land of Palestine; when I begin to scatter you not just to one nation, but to all the heathen Gentile nations, you'll know this Seven Times Prophecy has begun.

and draw out a sword after you; your land shall be desolate and your cities wasted.

That's the Assyrians. Read.

34 Then the land shall enjoy its Sabbaths as long as it lies desolate and you are in your enemies' land; then the land shall rest and enjoy its Sabbaths.

Nobody will live in Palestine, and then another group of people will move in, who will call themselves Palestinians, and that will become their land after I drive you out of it. Then when I send you back, they won't understand the prophecy. They will think it's their land when it's really your land, and it will start a war that no president will ever be able to have a peace treaty to solve this problem. Verse forty-three.

43 The land also shall be left empty by them, and will enjoy its Sabbaths while it lies desolate without them;

Listen, when I drive you out of here, there's still going to be a people in Jerusalem keeping the Sabbath, because the light is going to be left on all over. But the land of Israel, the northern land, is all going to be desolate. People are going to move into those lands. They're called Palestinians.

they will accept their guilt, because they despised My Judgments and because they abhorred My Statutes. 44 Yet in spite of this, when they are in the land of their enemies,

Hold on now. When you get to the land of the Gentiles, or the heathens, or your enemies where I'm sending you—when I send you through those Caucasus Mountains, when I send you through Germany, when I send you through these European nations, when I scatter you by the billions, I want you to know something: you're not lost. Don't let them tell you that you're the lost tribes. You're not lost.

I will not reject them or abhor them so as to destroy them completely, breaking My covenant with them. I *am* Yahweh their Father.

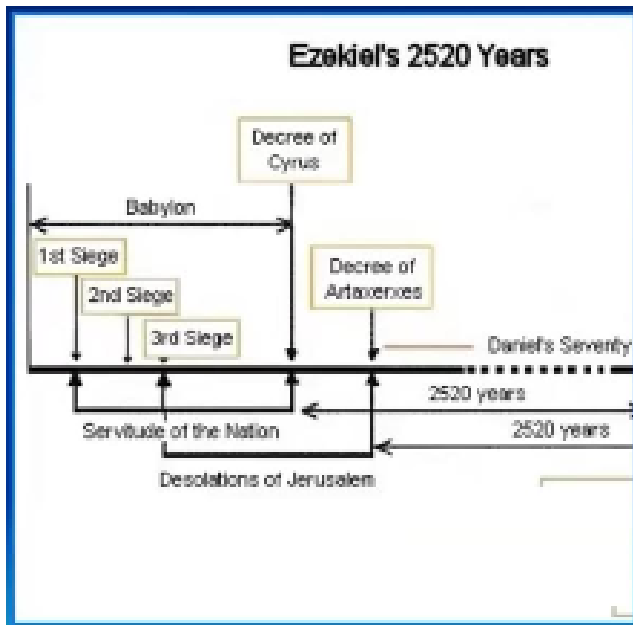

I will not cast you away. You'll think I've forgotten about you, but I'm going to do something in the book of Acts that's going to start bringing you back. And I will never destroy you utterly, or break My covenant with you. Do you remember what the covenant was? The covenant was that you will rule the Ten Tribes, instead of the House of David. That was the covenant; the covenant that David will always have somebody on his throne. No matter where I drive you to, that covenant will stay. Verse forty-five.

45 But for their sake I will remember the covenant with their ancestors, whom I brought out of the land of Egypt in the sight of the nations, that I might be their Father. I *am* Yahweh.

Where am I going to raise you up? In the land of the heathens. You're going to think you're a European. You're a Welsh. You're going to think you're an

American. You're going to think that because I am driving you out there, but I'm going to keep My covenant in the SIGHT of the heathens. I'm going to elevate you to the THRONE in front, and in the midst of those heathens, so that the covenant is never forsaken. Verse forty-six.

46 These are the Statutes and Judgments, and Laws which Yahweh made between Himself and the children of Israyl on Mount Sinai by the hand of Mosheh.

Now, before the Ten Tribes rebelled, Yahweh issued this warning that if the Israelites do not obey His Laws, He will cast them away for a period of SEVEN TIMES! Get this Seven Times prophecy down or you won't know why you're praying for America. You won't know what the big deal is about America. Let me show you these seven times.

What does this mean: Ezekiel's 2520 years? A *time* equals 360 prophetic years. Because the *time* the sun goes around the earth according to the biblical calendar, that time is 360 days. In Bible prophecy, a day equals a year. So 360 days is equal to 360 years. For the sun to go around the earth one time, is 360 prophetic years. So seven times is 360 times 7. That brings you to 2520 years. Yahweh made a promise: If you don't keep my commands, I'm going to scatter you for 2520 years.

Observe very closely, and you are about to see the Divine fulfillment of this prophecy. The deportation of the House of Israel began, as cited earlier, in 745 B.C. This is an established historical act. From 745 B.C. we add 2520

years (Seven Times) to it, and it will be the year 1775. We are very close to the year in which America was founded, aren't we? But close only counts in horseshoes, right? Wait a minute! There is no such thing as year zero. So if you remove the year zero from the modern calendar, it will bring you exactly to 1776! After 2520 years, the curse was lifted, and Israel had a new home. HalleluYah!

Exactly 2520 years after they were deported, Yahweh promised to gather them back together. He kept the covenant and here they are. That's why

they're the only nation in the world that founded their nation by Yahweh Himself. No other nation's Constitution, no other nation's founding documents is so riddled with the Word of God. No other nations were those people but The United States of America. It was the world's FIRST

Christian Republic. It was not a monarchy like Britain. It was founded Seven Times after the first deportation. Yahweh's Plan has no coincidences. He brought them through the Red Sea the first time, then He brought them through the Atlantic Ocean the second time. The more things change, the more they stay the same. America is the REGATHERING PLACE of ALL TWELVE TRIBES. The USA and JerUSAlem right here on earth! HalleluYah. HalleluYah. Yahweh raised up a man to remind us all that America must be first. If we will not be first then we will be last. You must get American Greatness in your mind. Donald Trump tried to restore it to our nation: American Greatness.
